

[Usage_3_total] Valid gene regulation

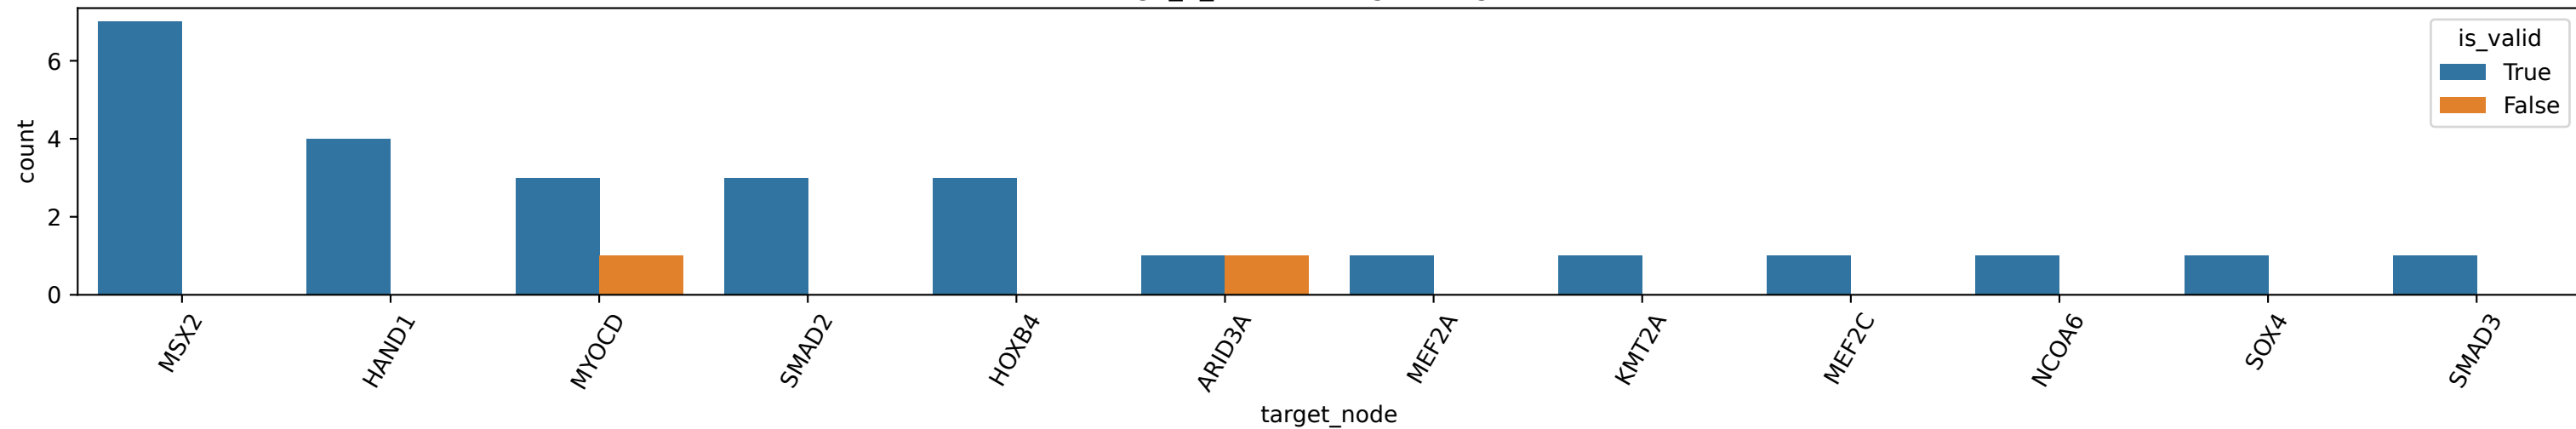

[Usage_3_total]Type of the upstream regulator

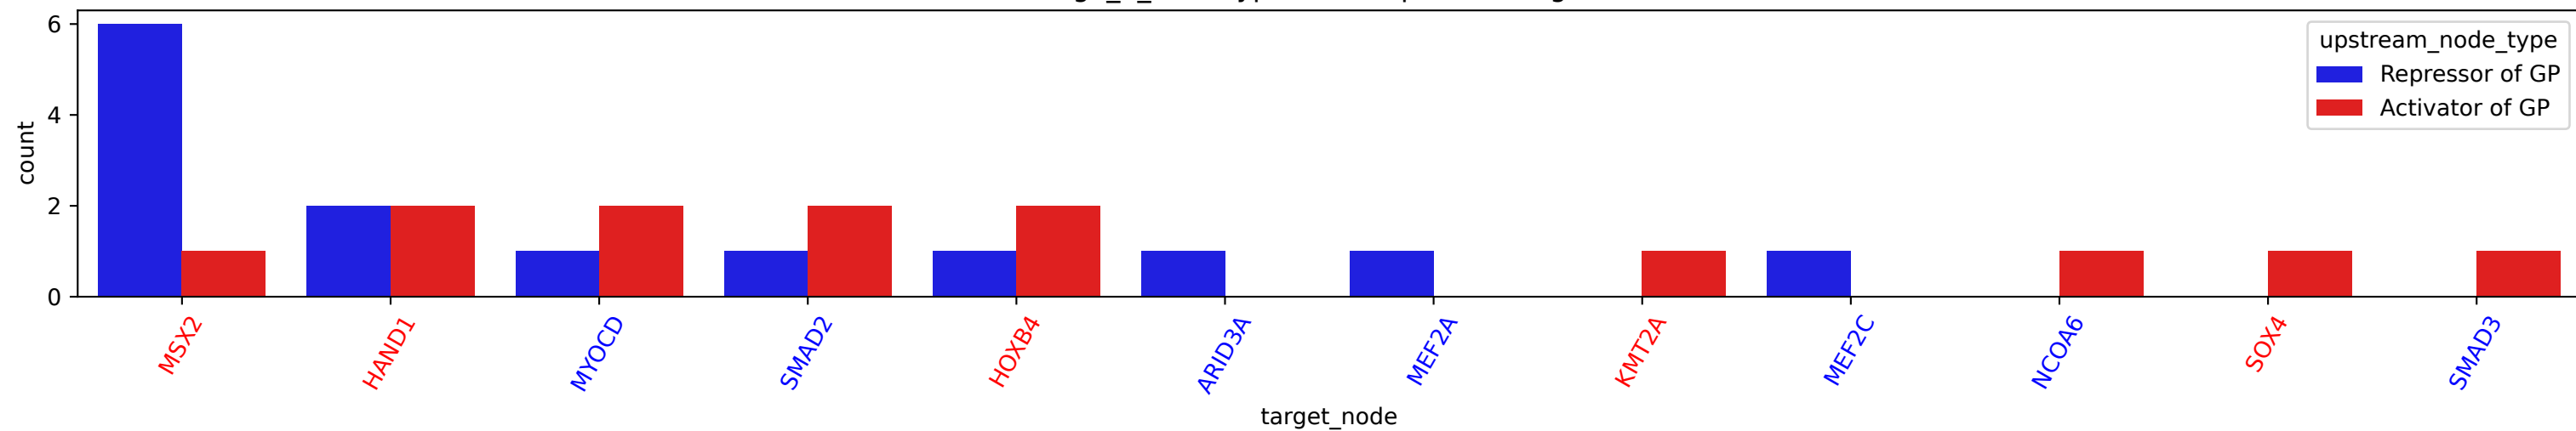

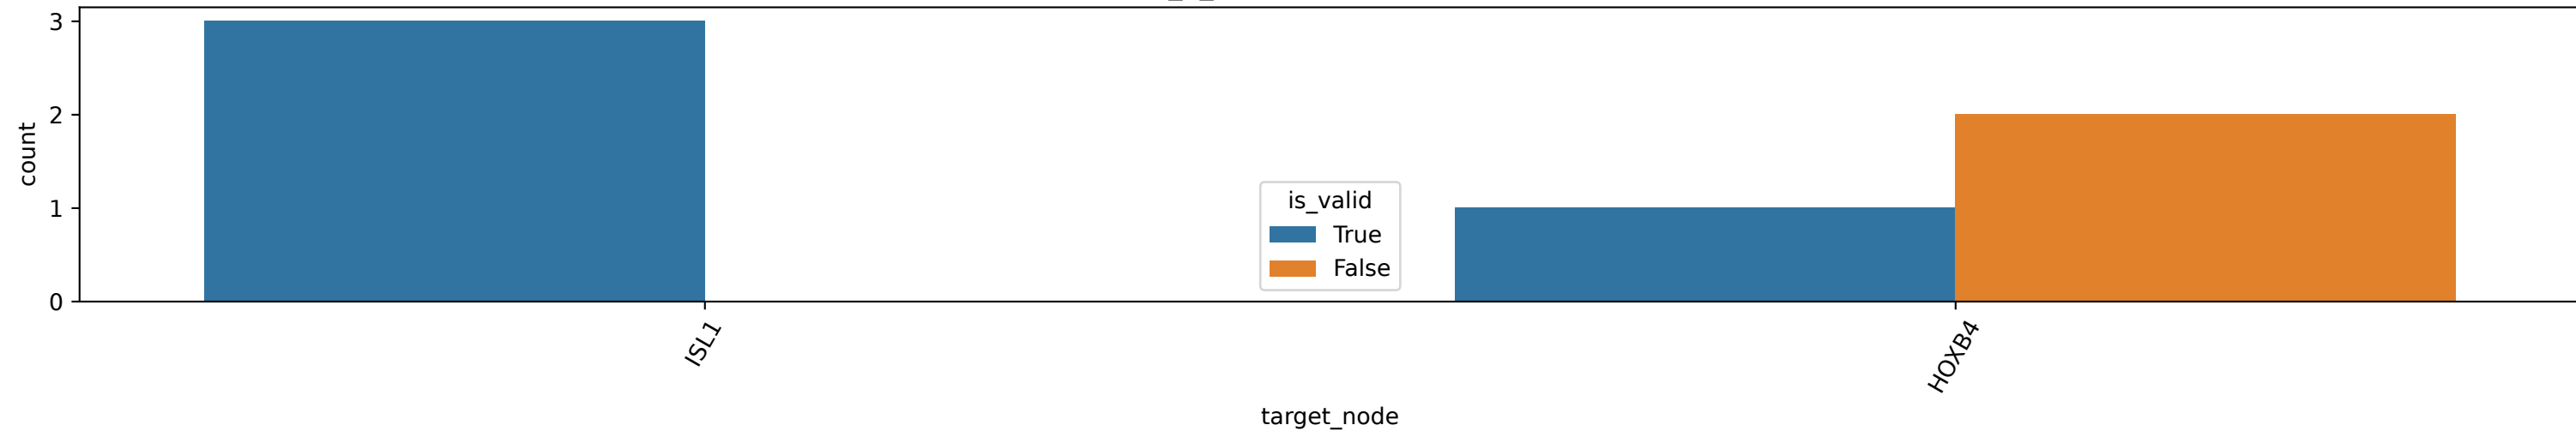

[Usage_5_total] Valid gene regulation

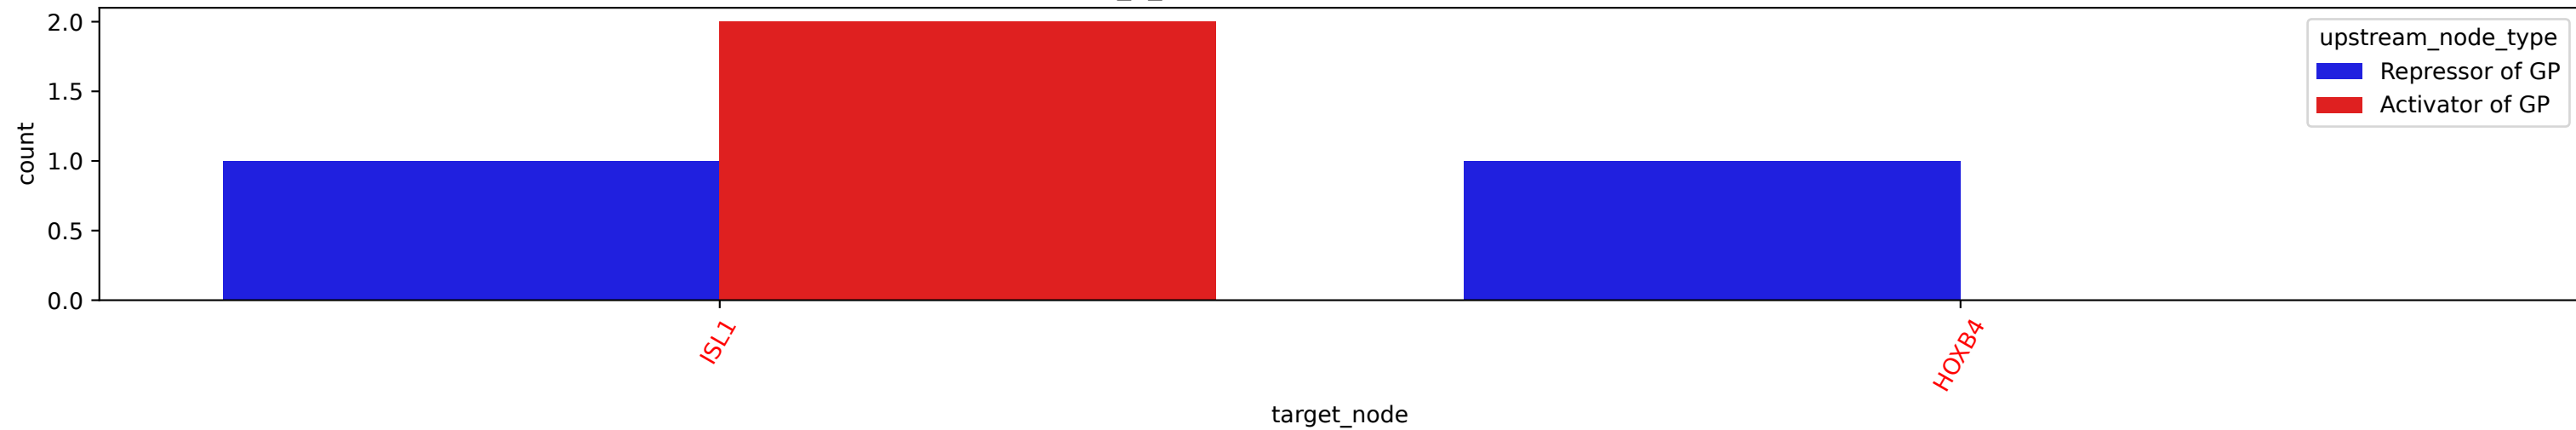

[Usage_5_total]Type of the upstream regulator

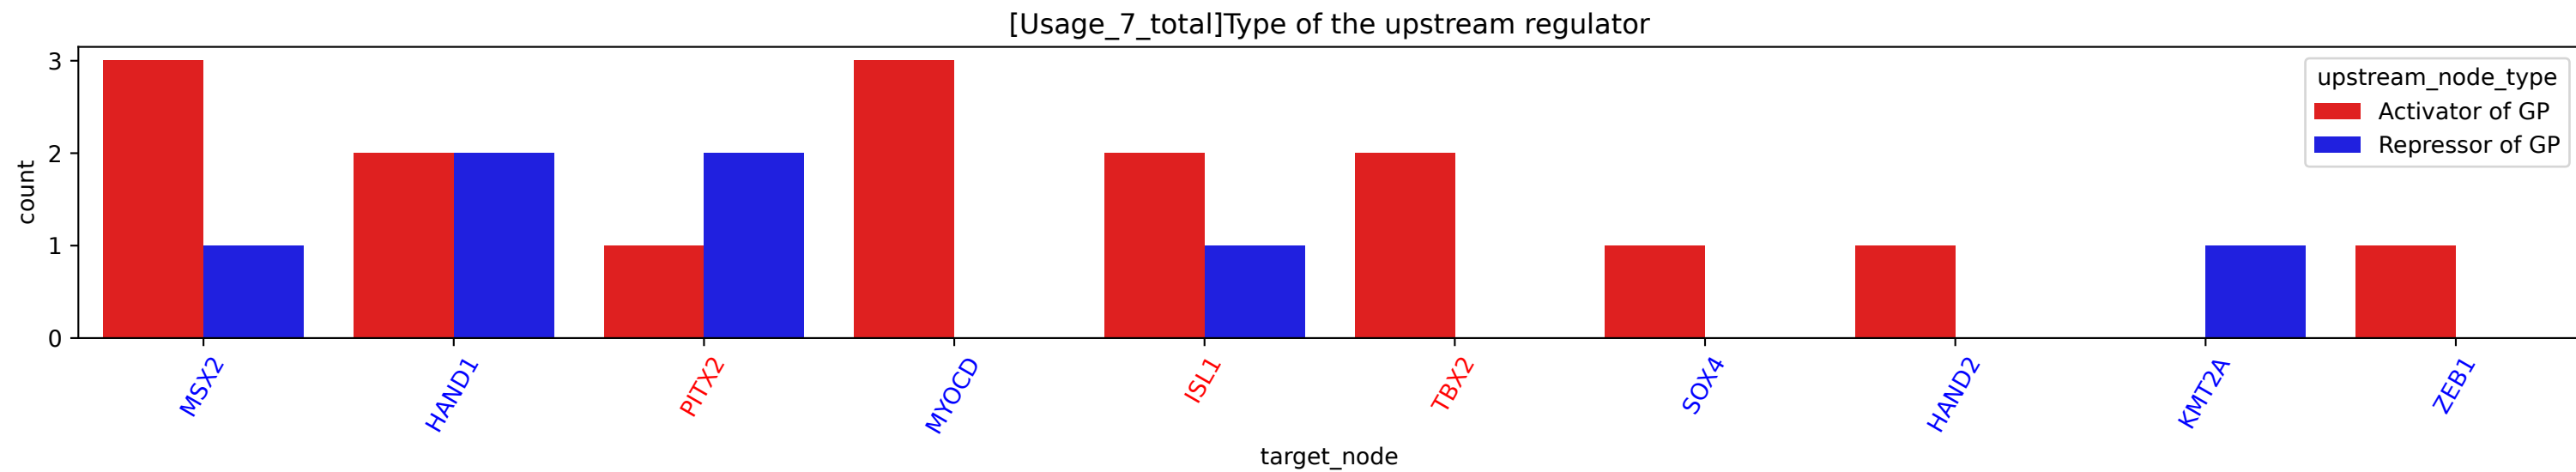

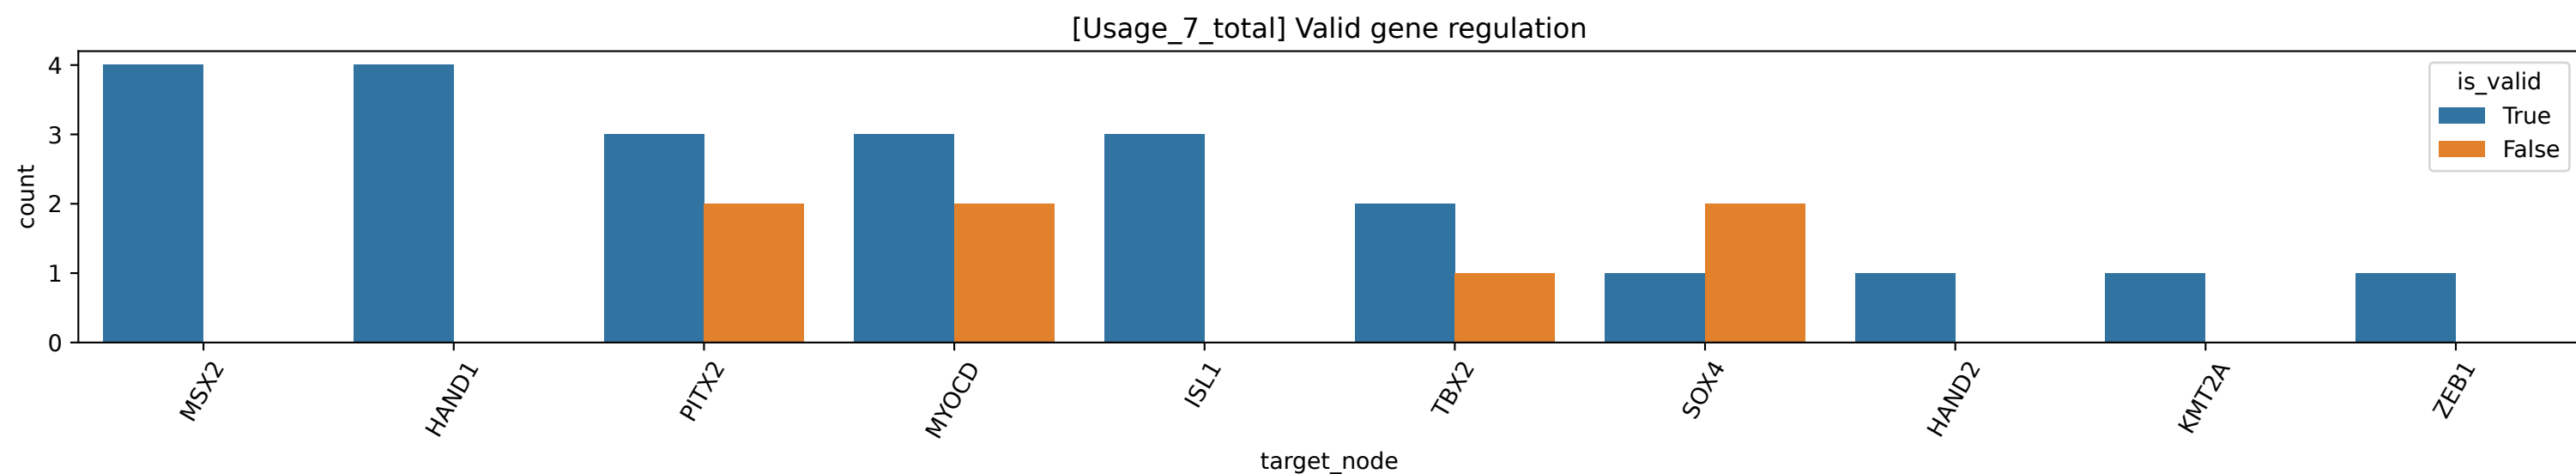

[Usage_6_total] Valid gene regulation

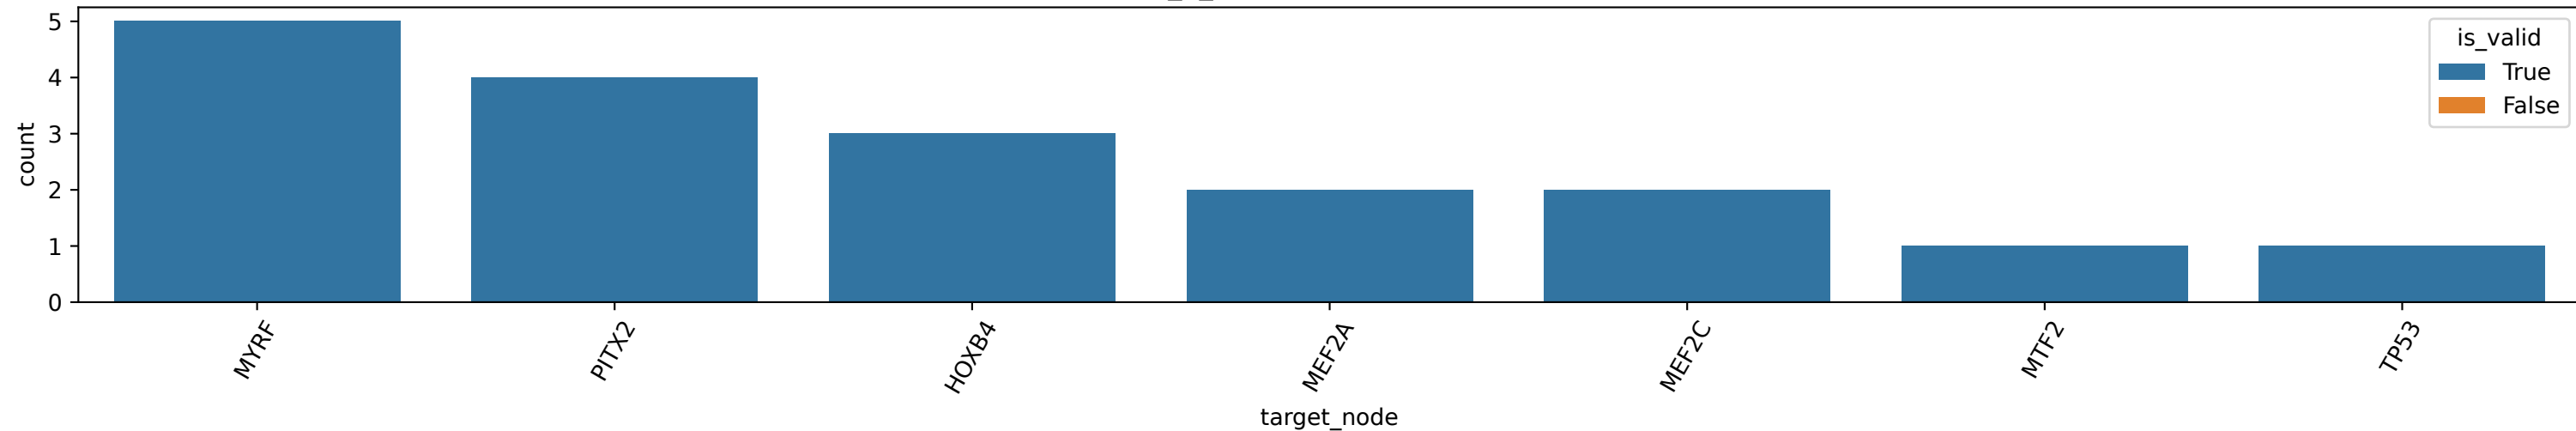

[Usage_6_total]Type of the upstream regulator

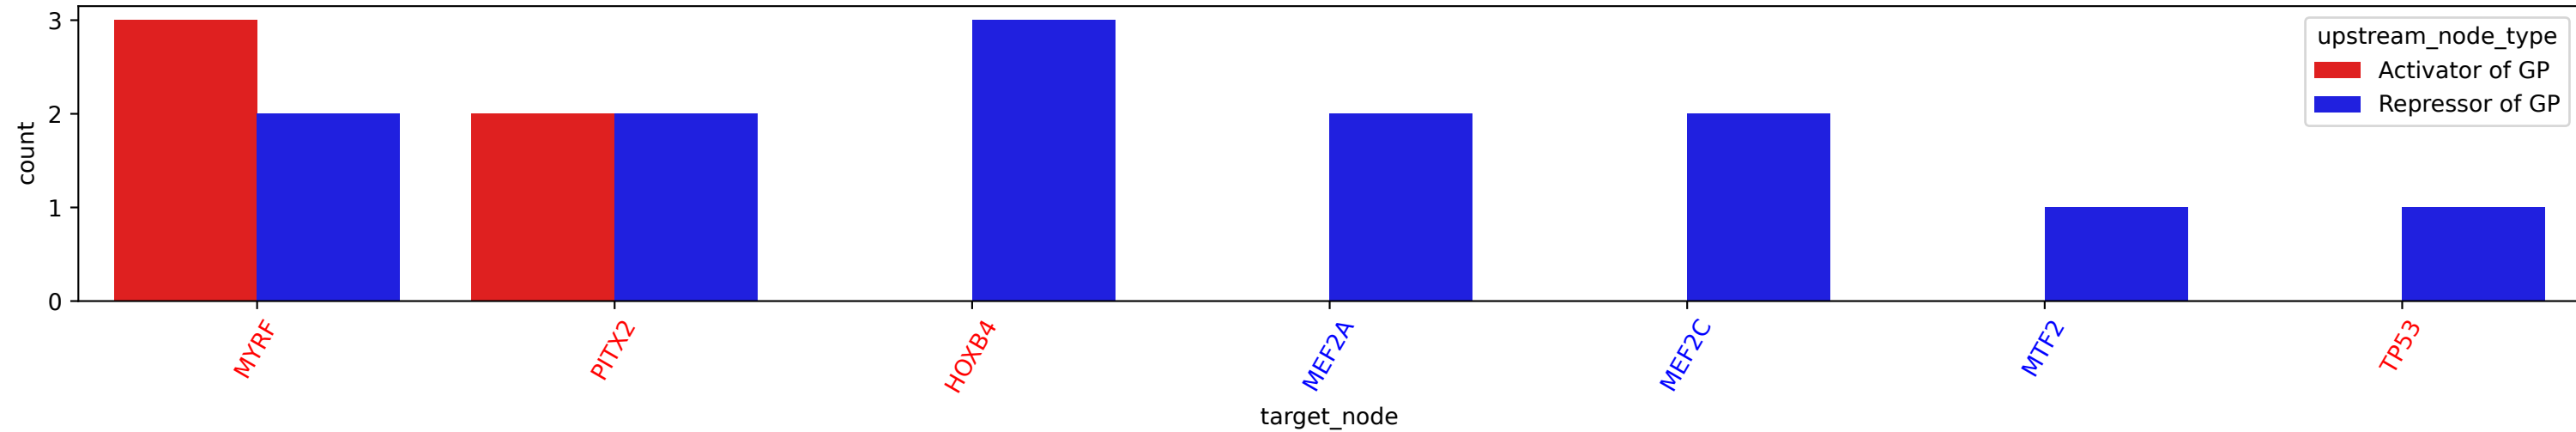

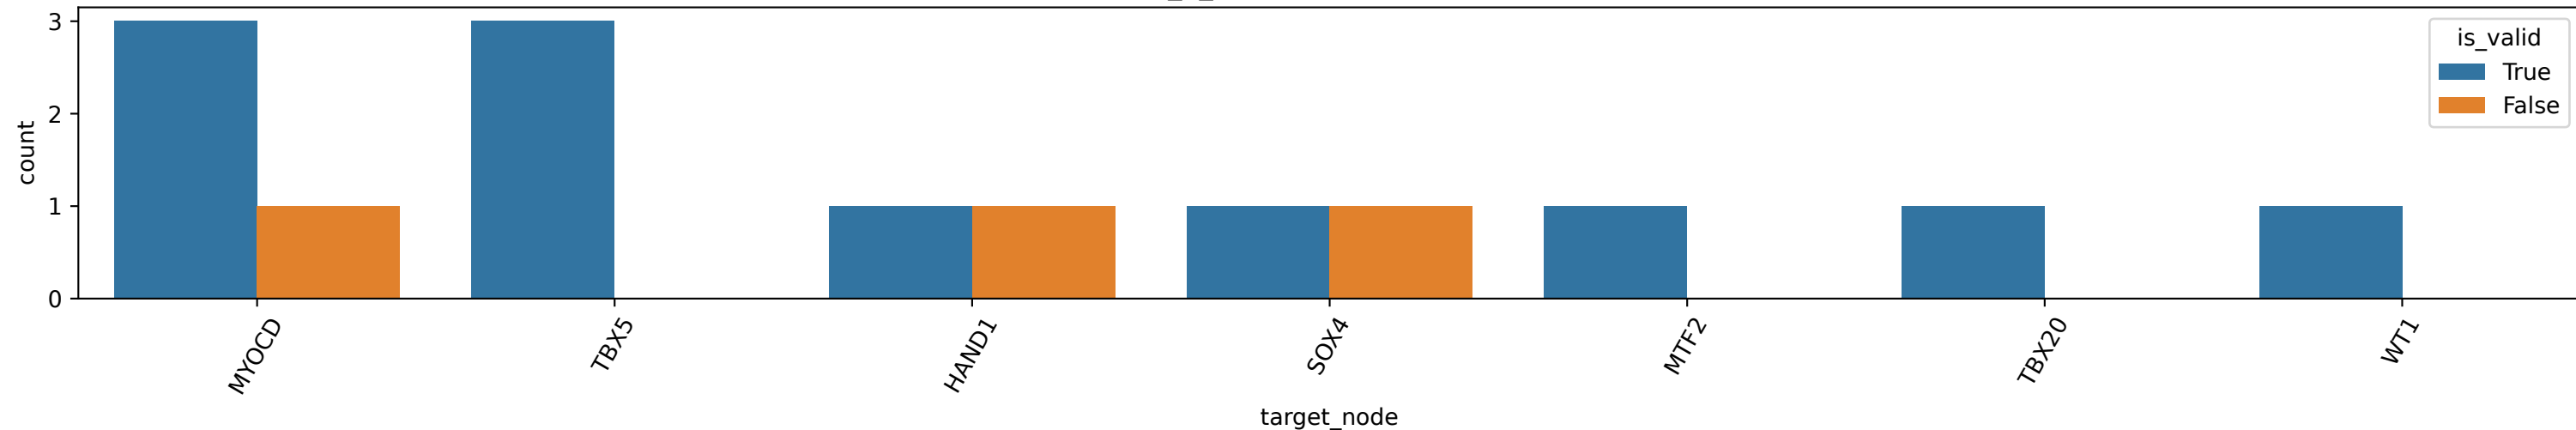

[Usage_8_total] Valid gene regulation

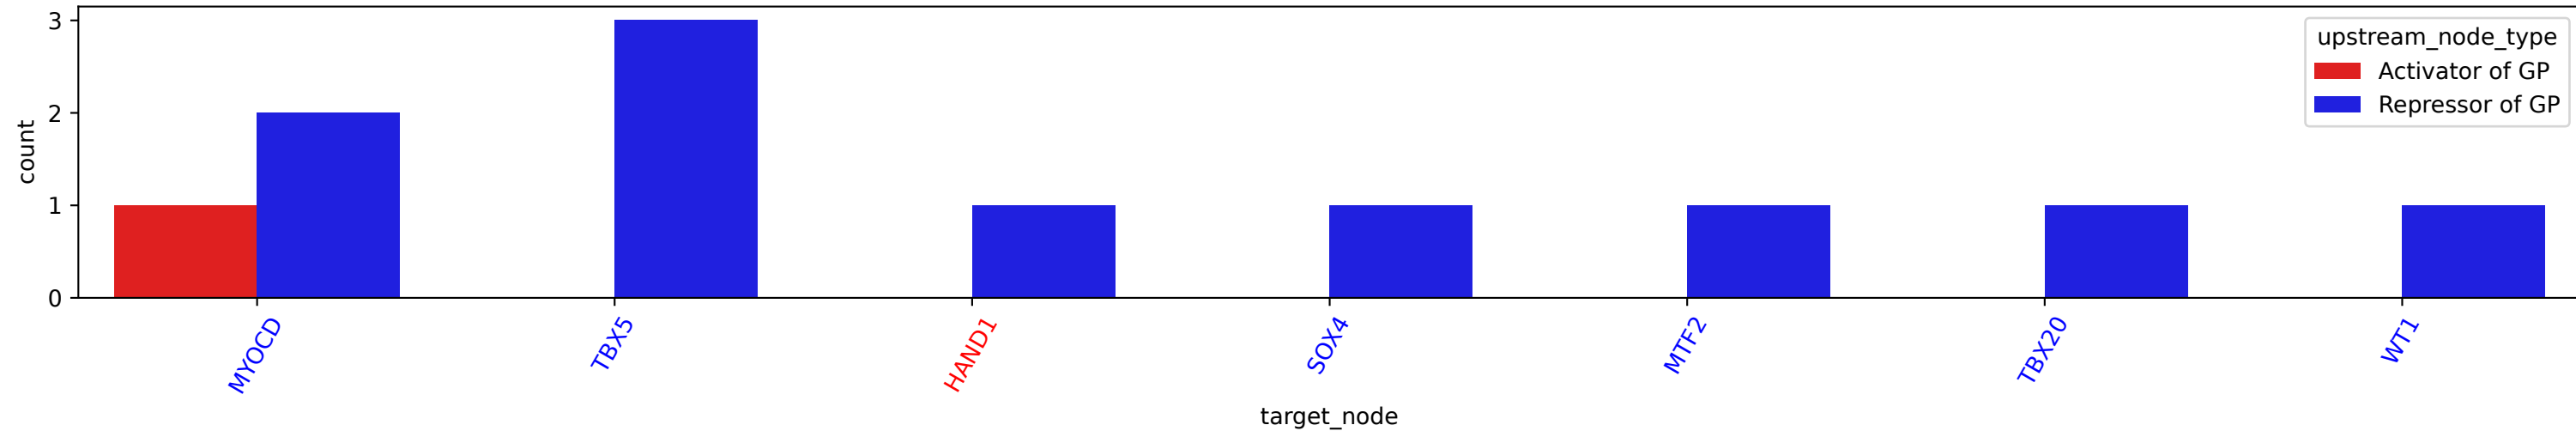

[Usage_8_total]Type of the upstream regulator

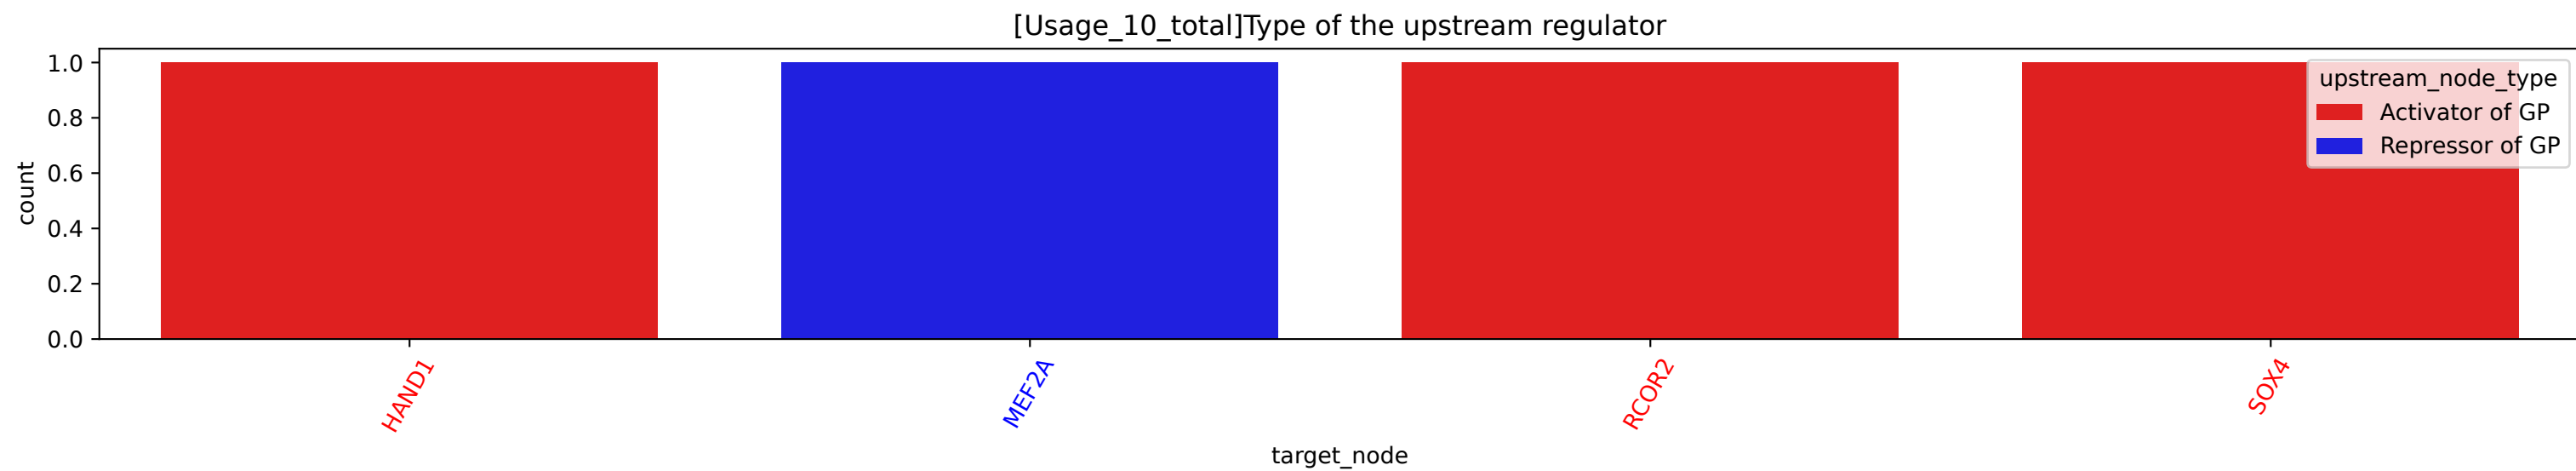

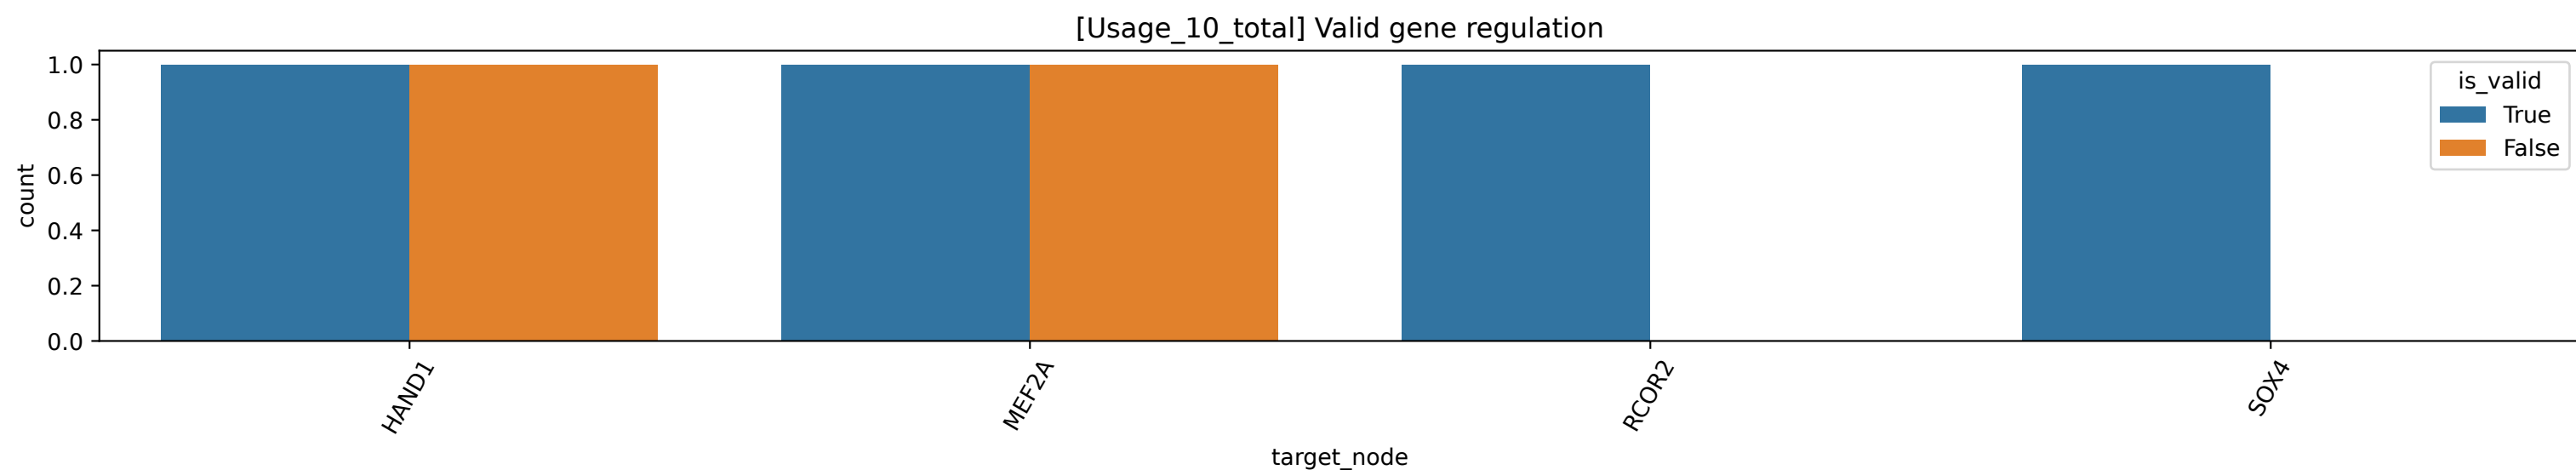

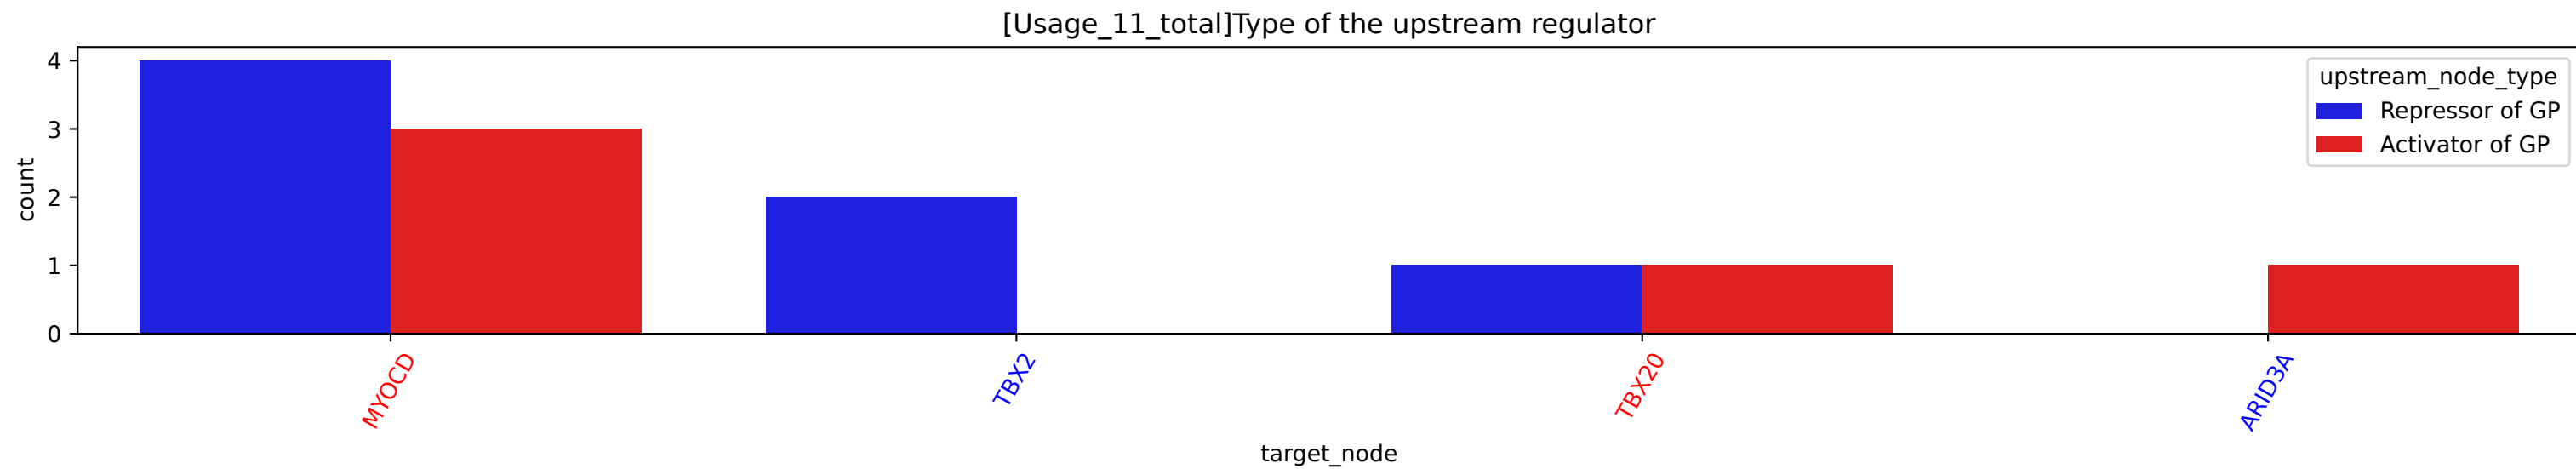

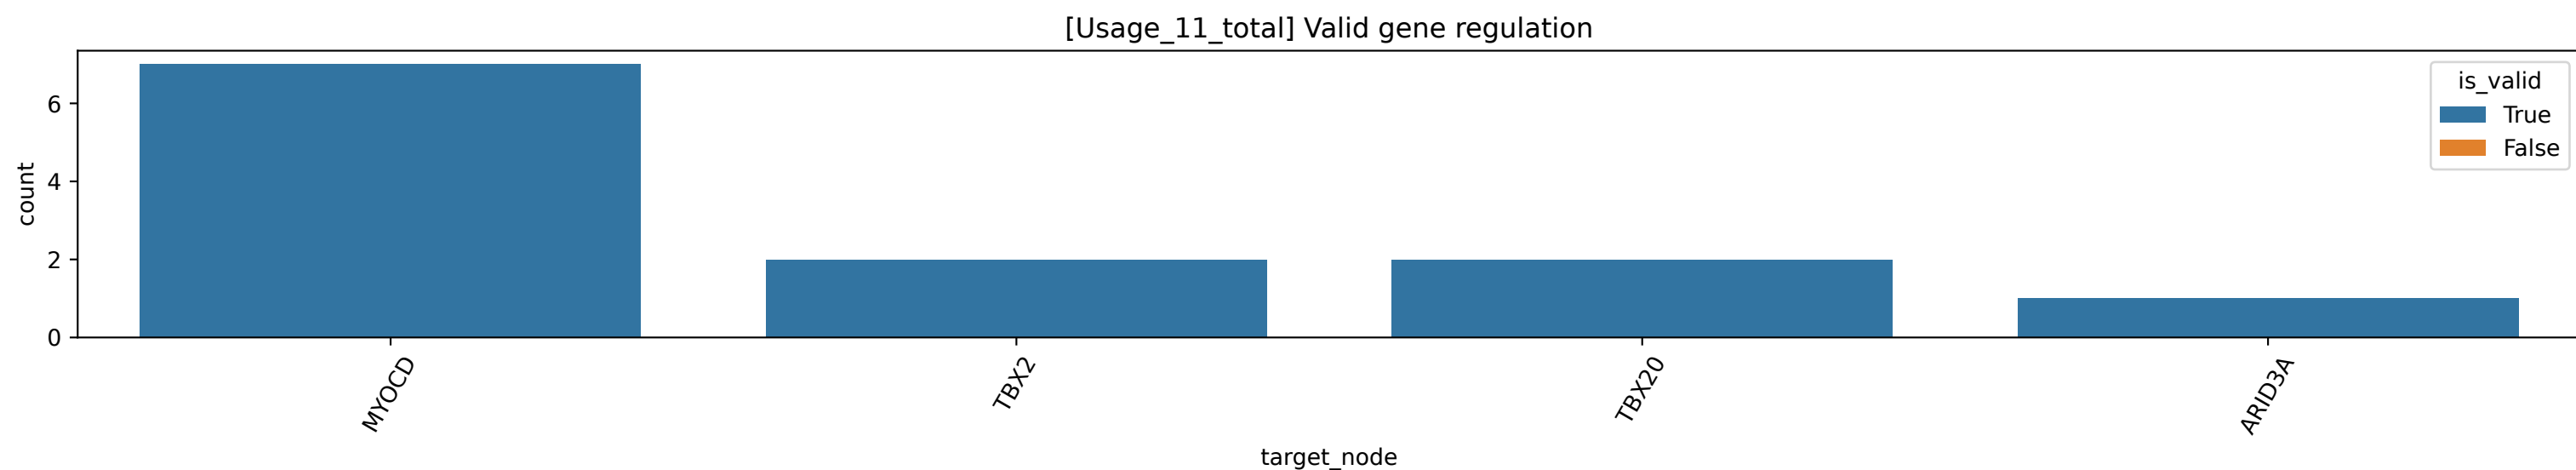

[Usage_9_total] Valid gene regulation

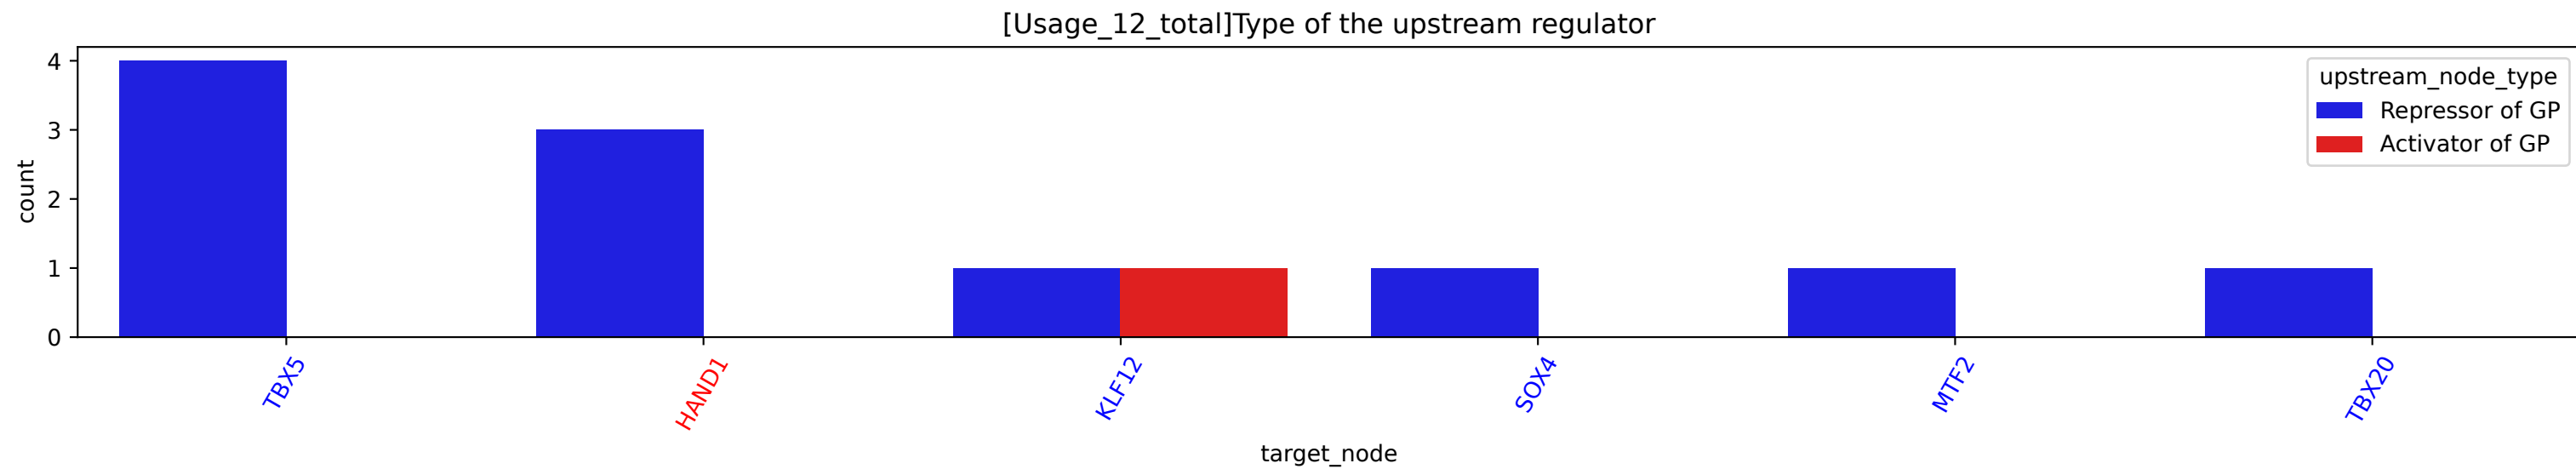

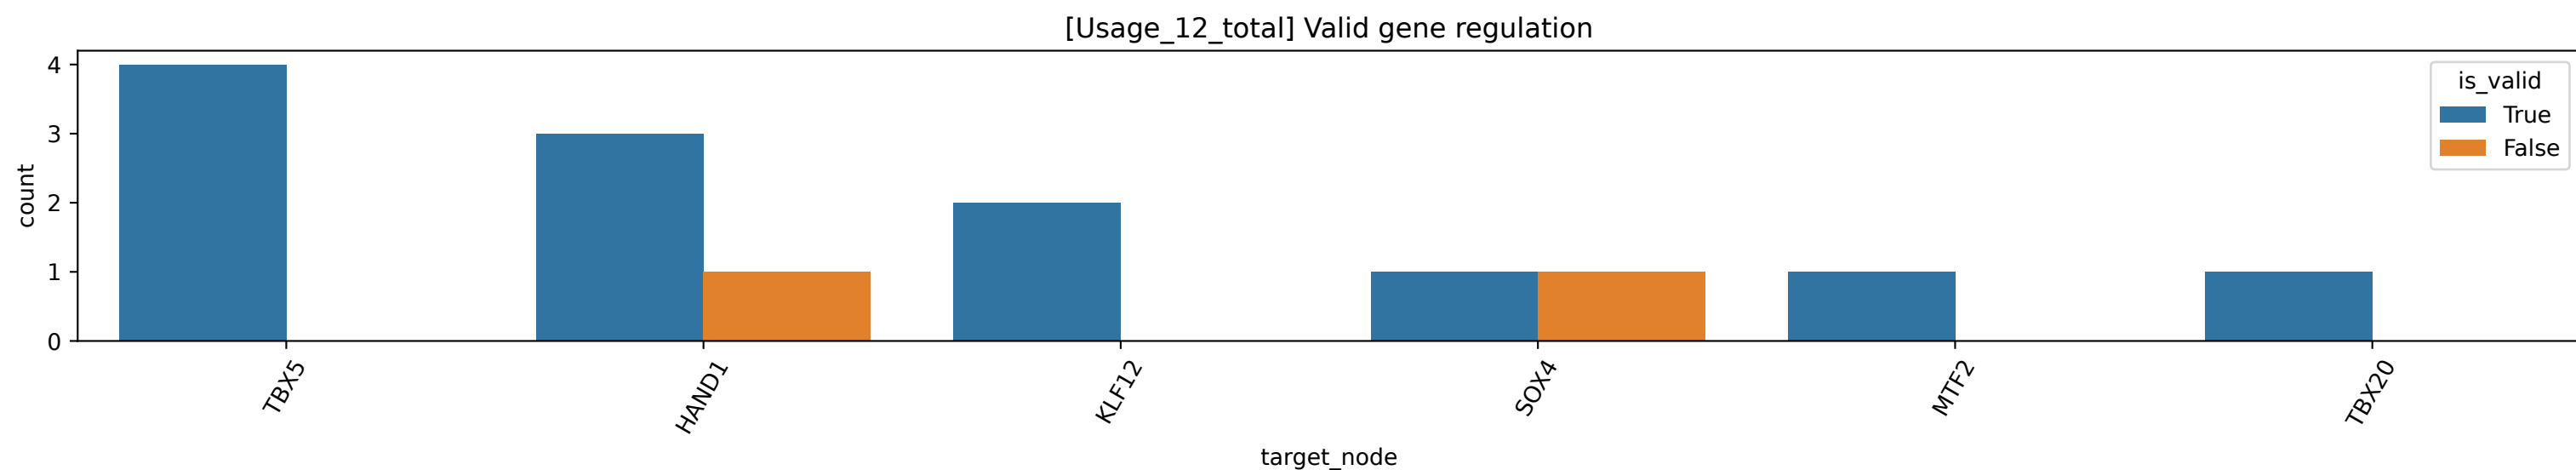

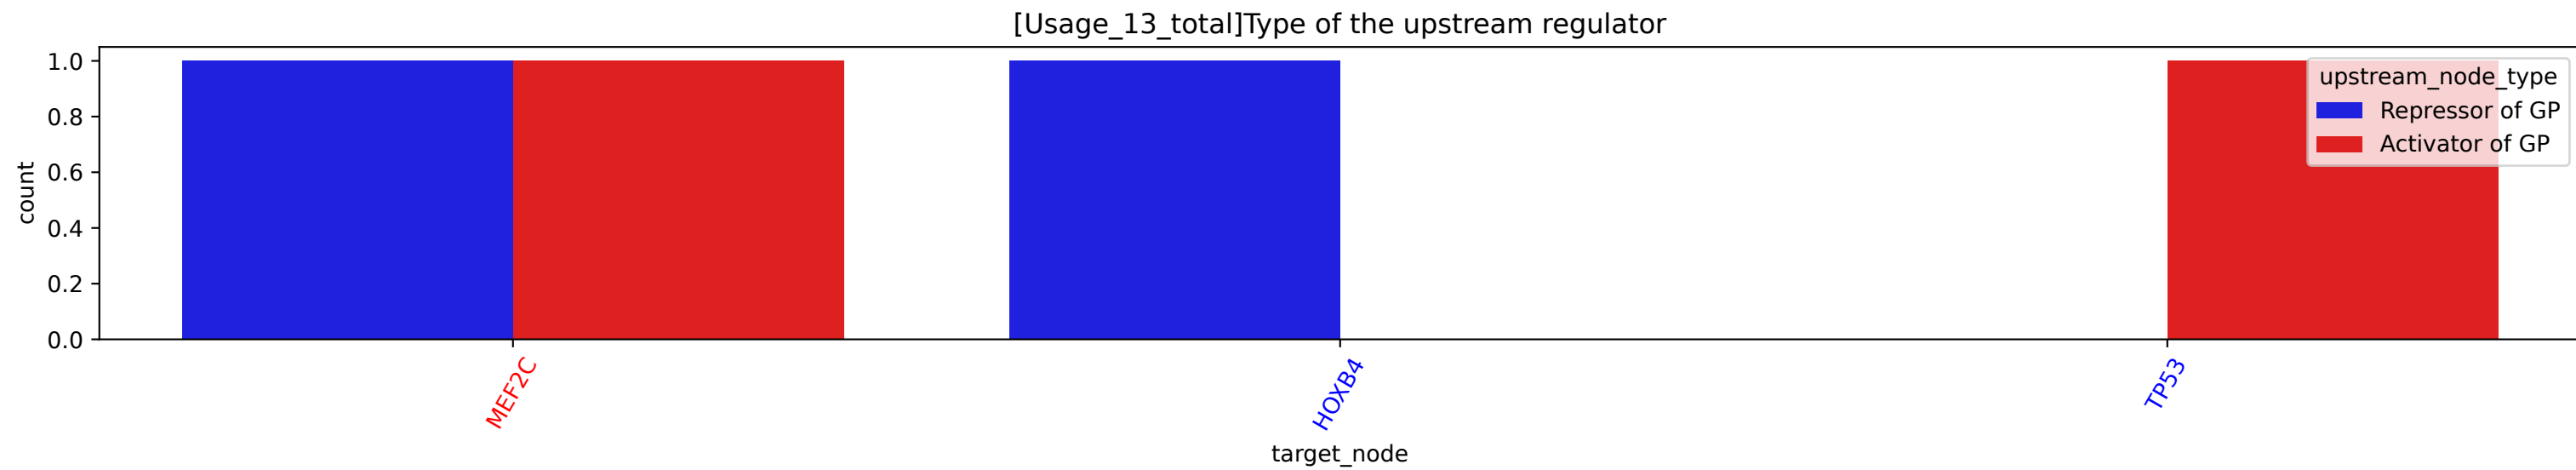

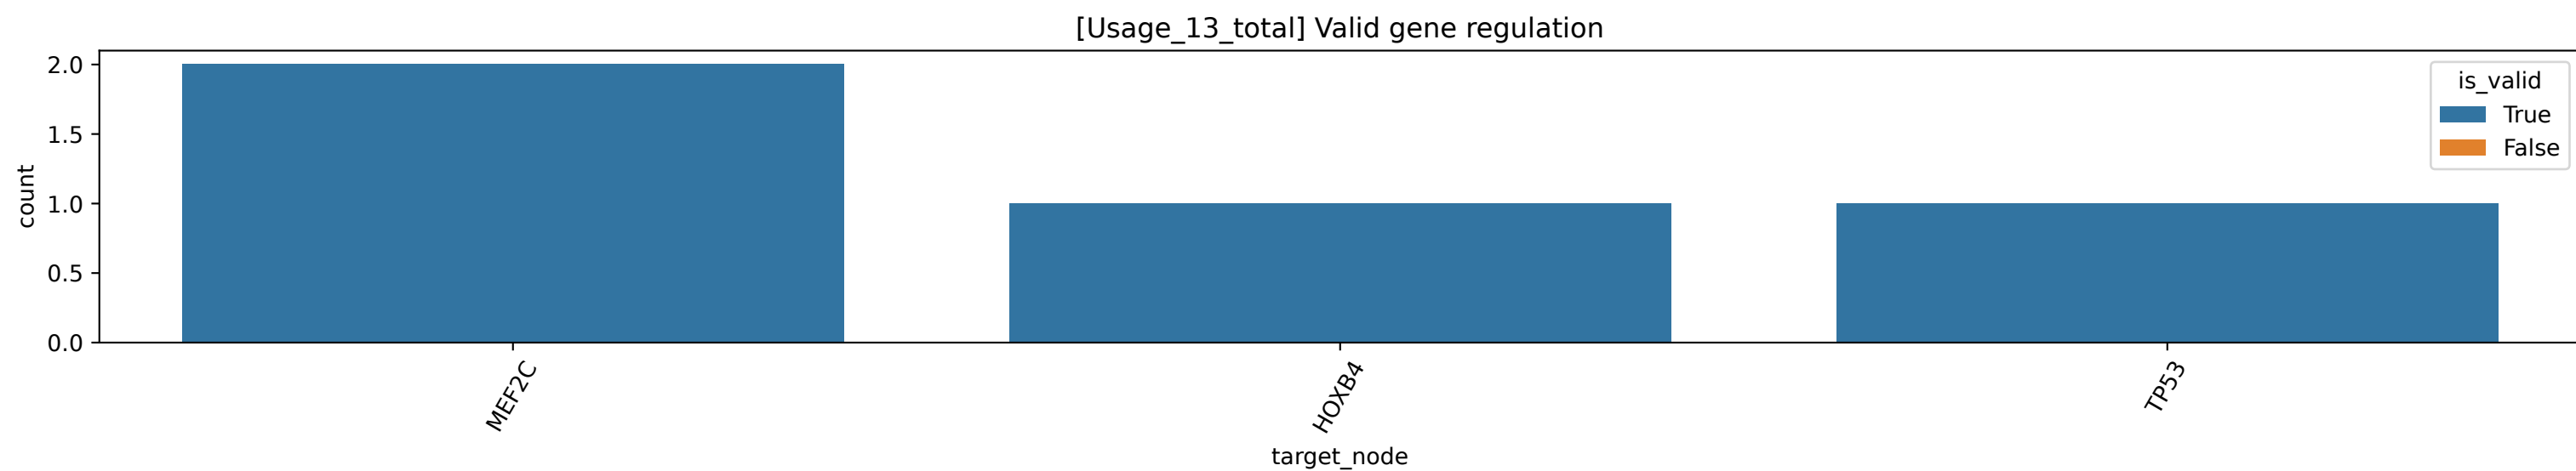

[Usage_9_total]Type of the upstream regulator

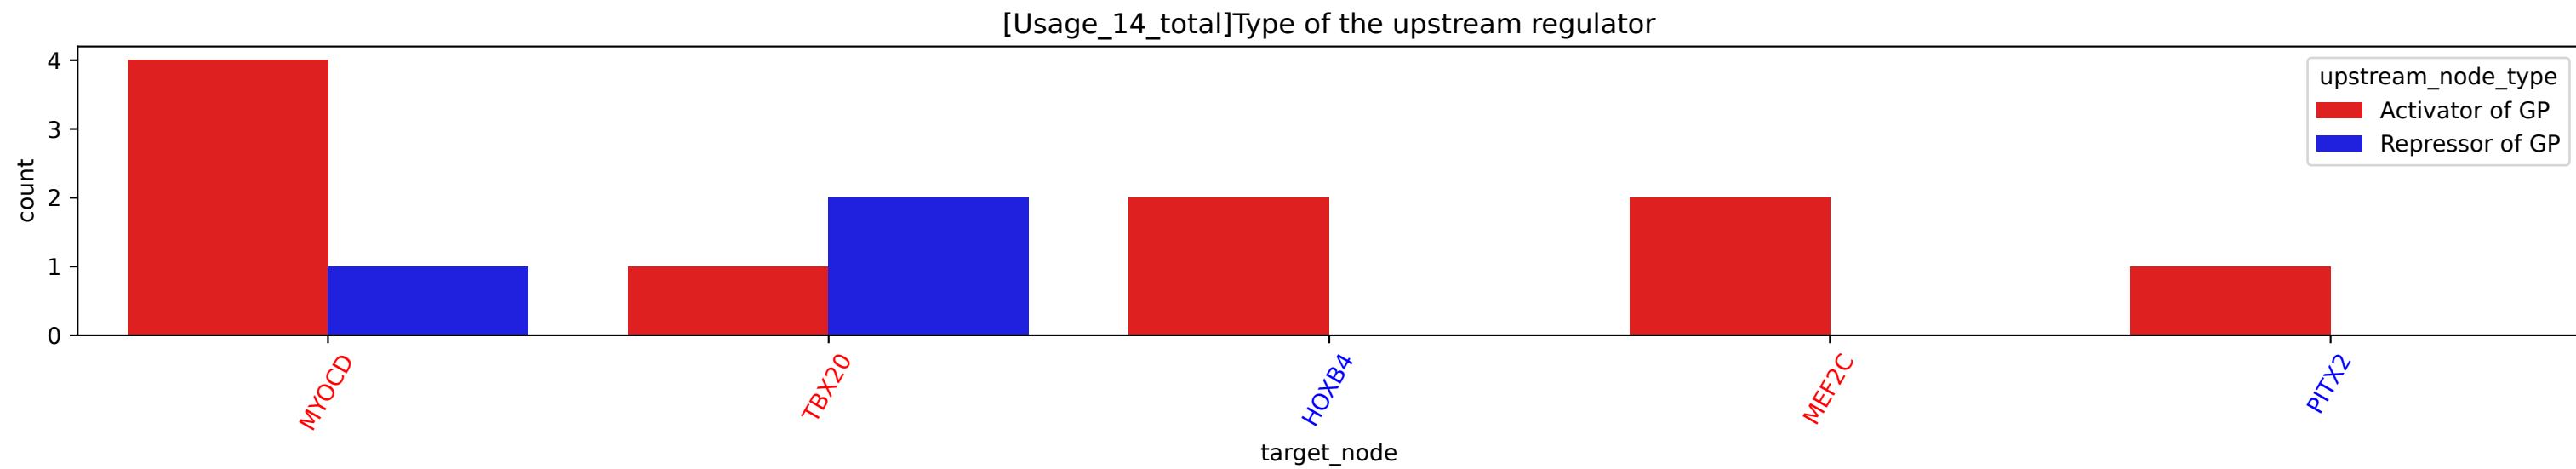

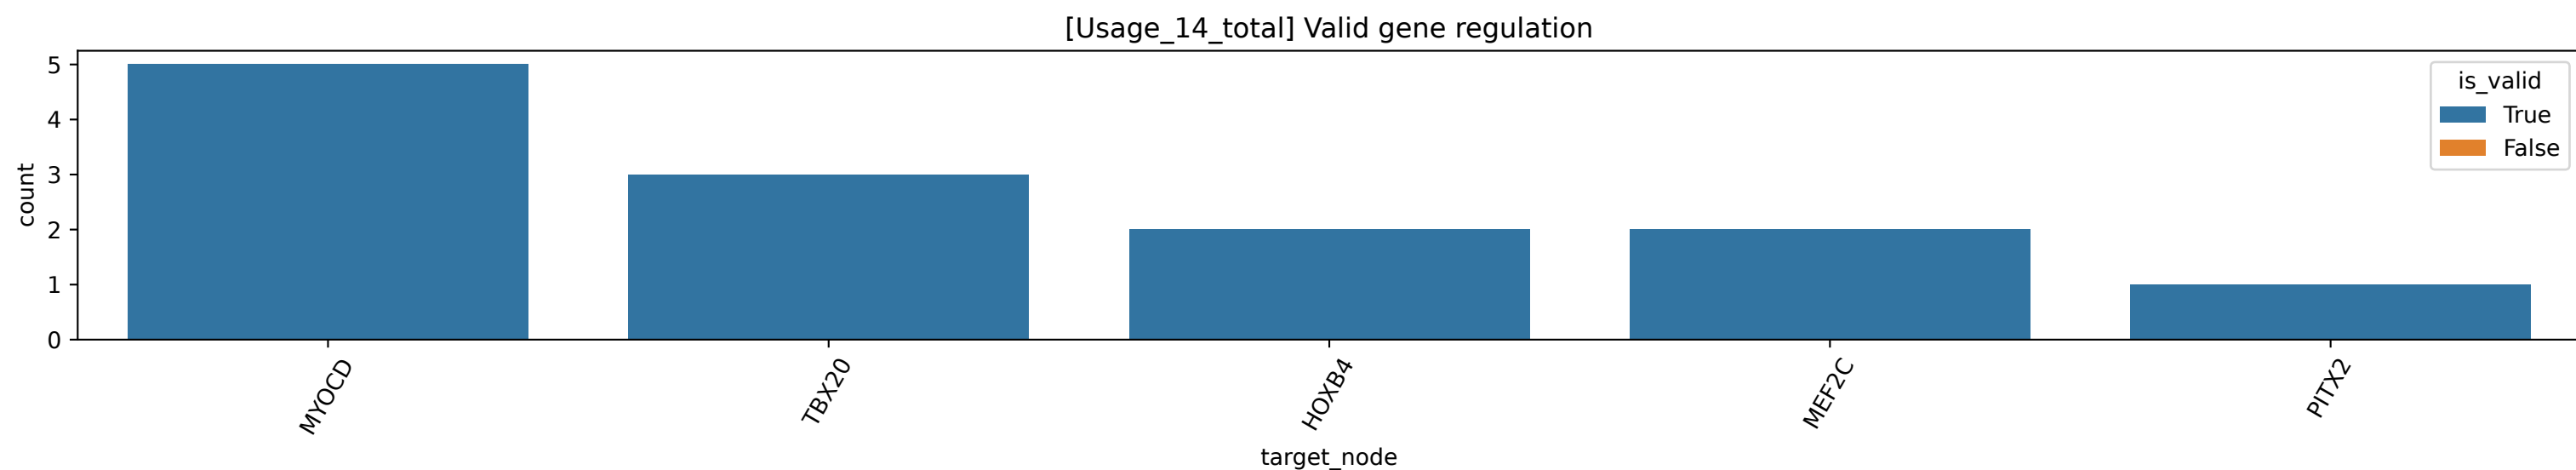

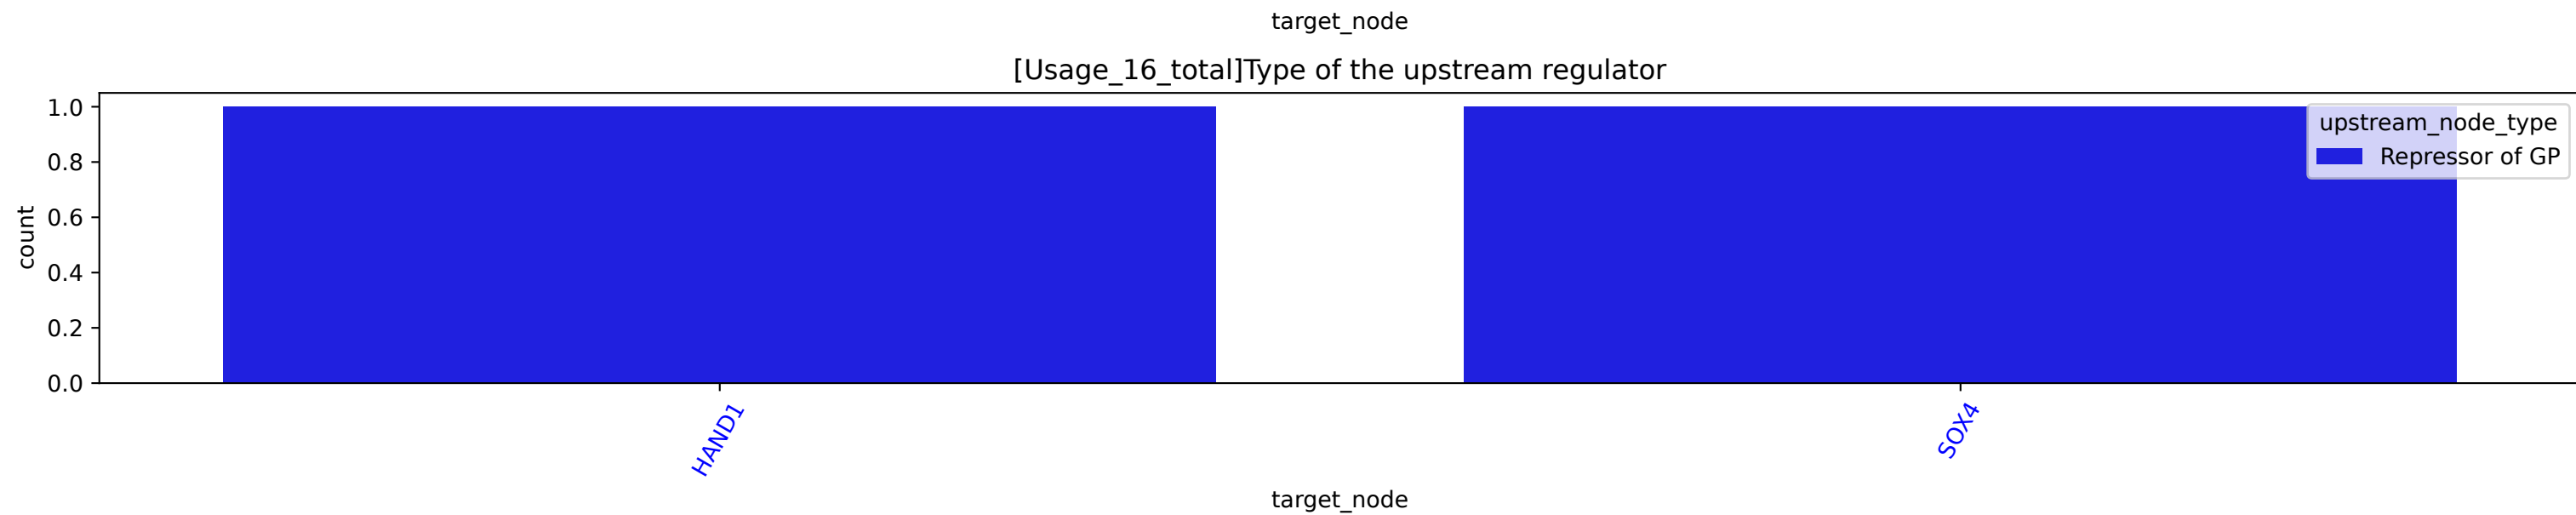

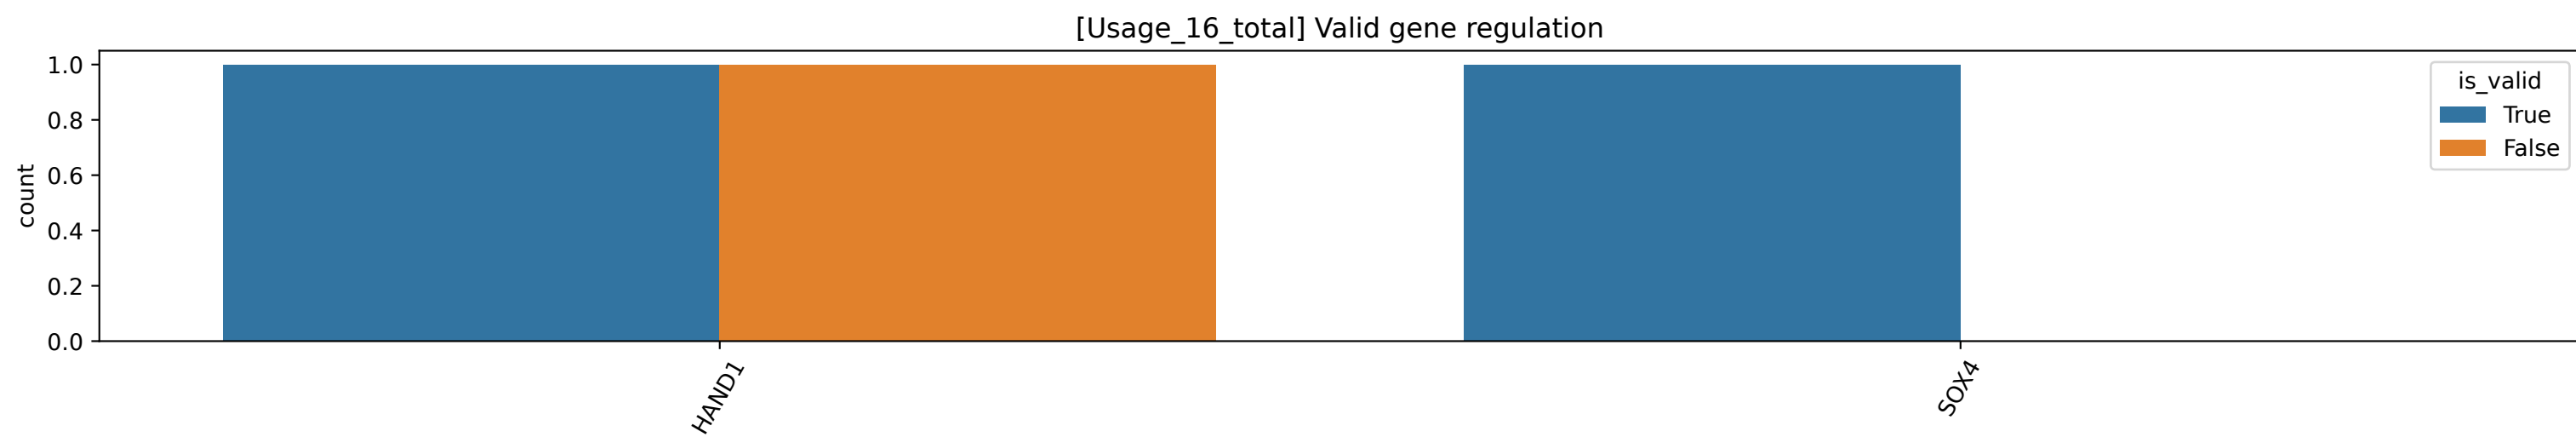

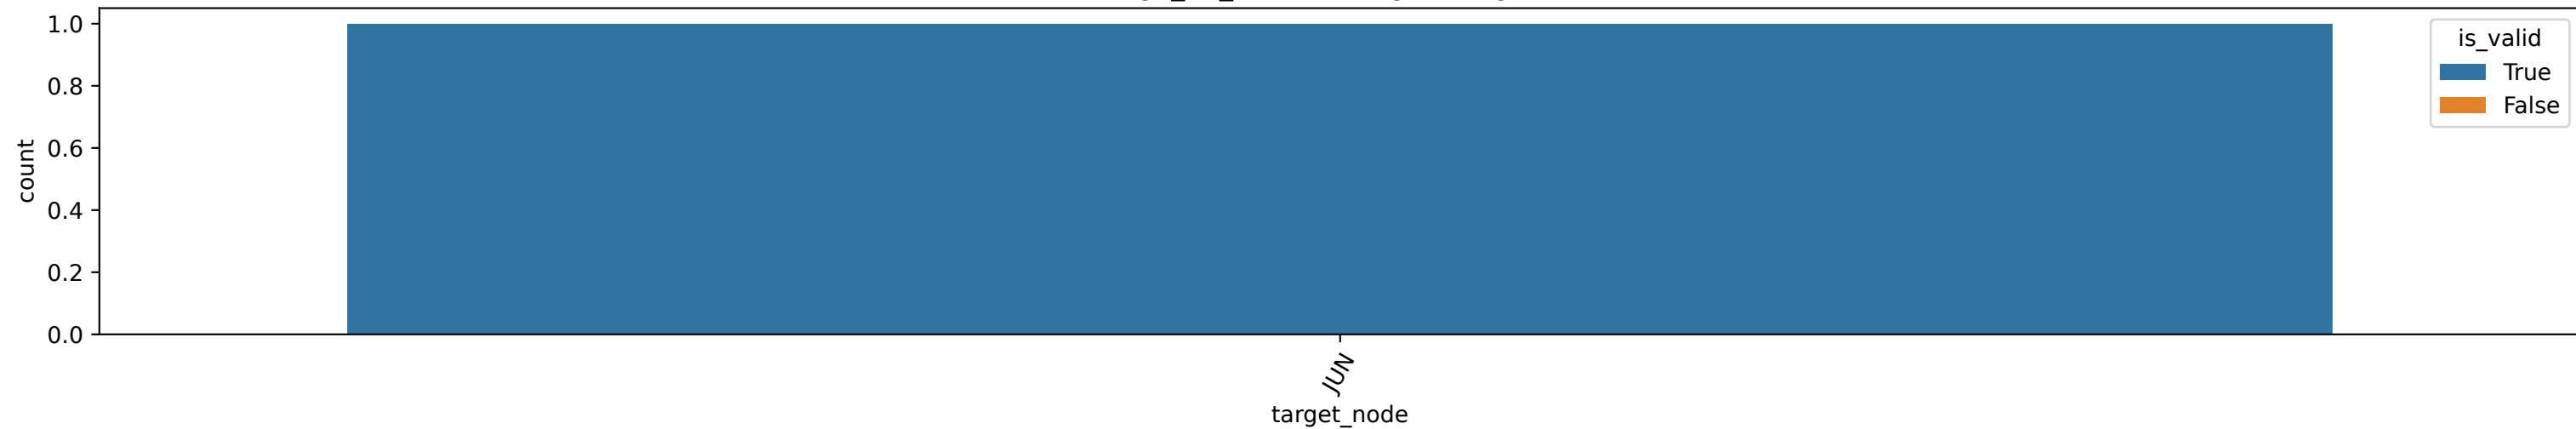

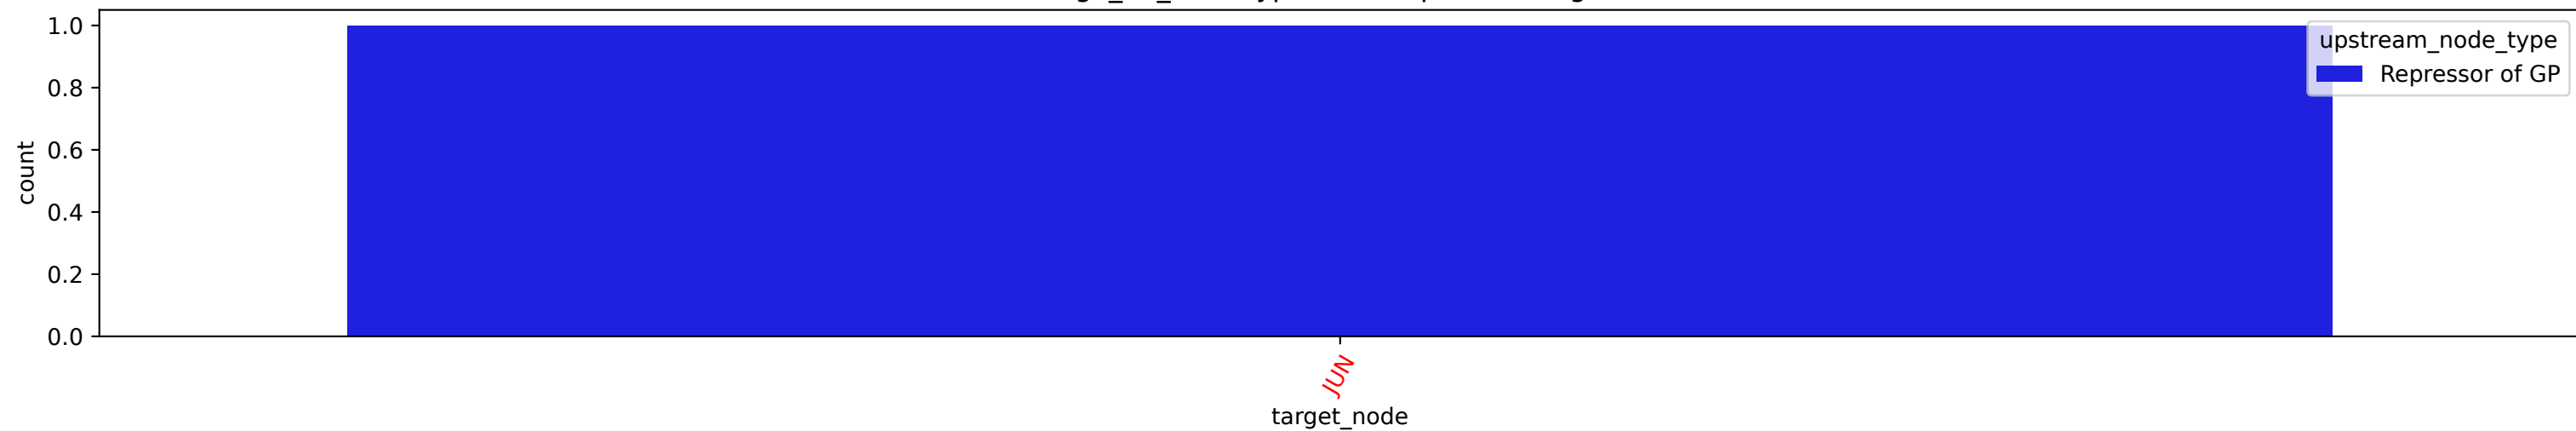

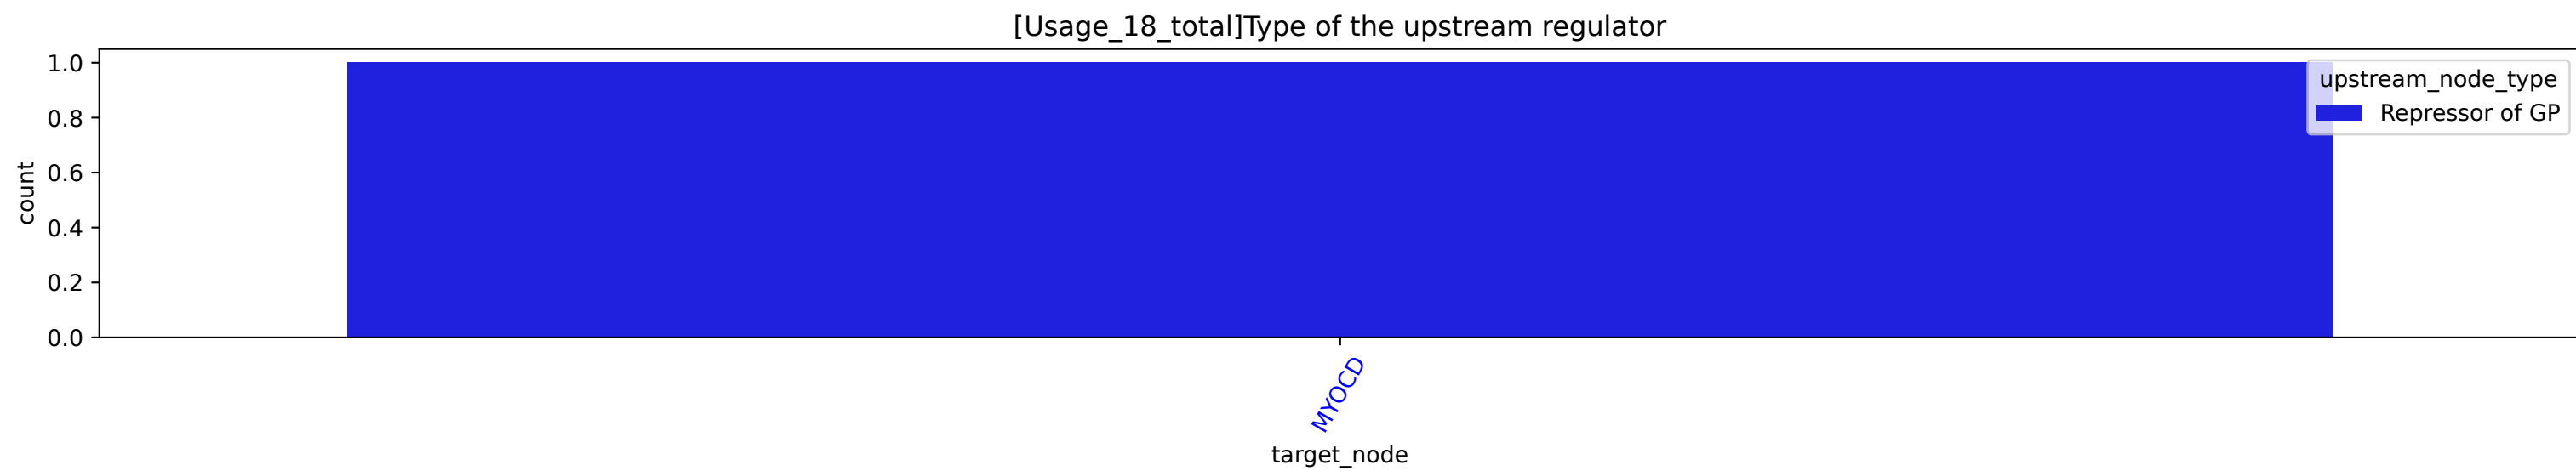

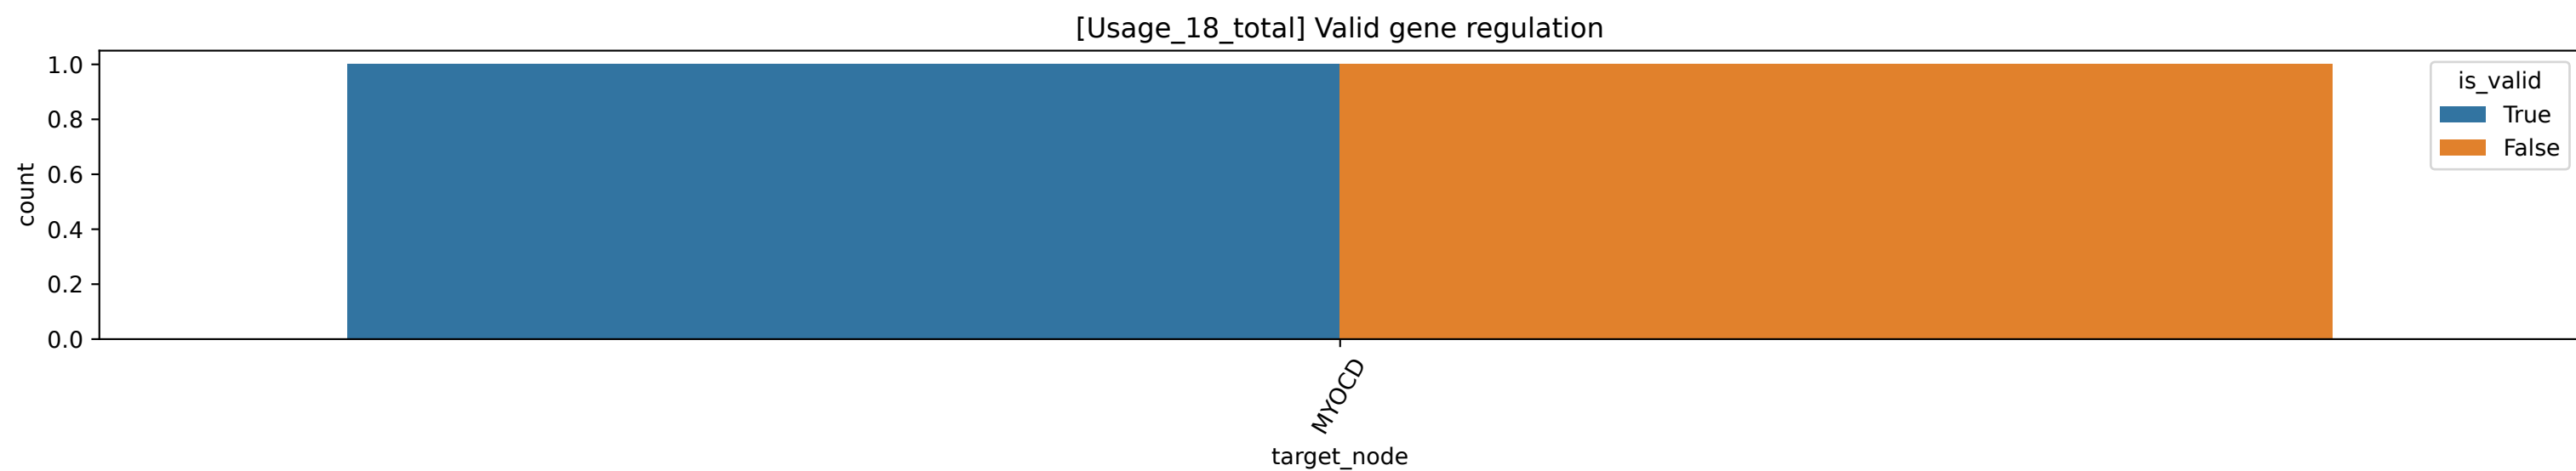

[Usage_17_total] Valid gene regulation

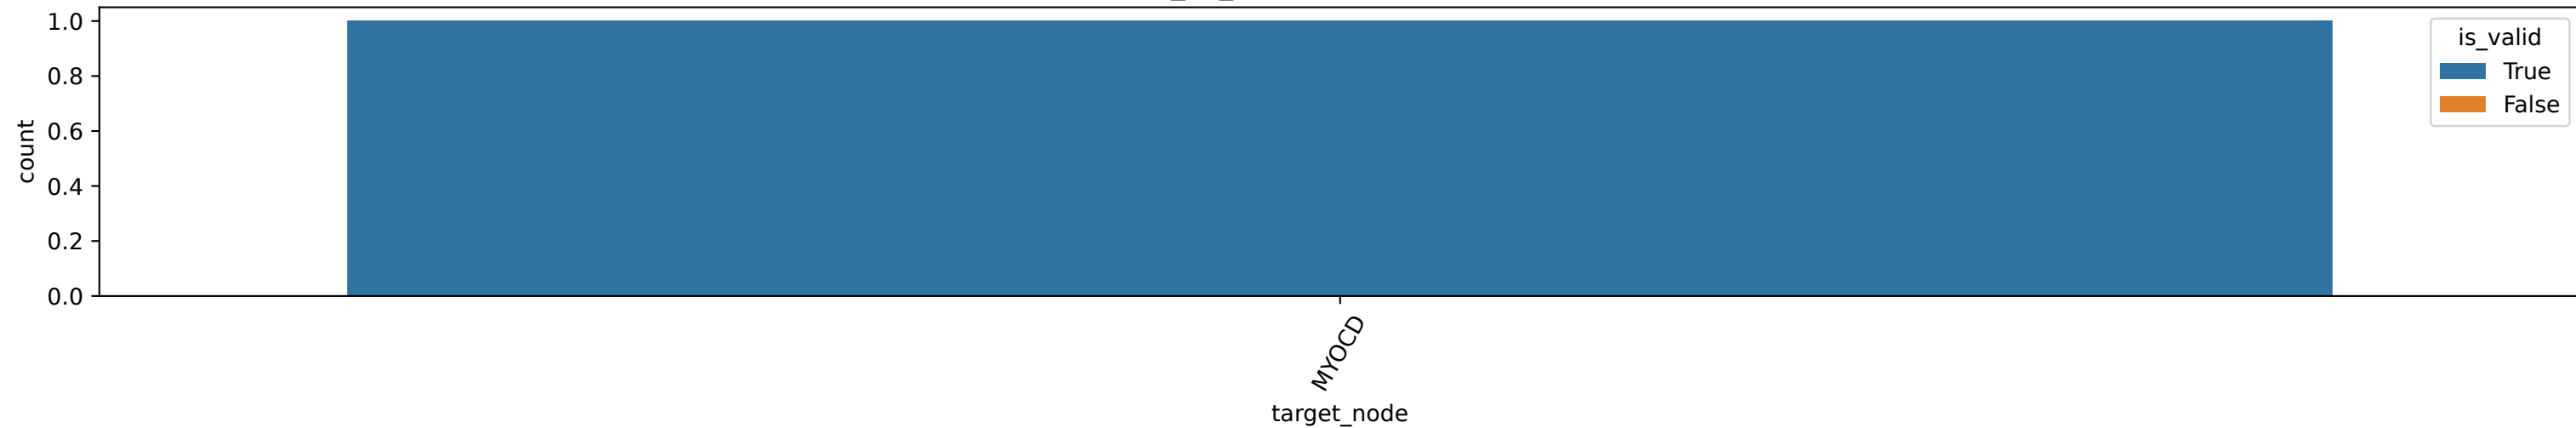

[Usage_17_total] Type of the upstream regulator

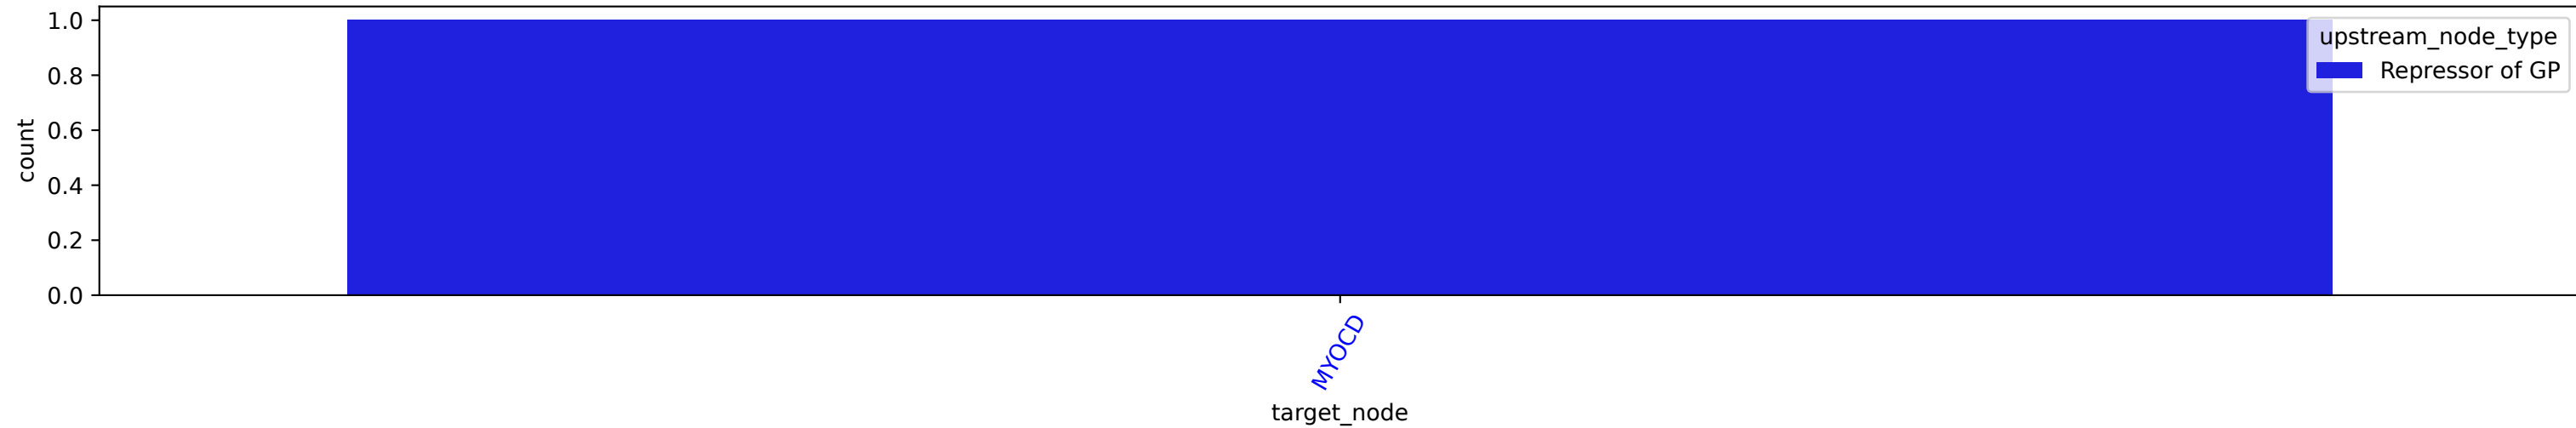

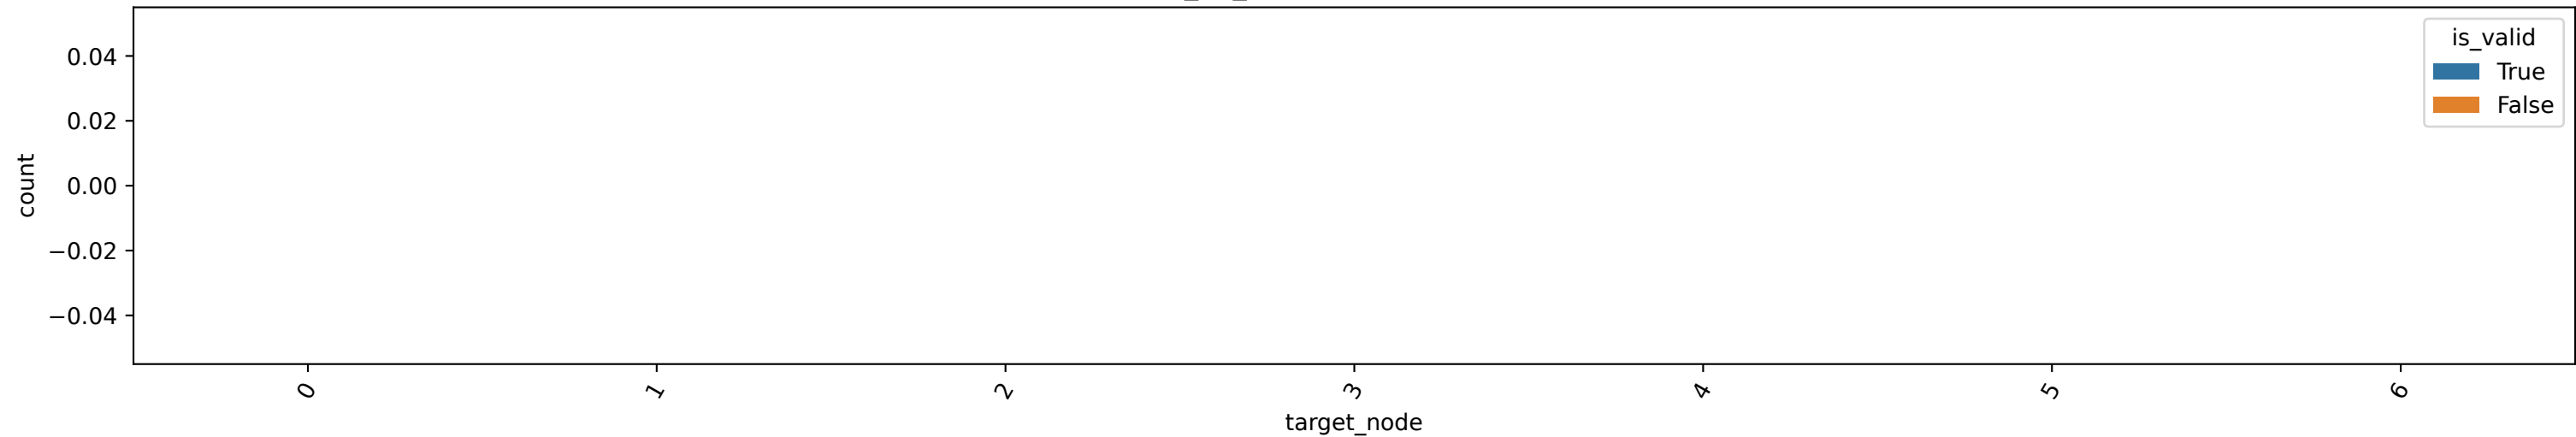

[Usage_19_total] Valid gene regulation

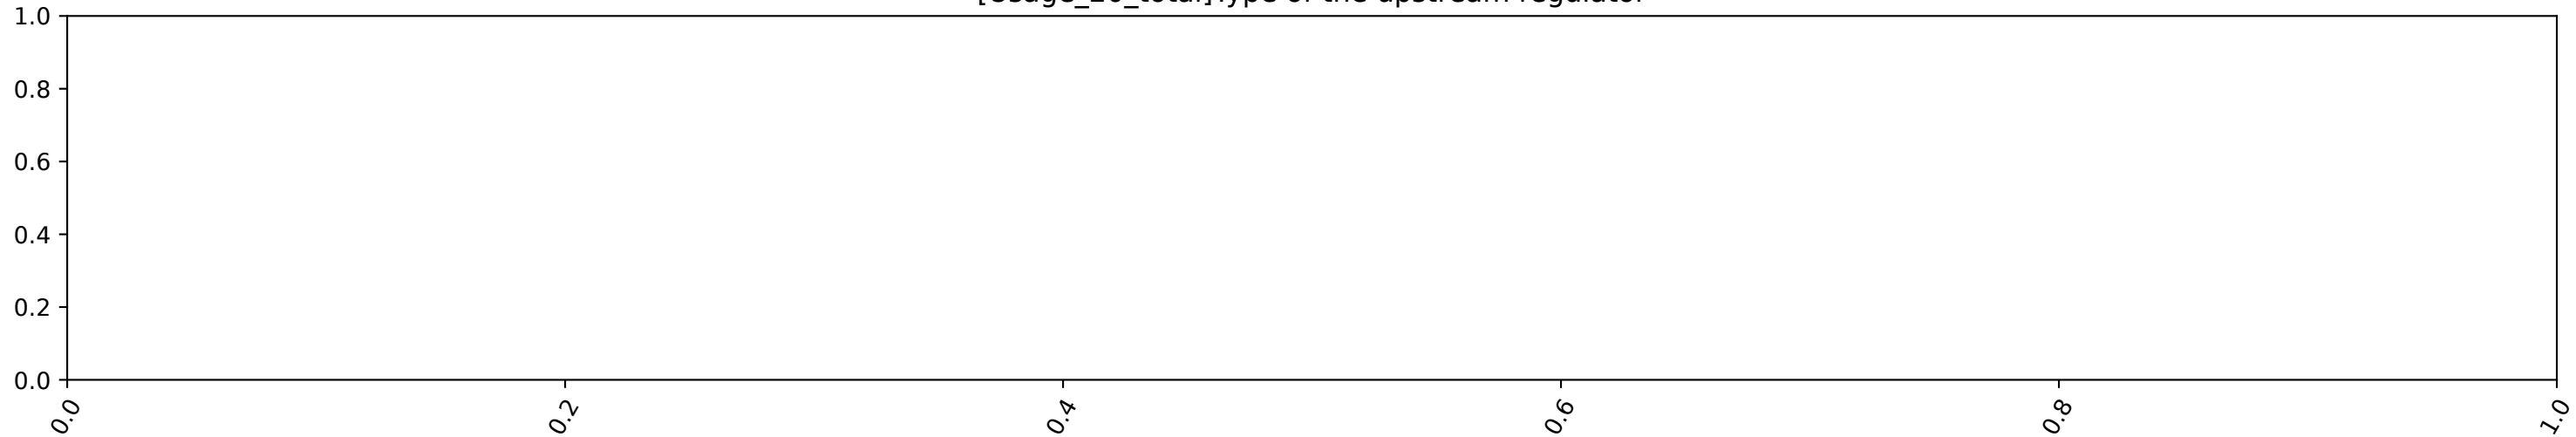

[Usage_19_total] Type of the upstream regulator

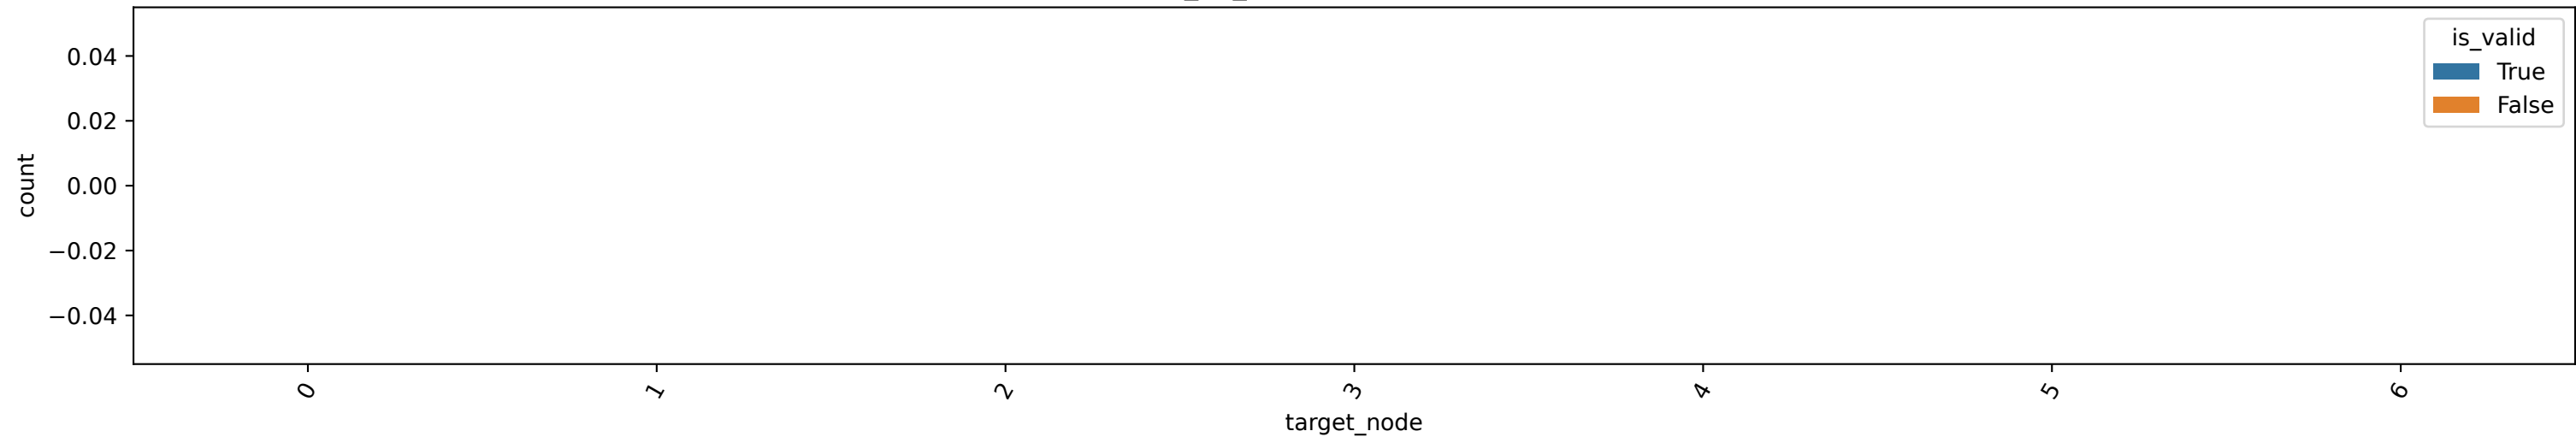

[Usage_20_total] Valid gene regulation

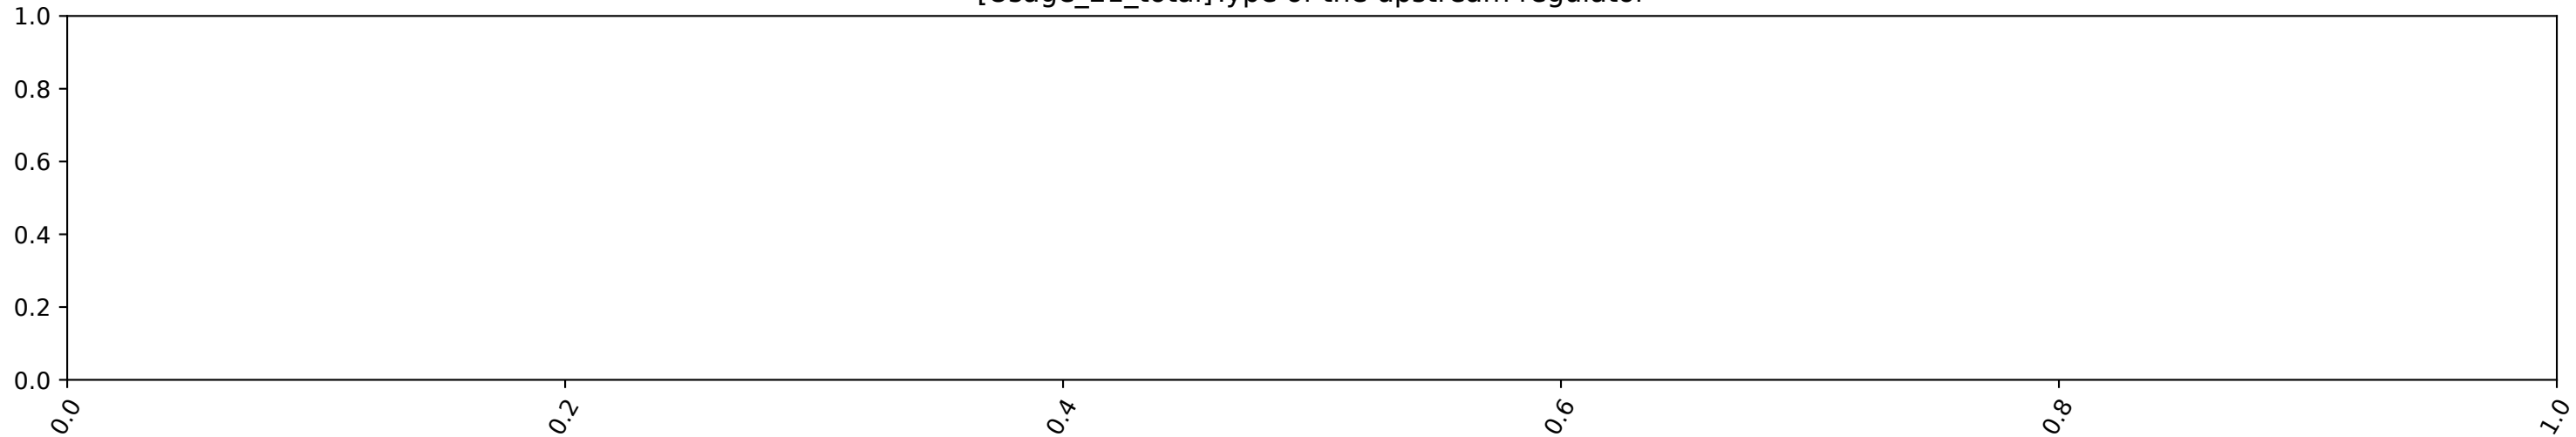

[Usage_20_total] Type of the upstream regulator

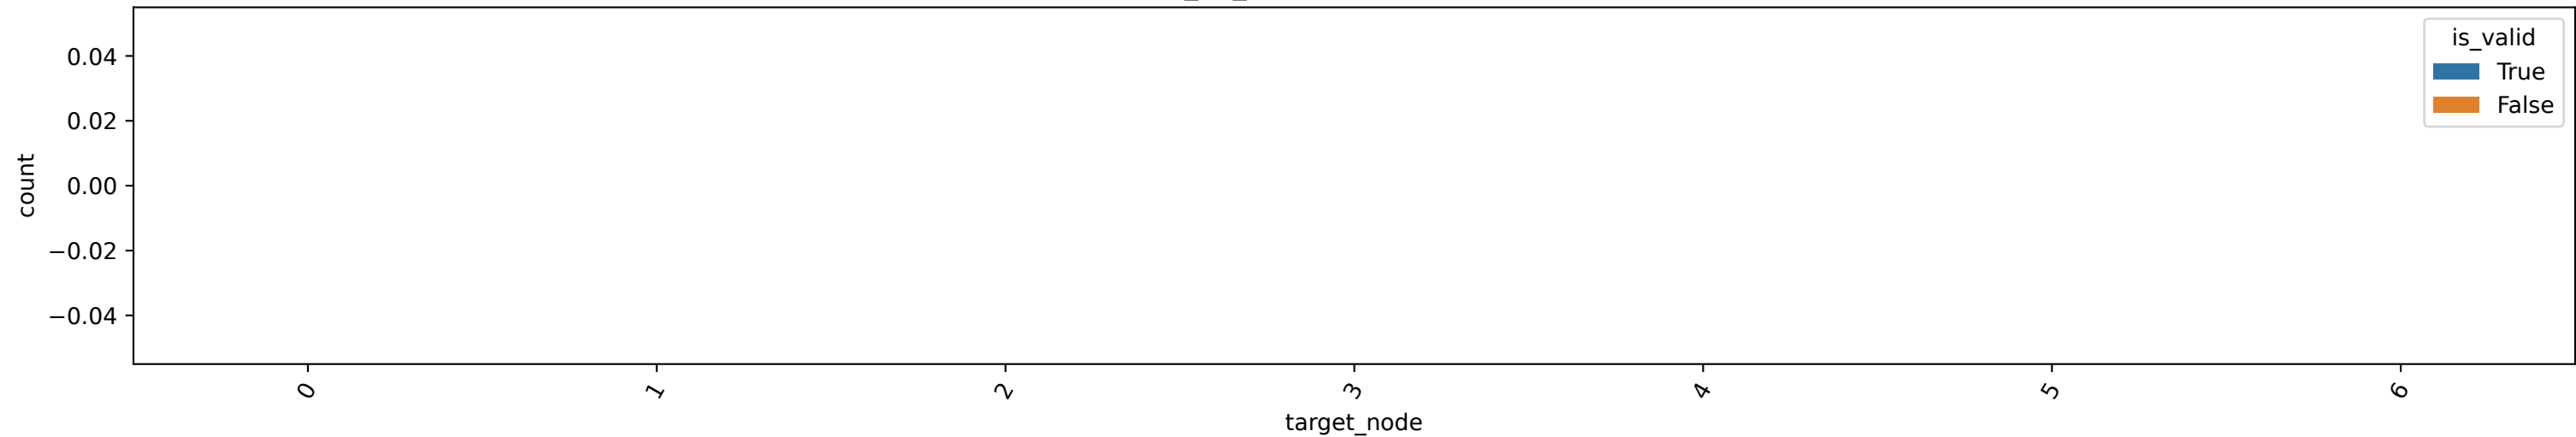

[Usage_21_total] Valid gene regulation

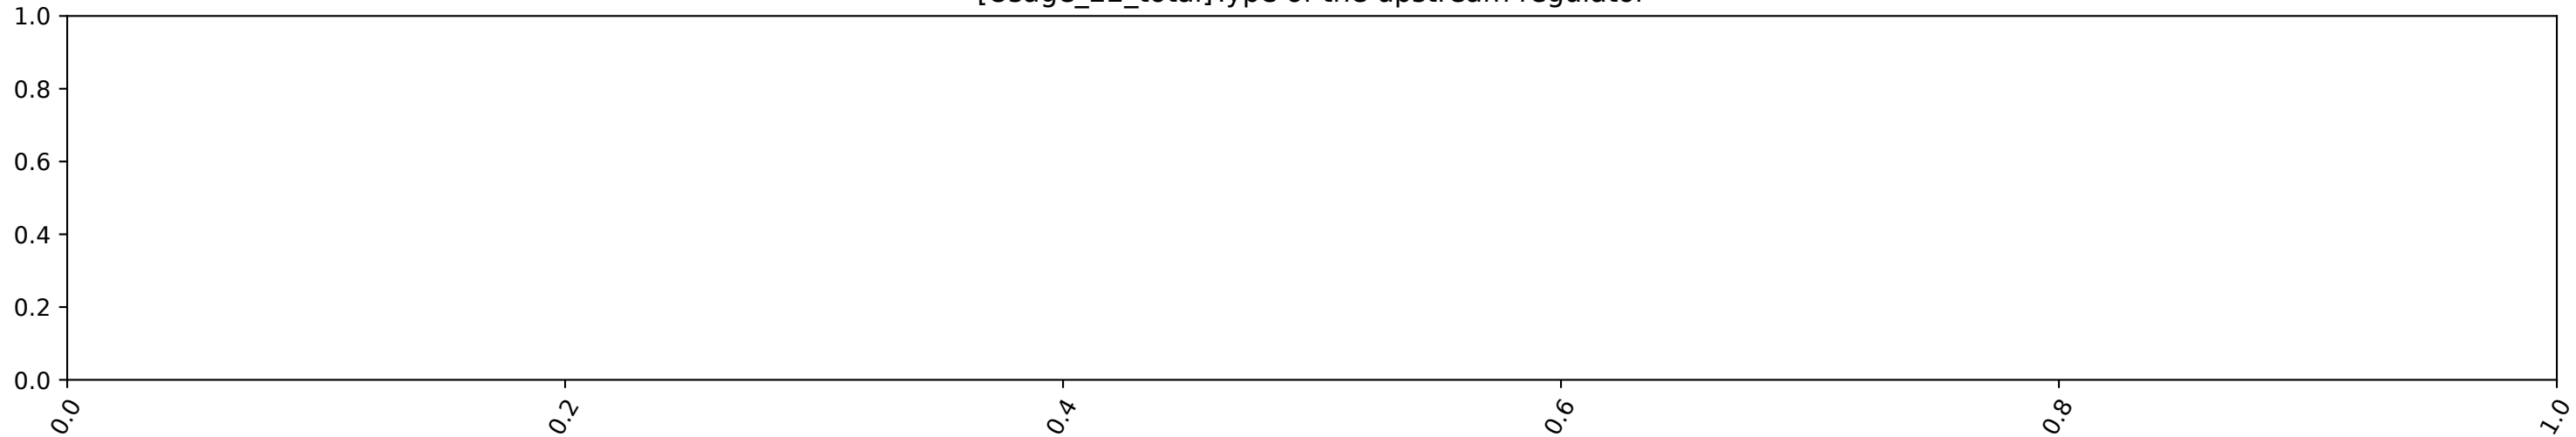

[Usage_21_total] Type of the upstream regulator

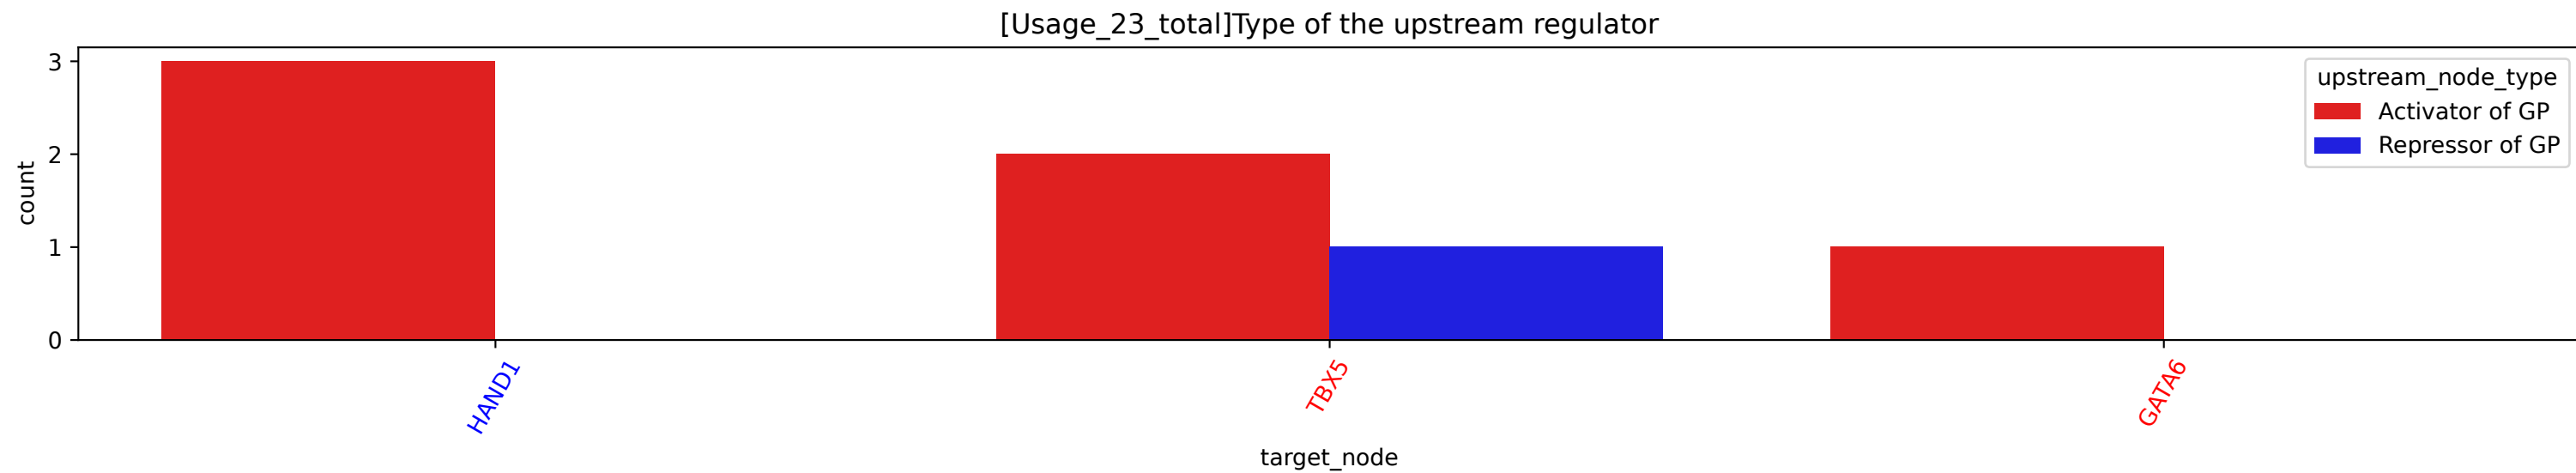

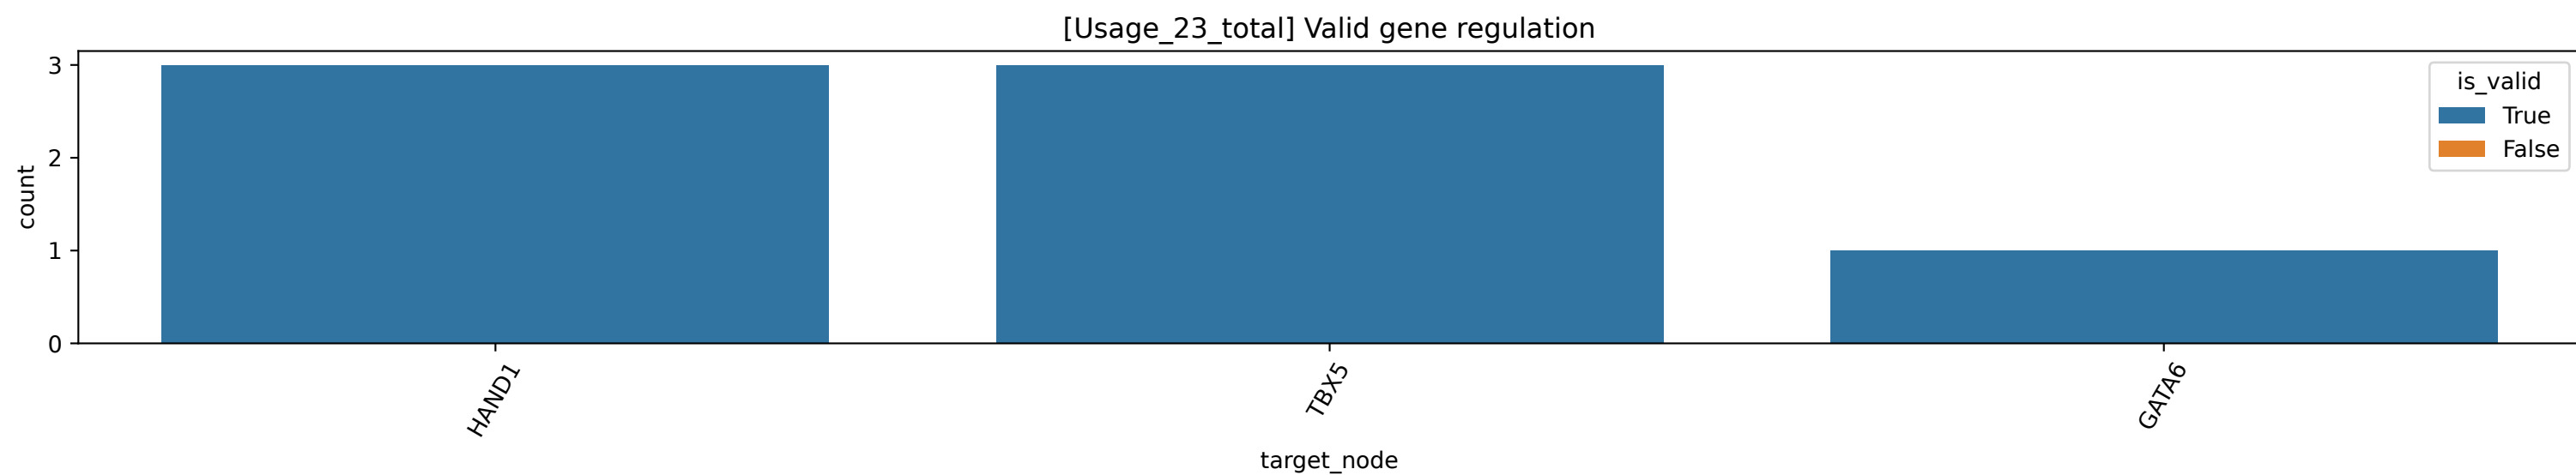

[Usage_22_total] Valid gene regulation

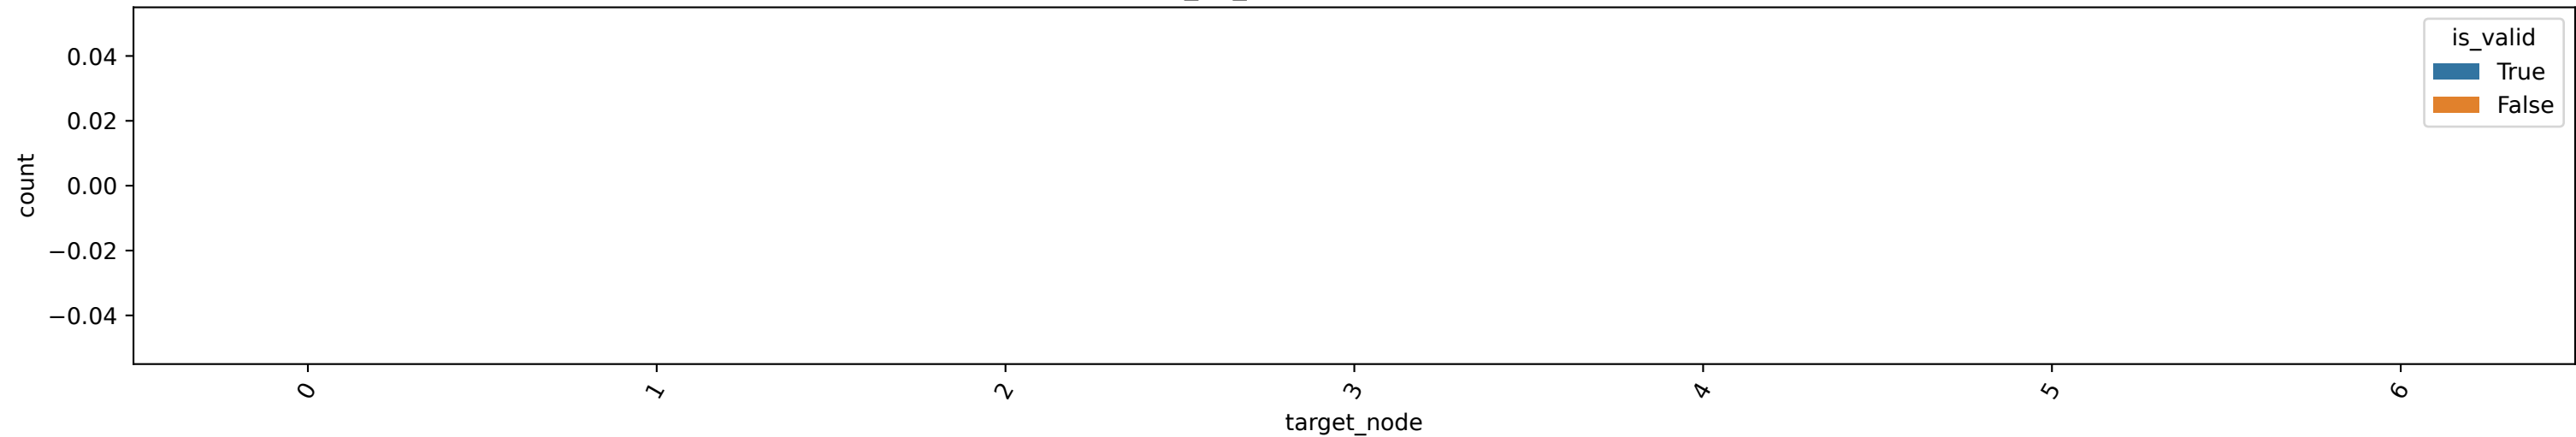

[Usage_22_total] Type of the upstream regulator

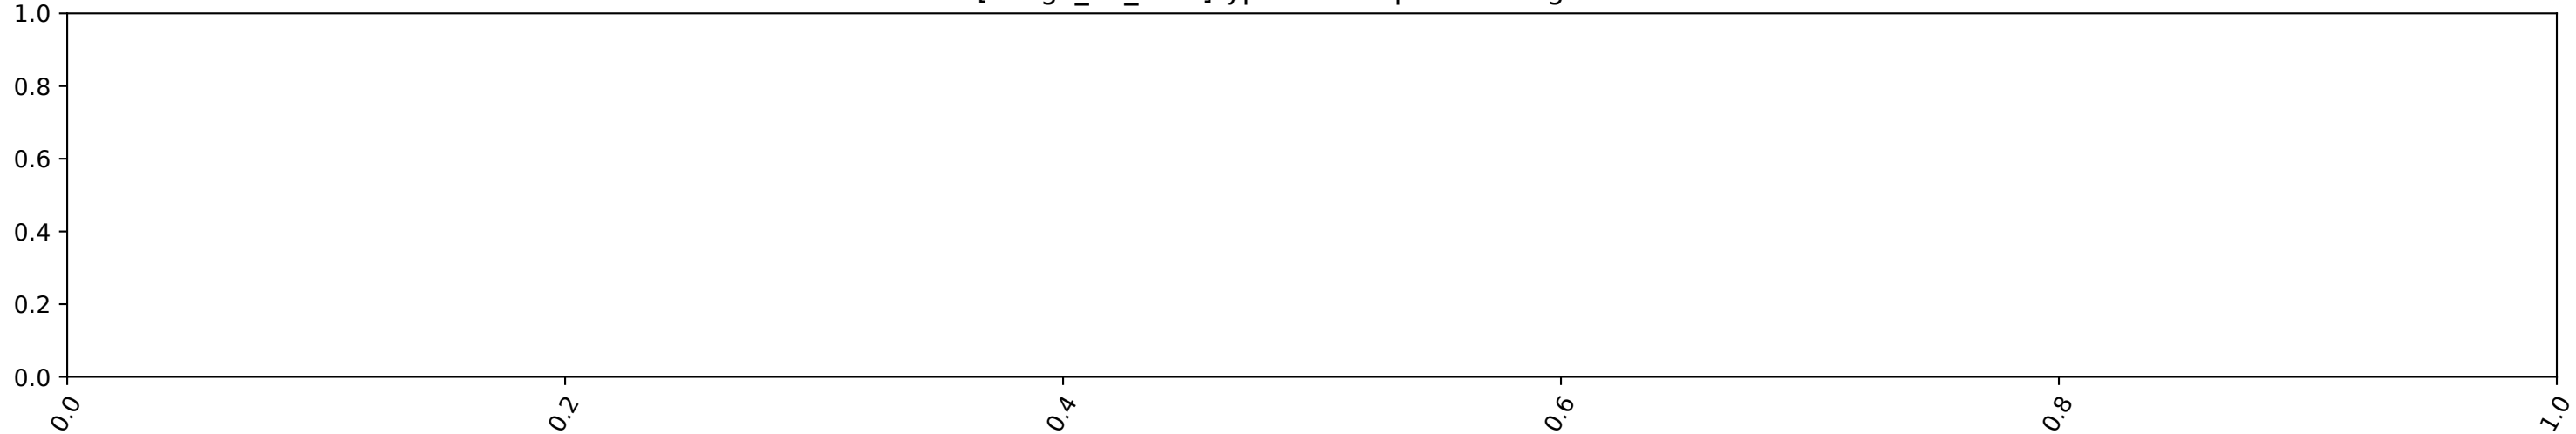

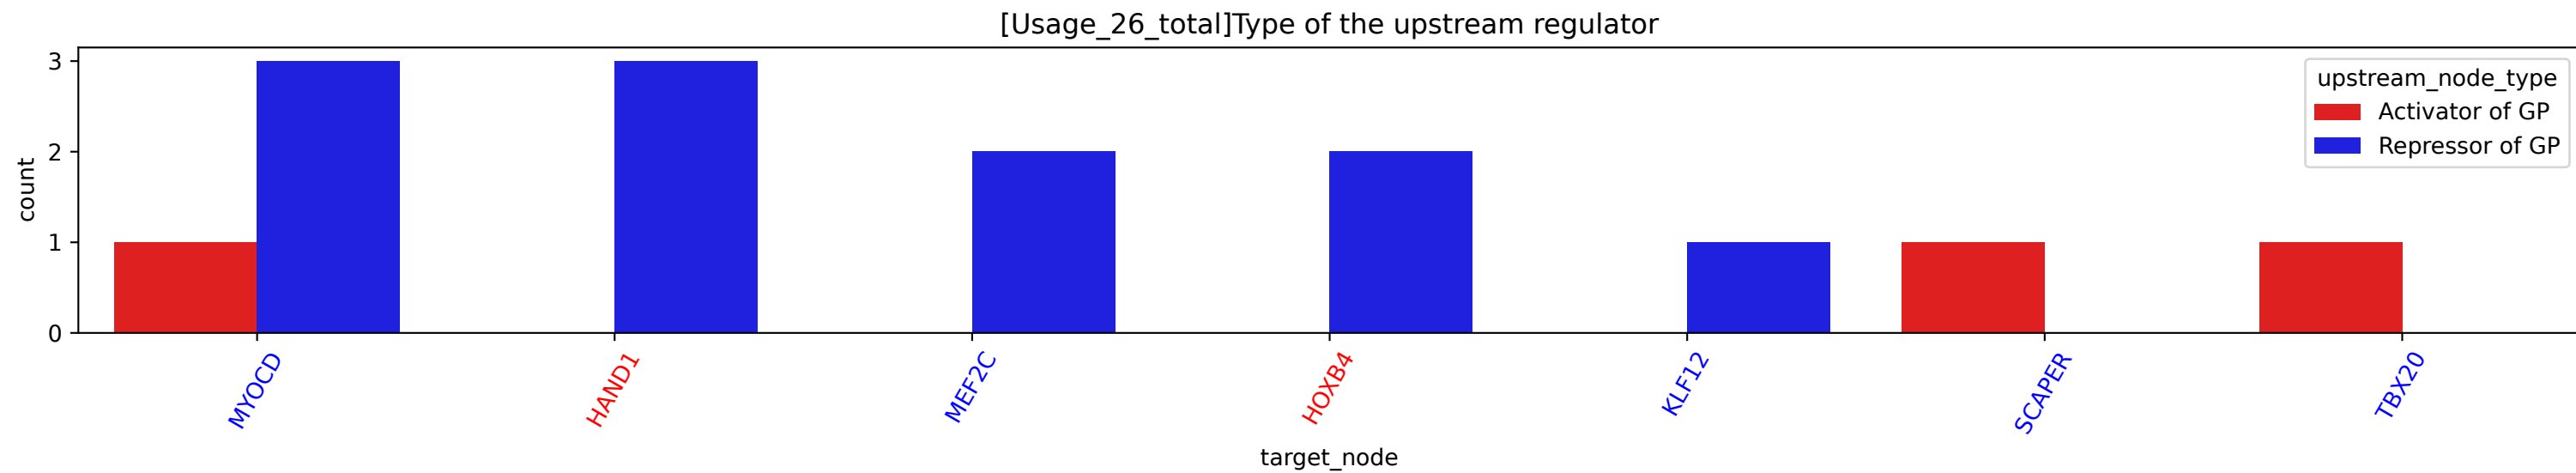

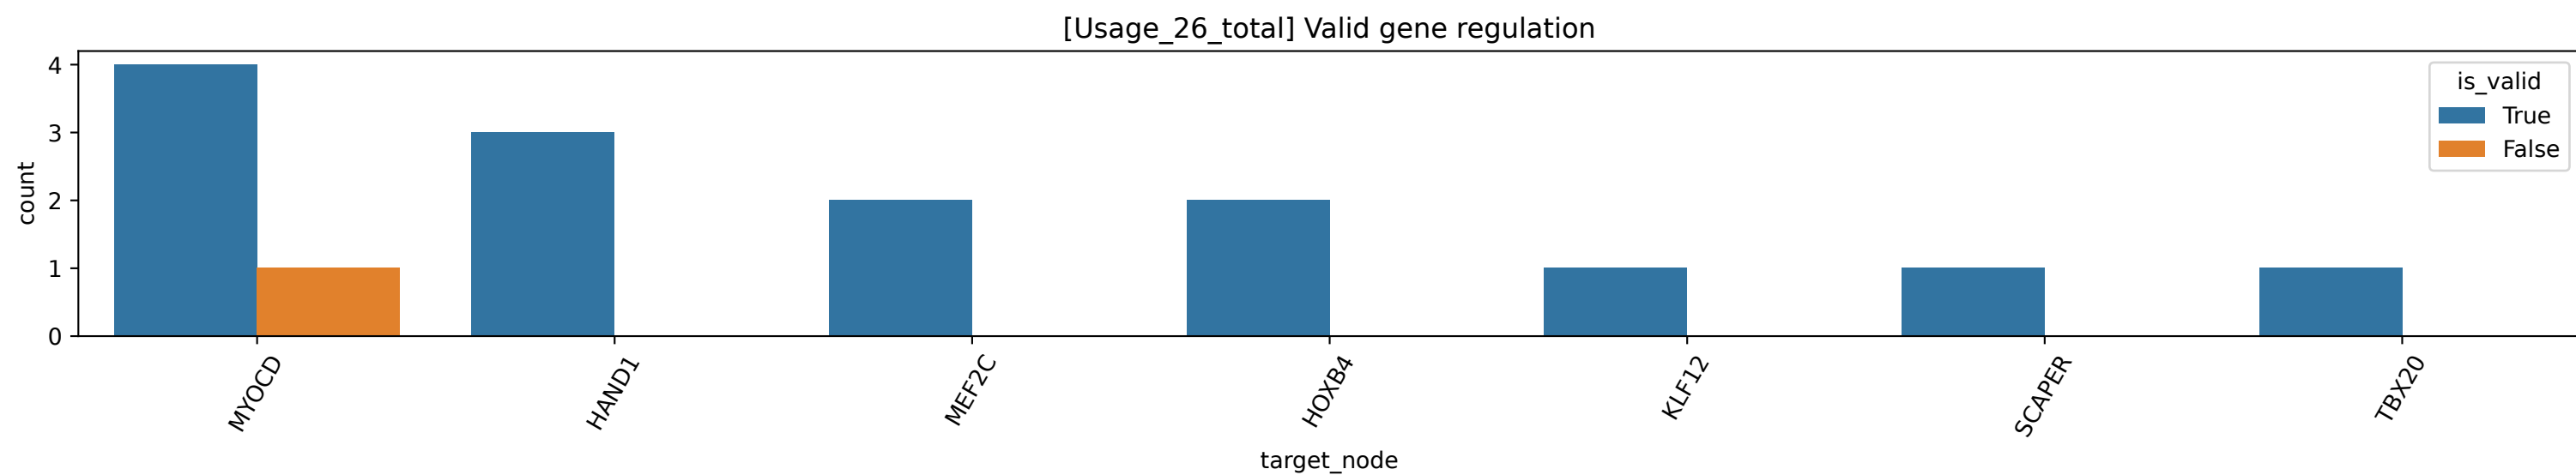

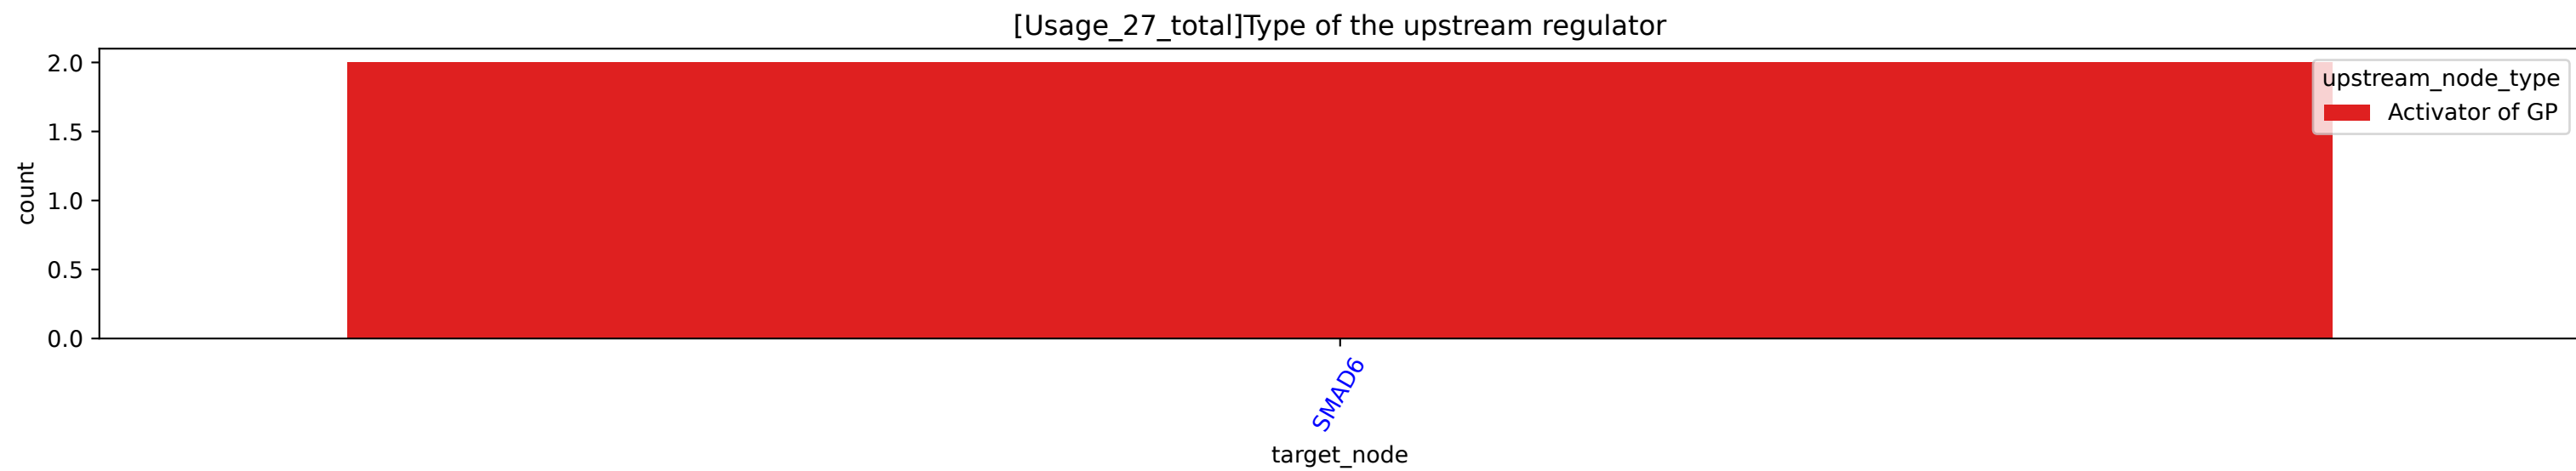

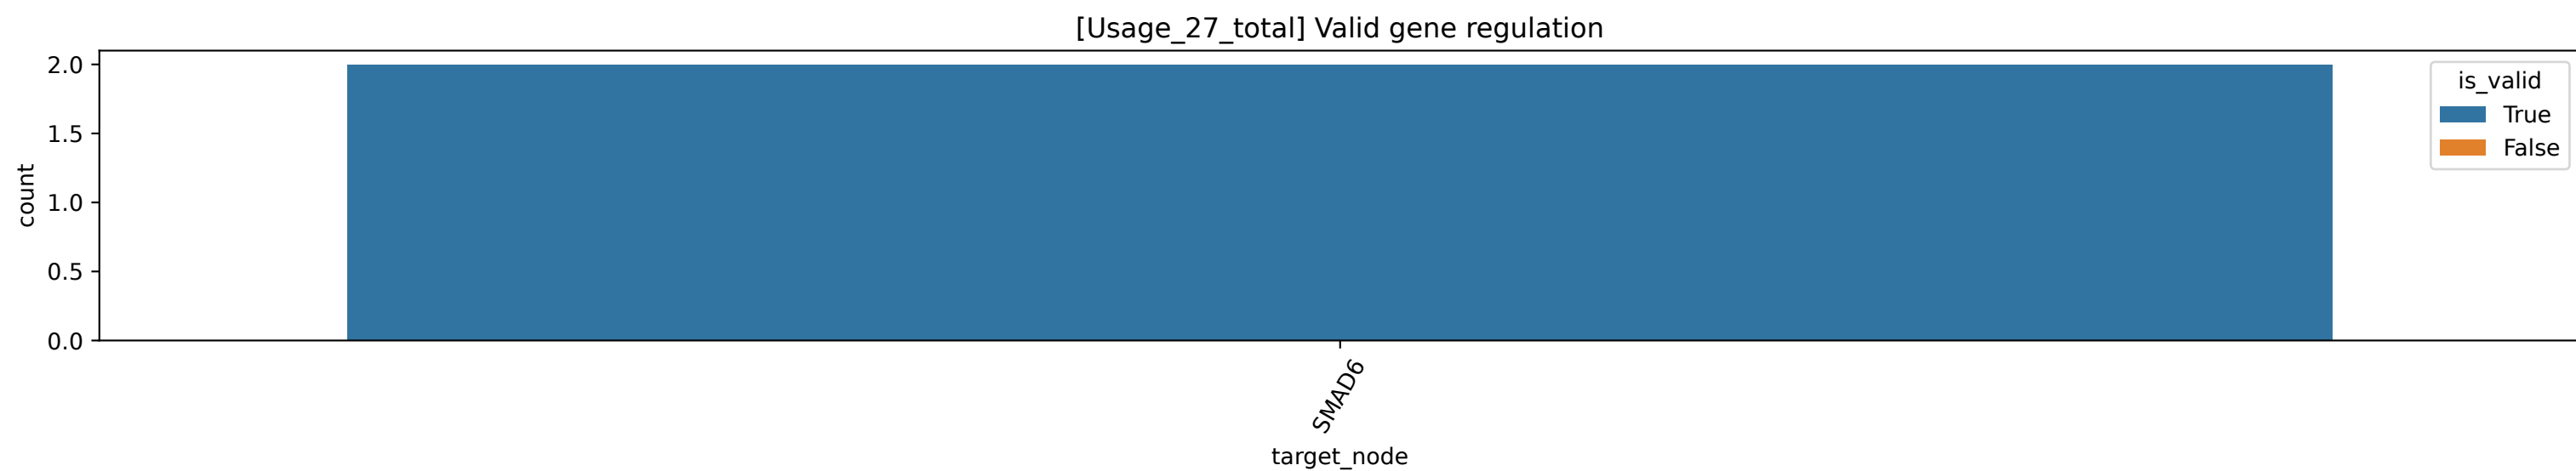

[Usage_24_total] Valid gene regulation

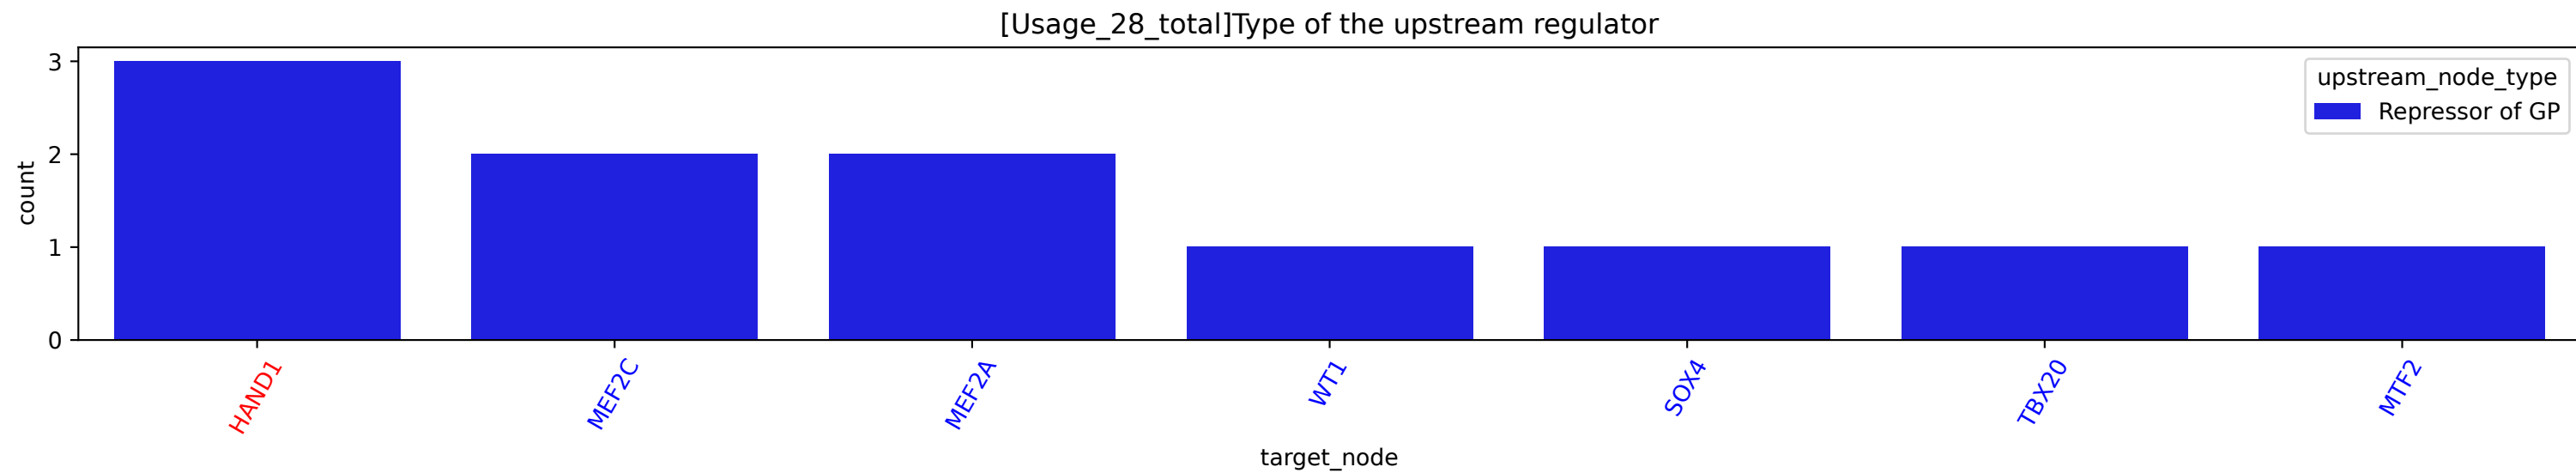

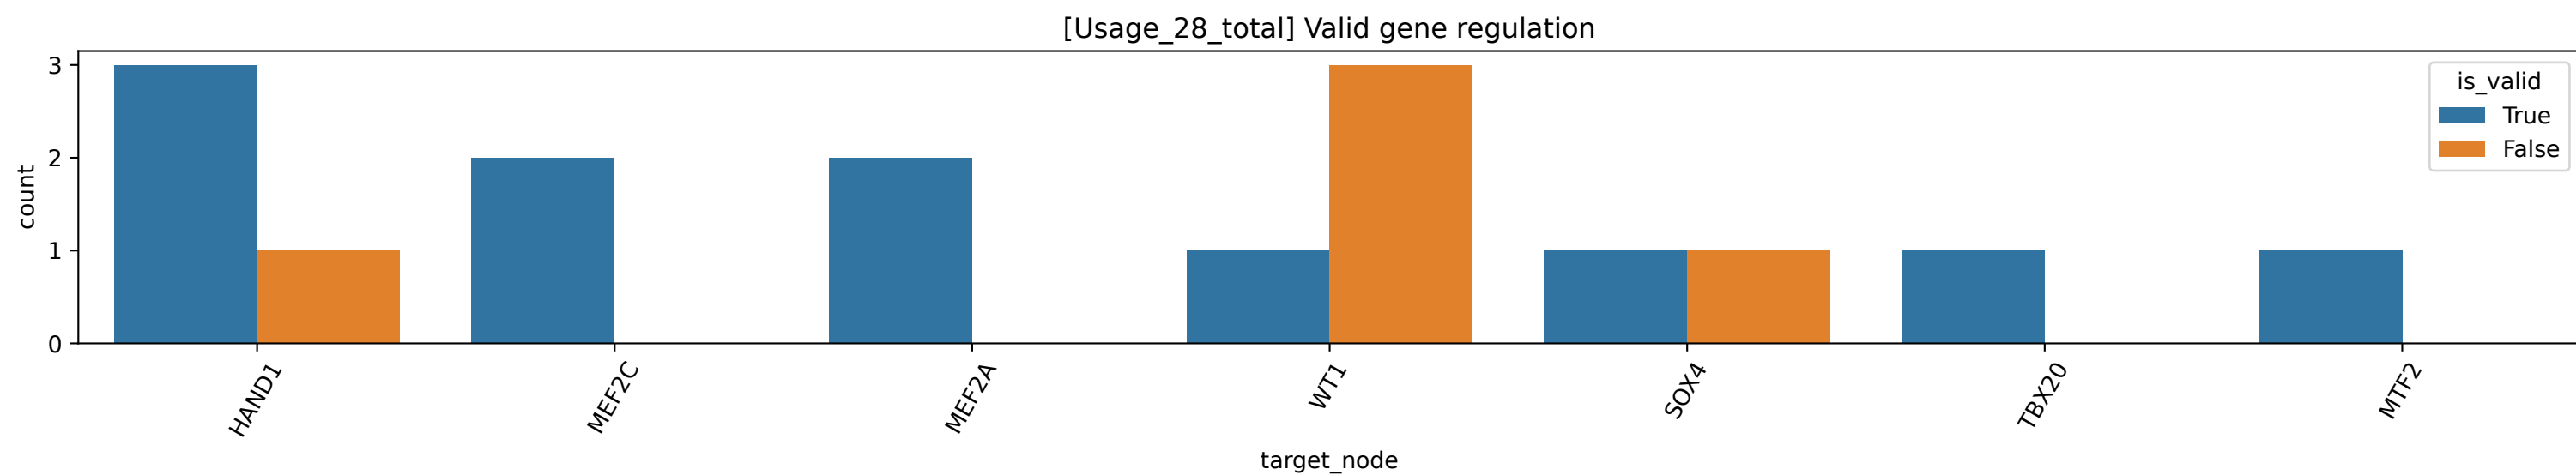

[Usage_24_total] Type of the upstream regulator

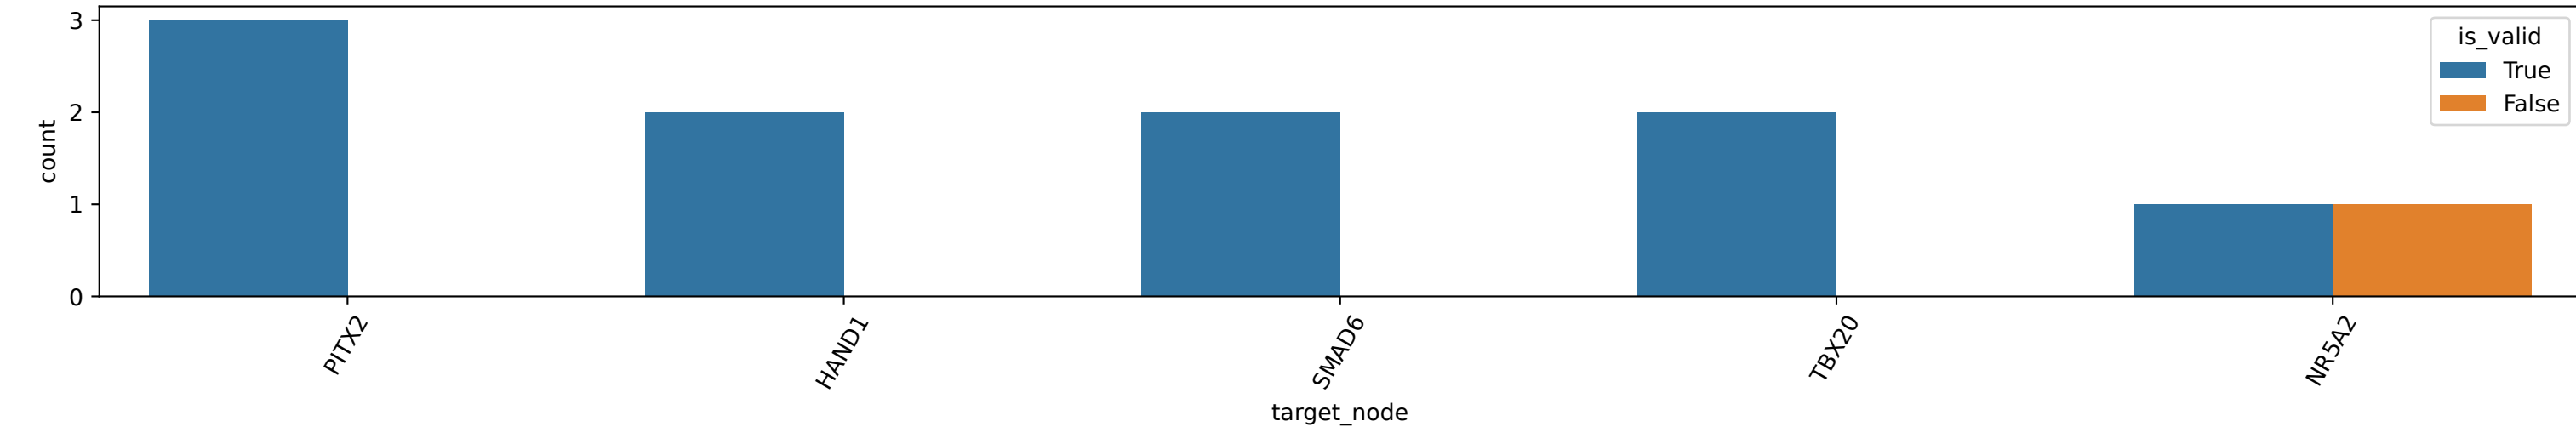

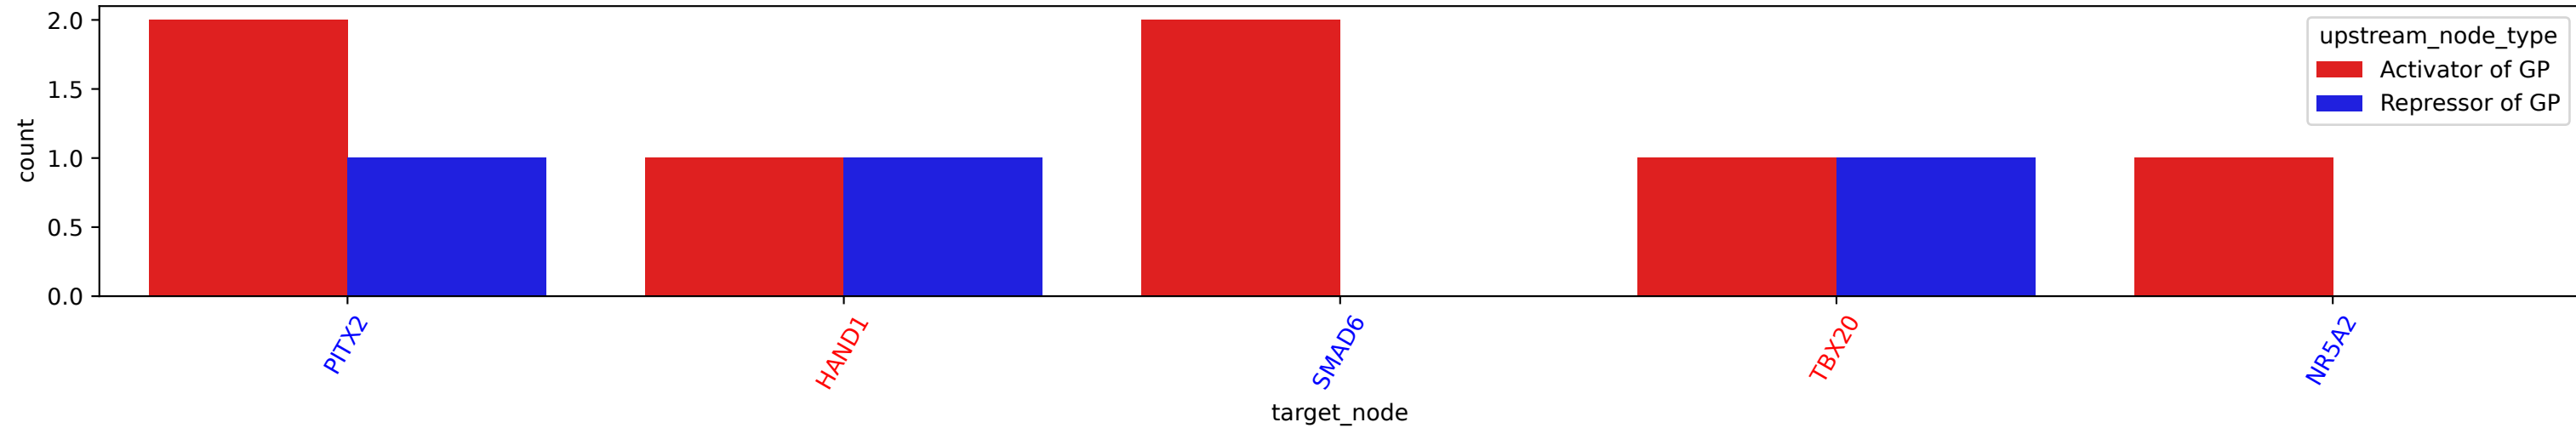

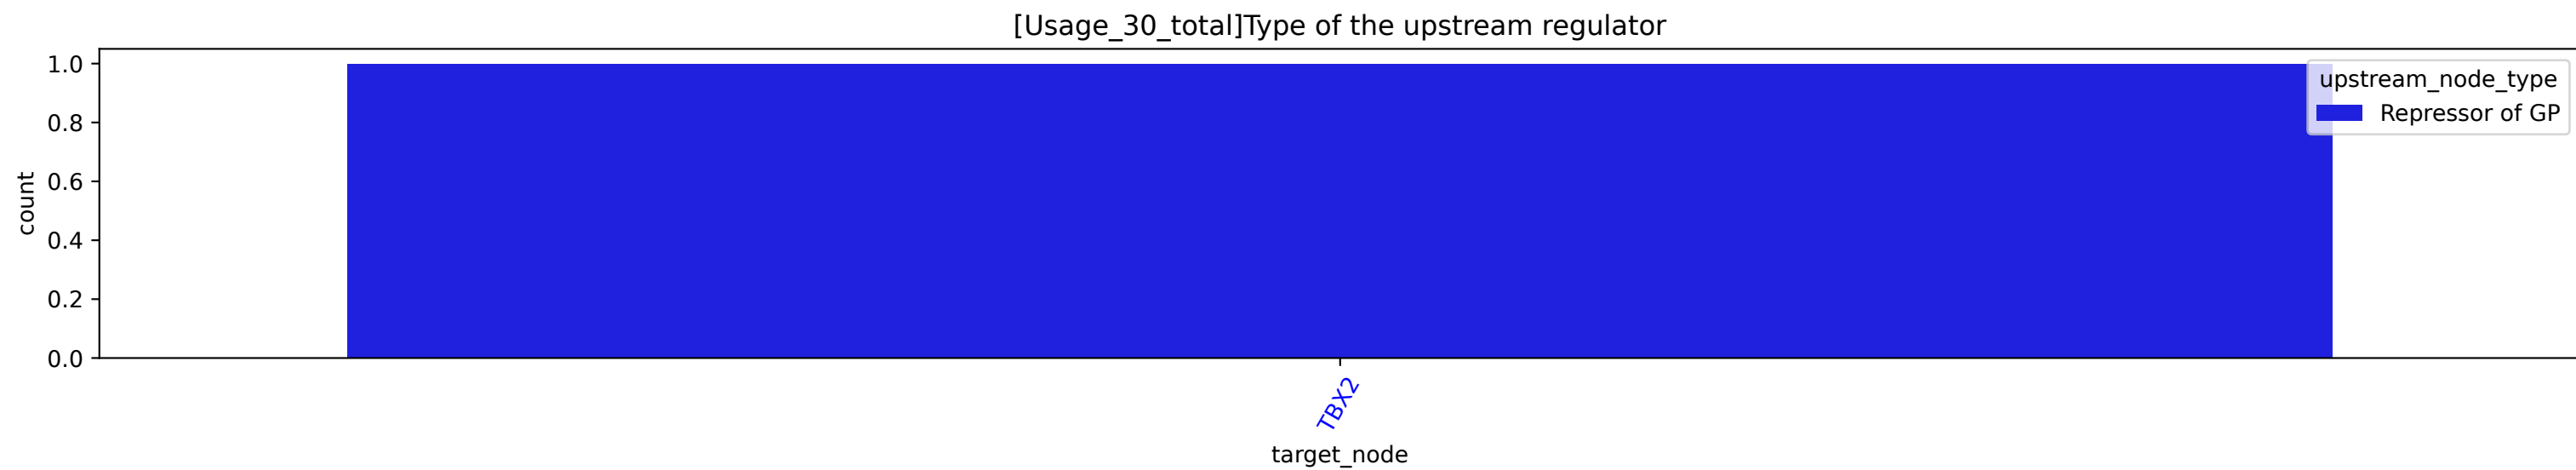

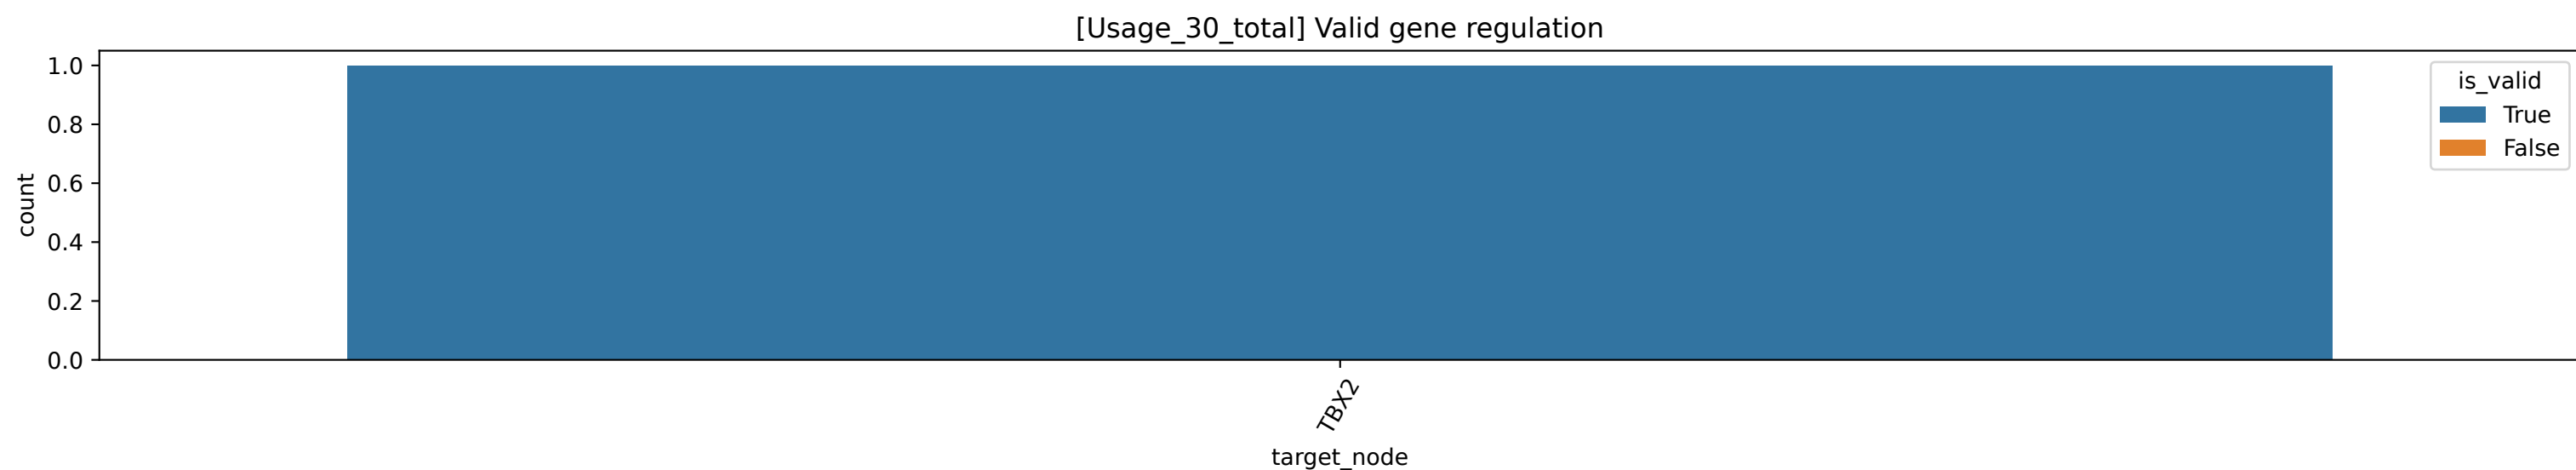

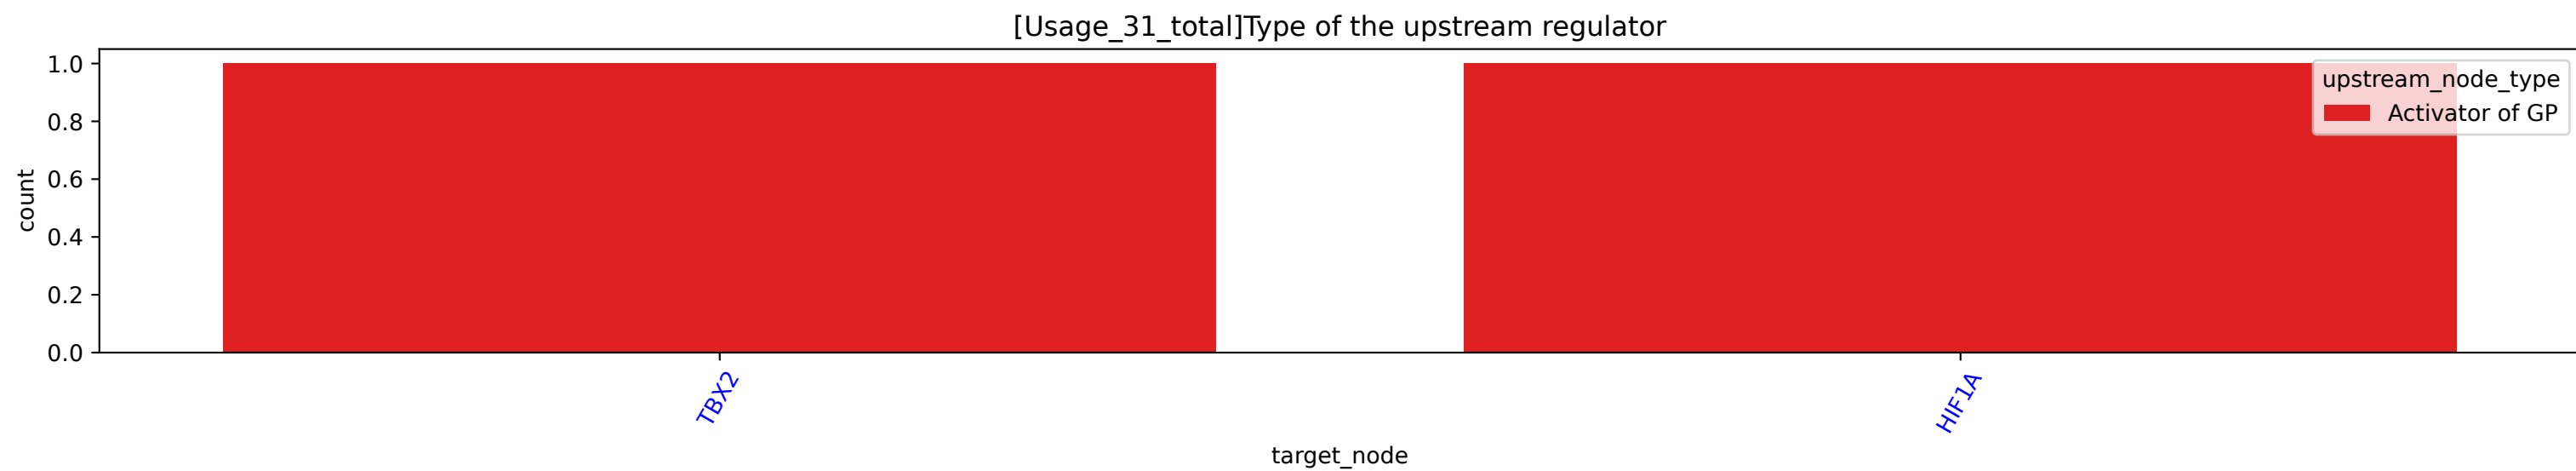

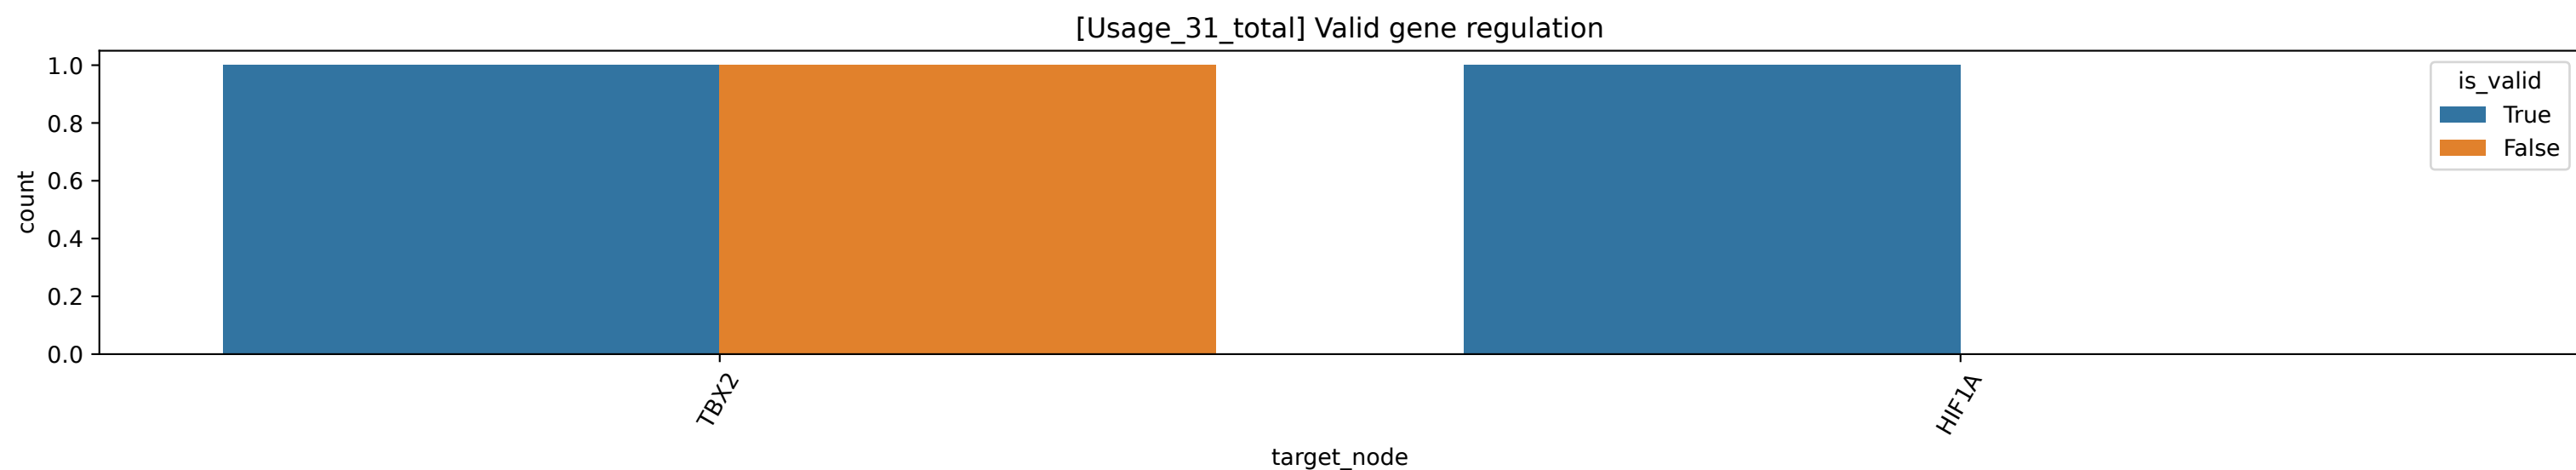

[Usage_29_total] Valid gene regulation

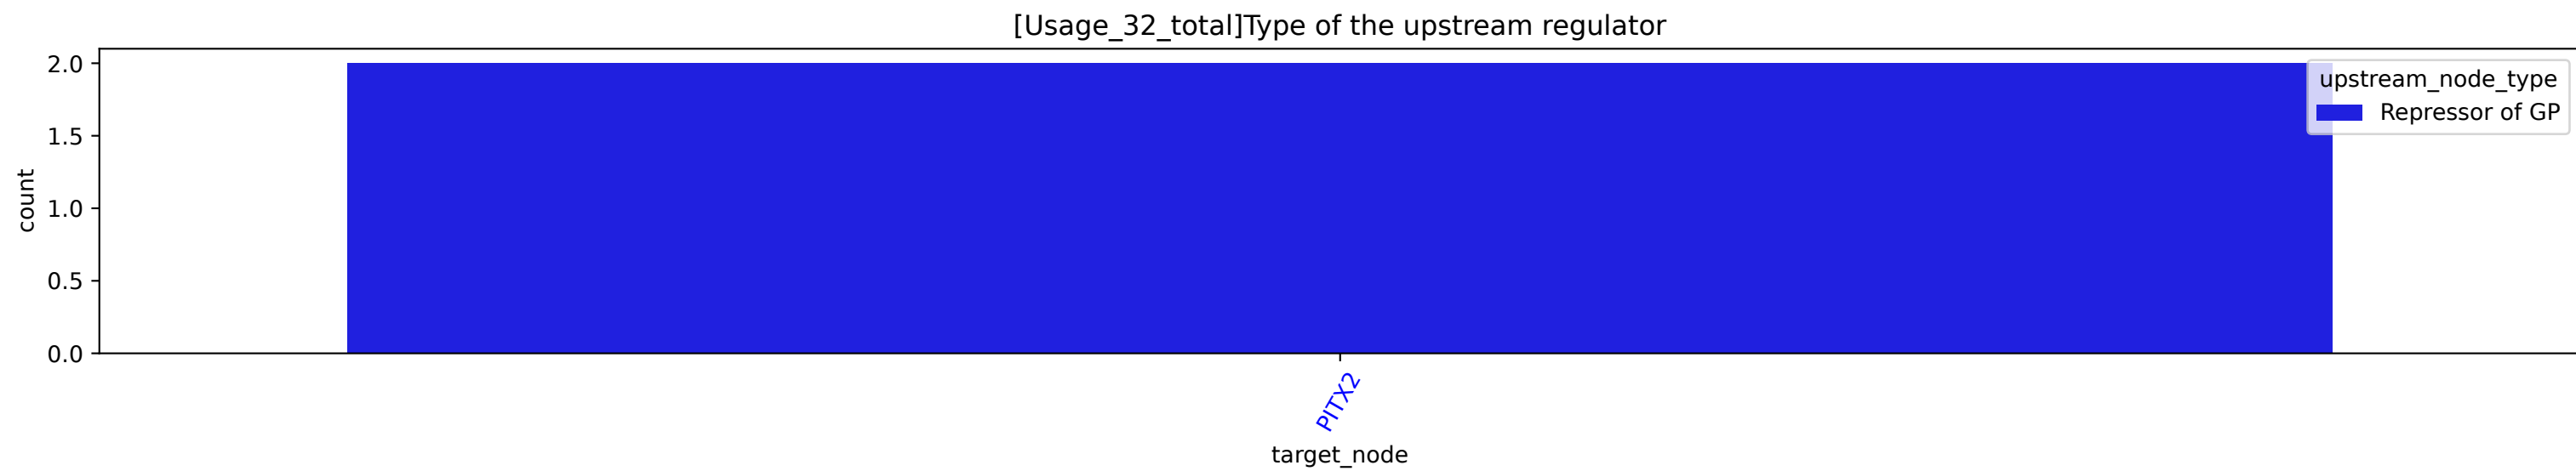

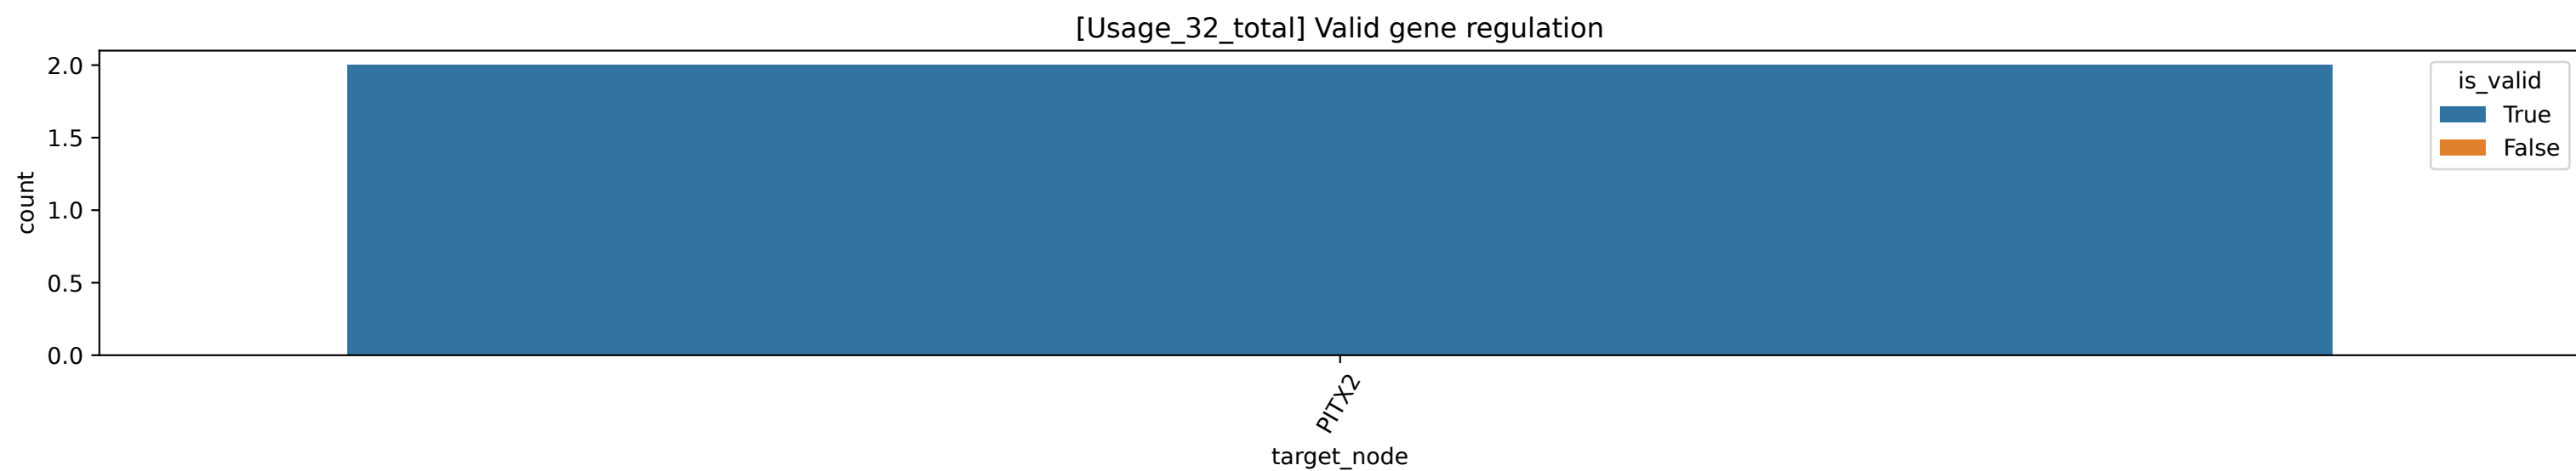

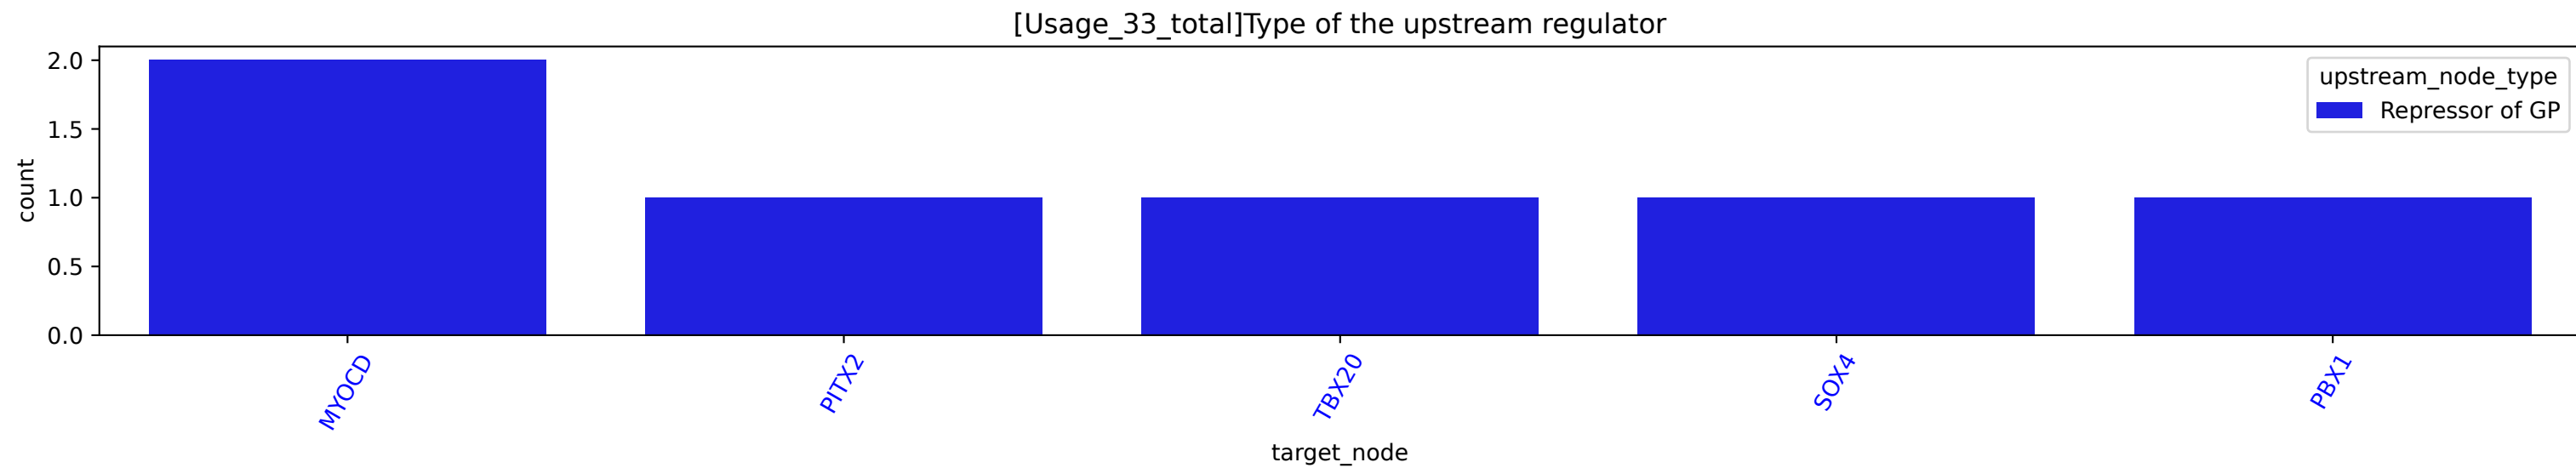

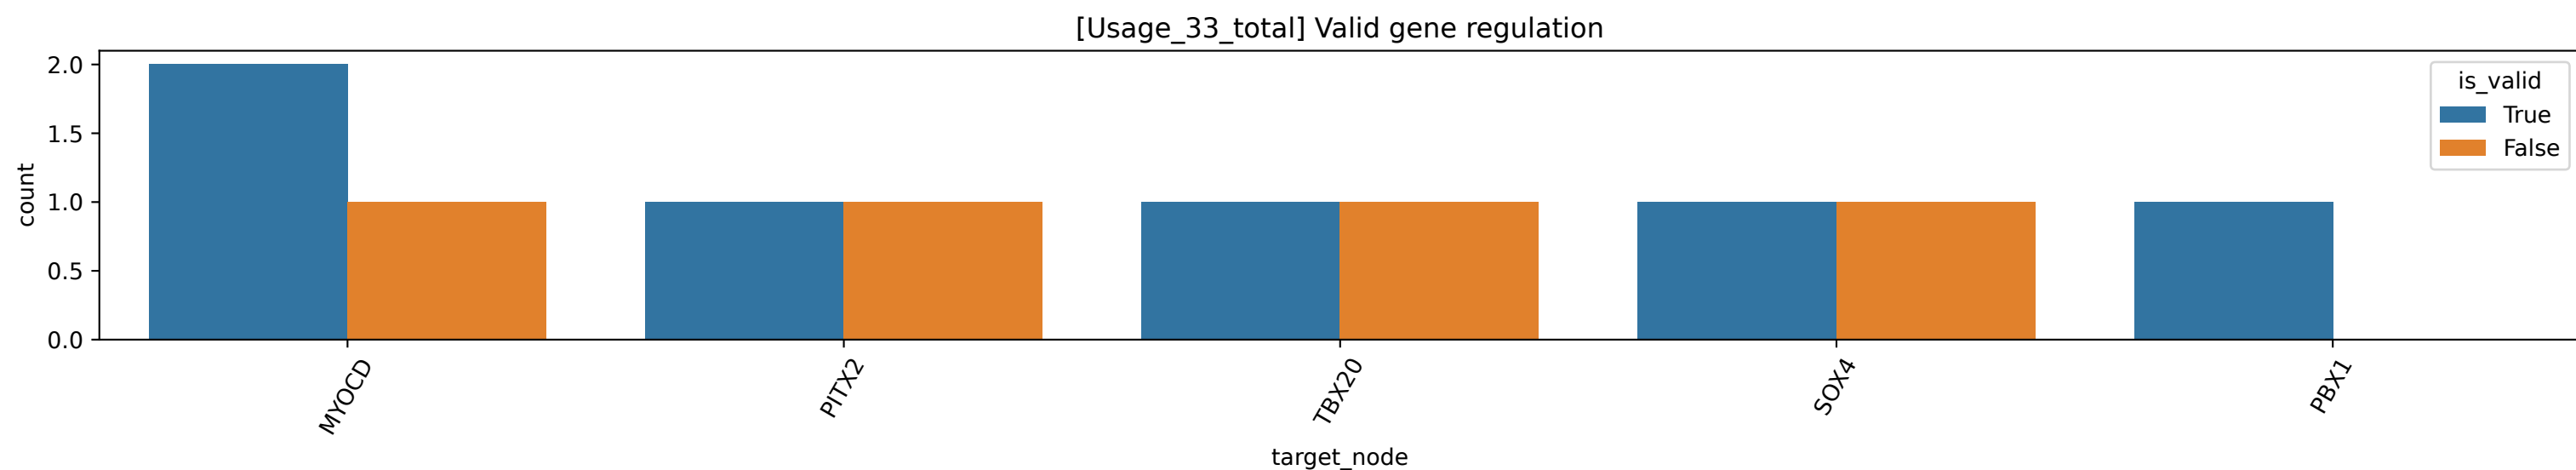

[Usage_29_total]Type of the upstream regulator

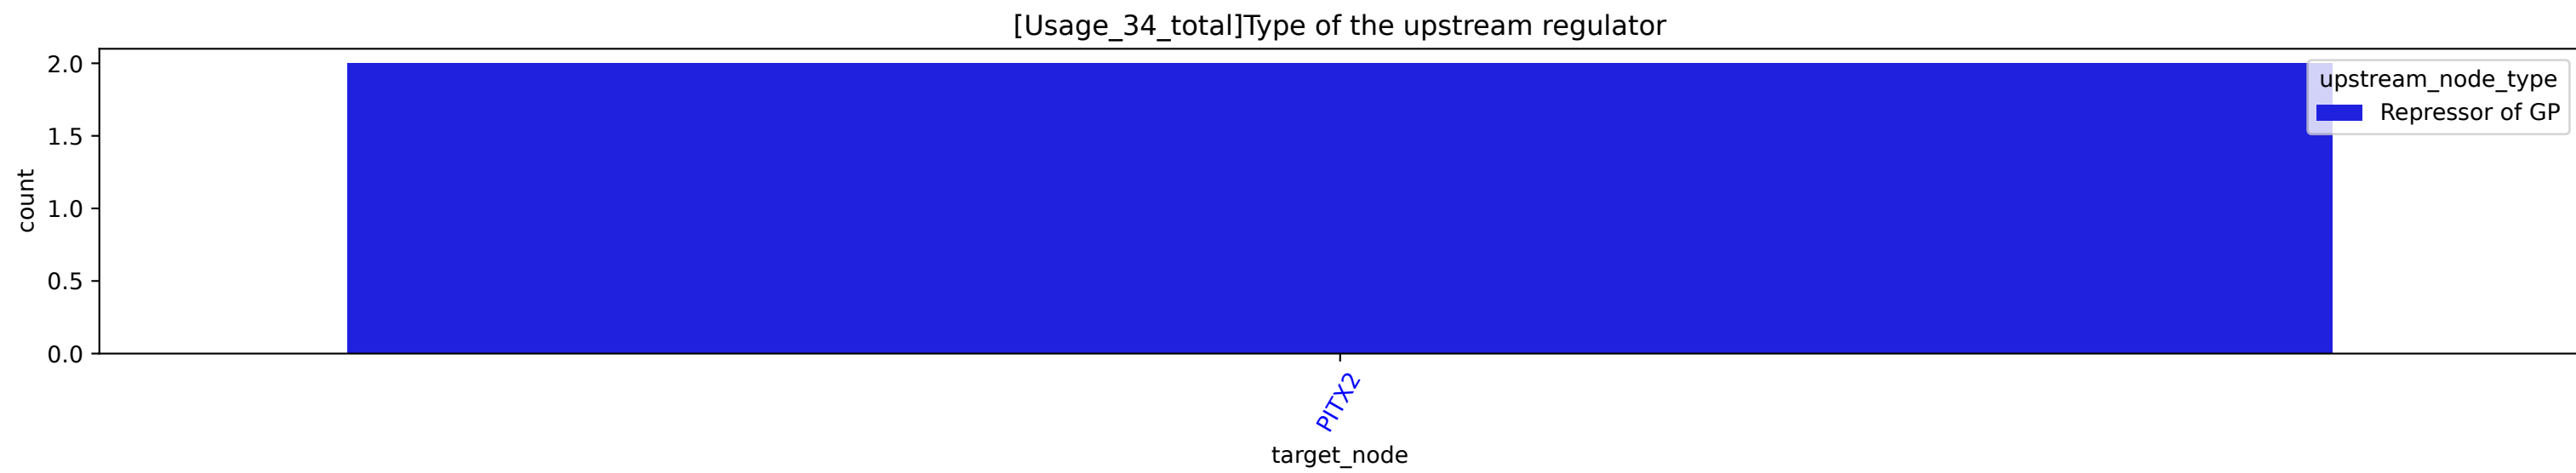

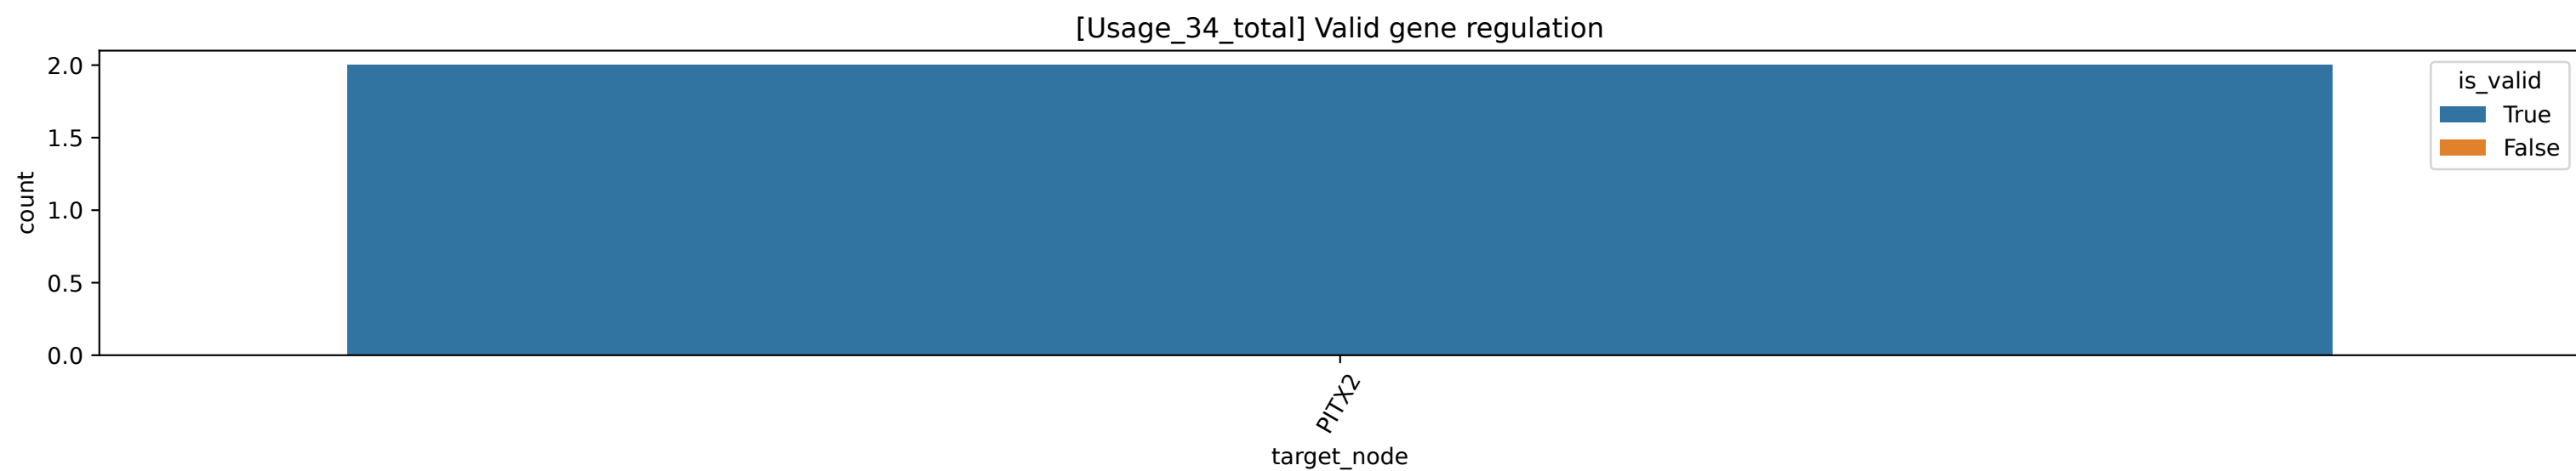

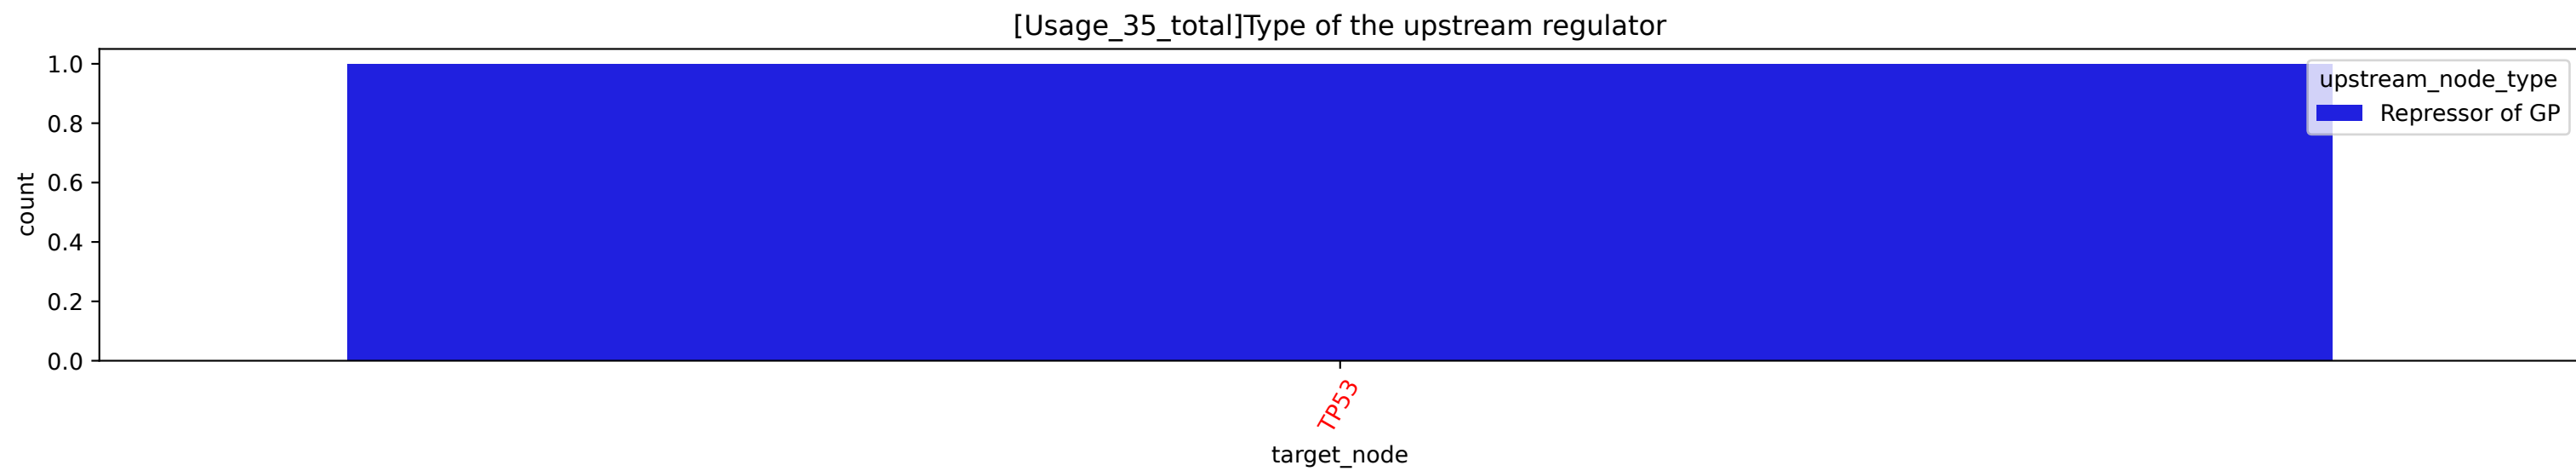

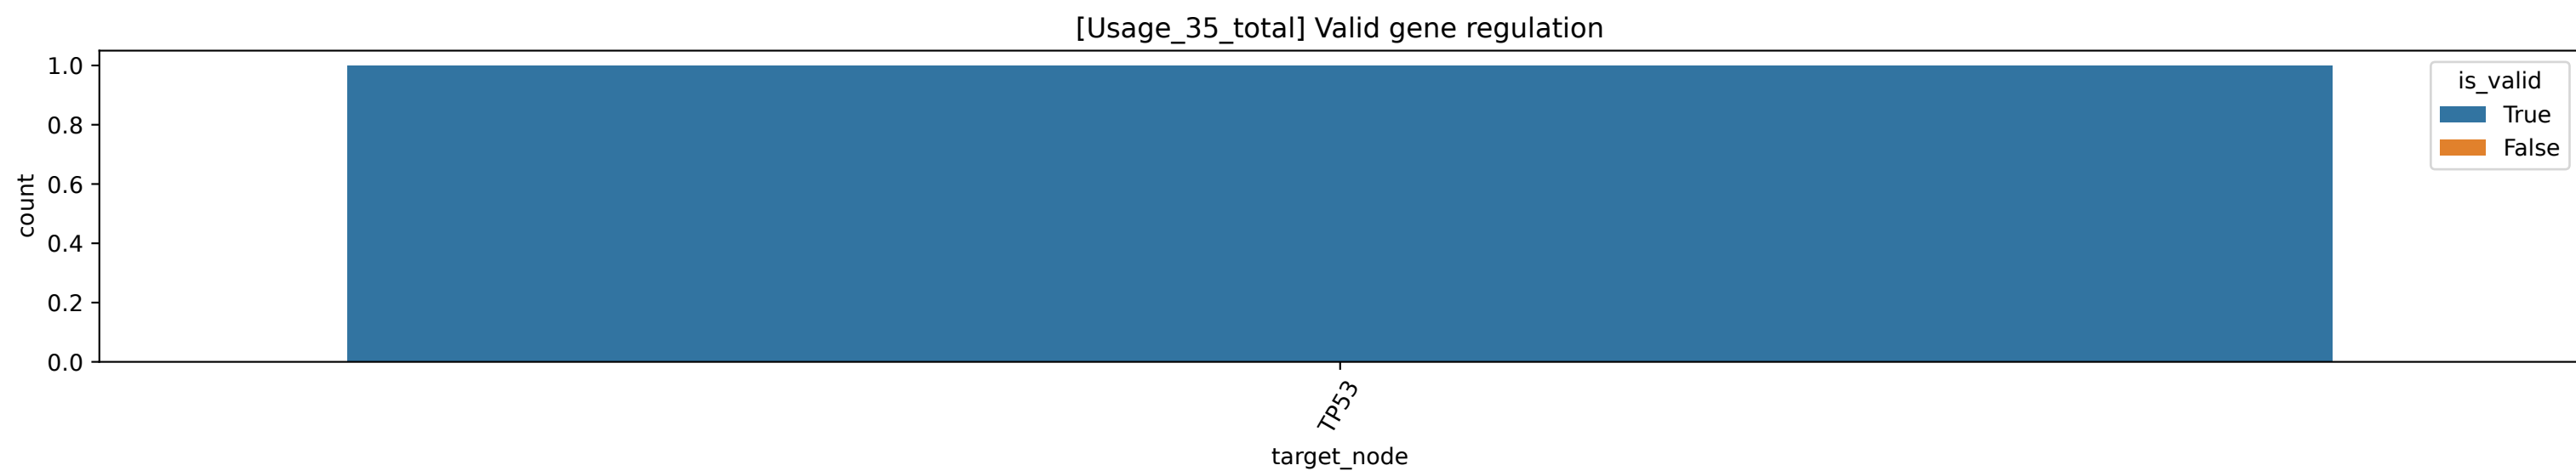

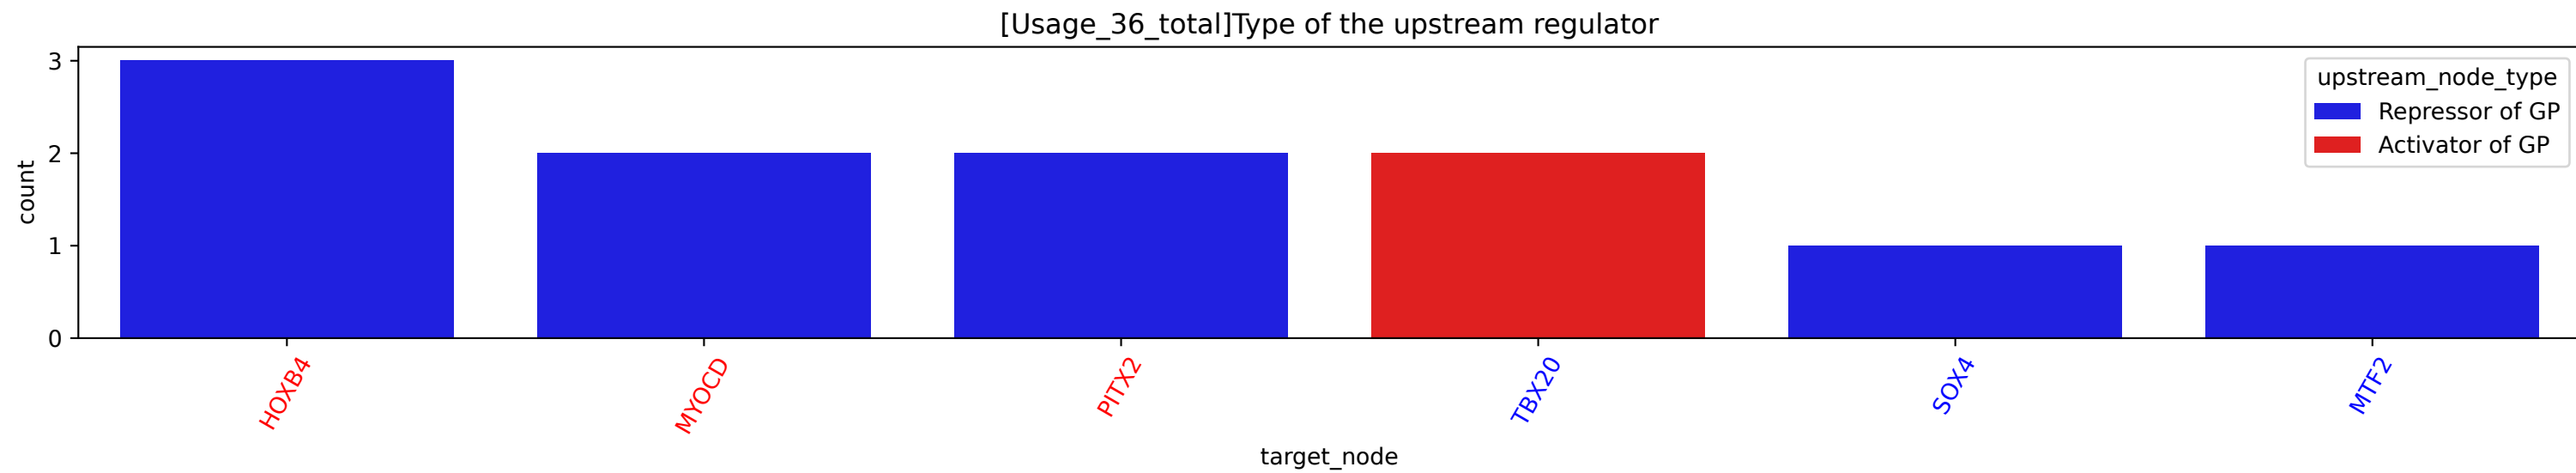

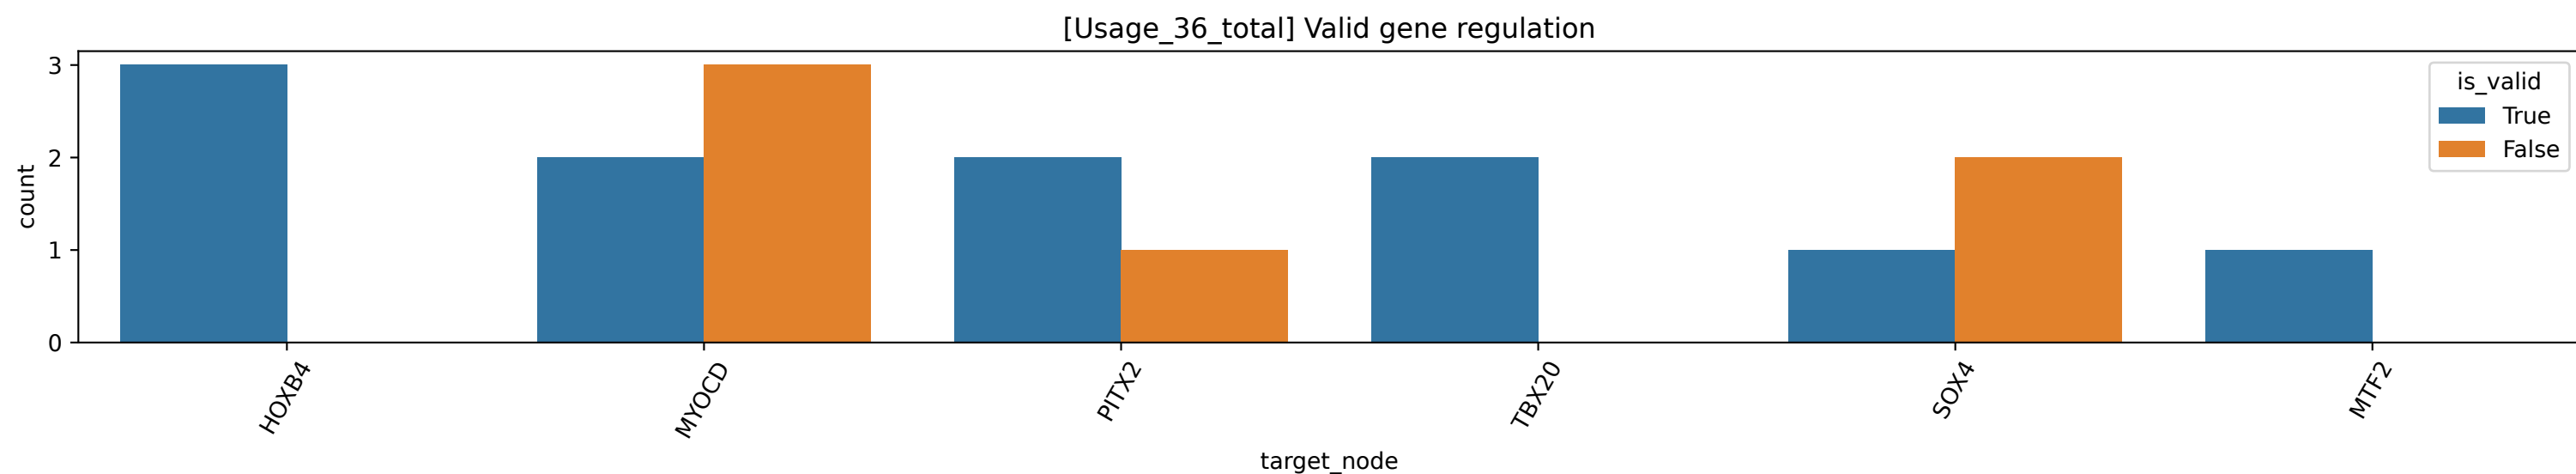

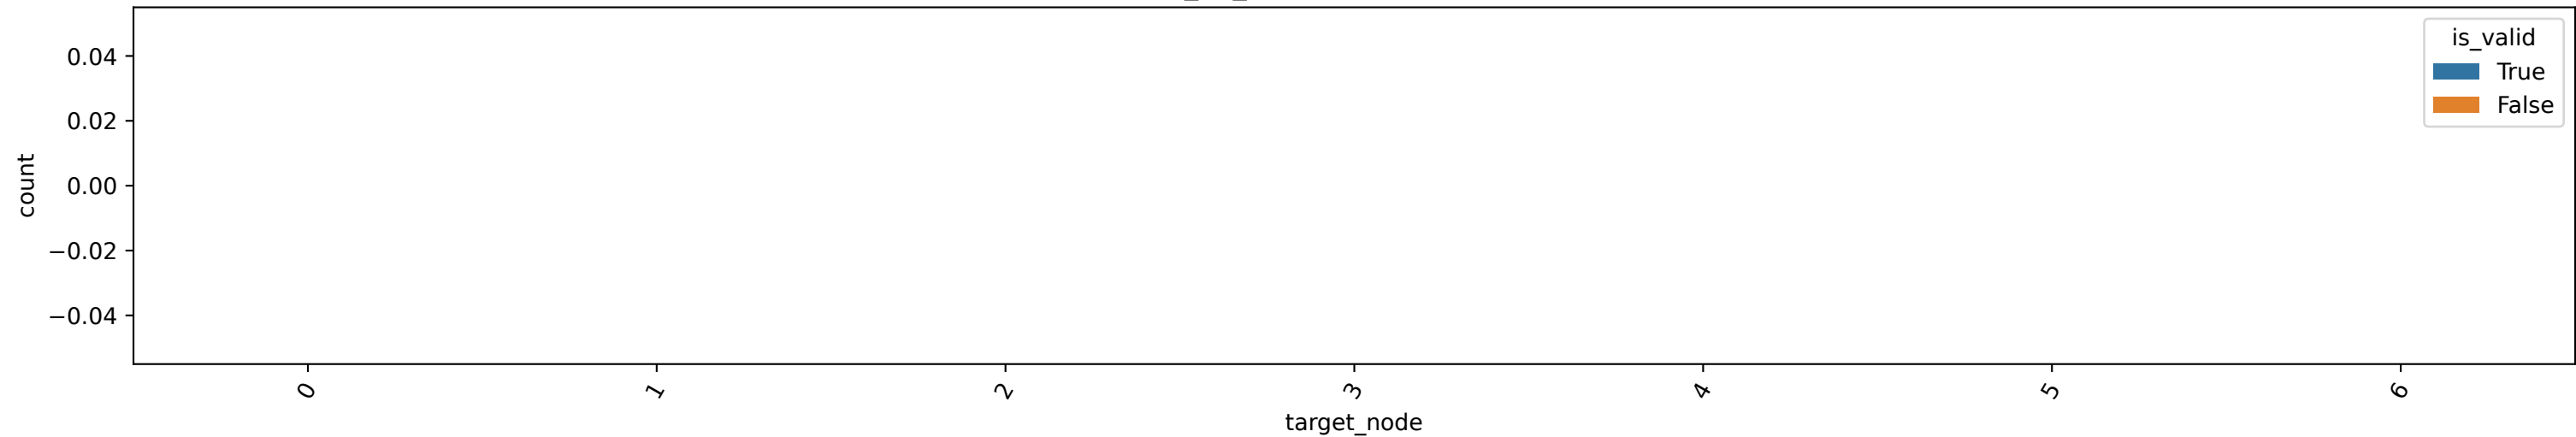

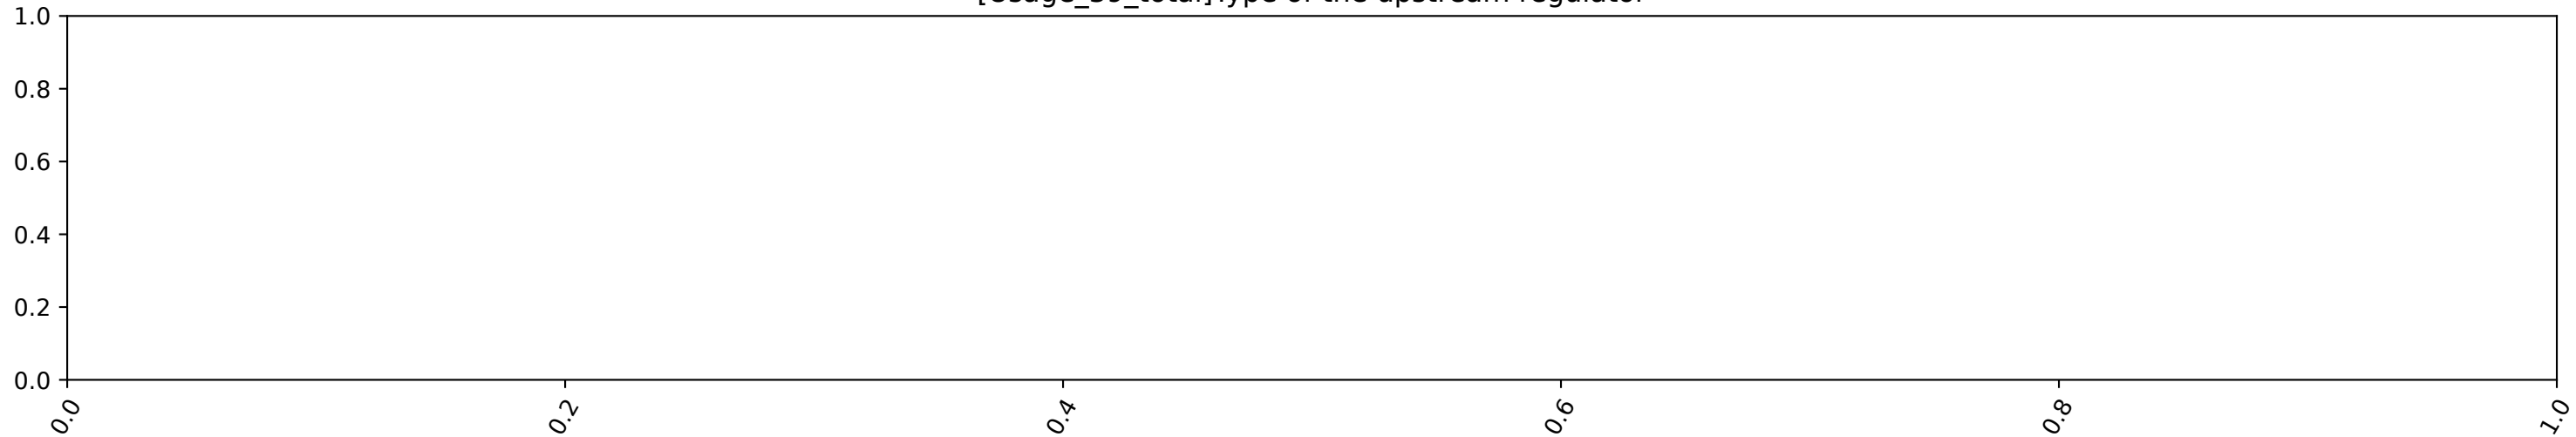

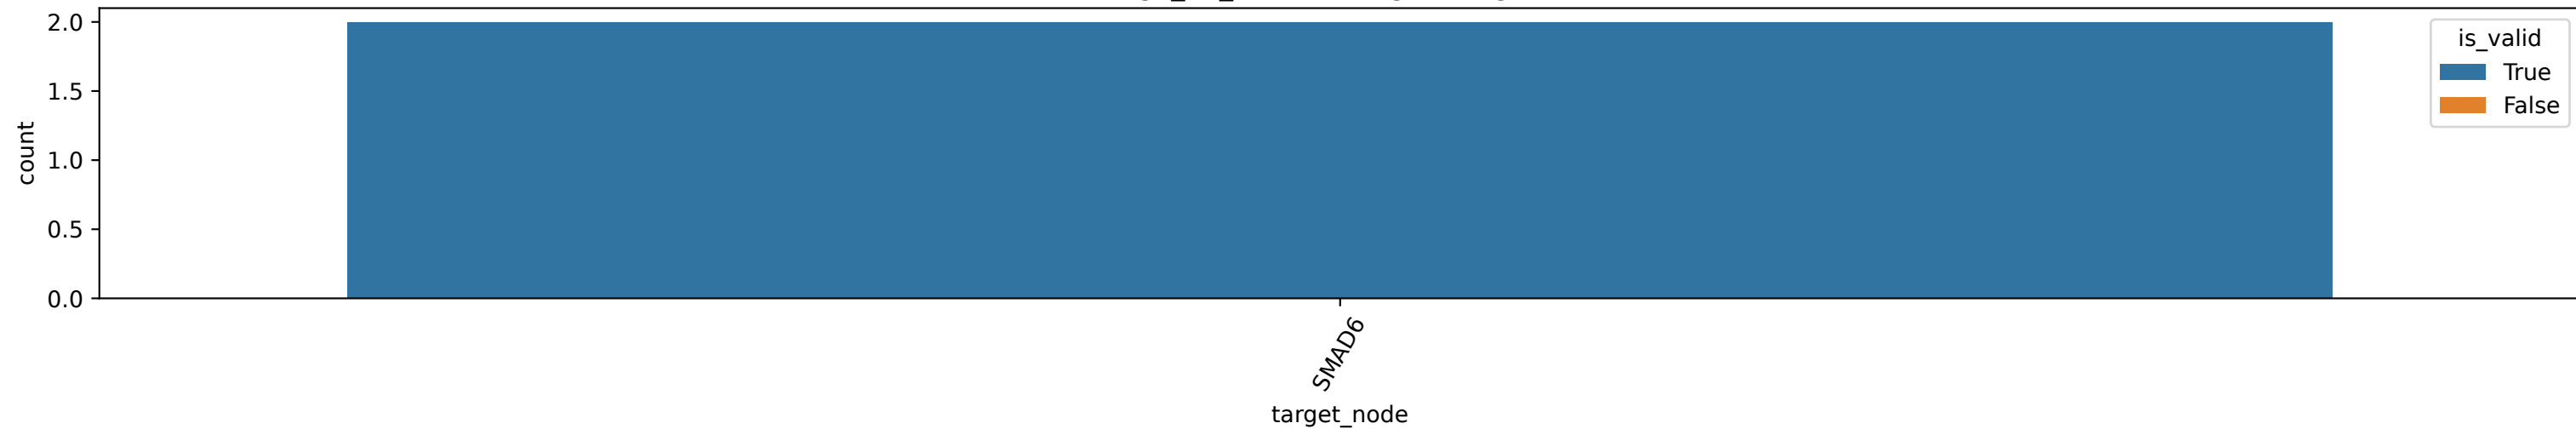

[Usage_39_total] Valid gene regulation

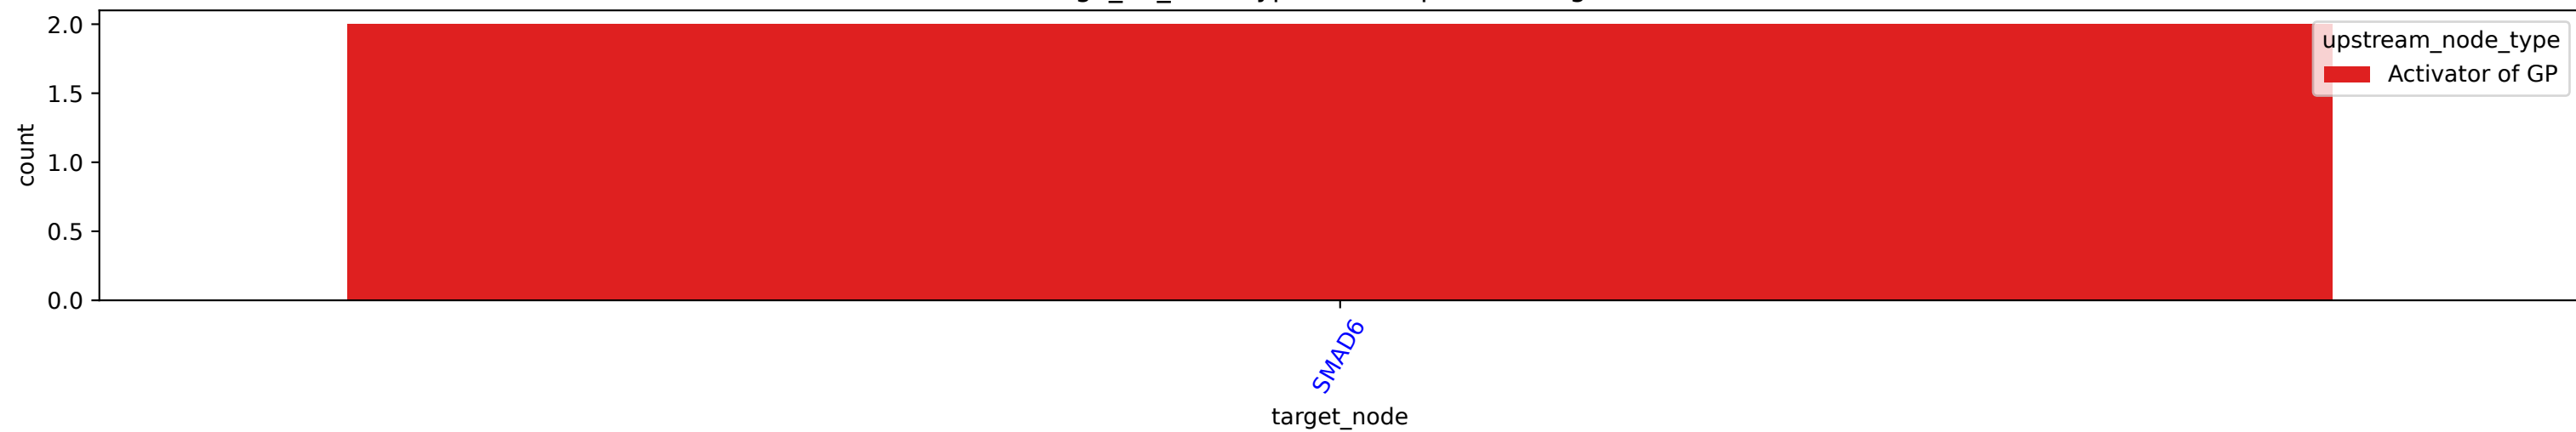

[Usage_39_total]Type of the upstream regulator

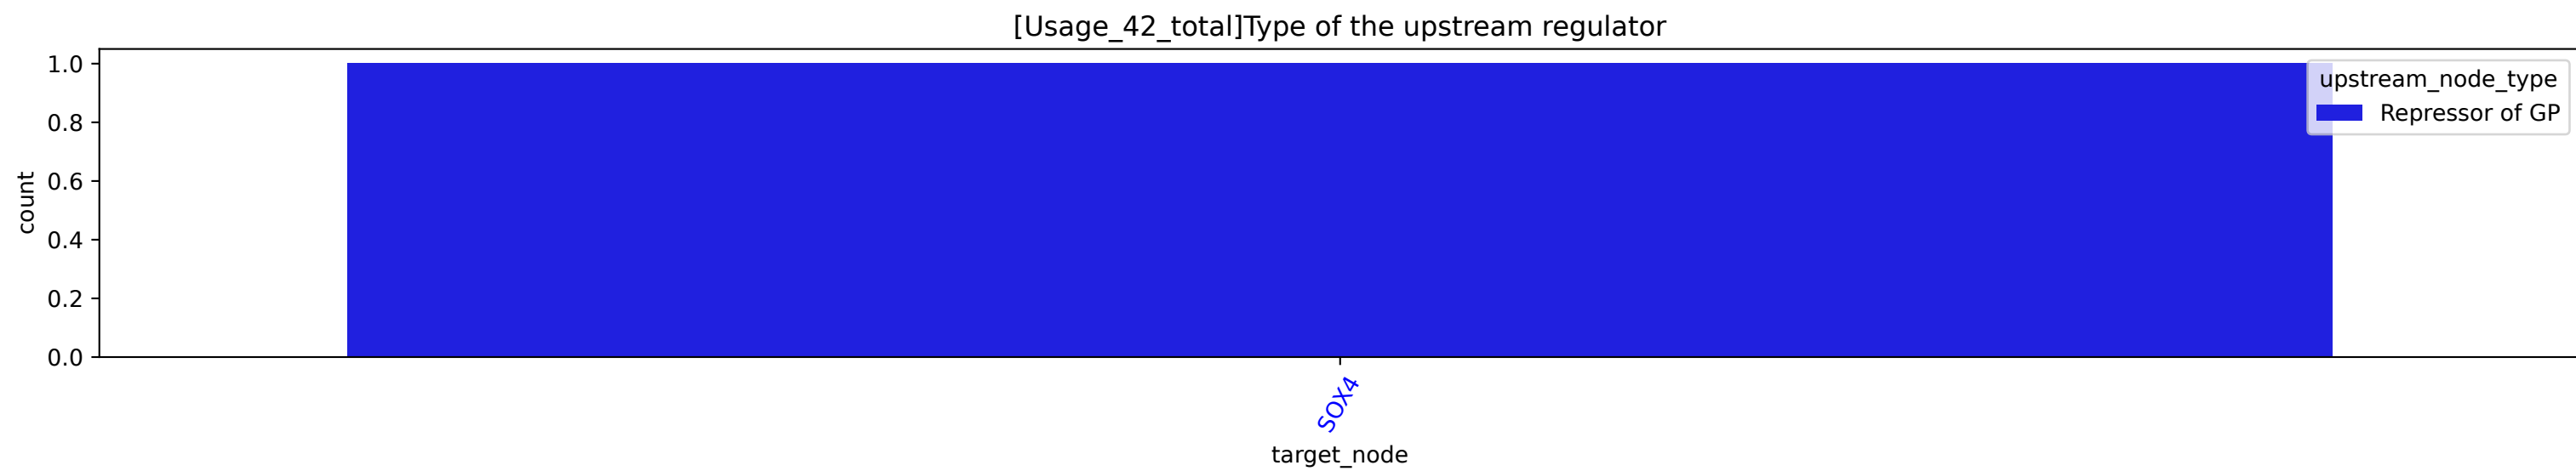

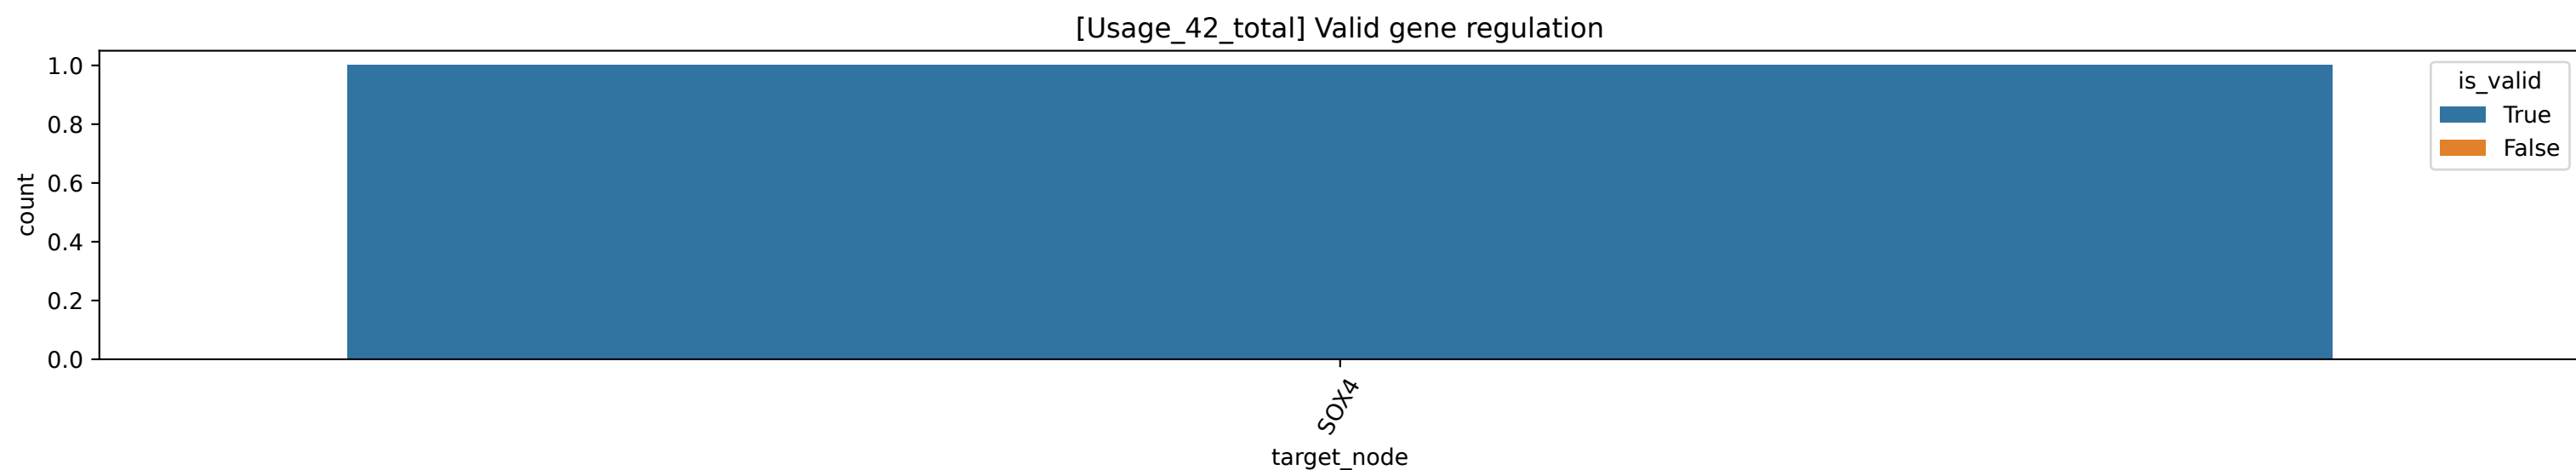

[Usage_40_total] Valid gene regulation

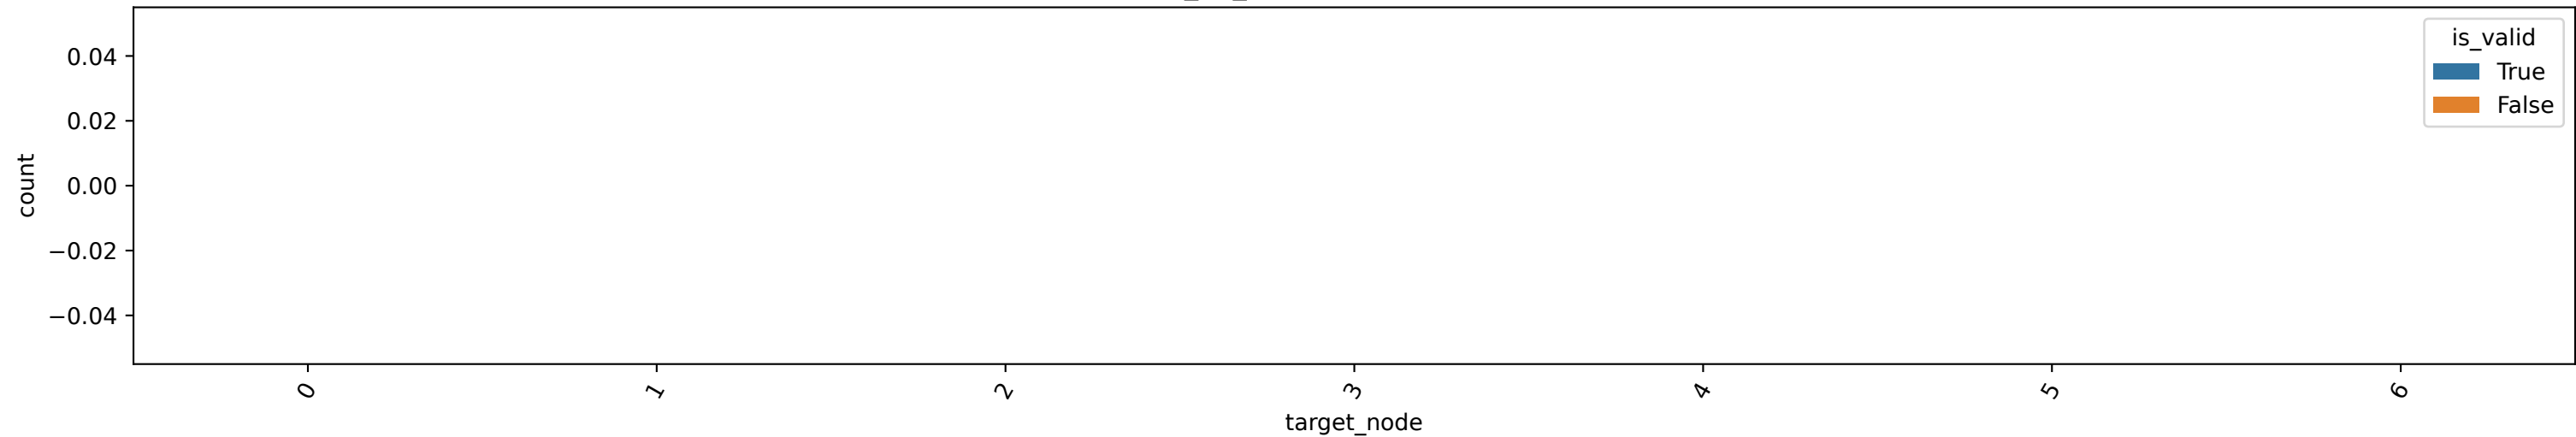

[Usage_40_total] Type of the upstream regulator

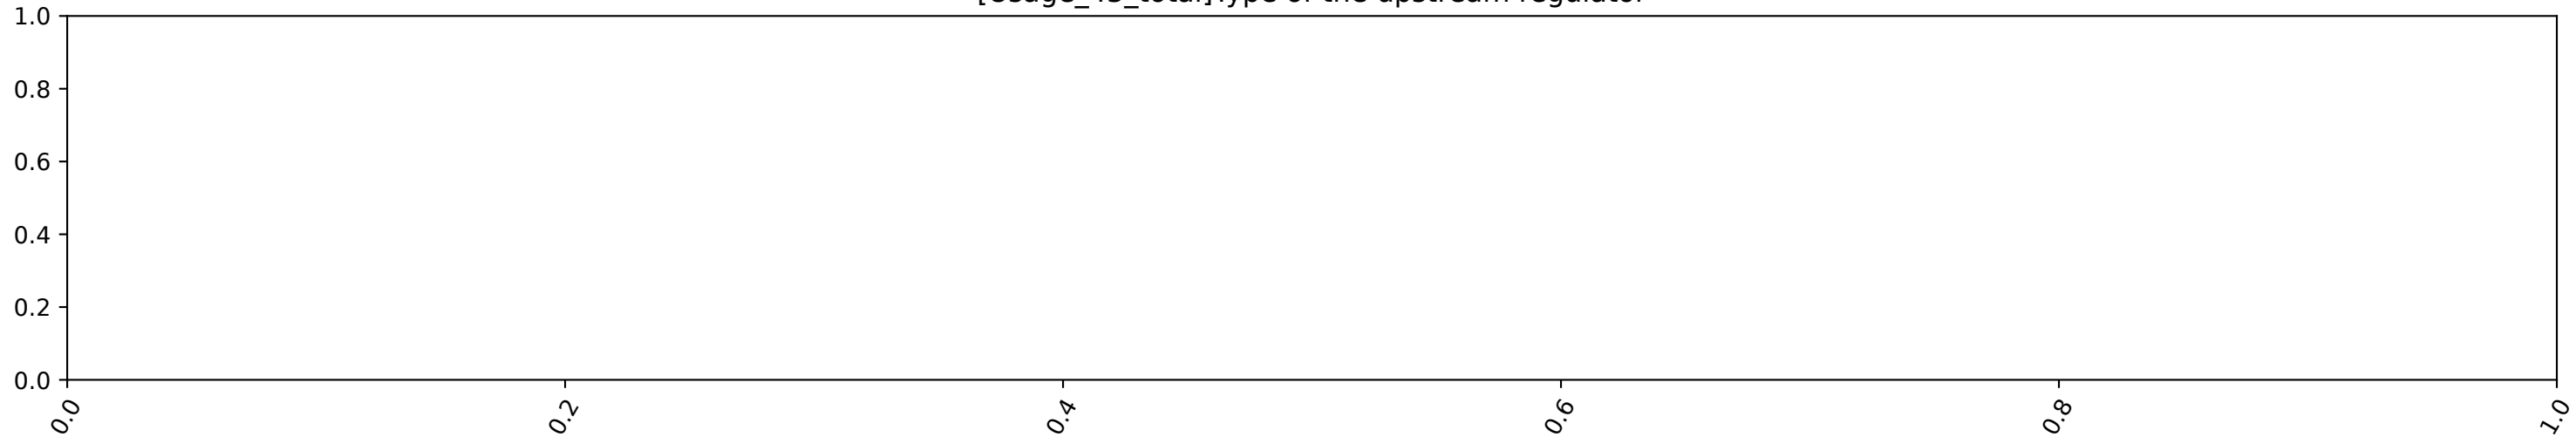

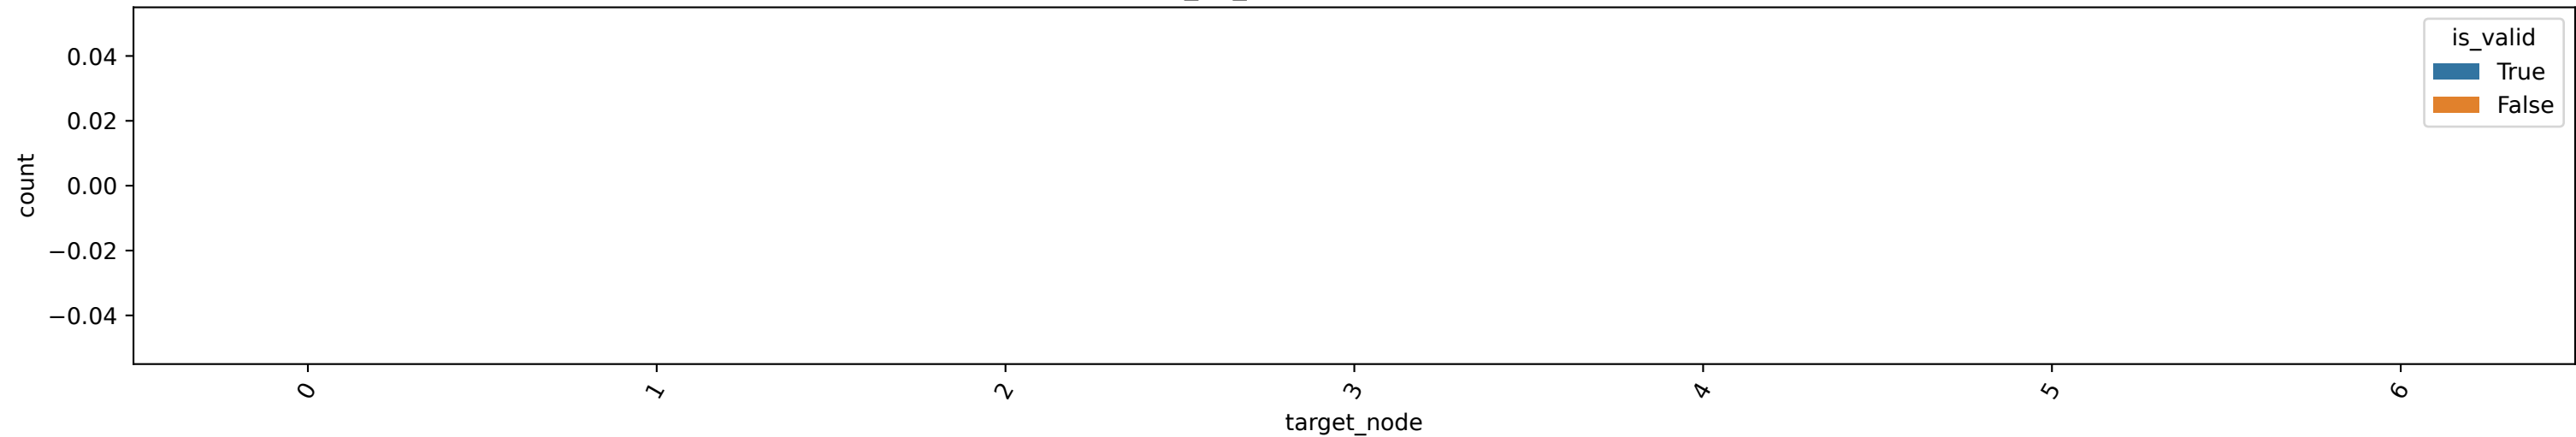

[Usage_43_total] Valid gene regulation

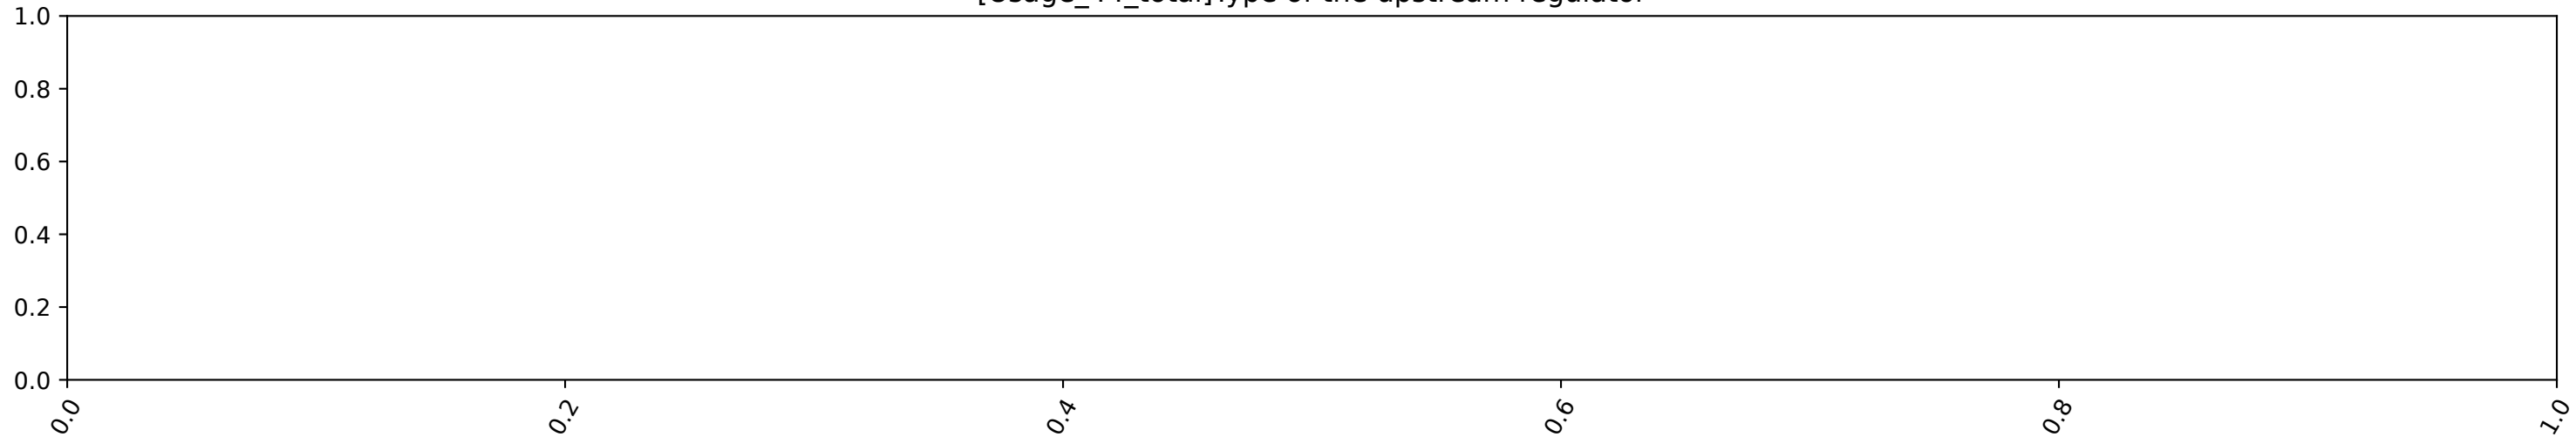

[Usage_43_total]Type of the upstream regulator

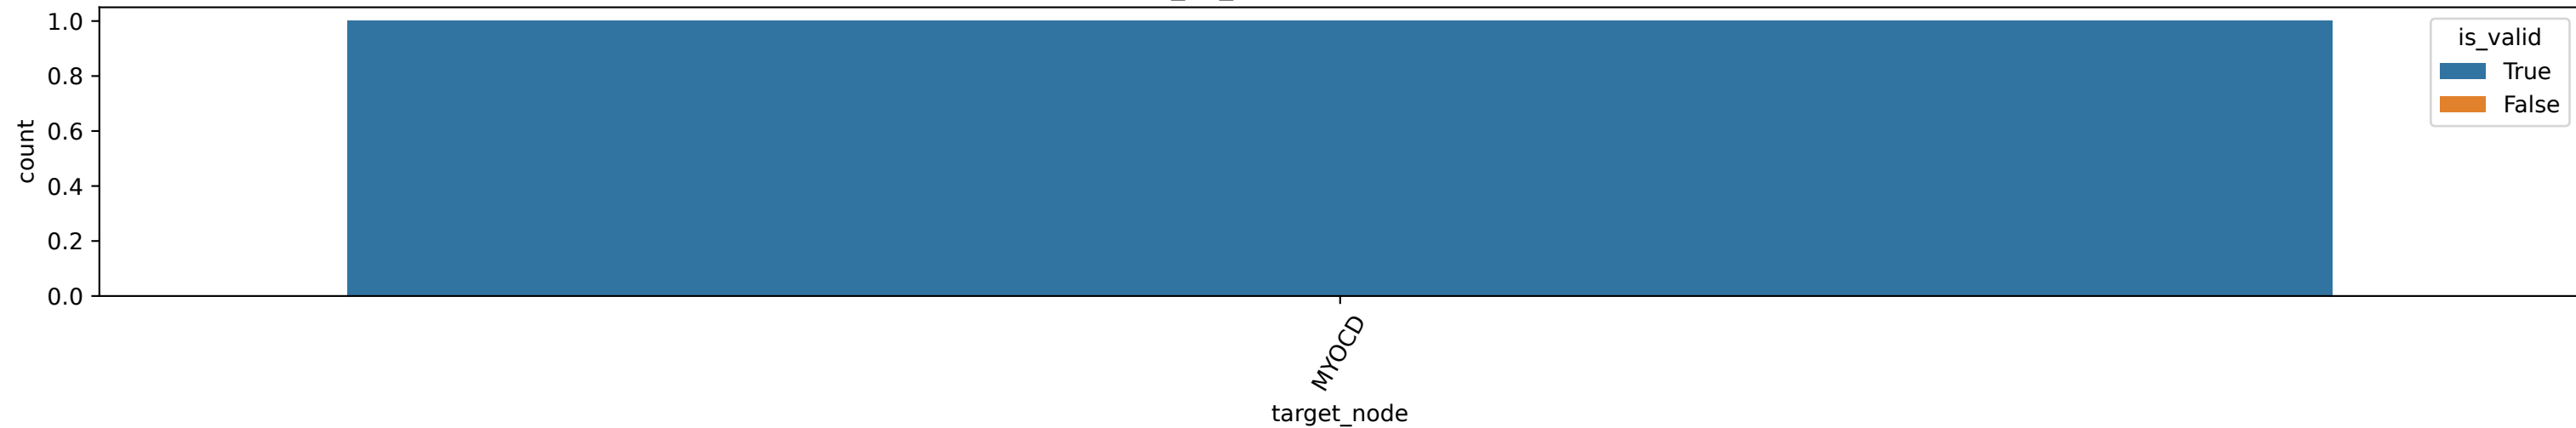

[Usage_44_total] Valid gene regulation

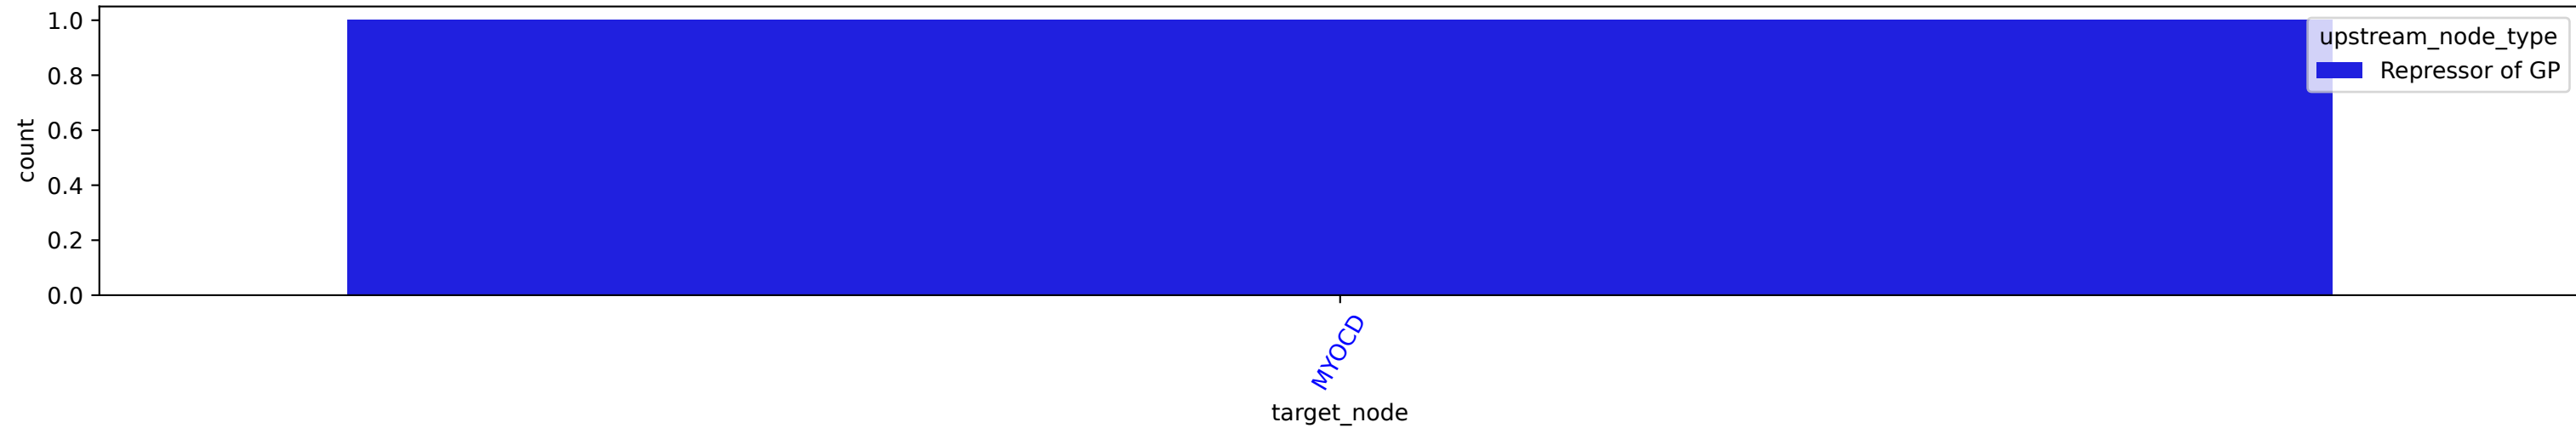

[Usage_44_total] Type of the upstream regulator

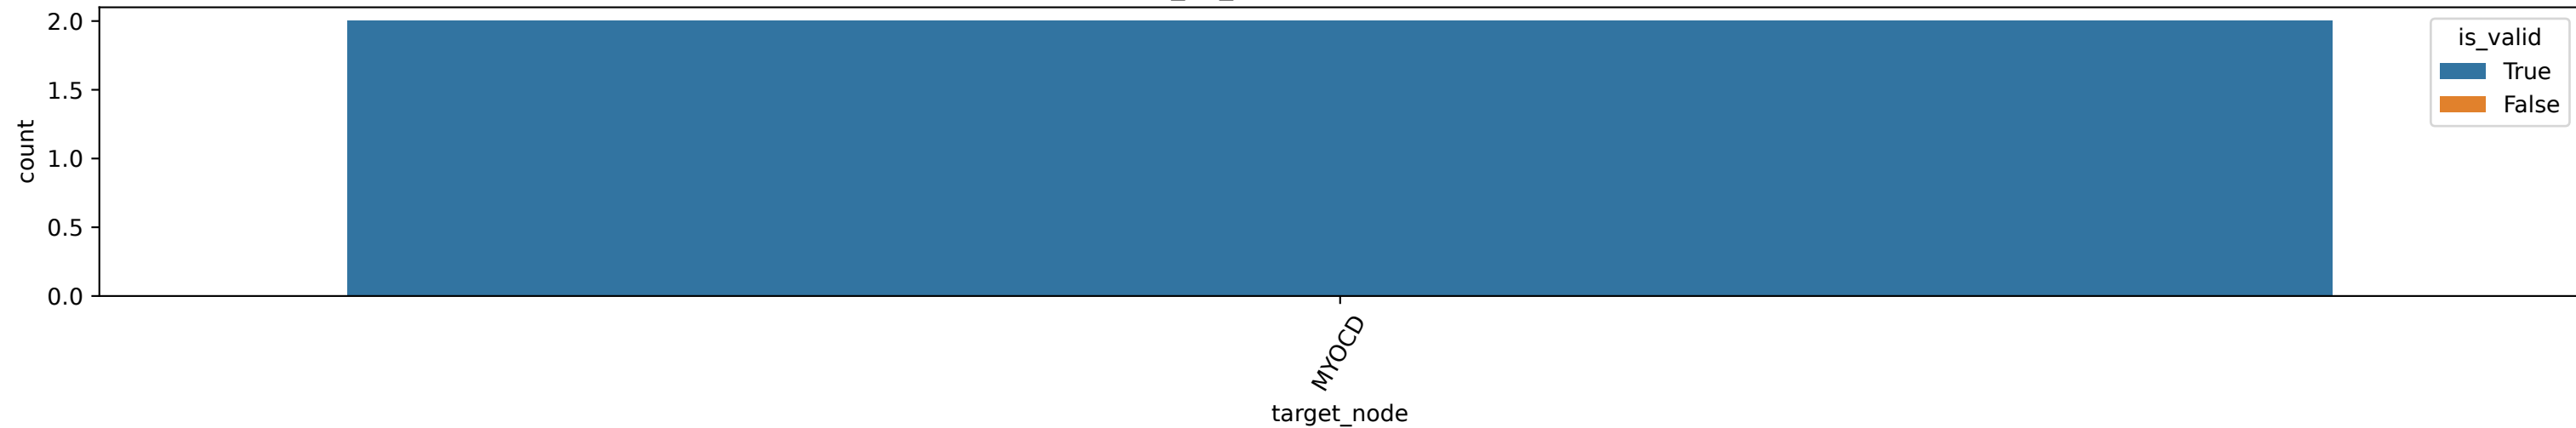

[Usage_46_total] Valid gene regulation

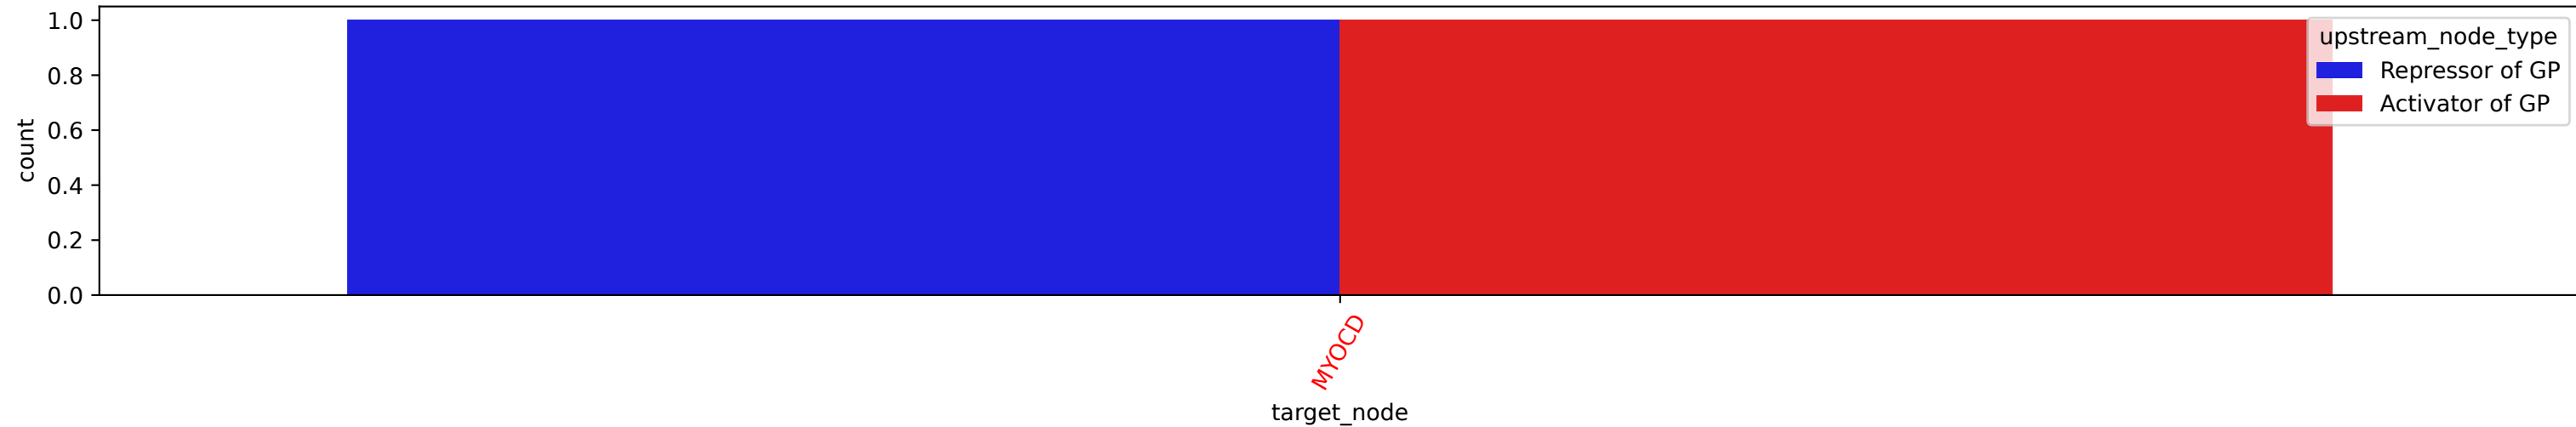

[Usage_46_total] Type of the upstream regulator

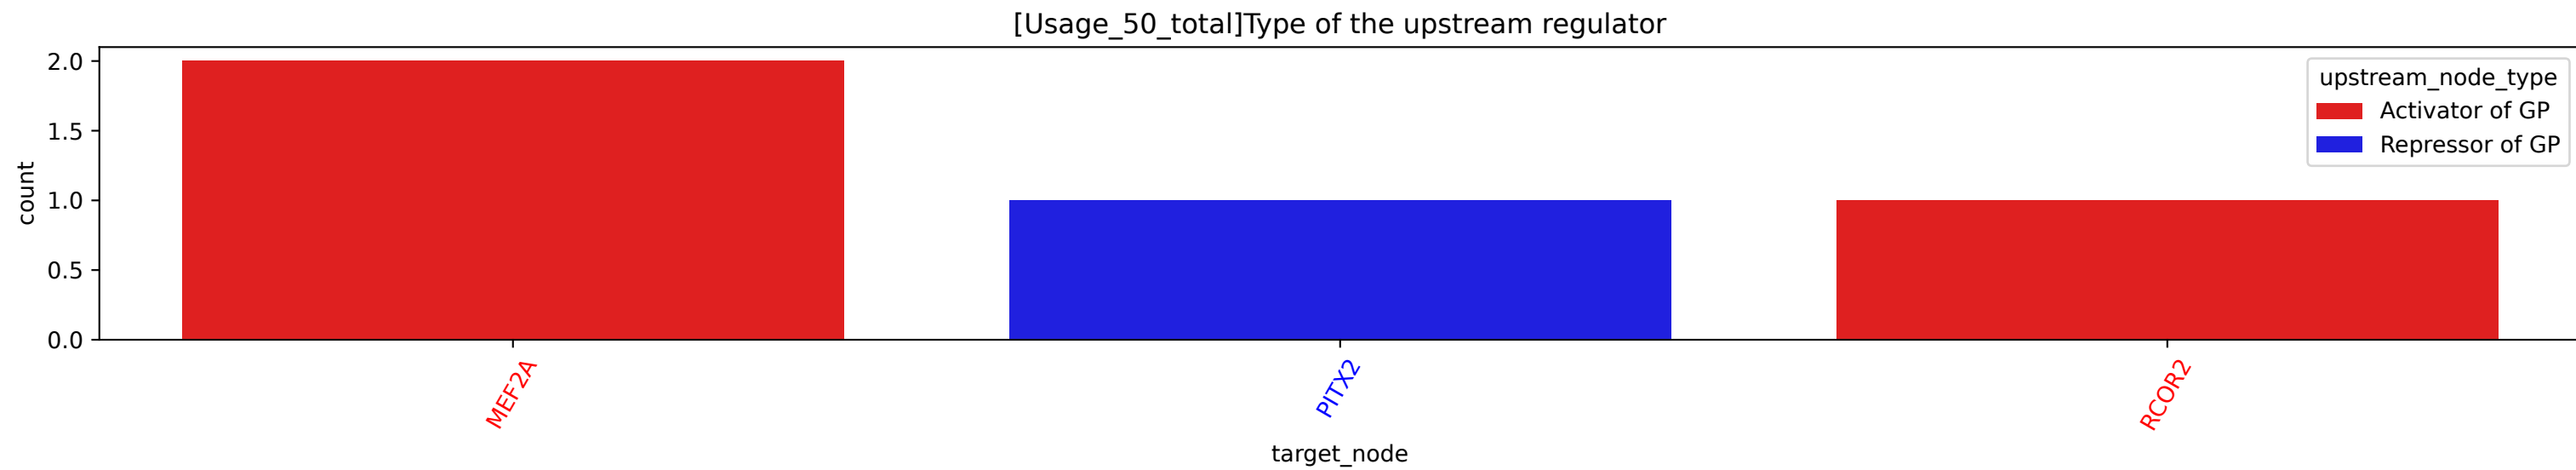

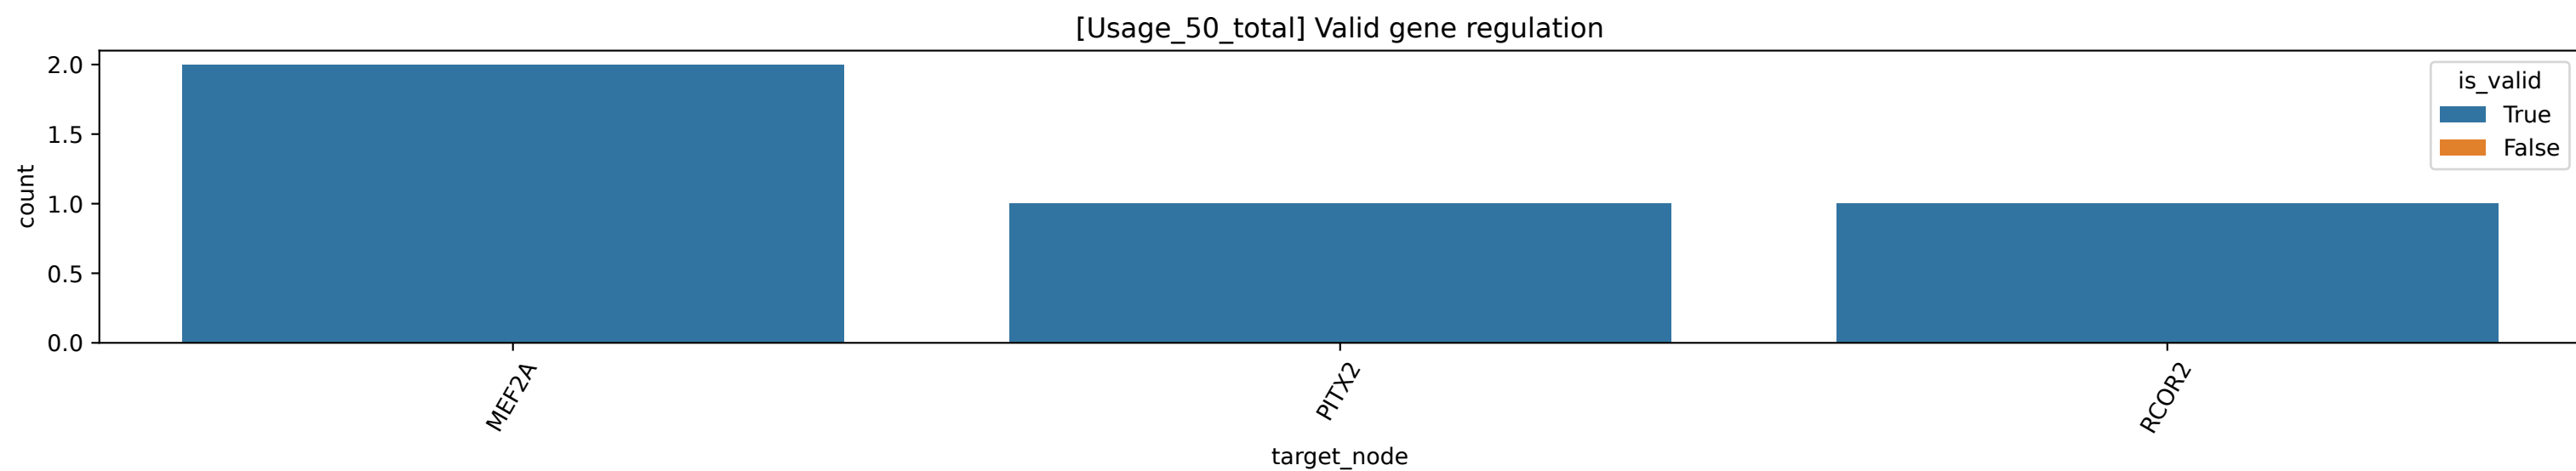

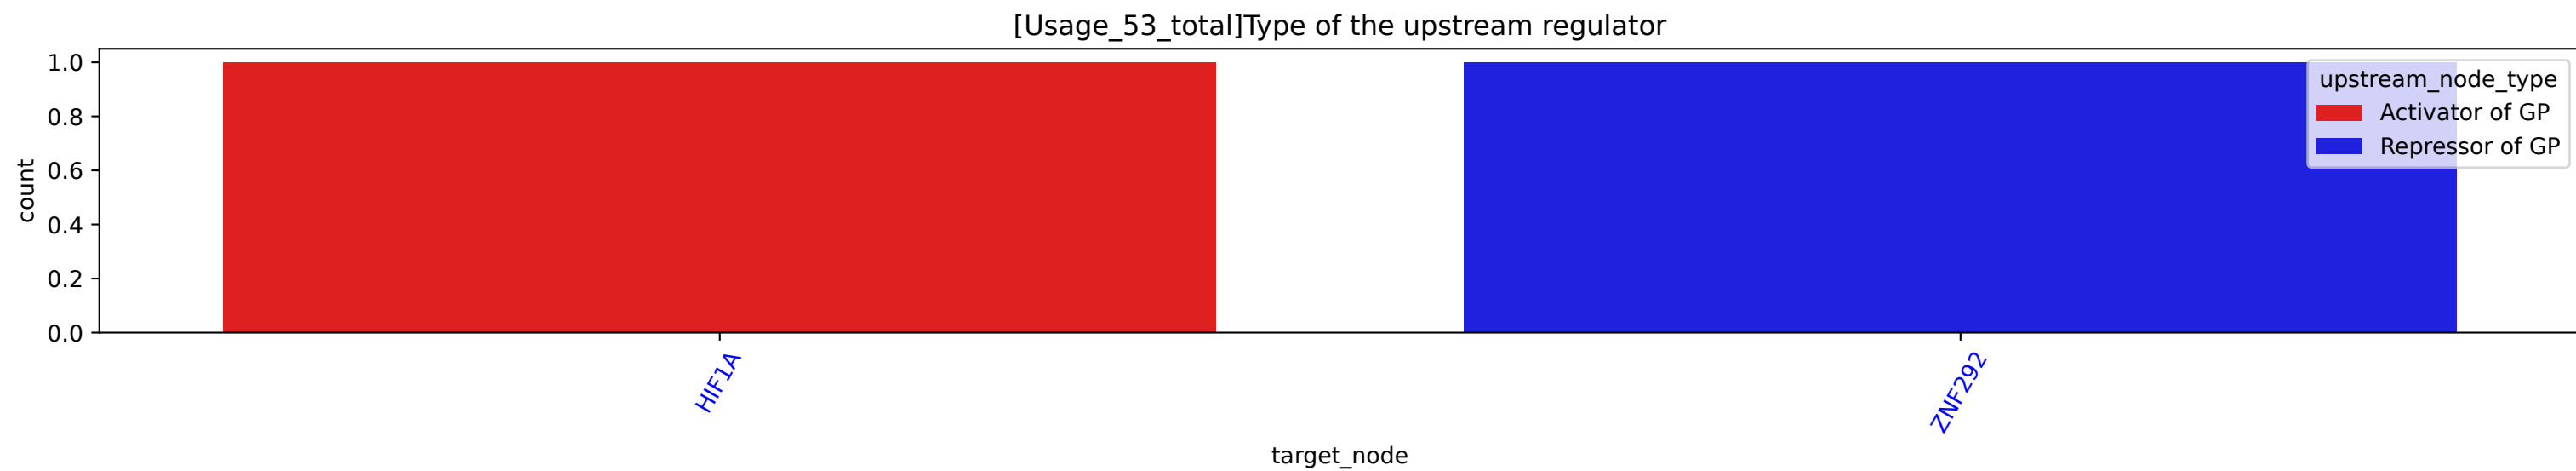

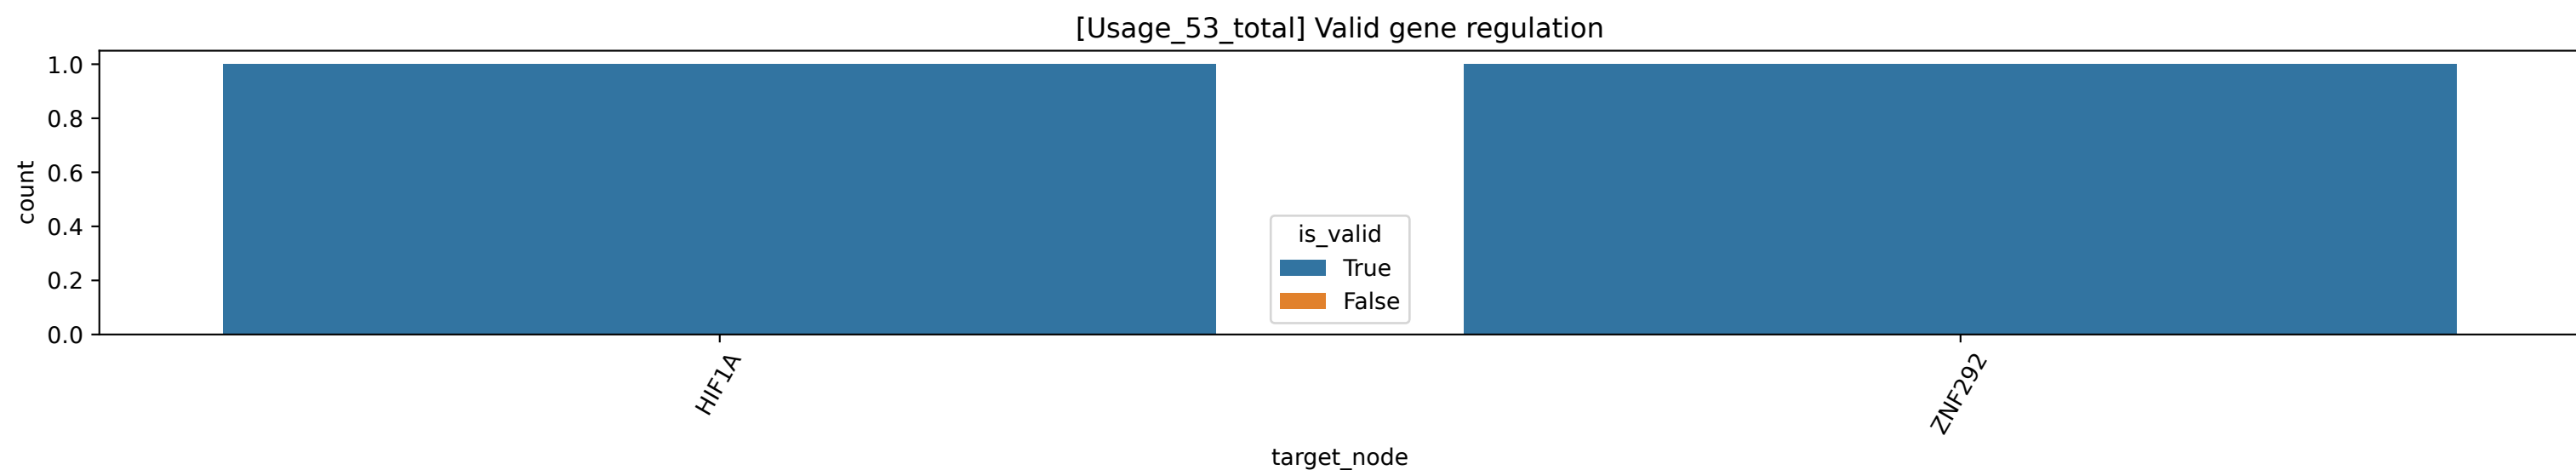

[Usage_47_total] Valid gene regulation

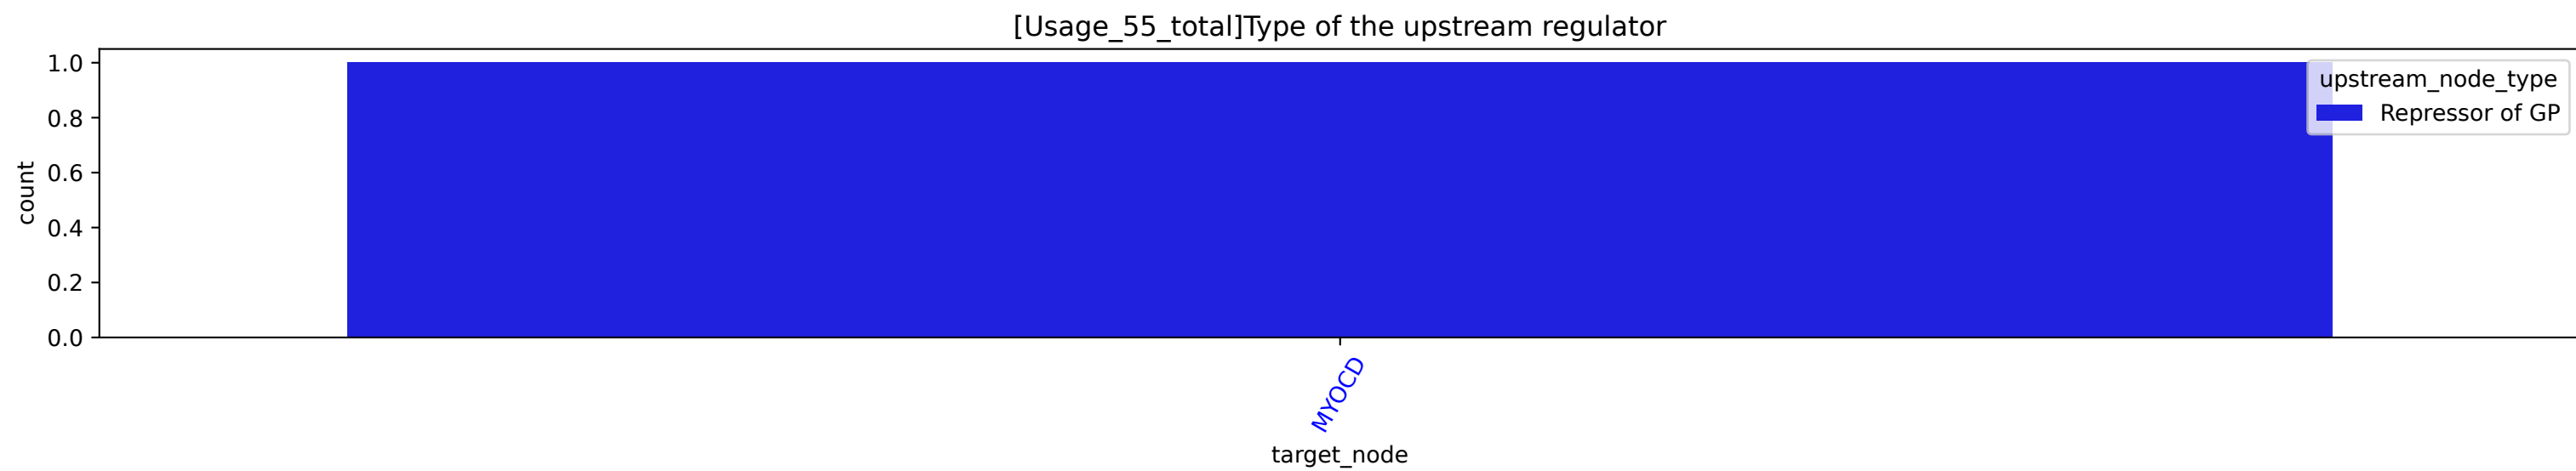

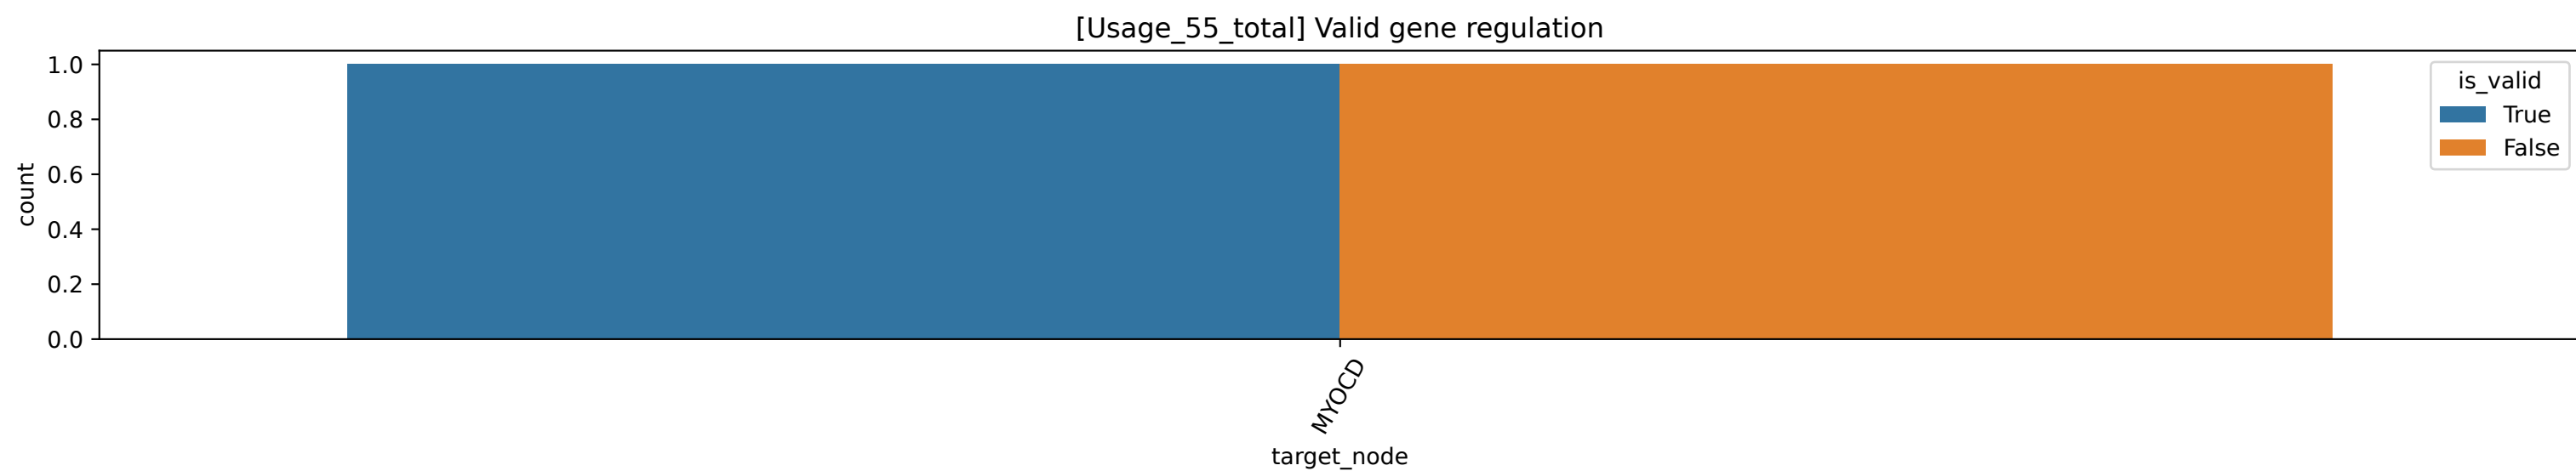

[Usage_47_total] Type of the upstream regulator

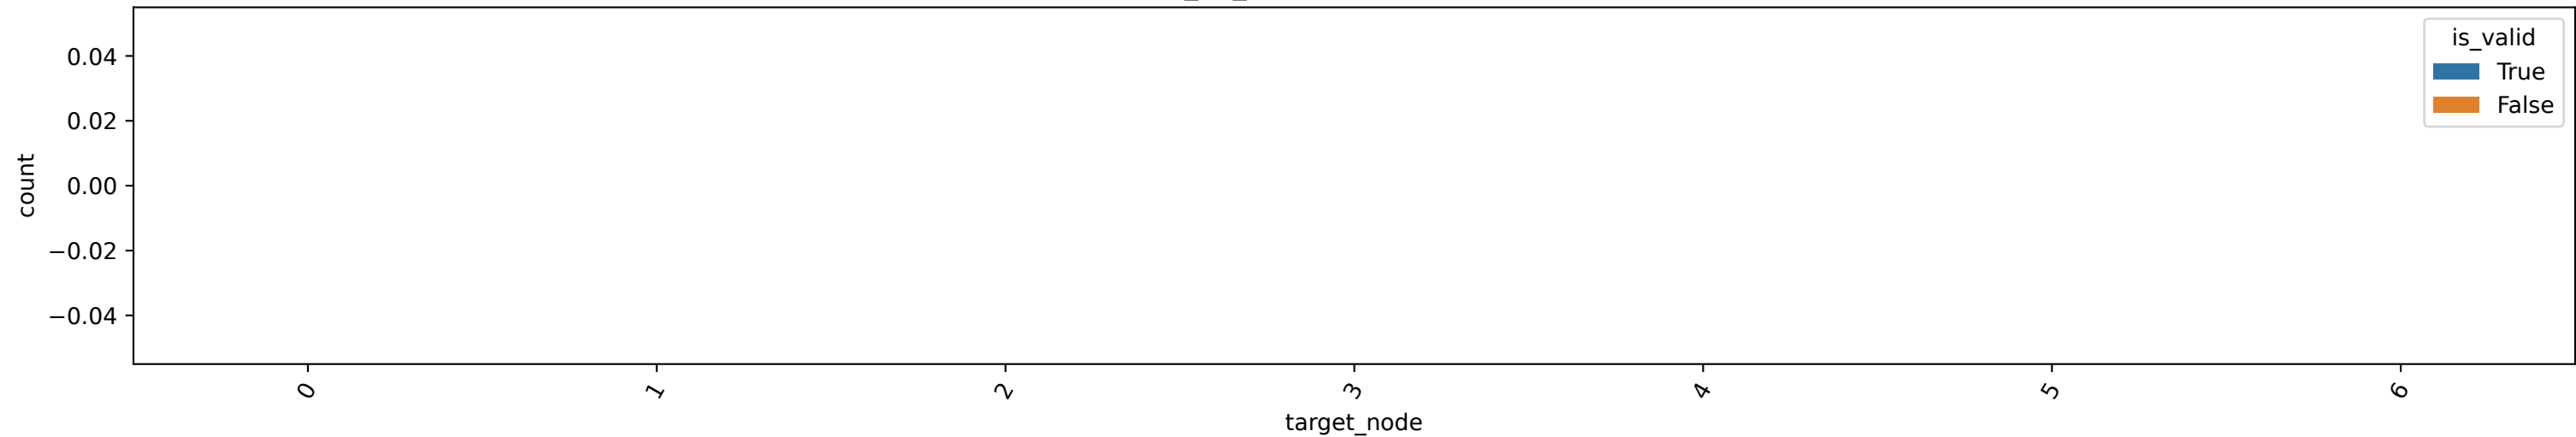

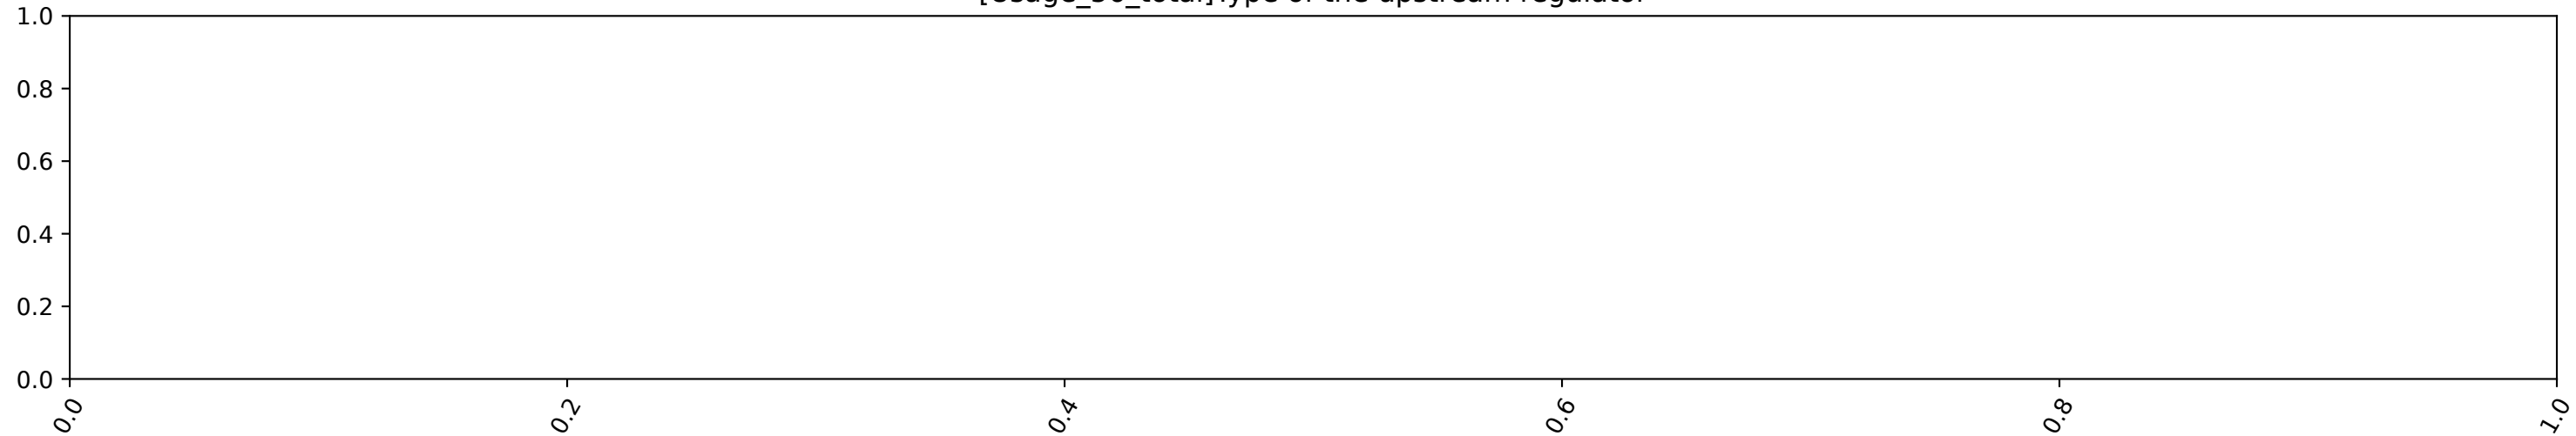

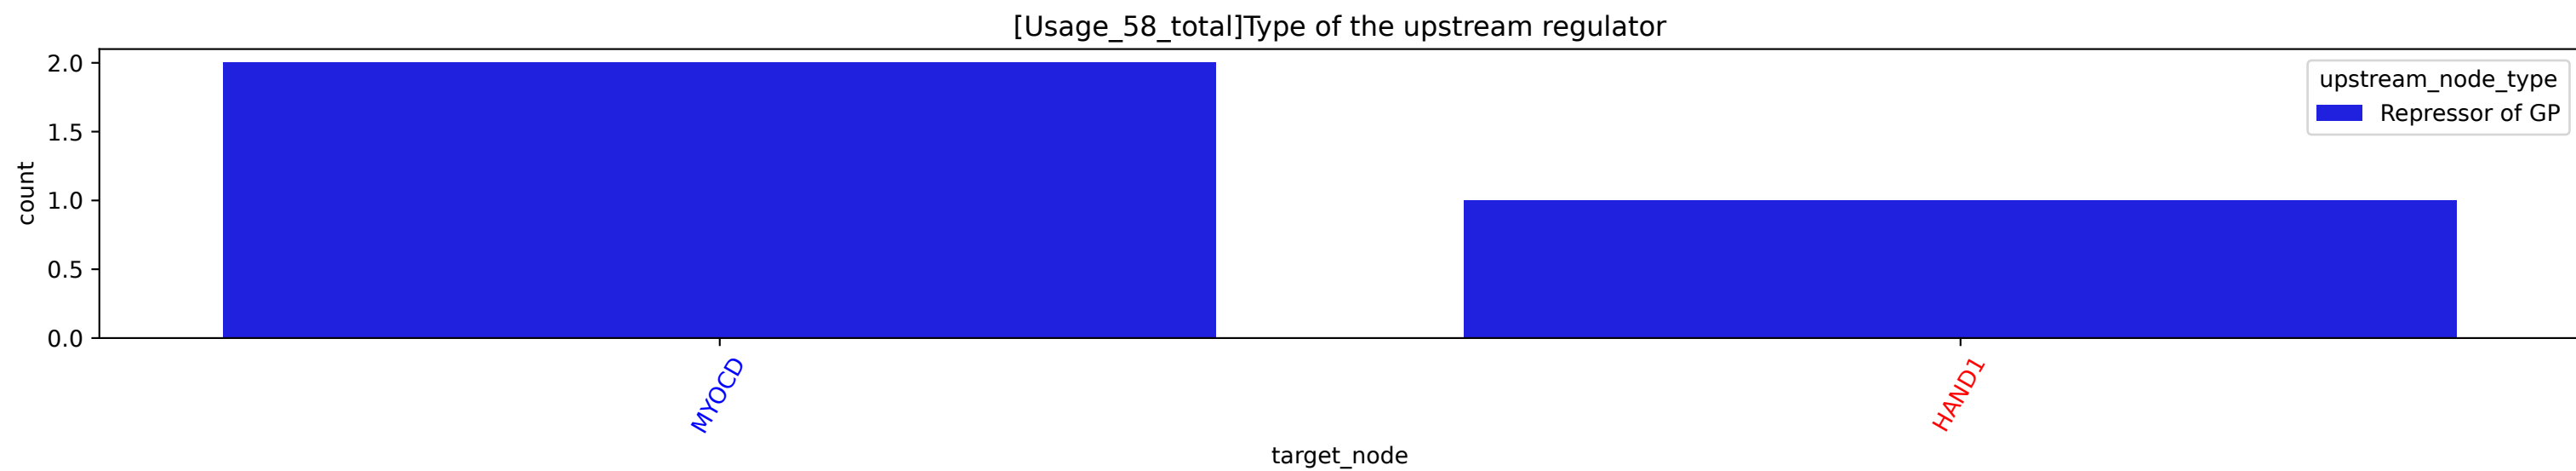

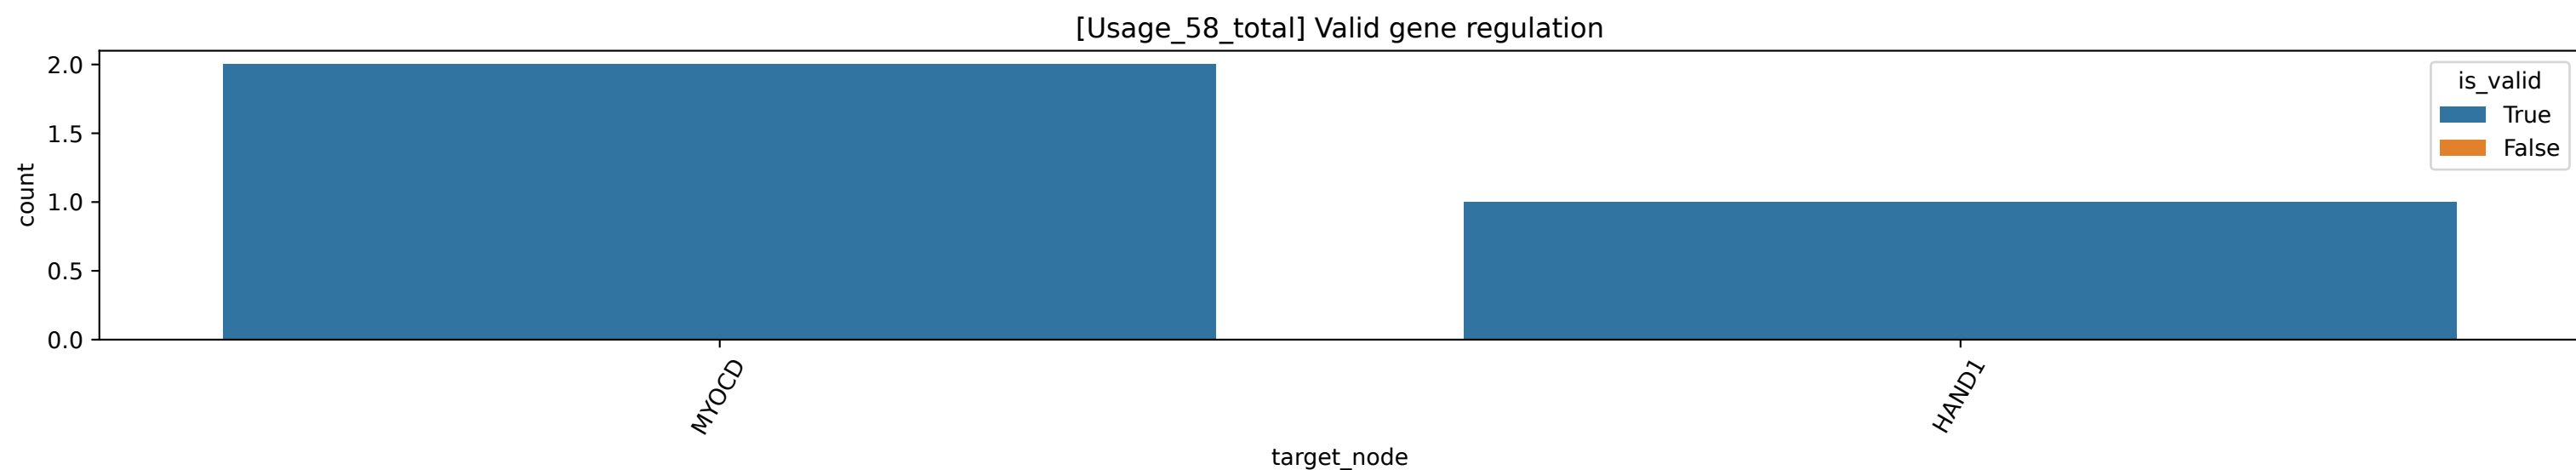

[Usage_56_total] Valid gene regulation

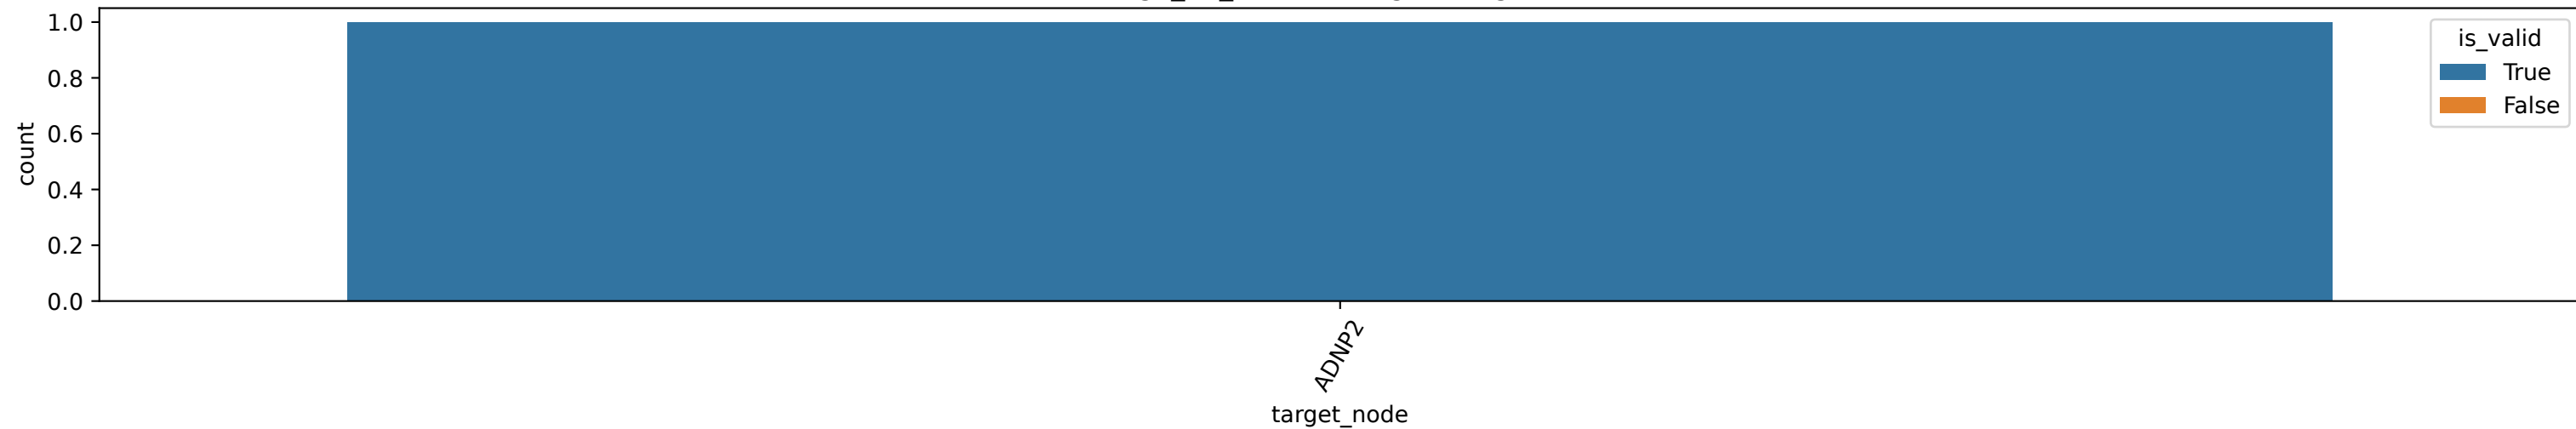

[Usage_56_total]Type of the upstream regulator

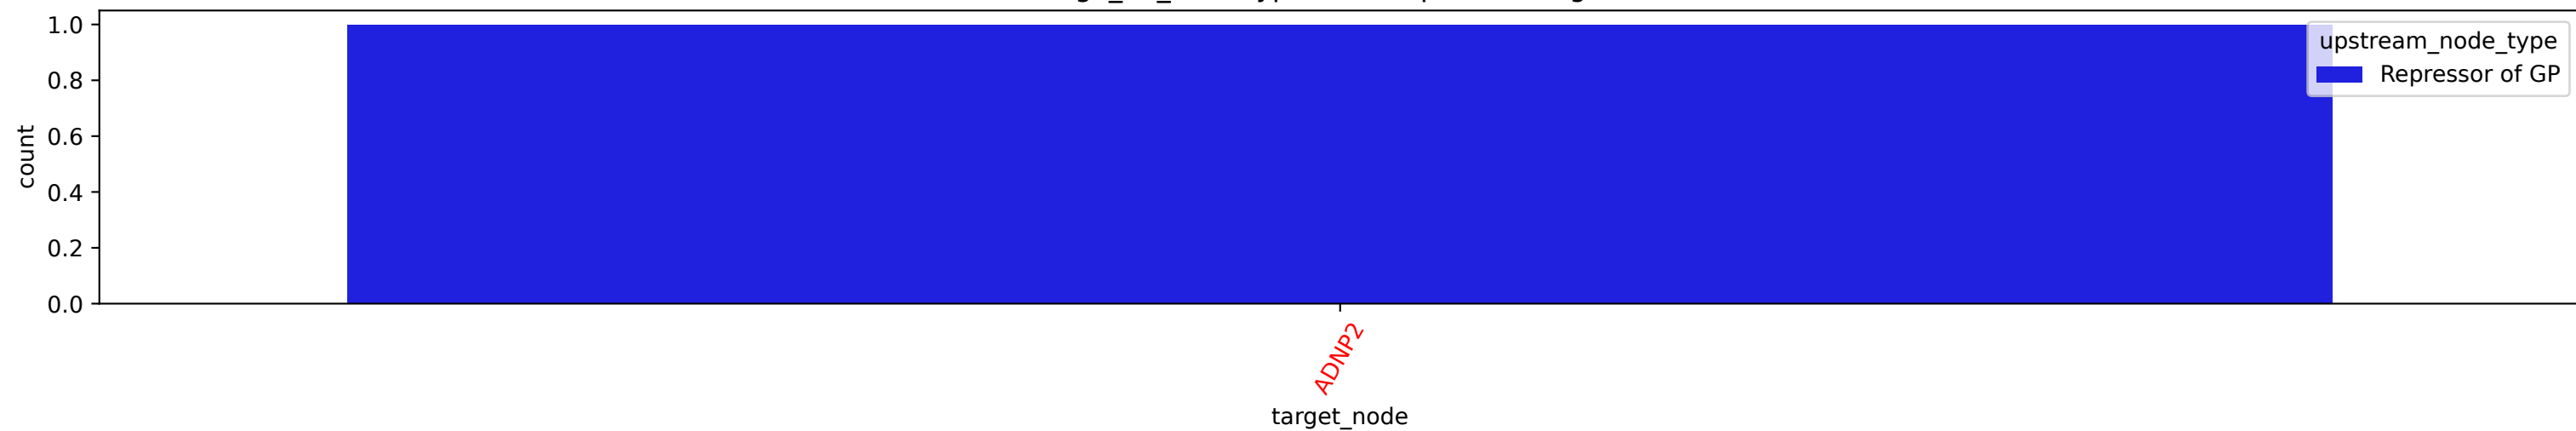

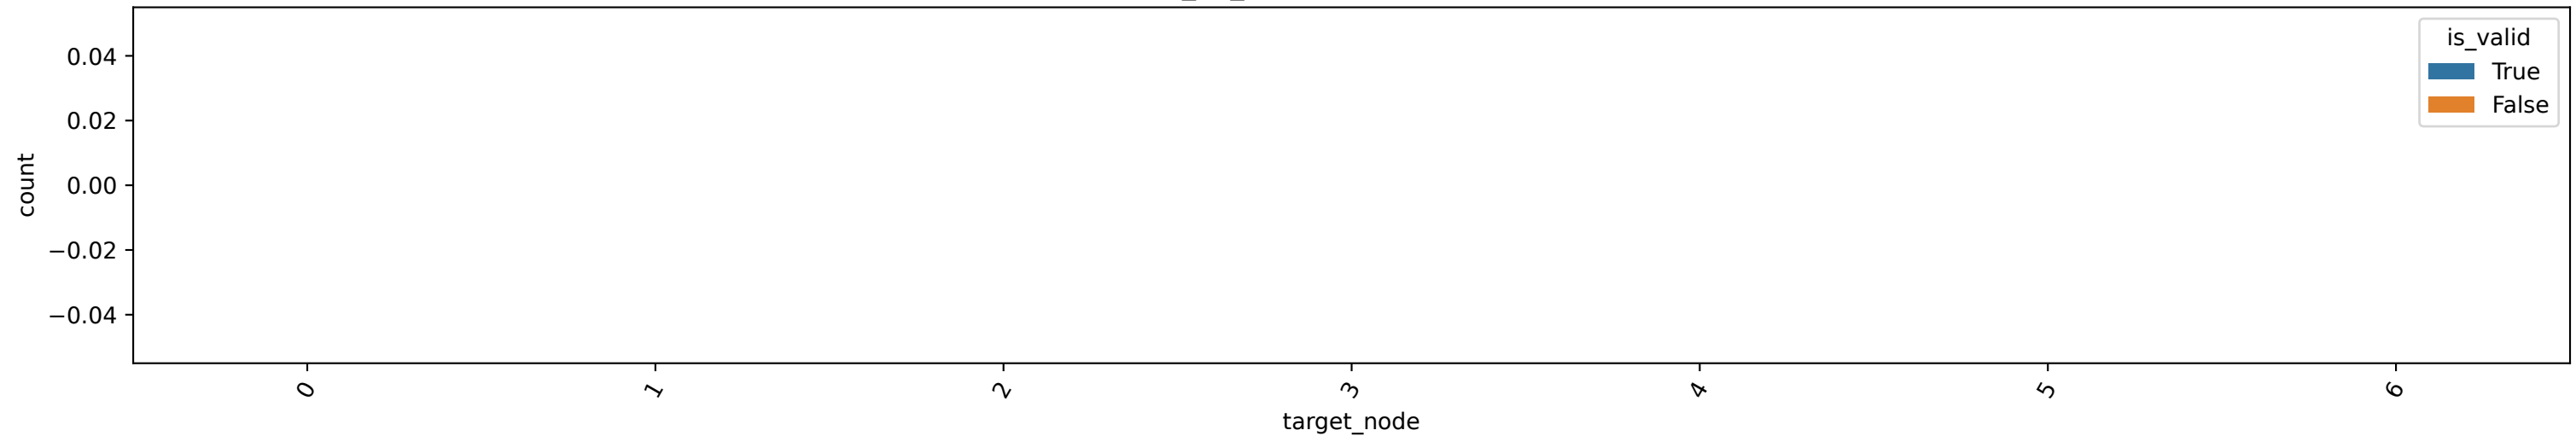

[Usage_63_total] Valid gene regulation

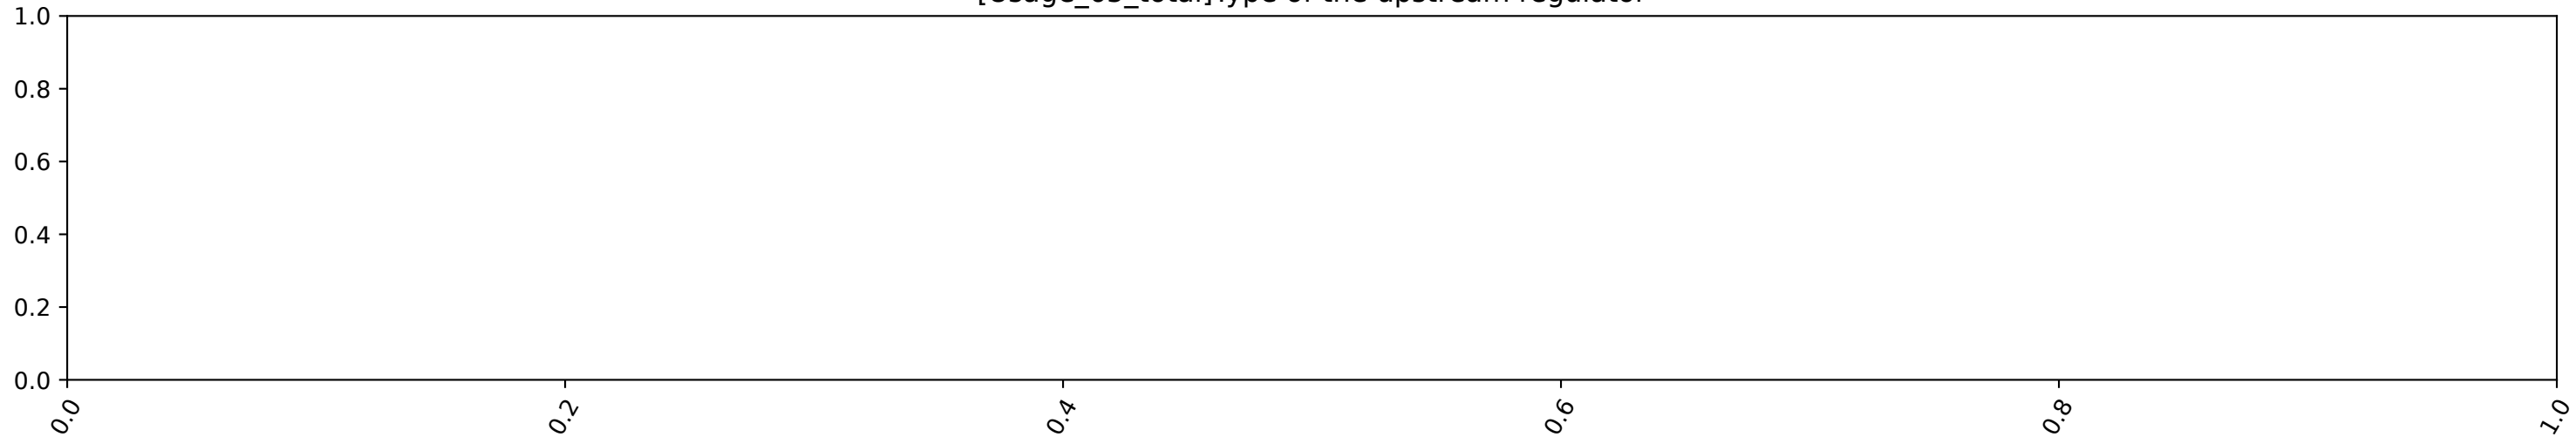

[Usage_63_total] Type of the upstream regulator

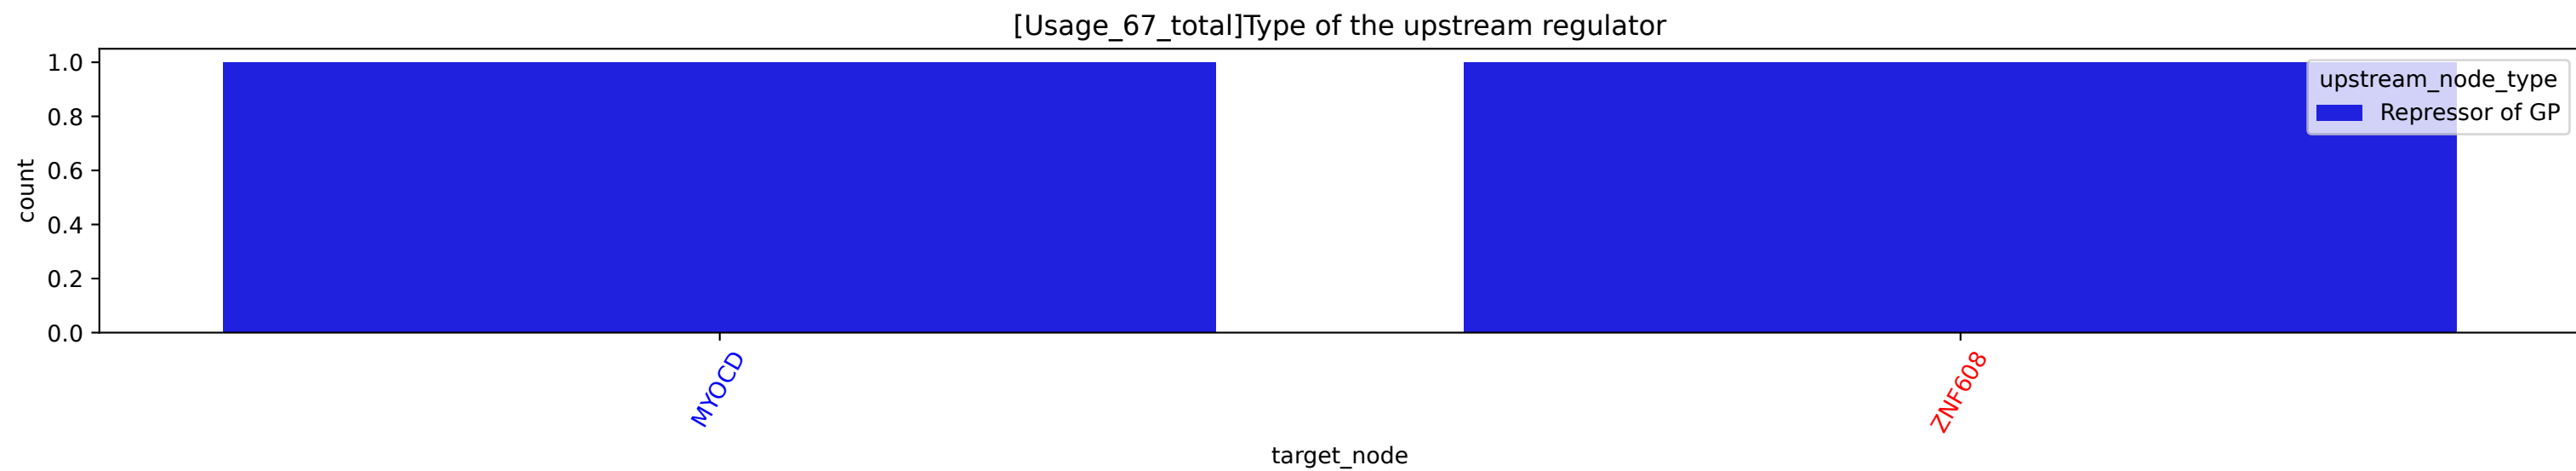

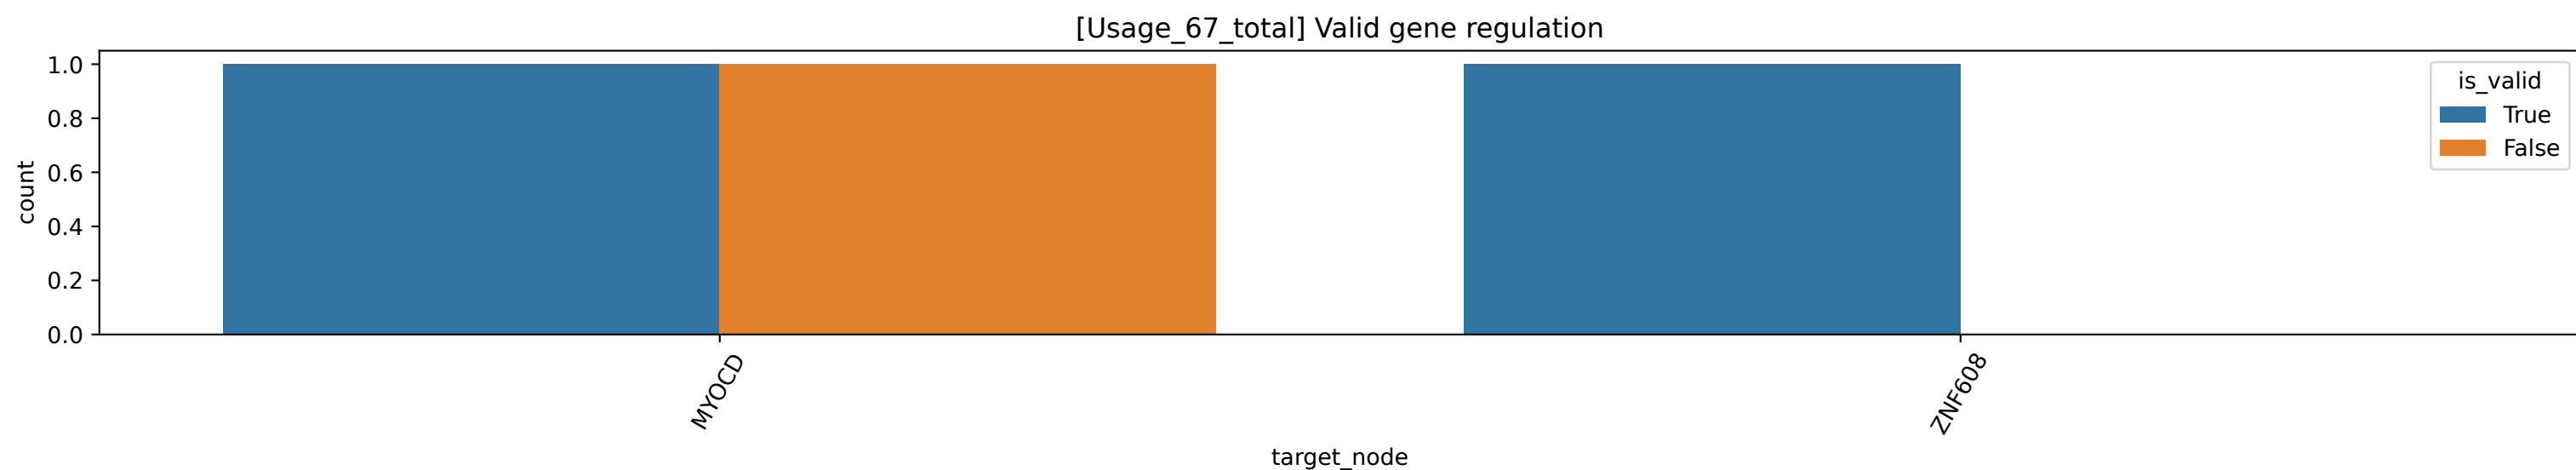

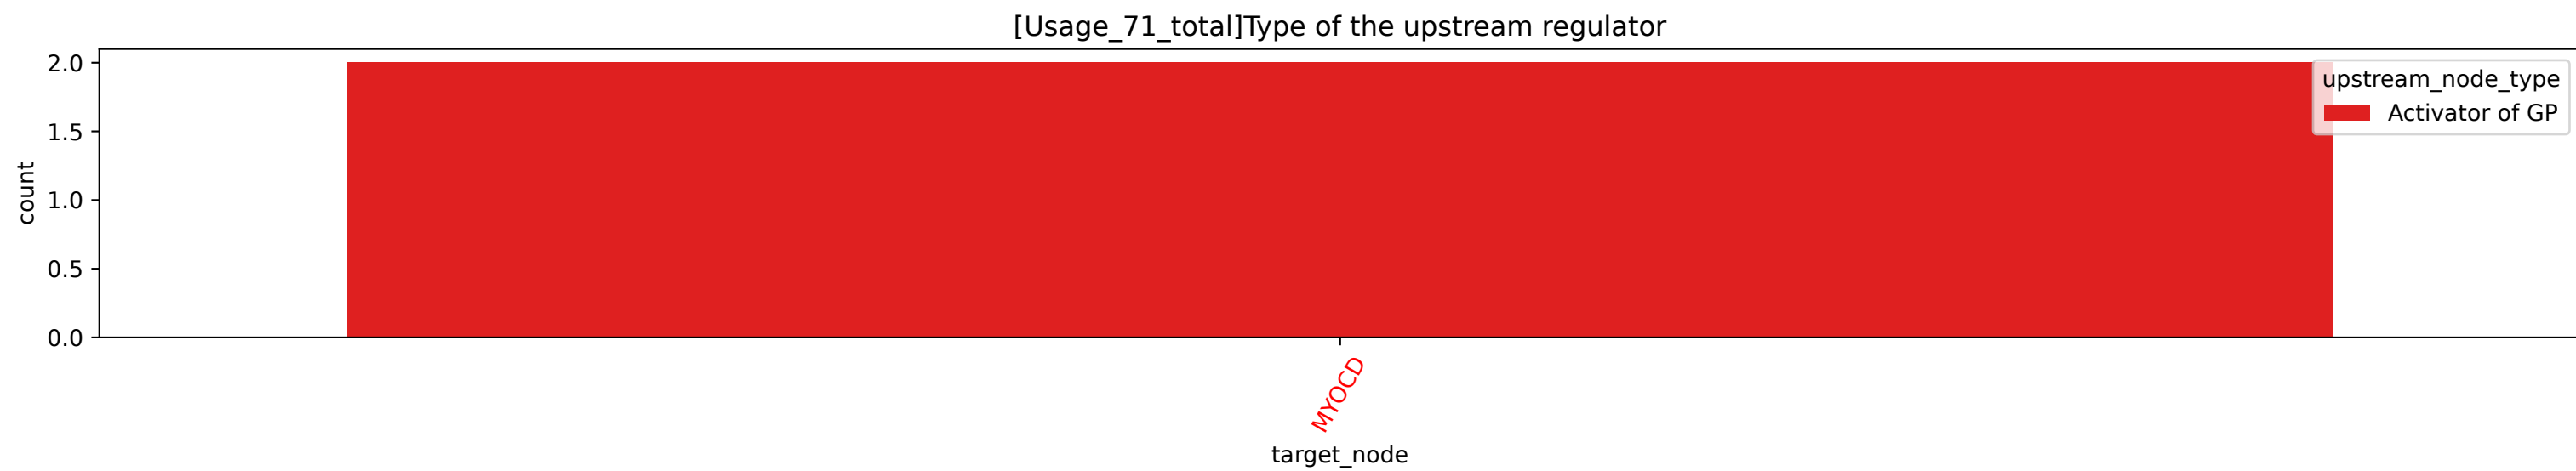

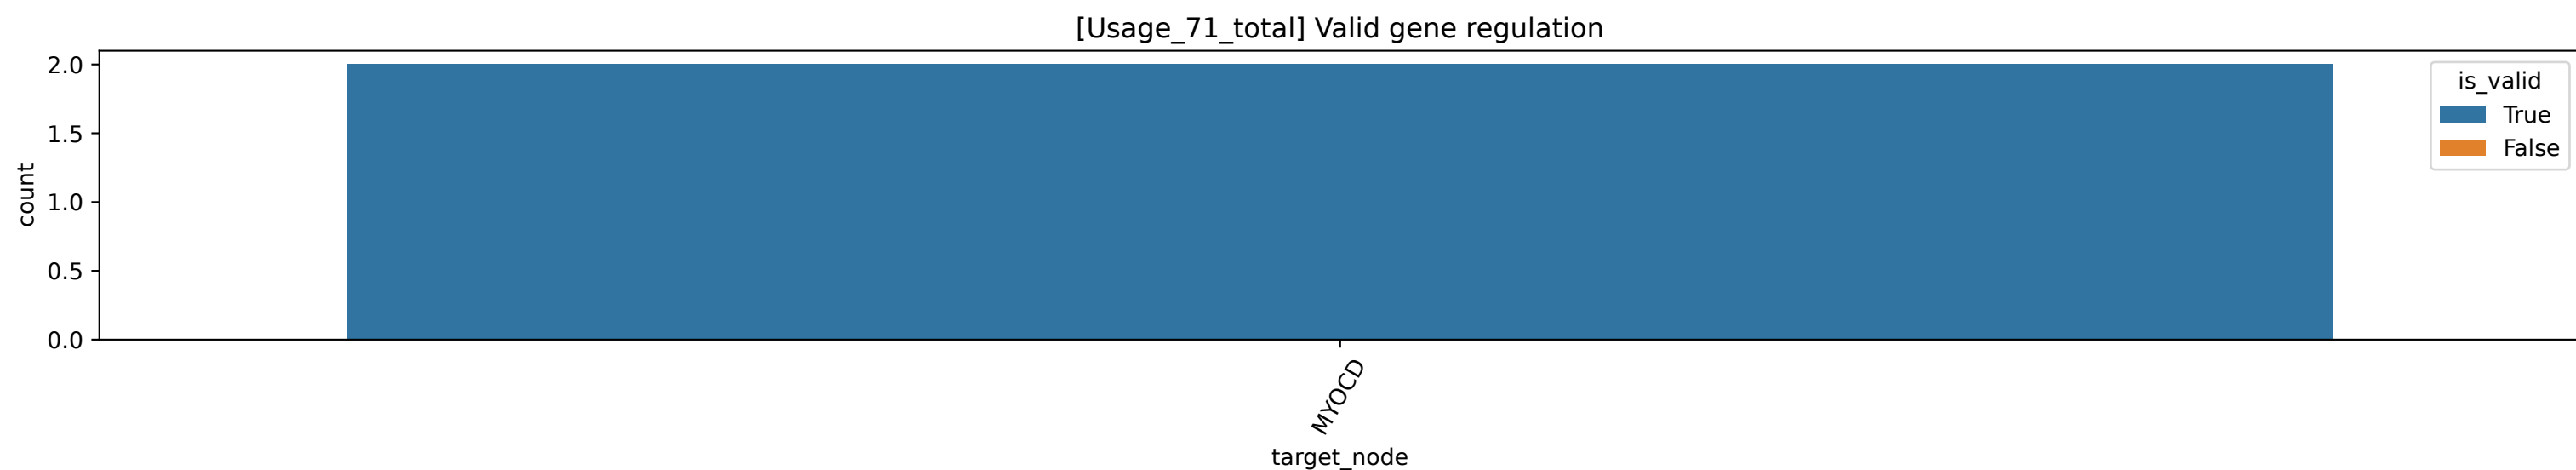

[Usage_65_total] Valid gene regulation

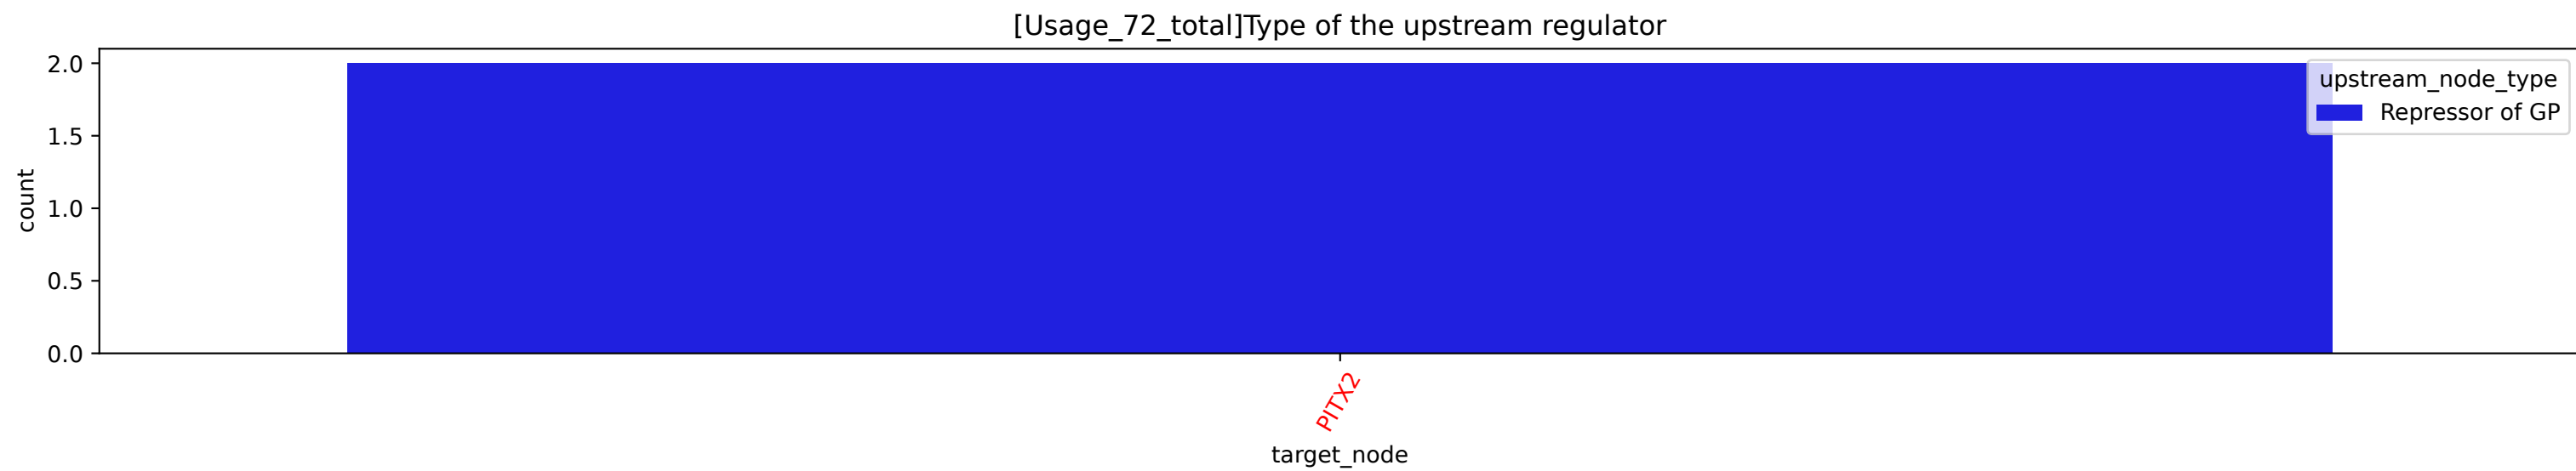

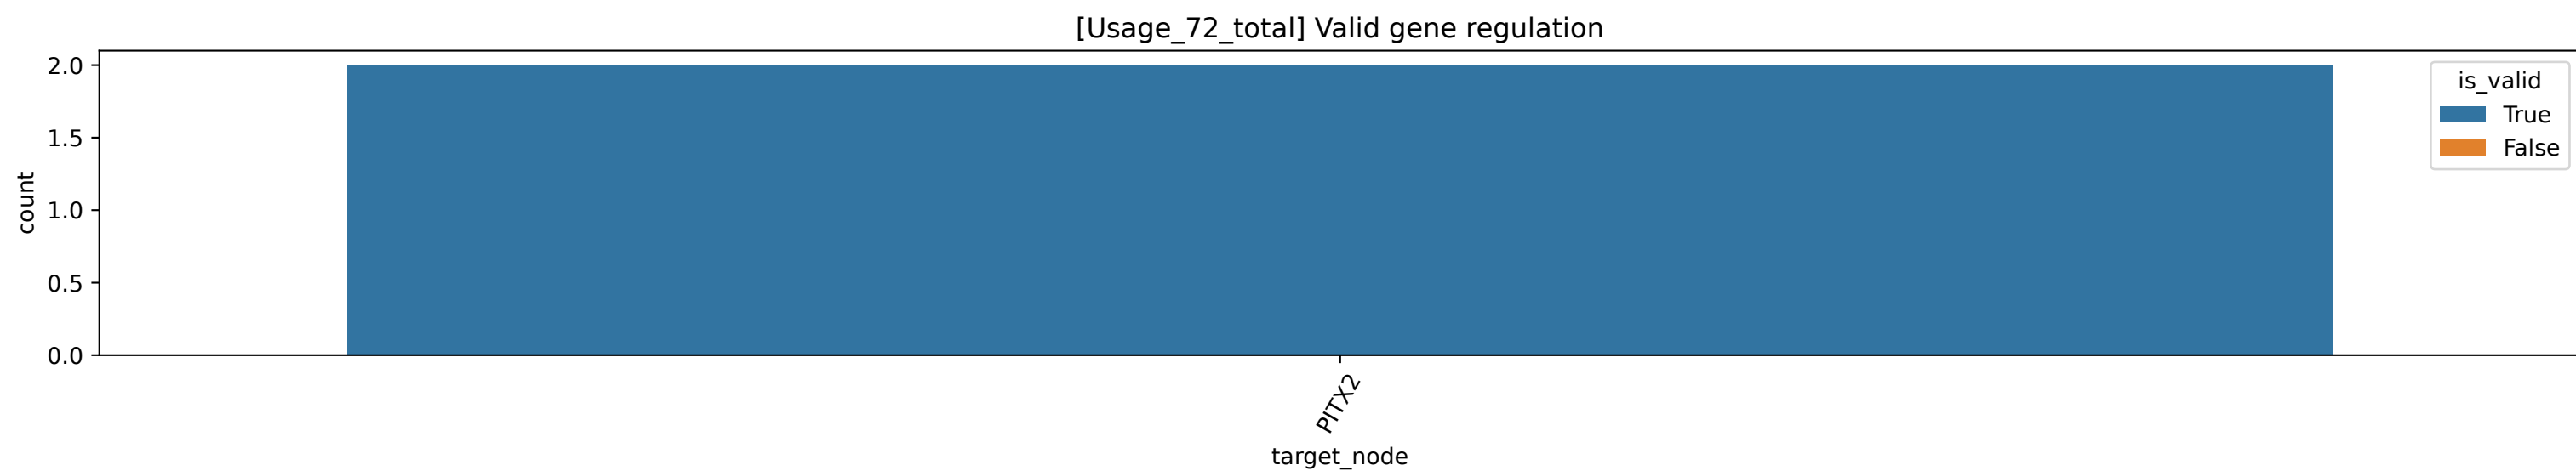

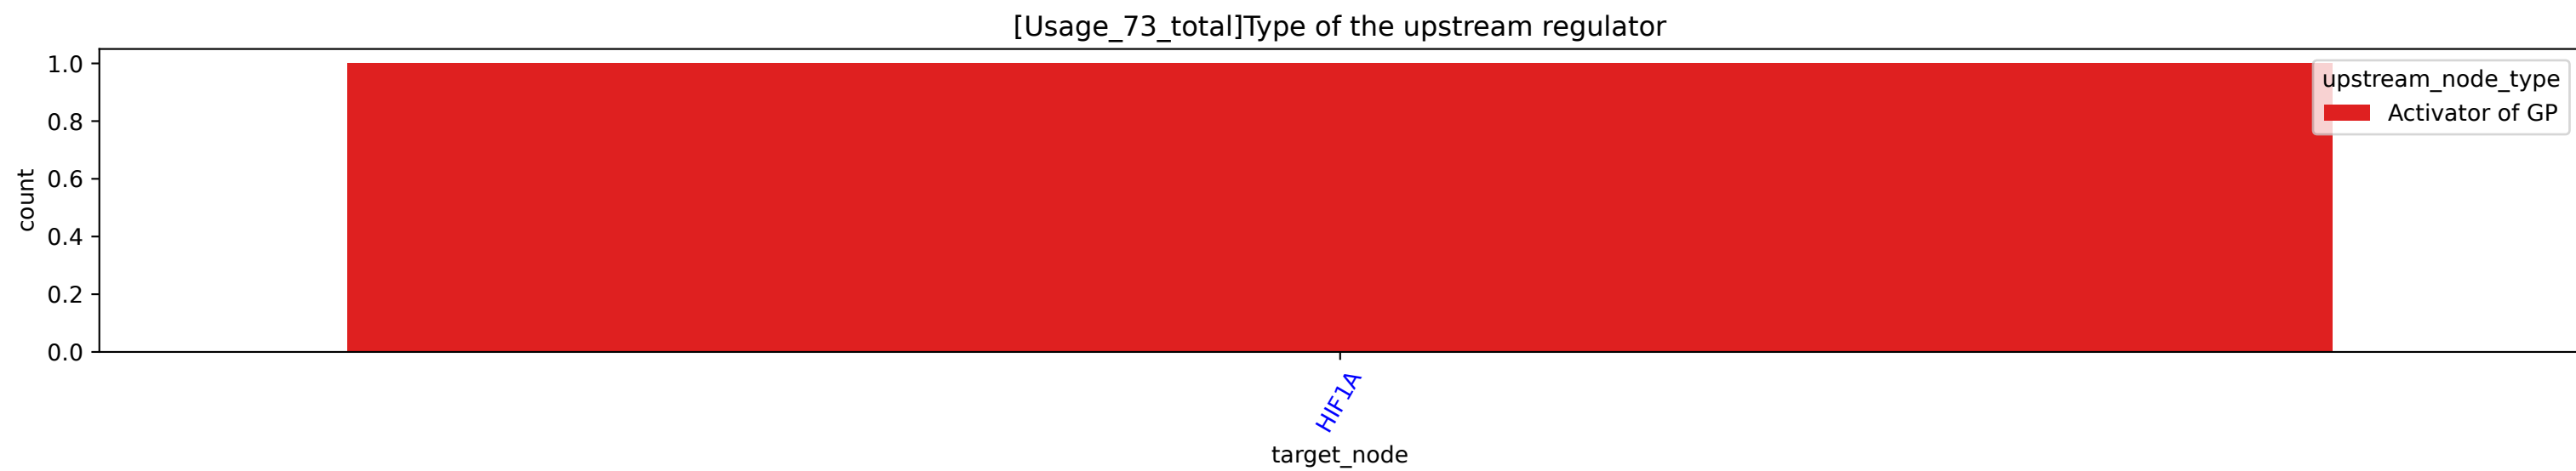

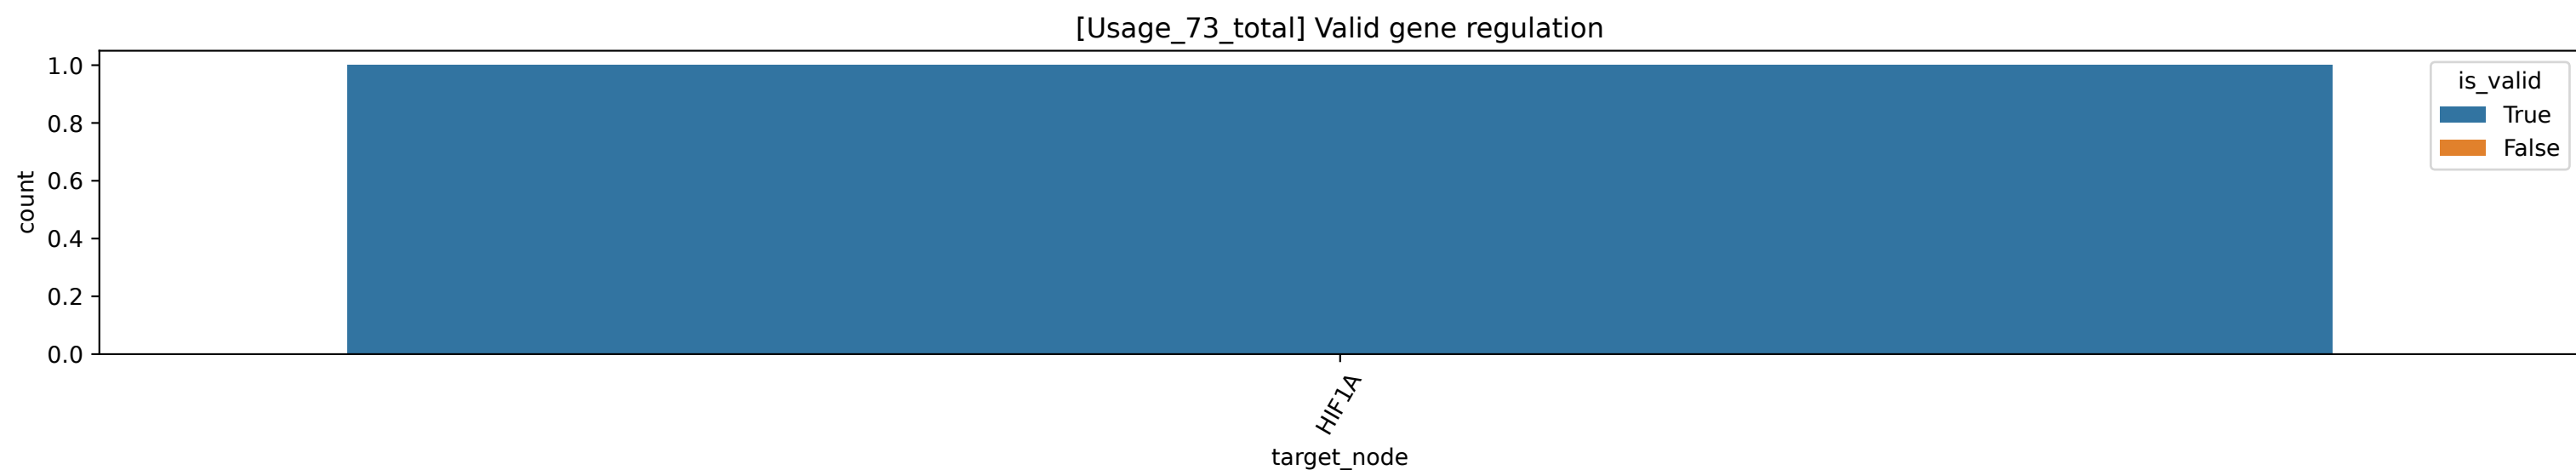

[Usage_65_total] Type of the upstream regulator

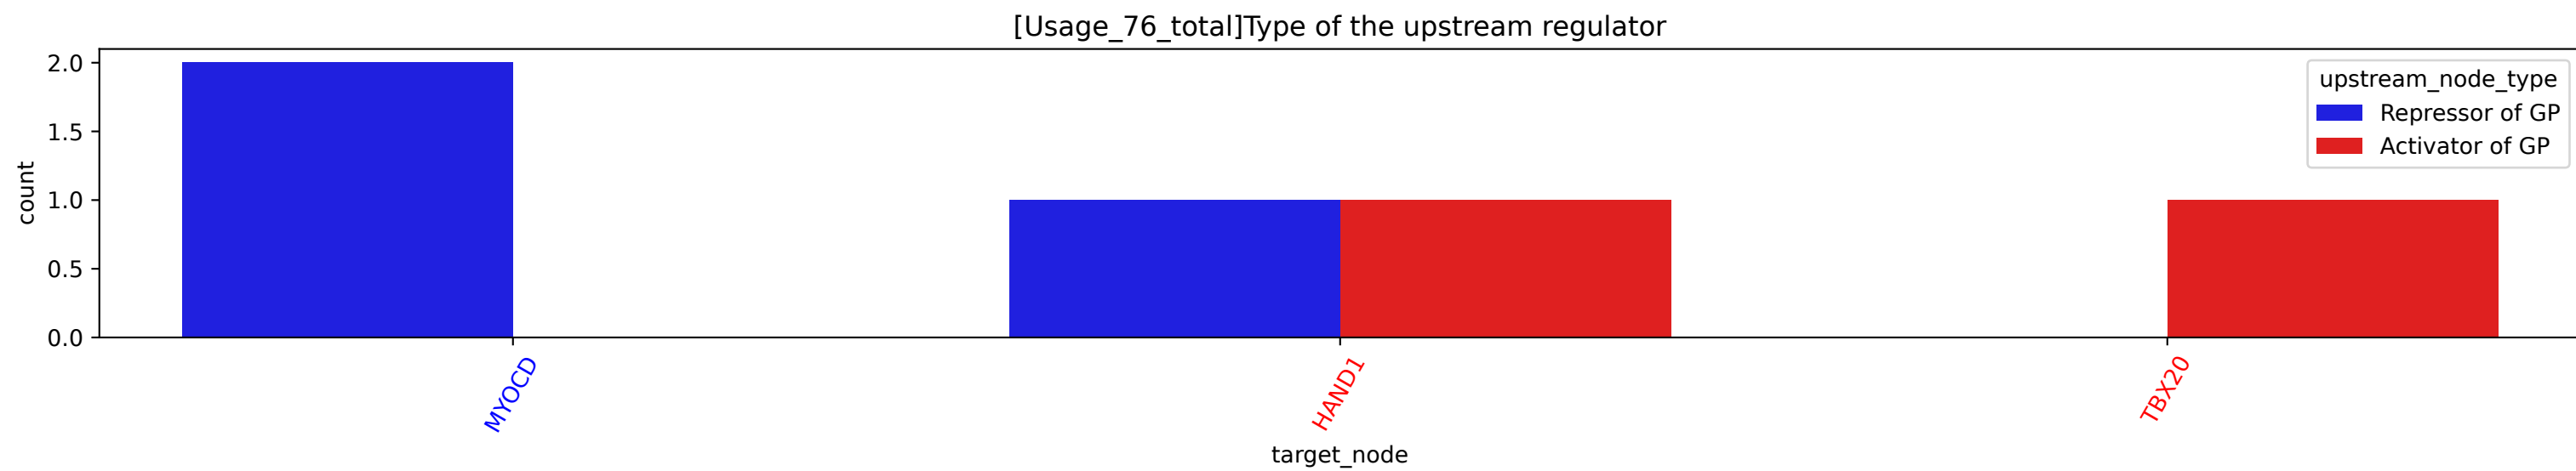

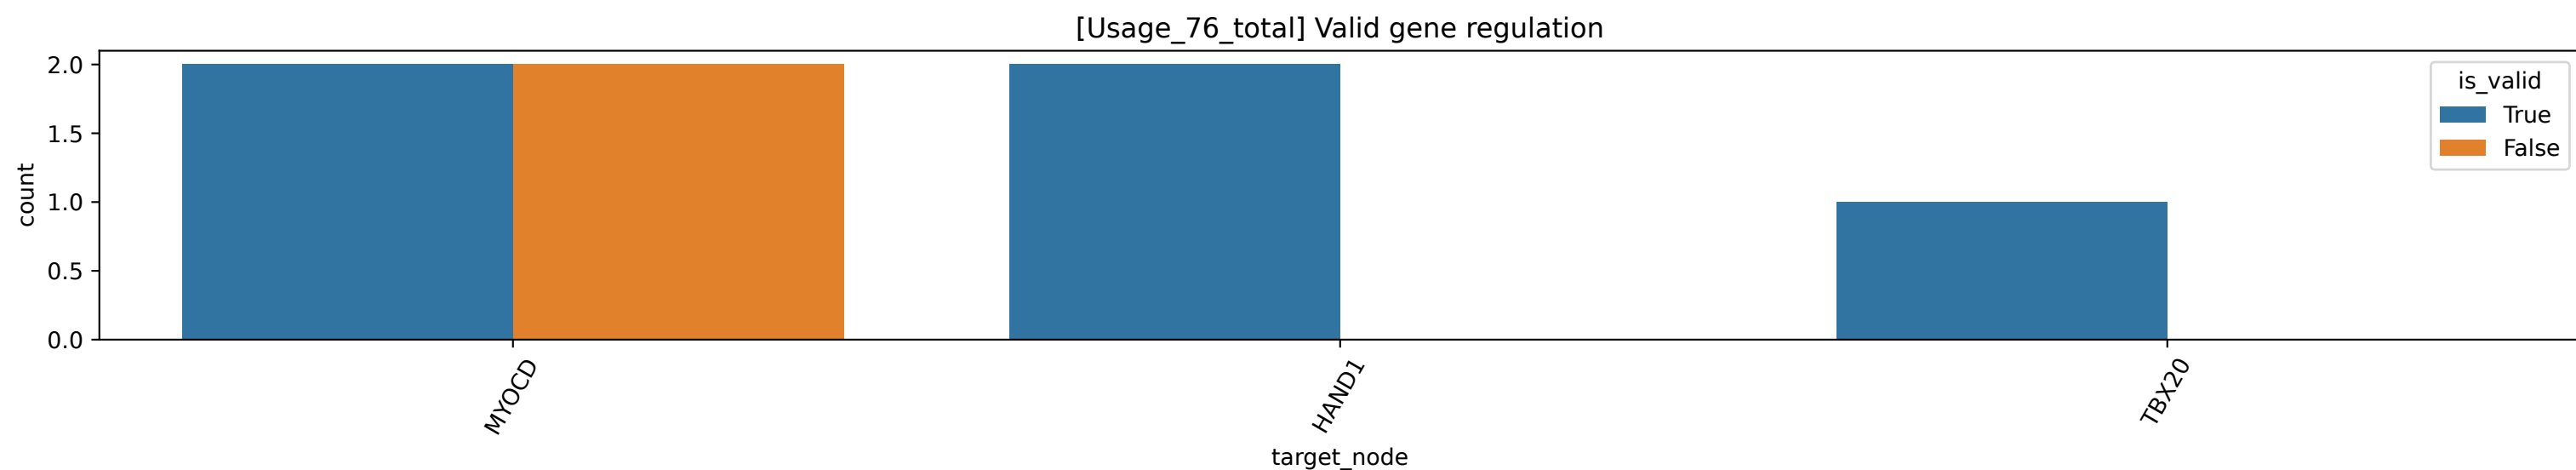

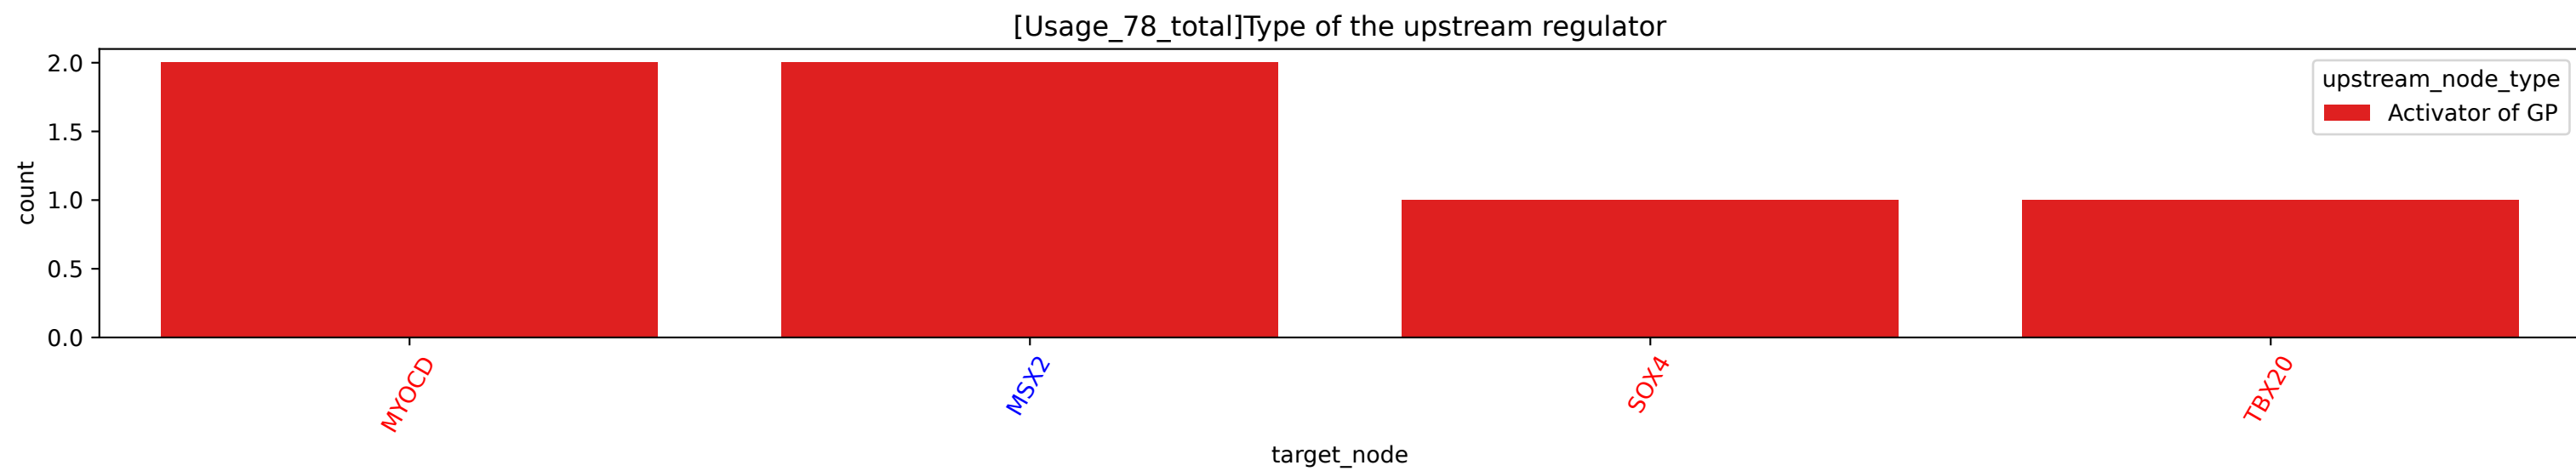

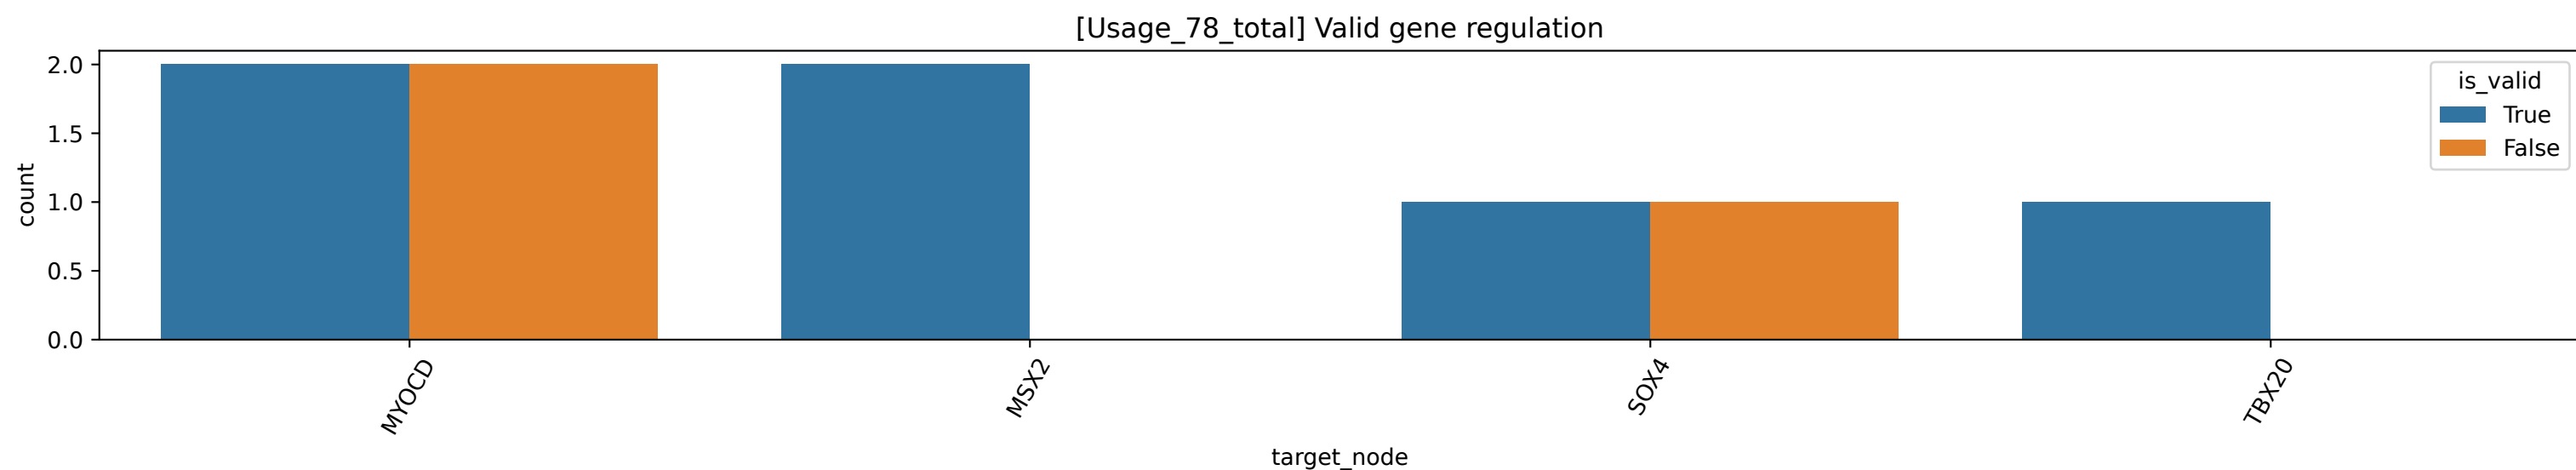

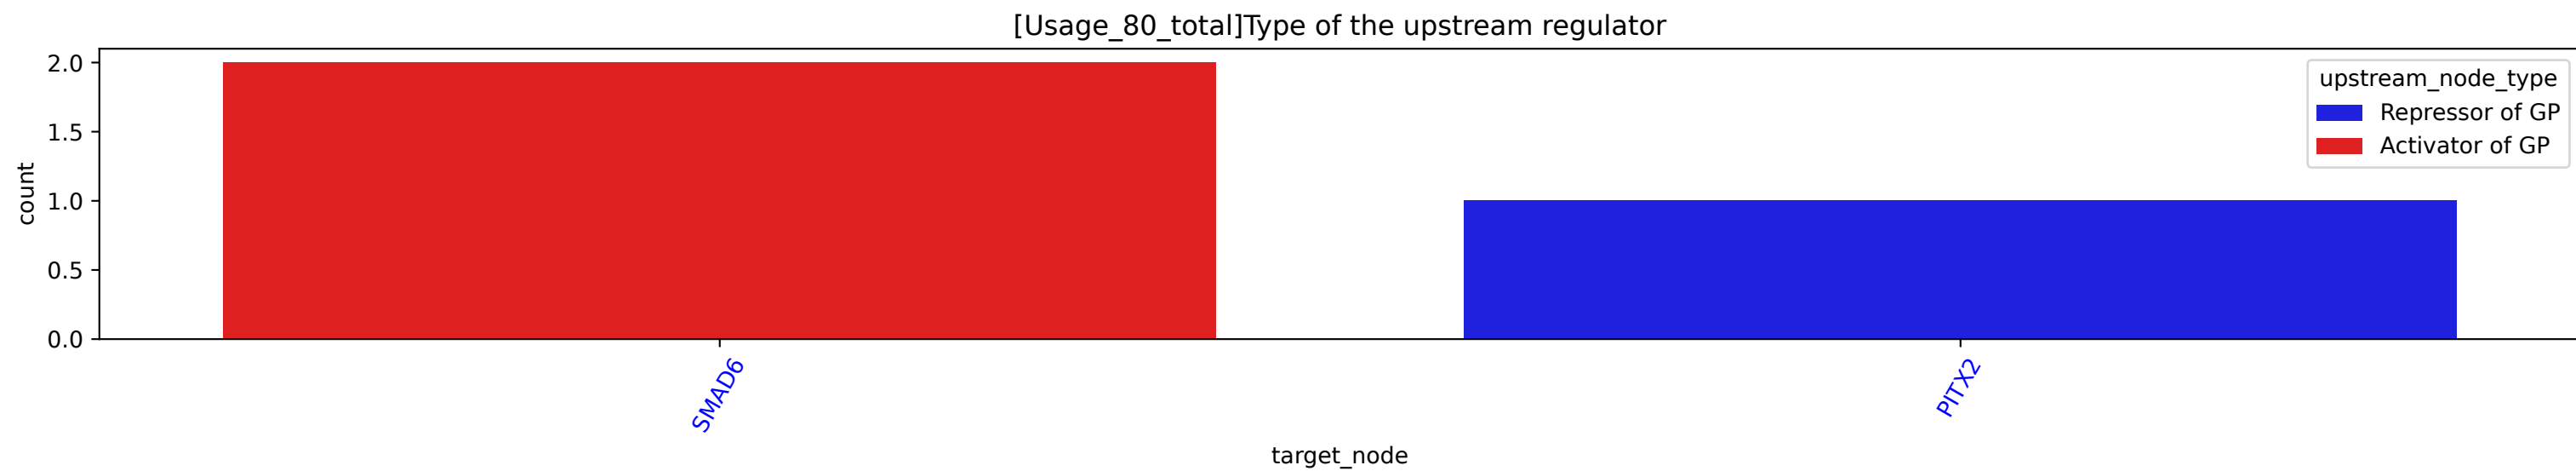

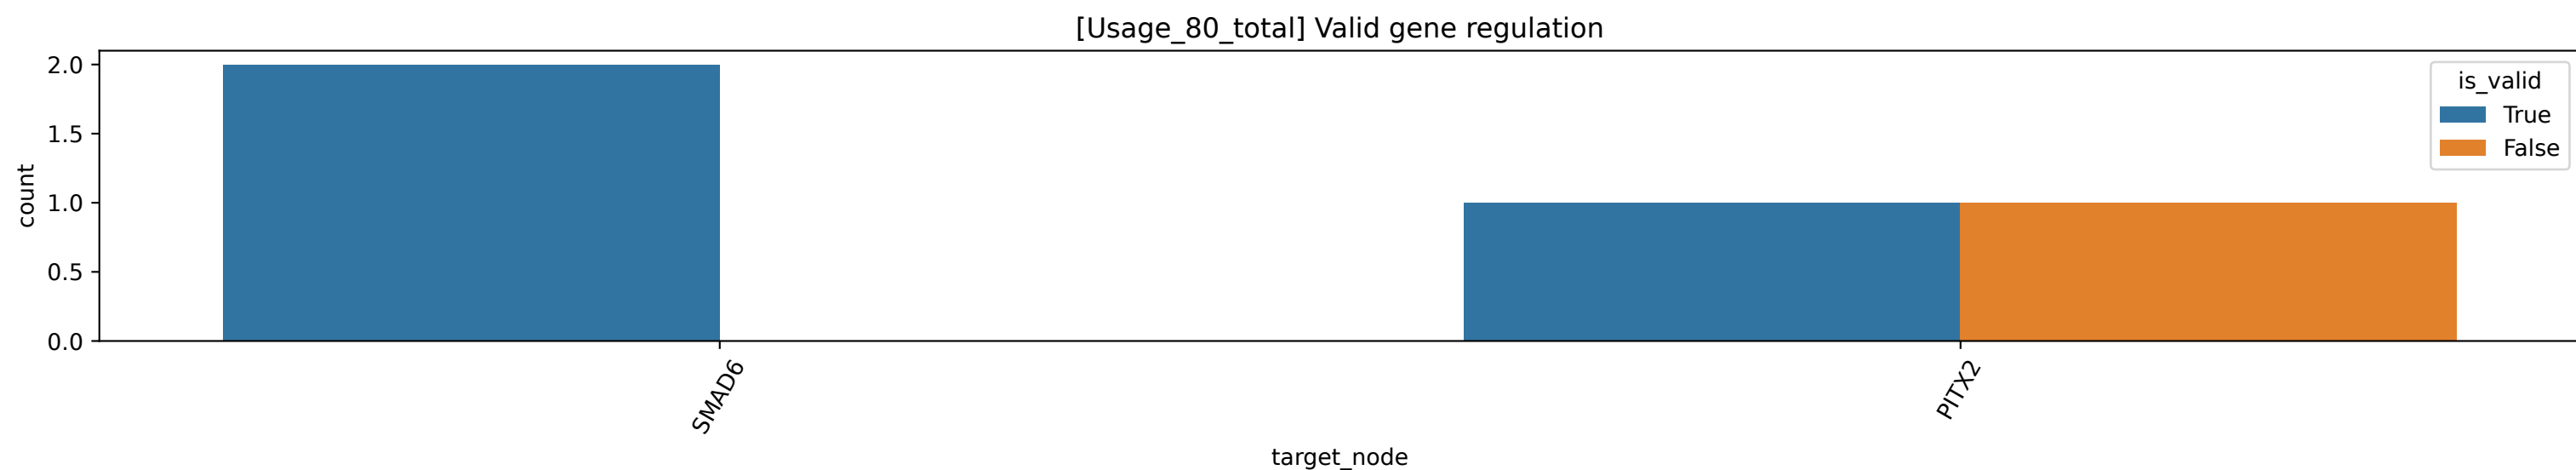

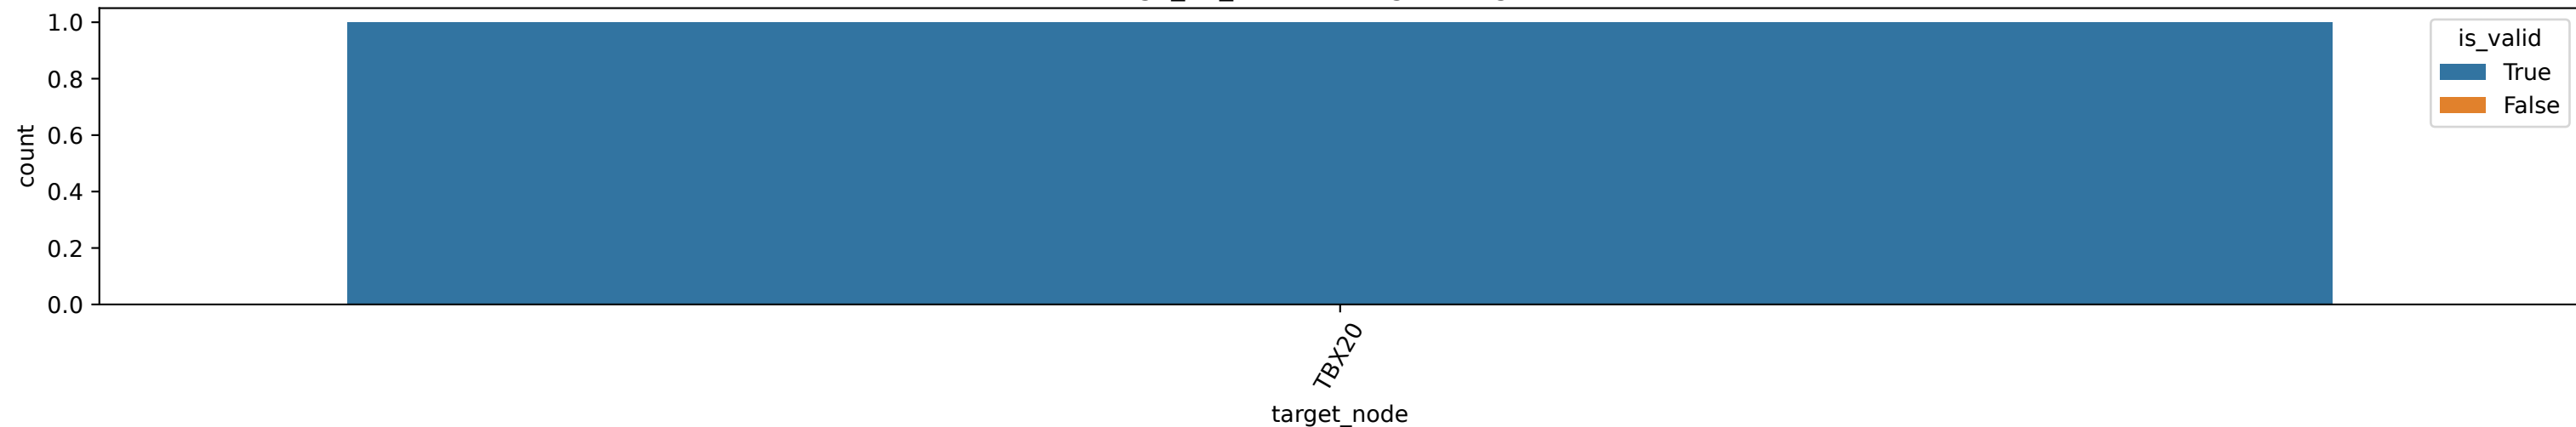

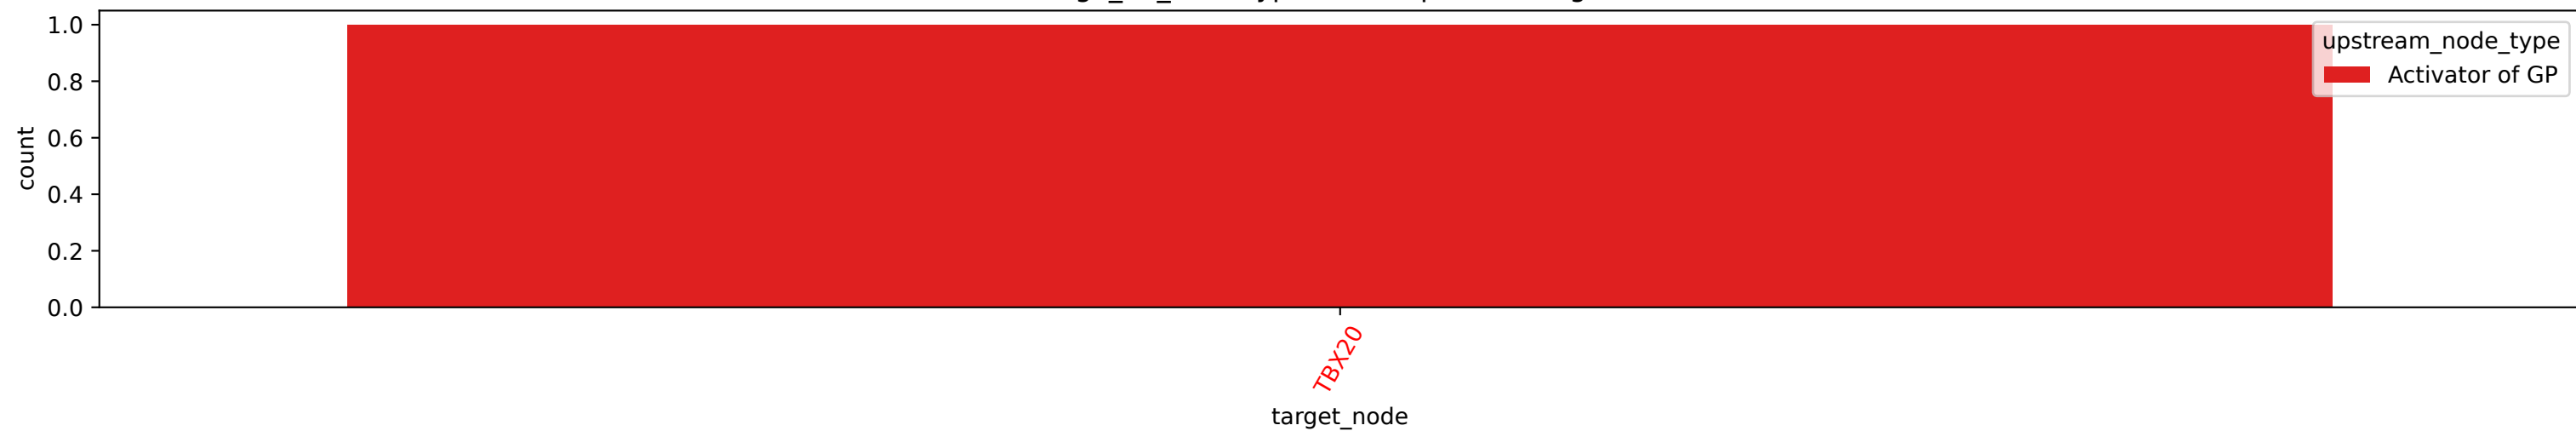

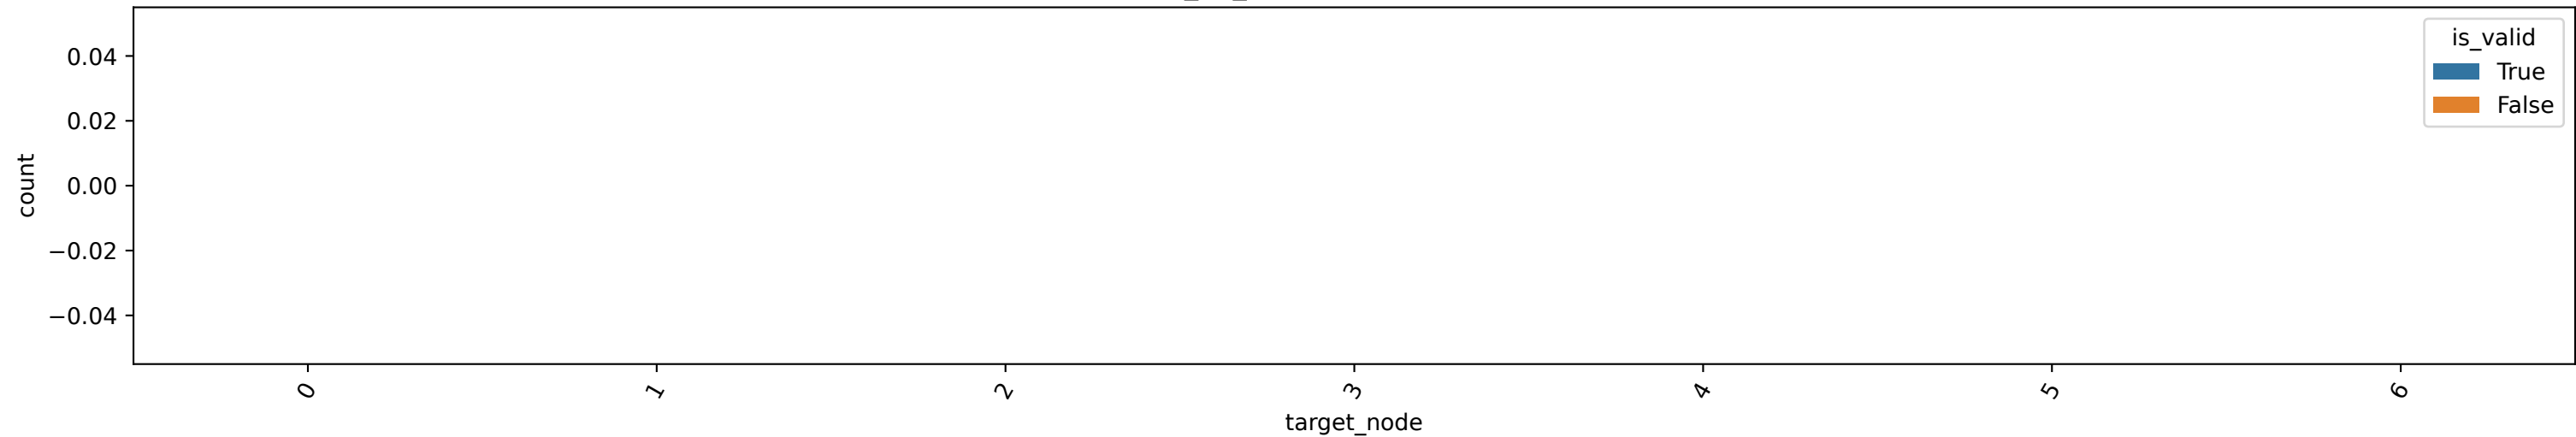

[Usage_81_total] Valid gene regulation

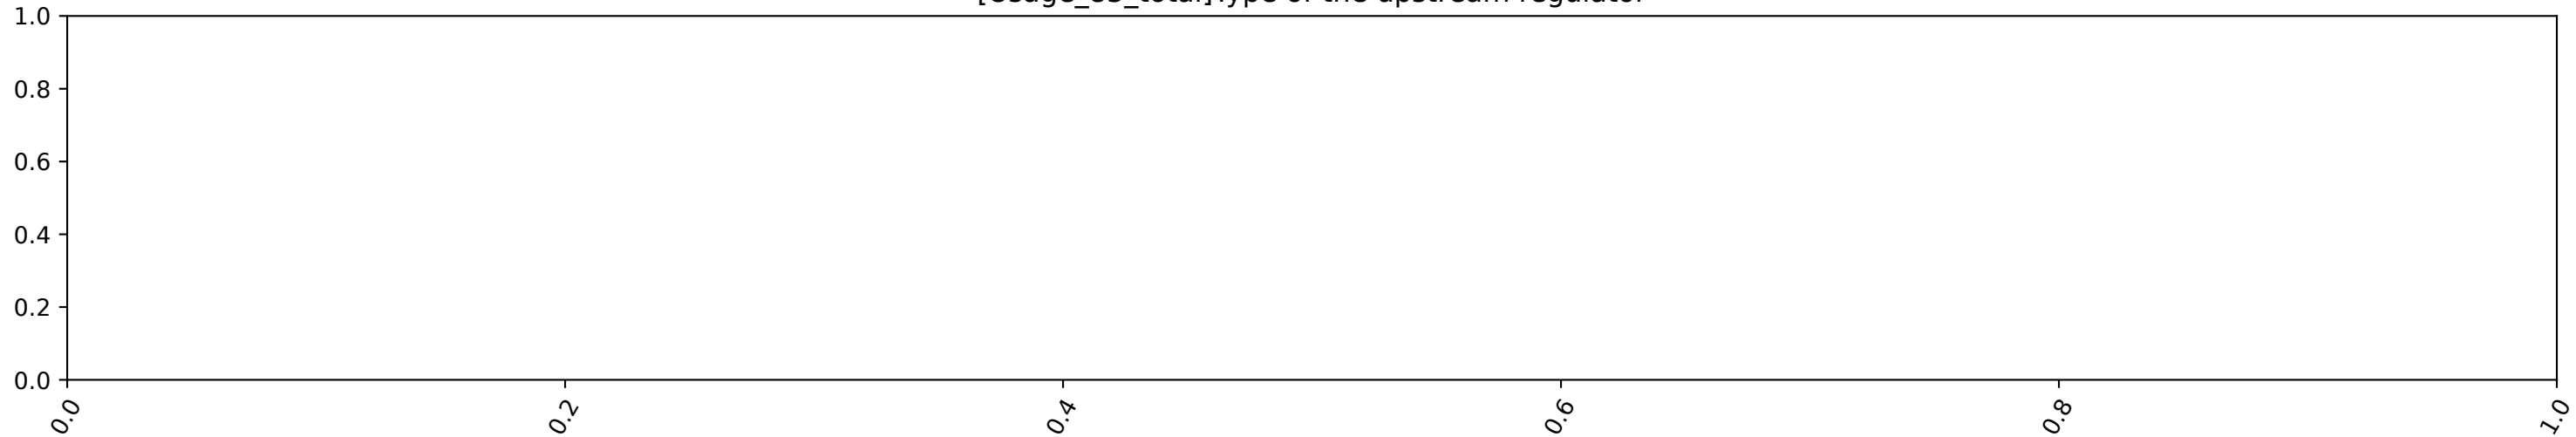

[Usage_81_total] Type of the upstream regulator

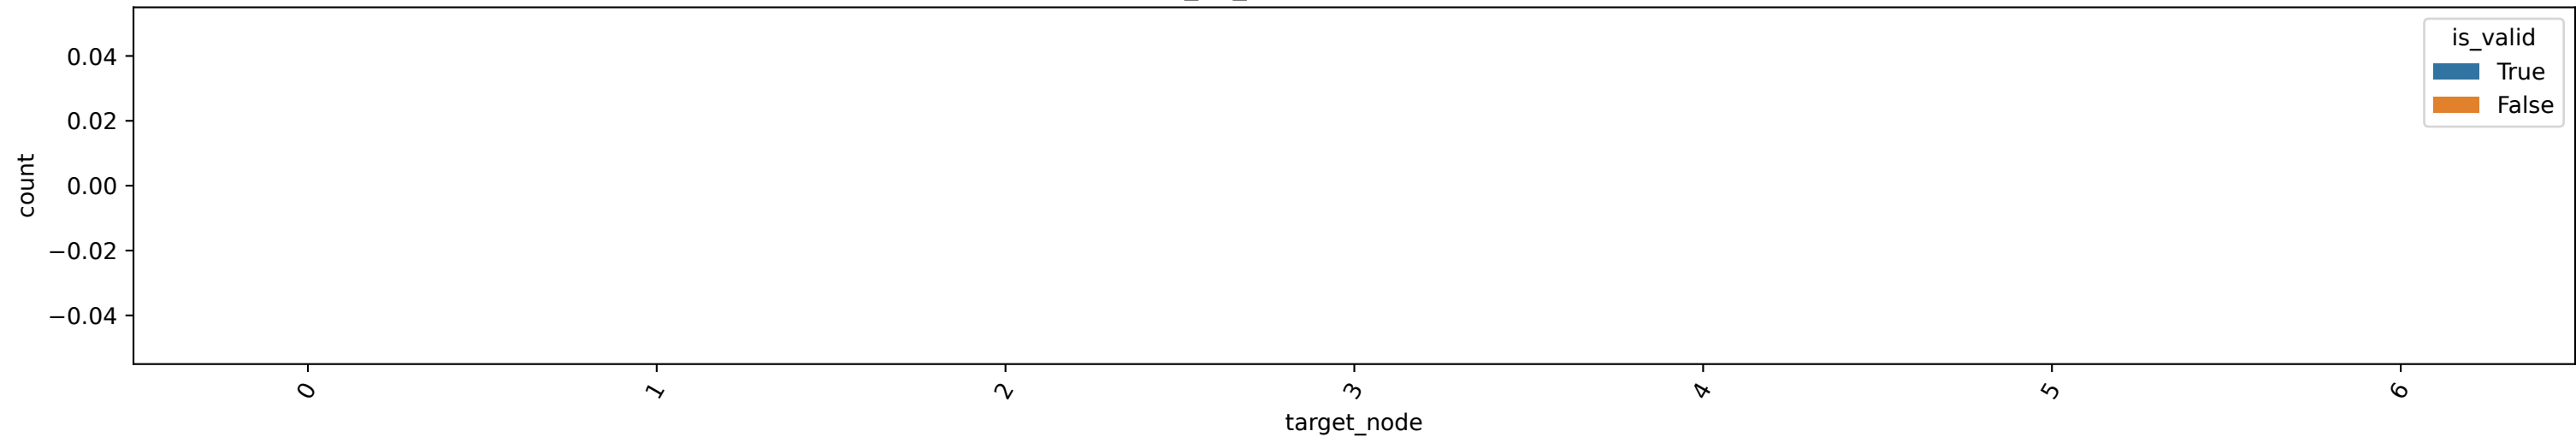

[Usage_83_total] Valid gene regulation

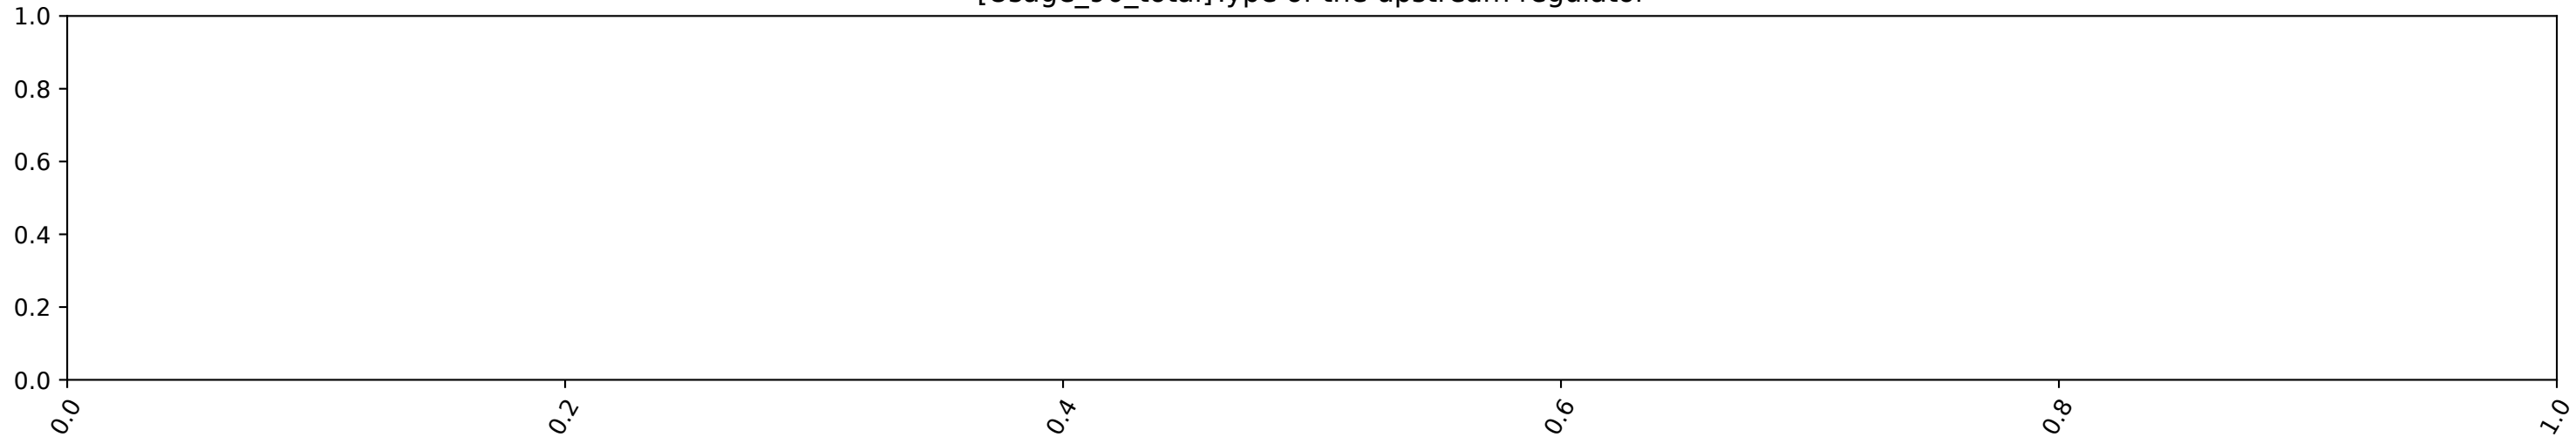

[Usage_83_total]Type of the upstream regulator

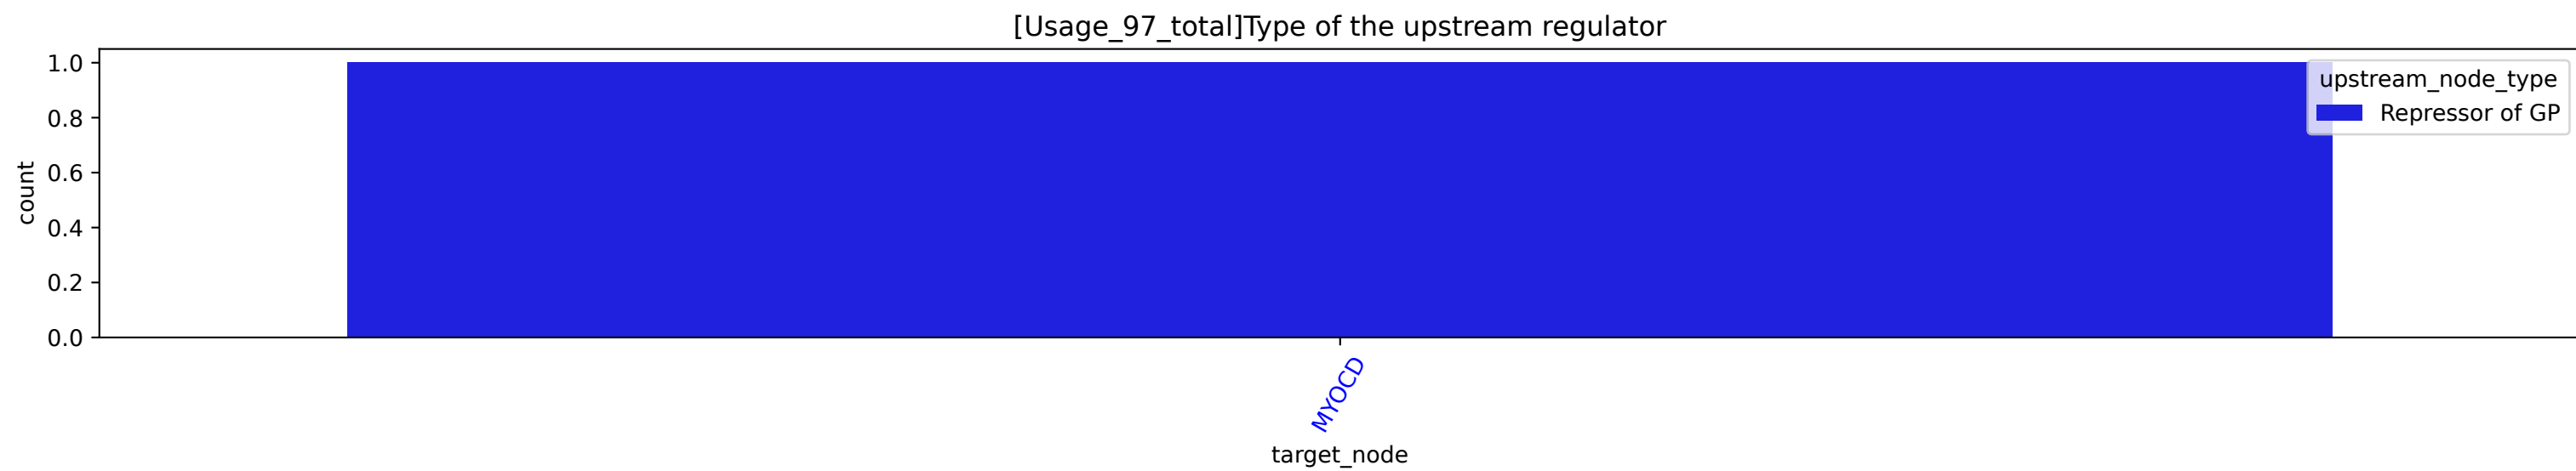

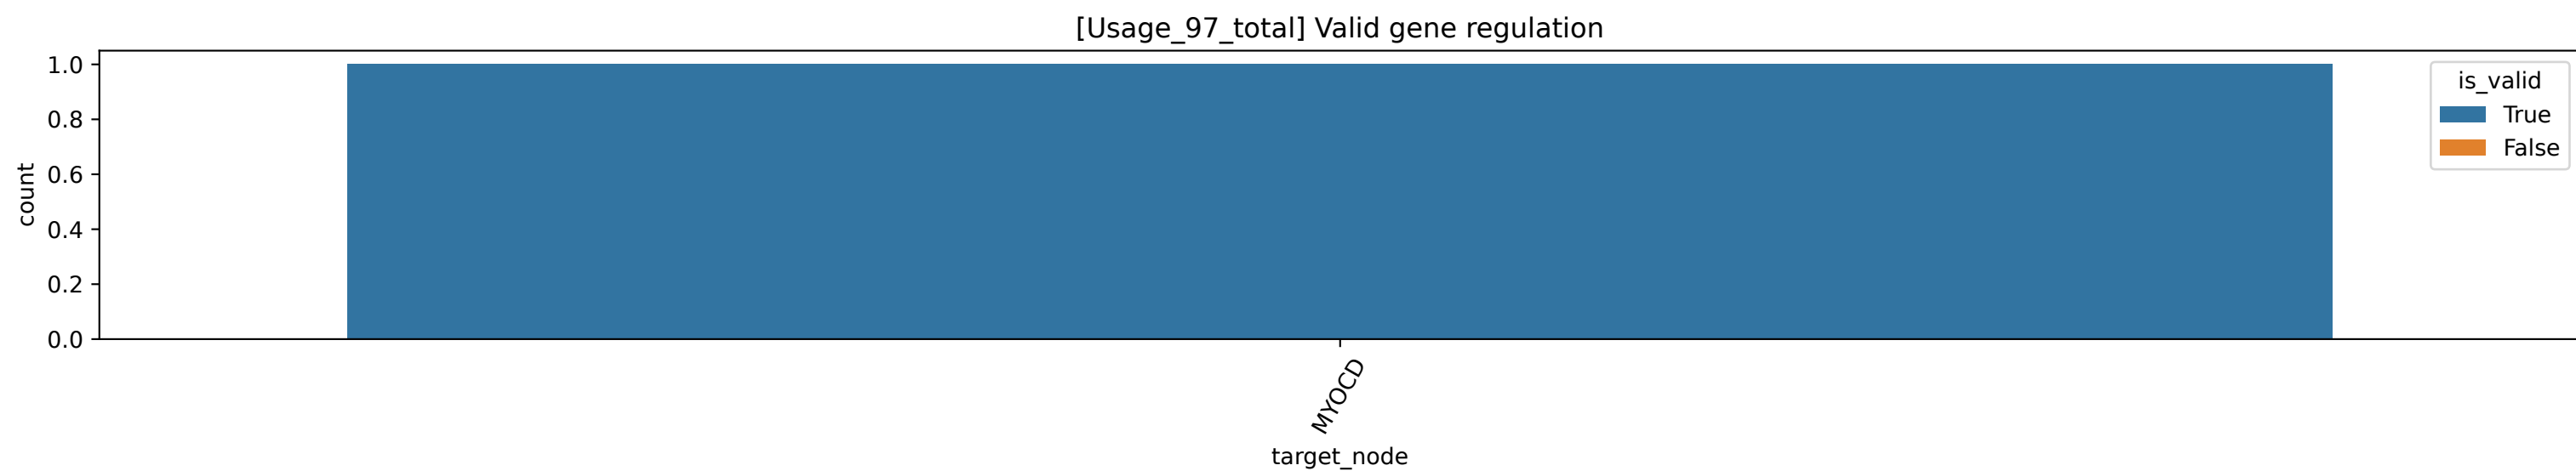

[Usage_90_total] Valid gene regulation

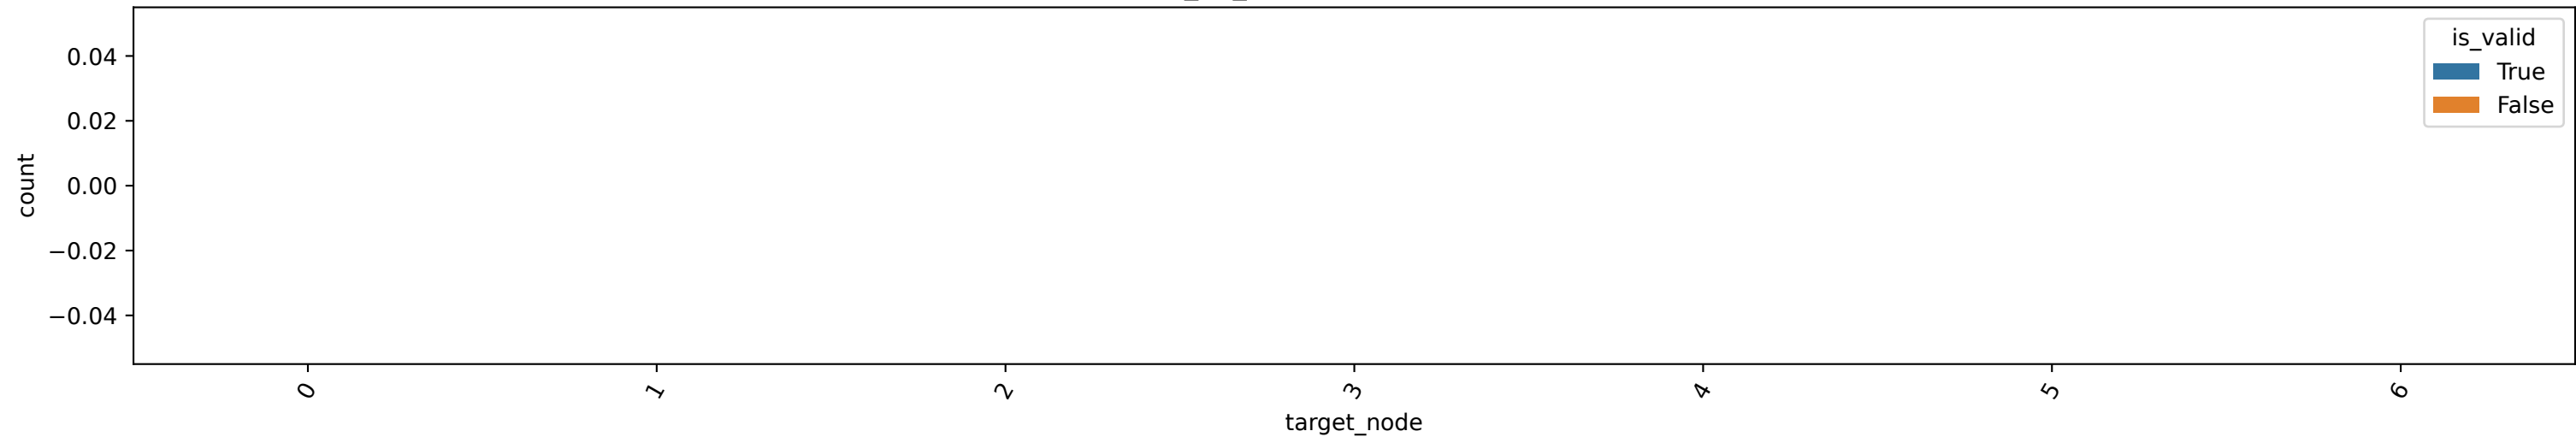

[Usage_90_total] Type of the upstream regulator

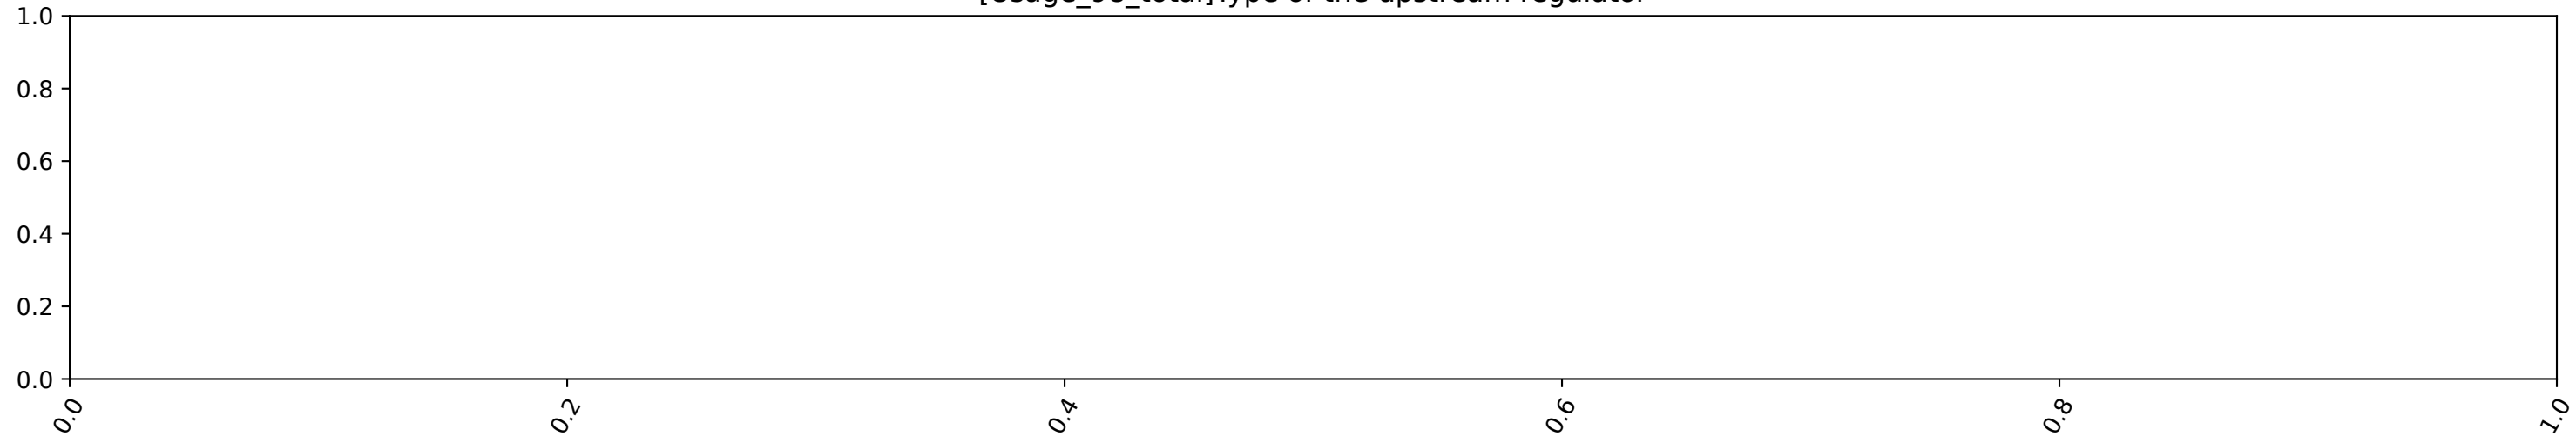

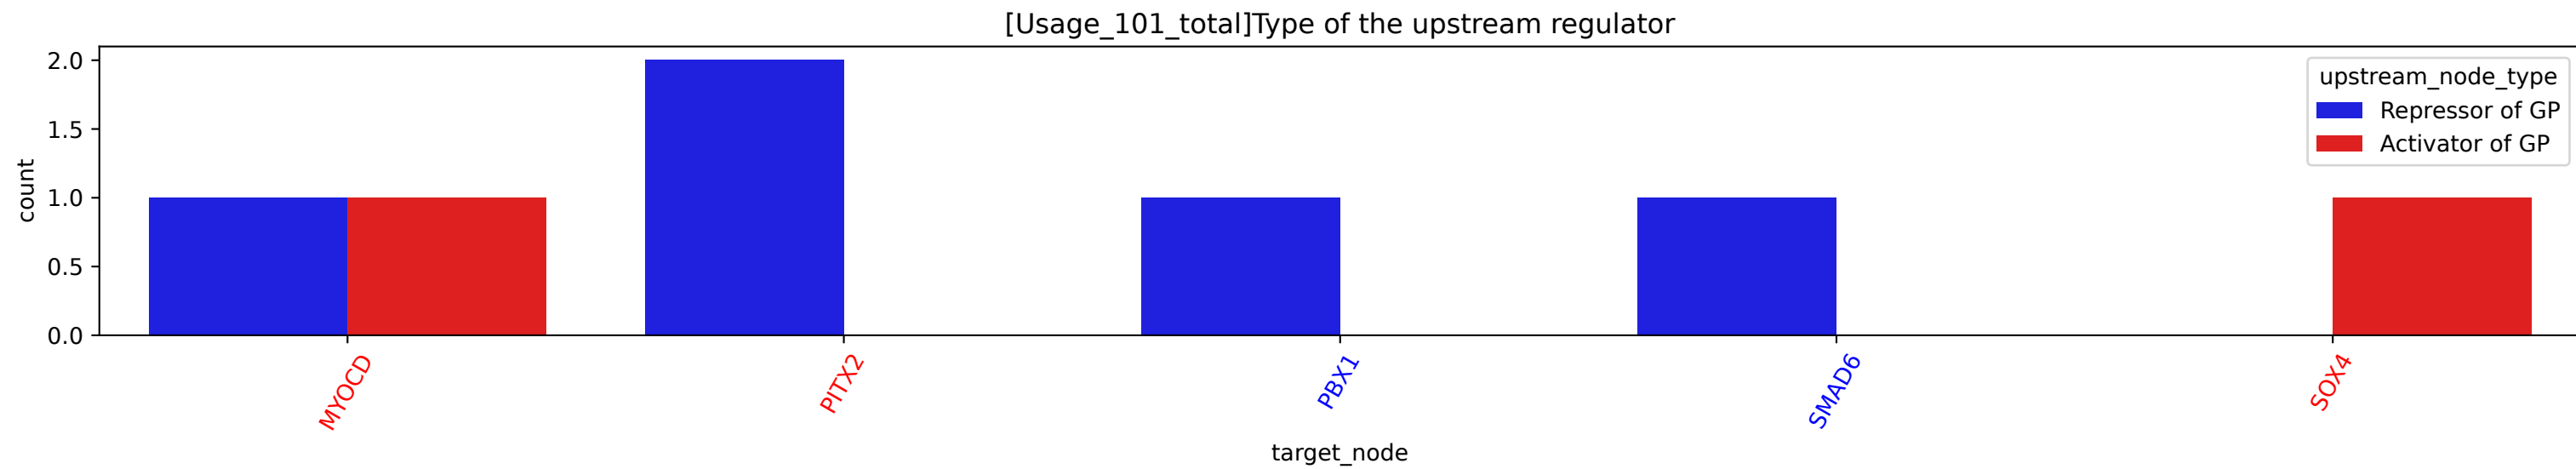

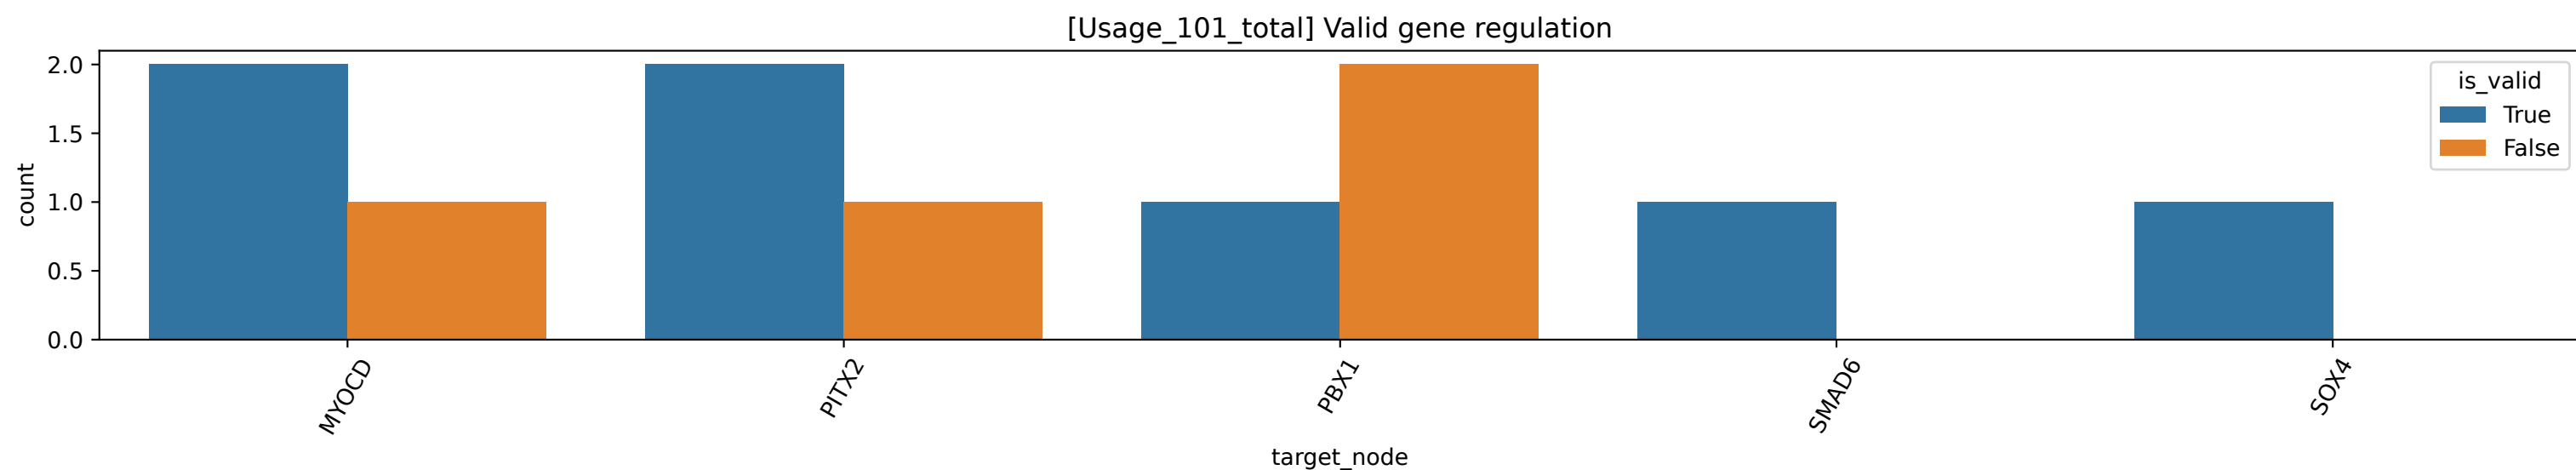

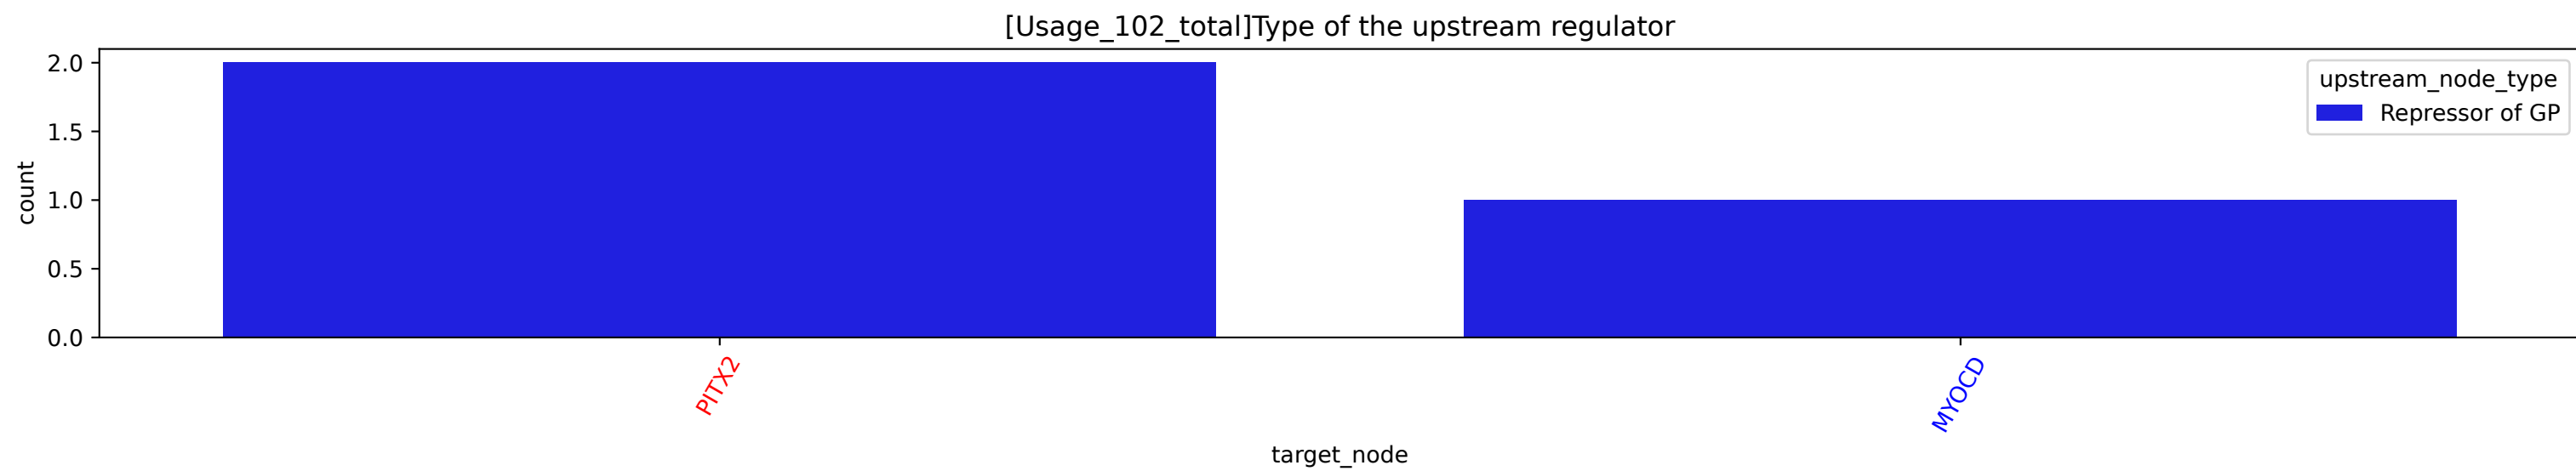

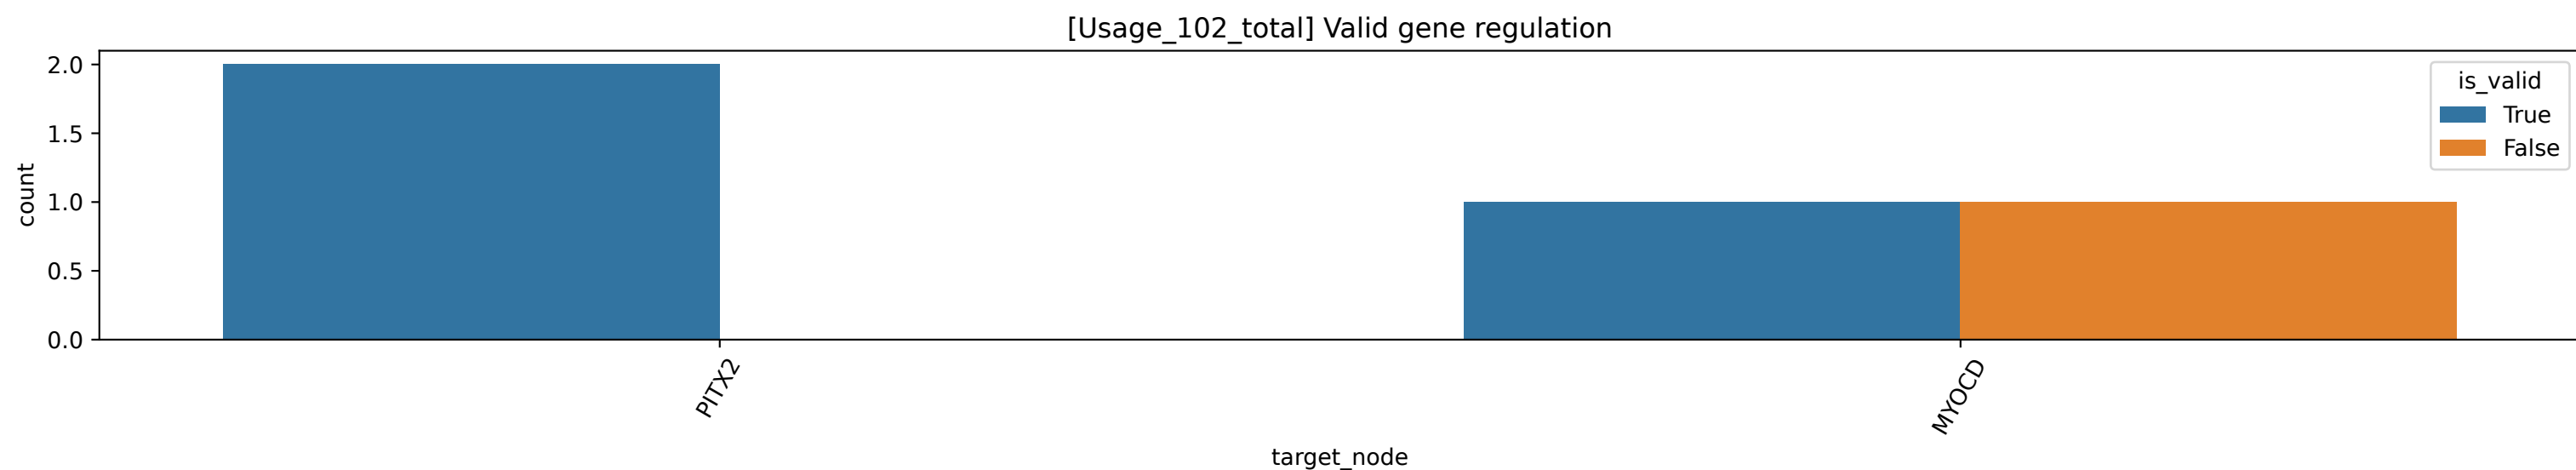

[Usage_98_total] Valid gene regulation

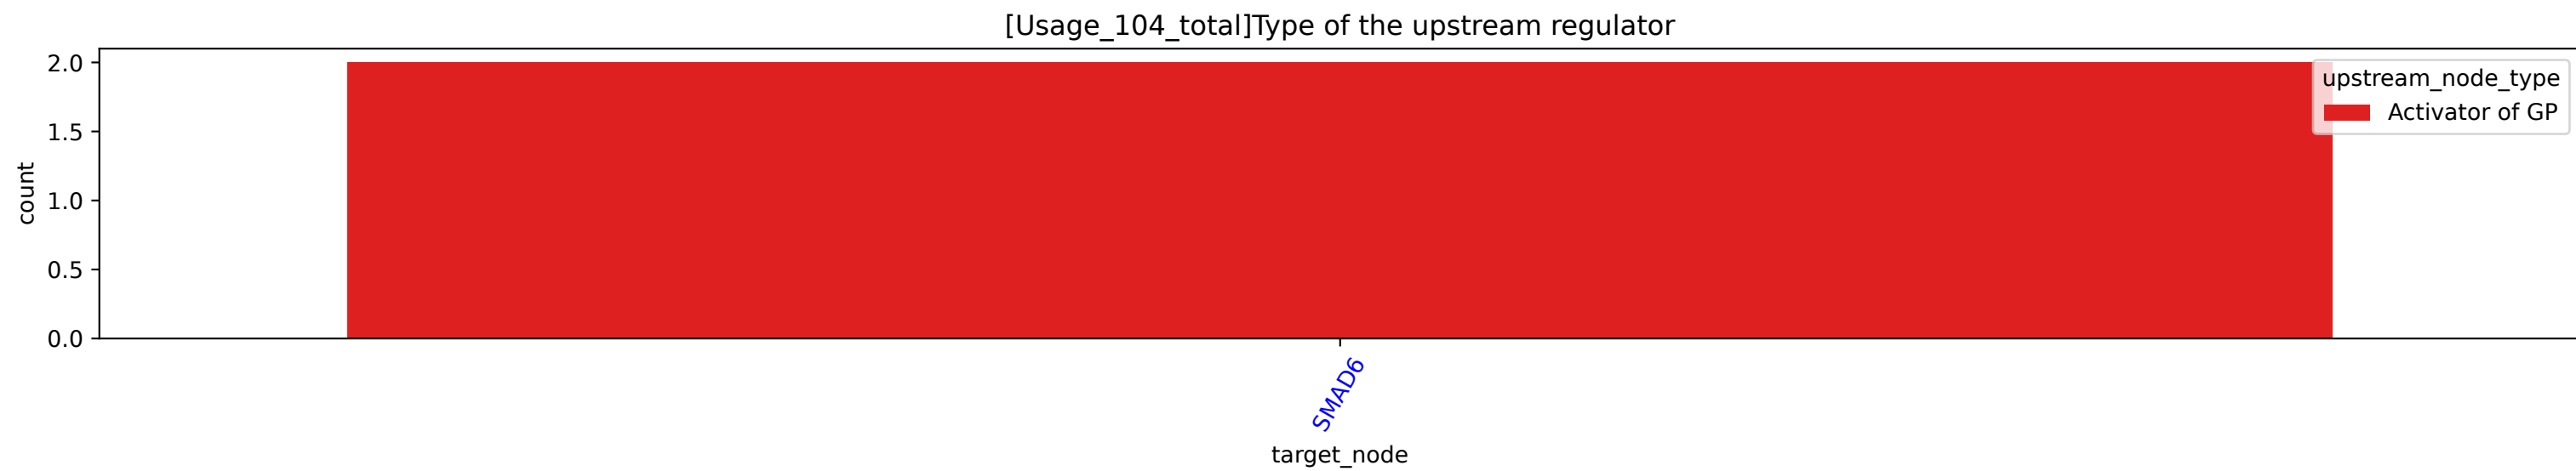

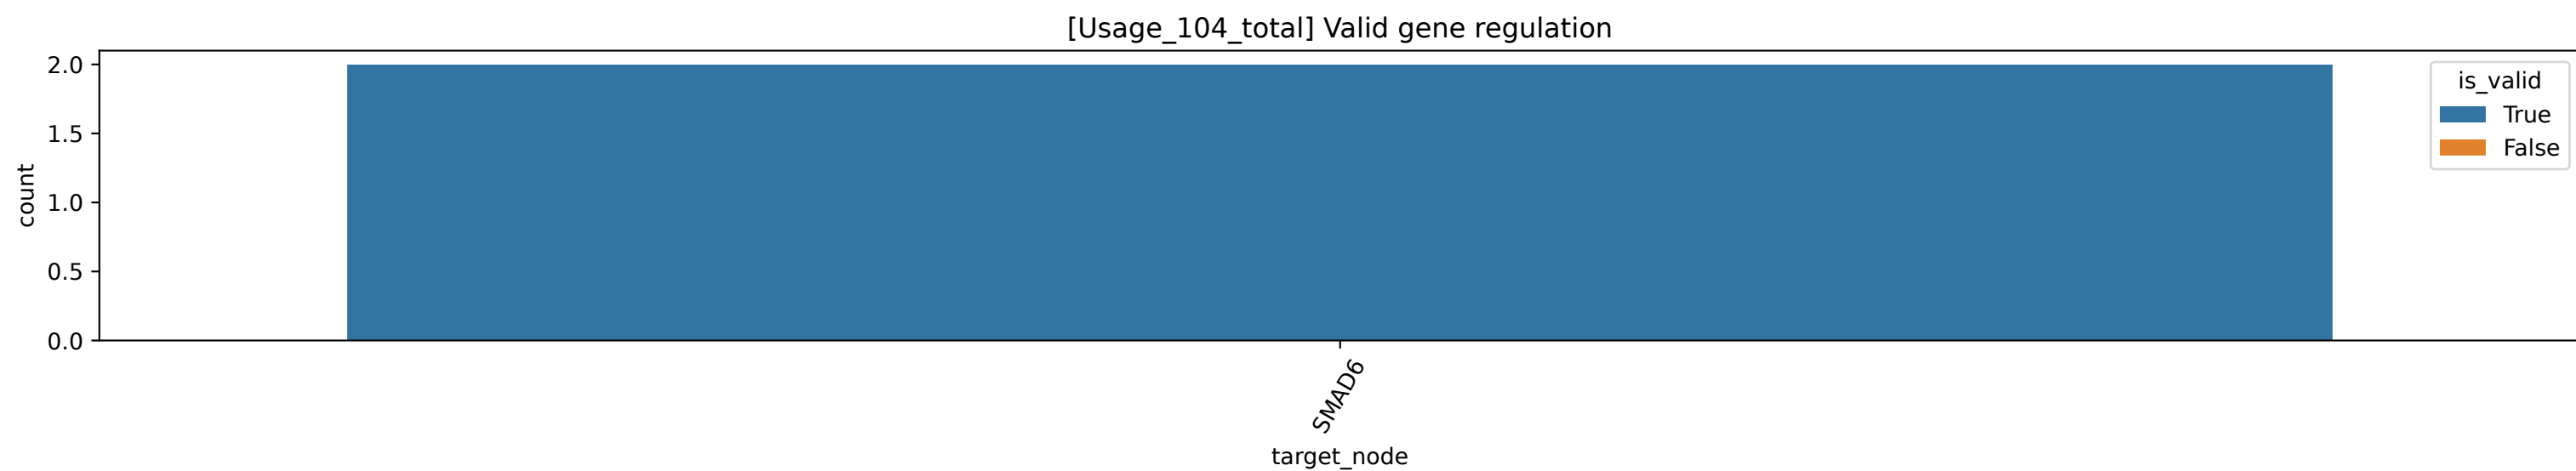

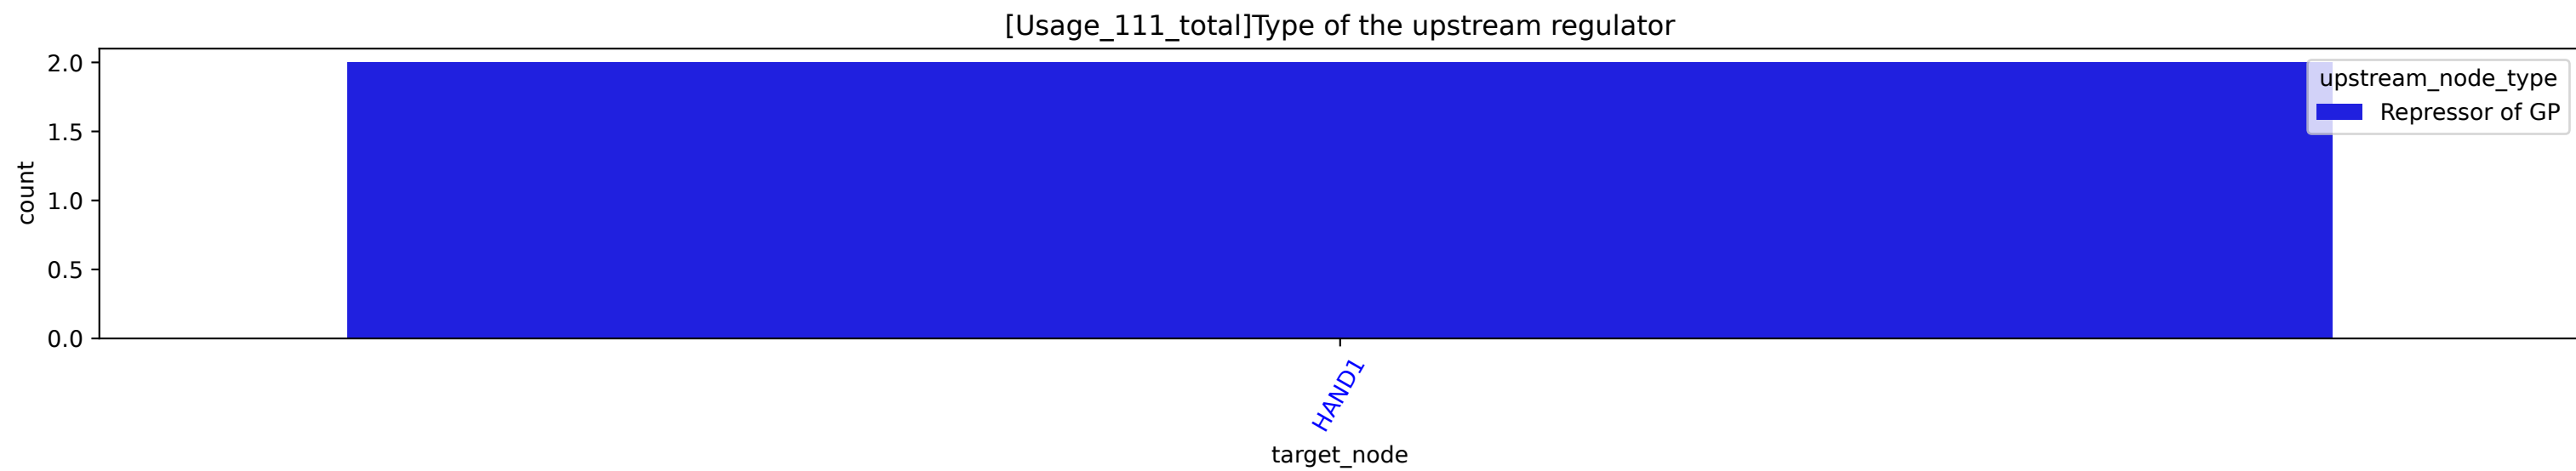

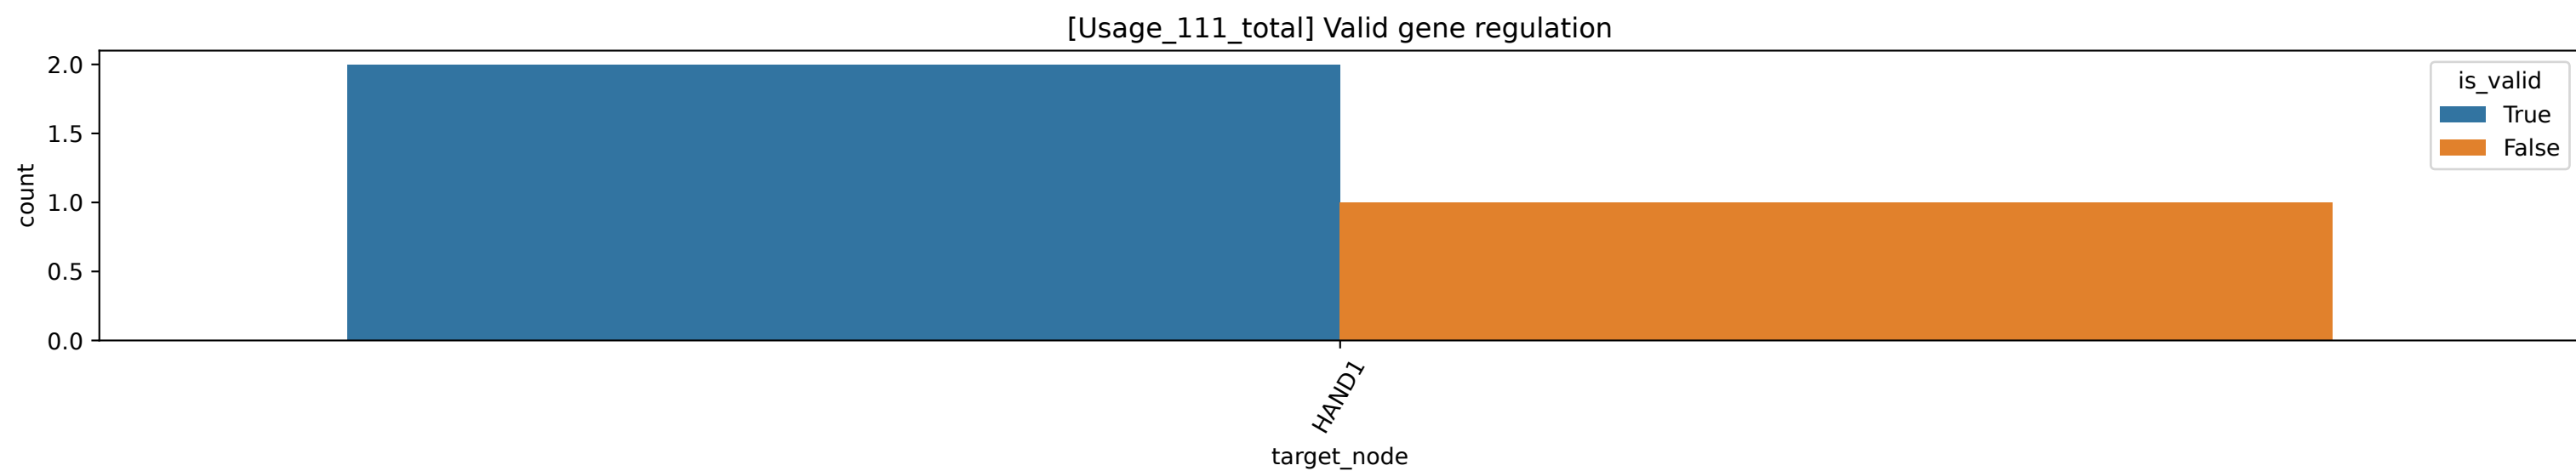

[Usage_98_total] Type of the upstream regulator

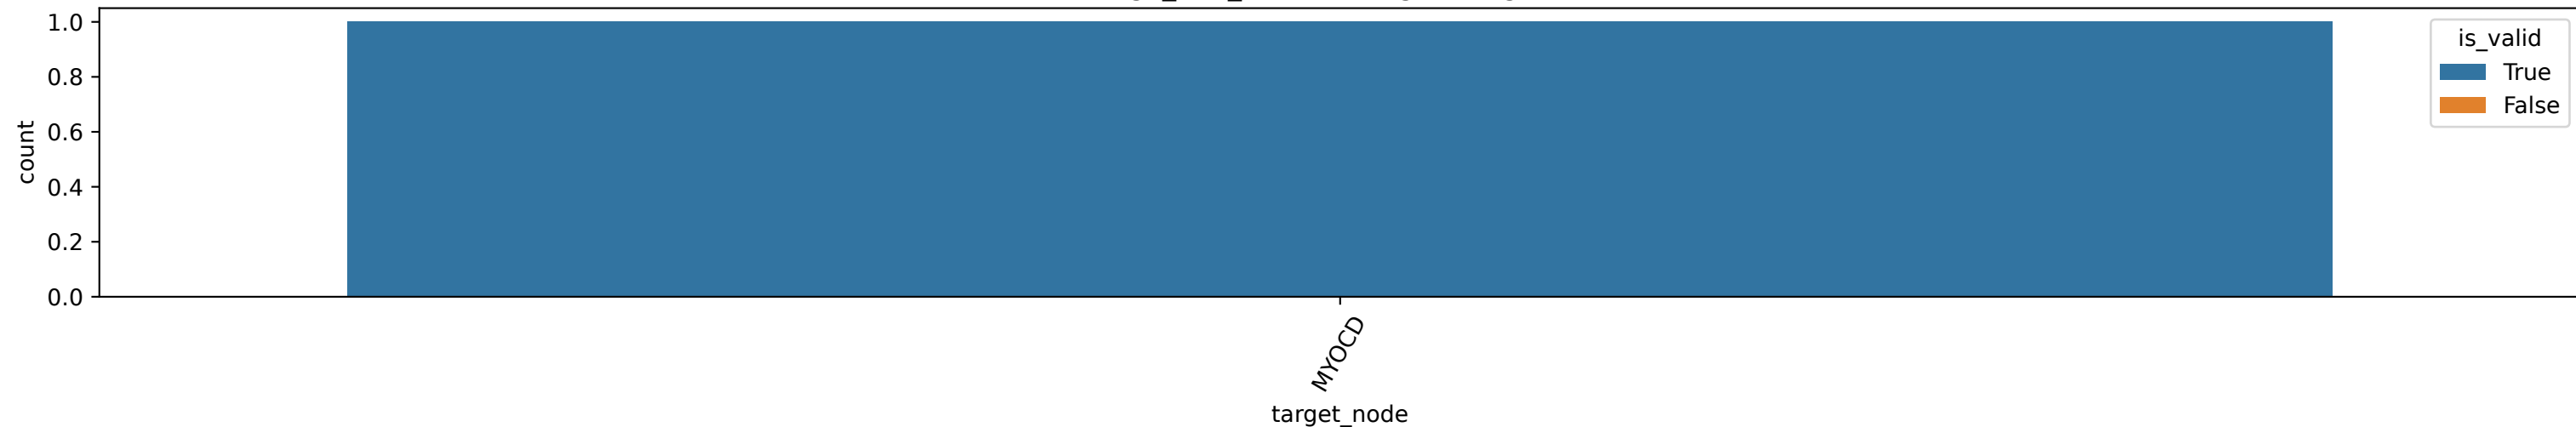

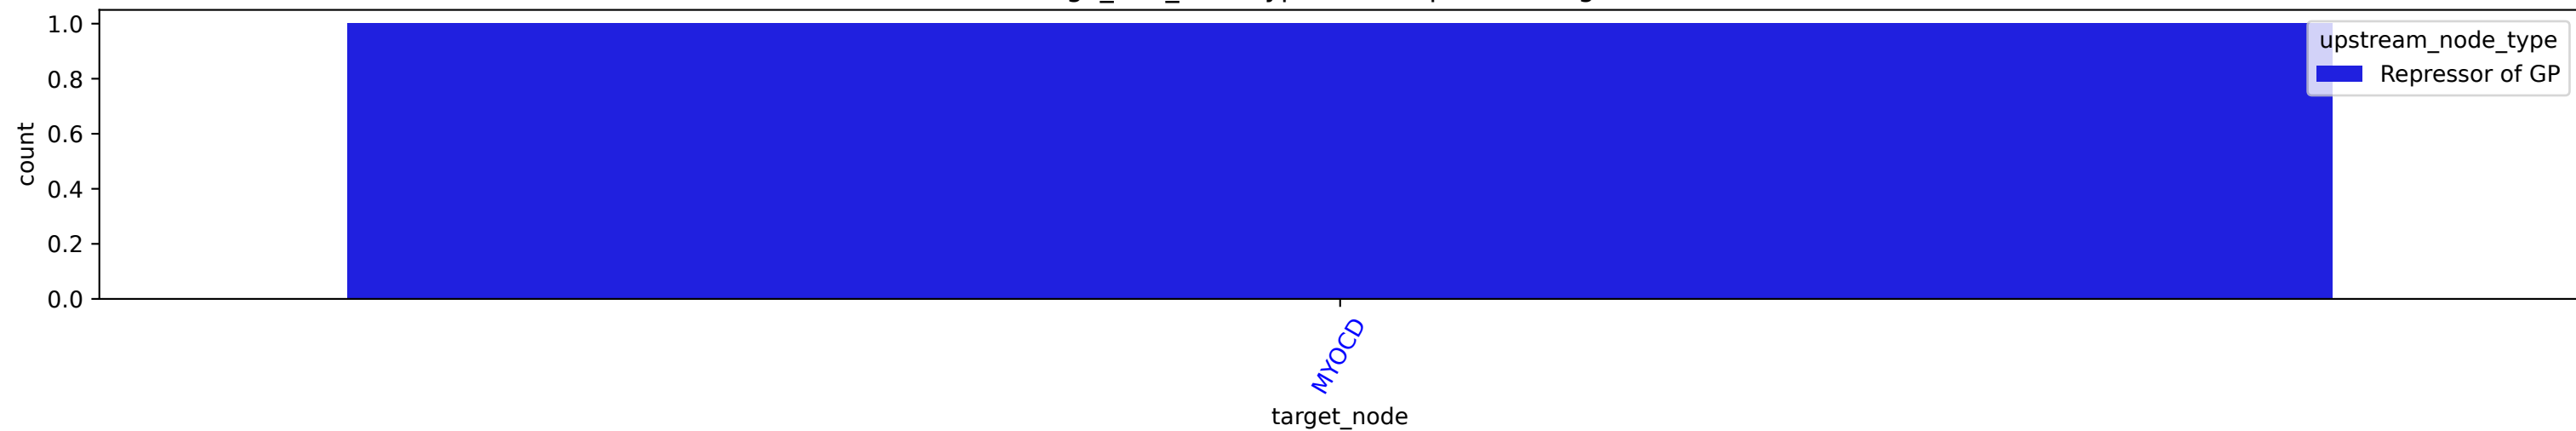

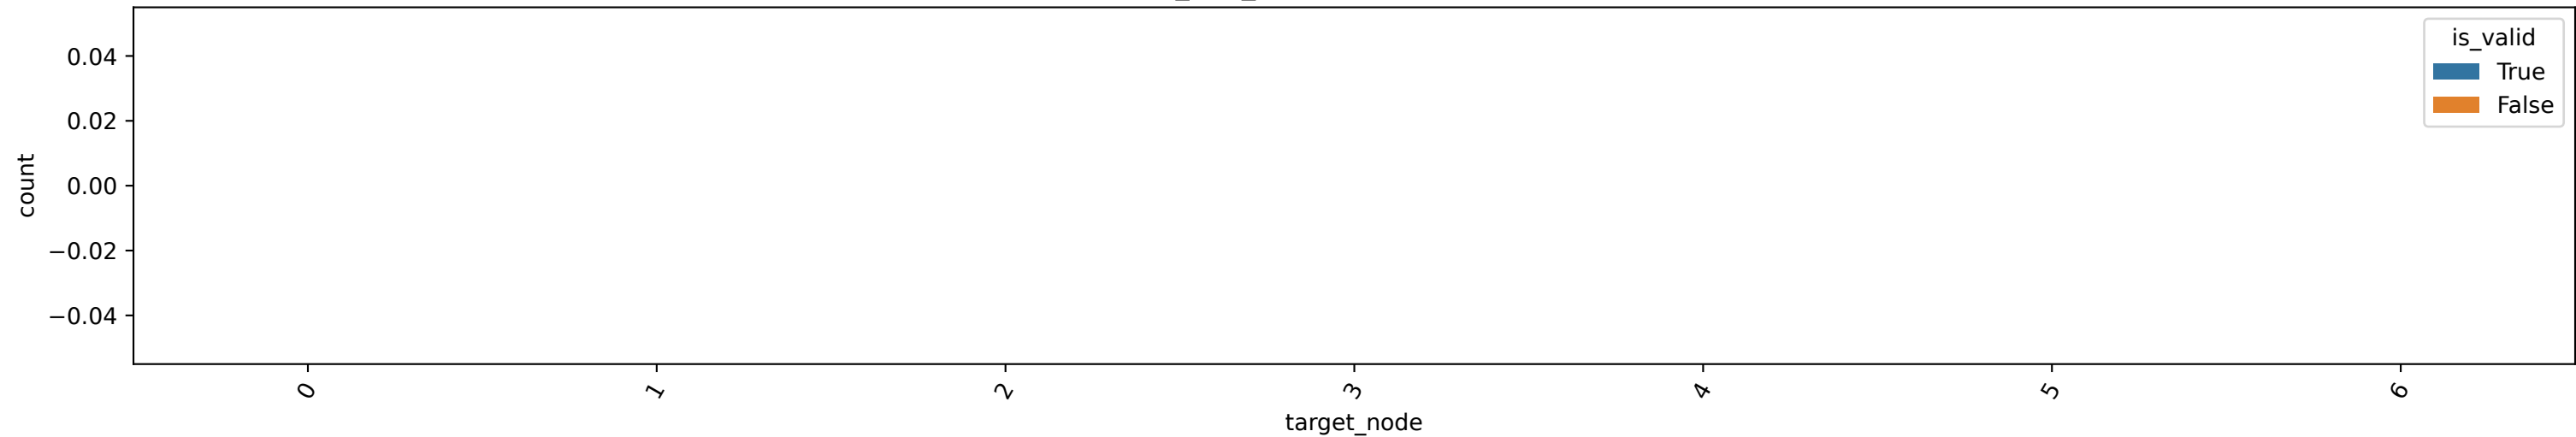

[Usage_112_total] Valid gene regulation

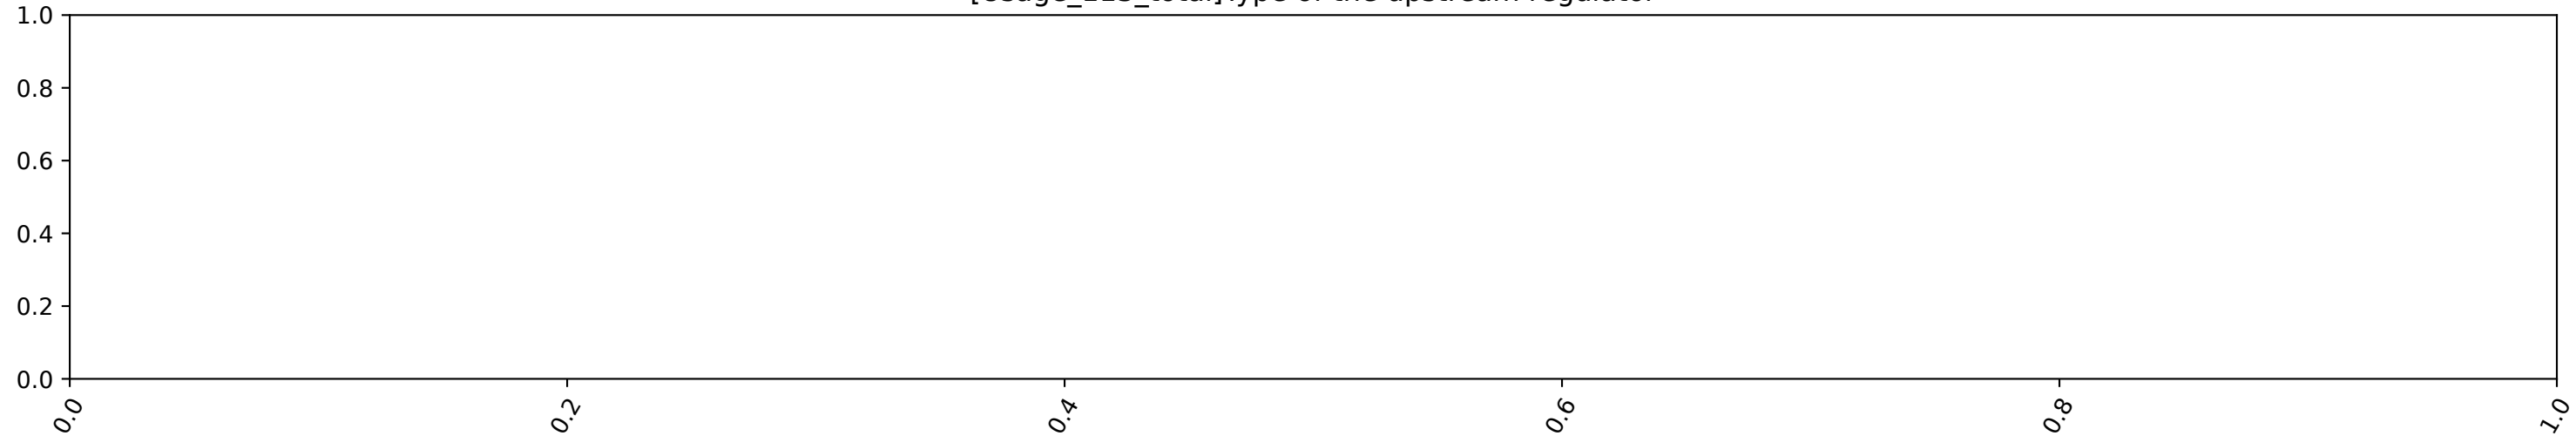

[Usage_112_total]Type of the upstream regulator

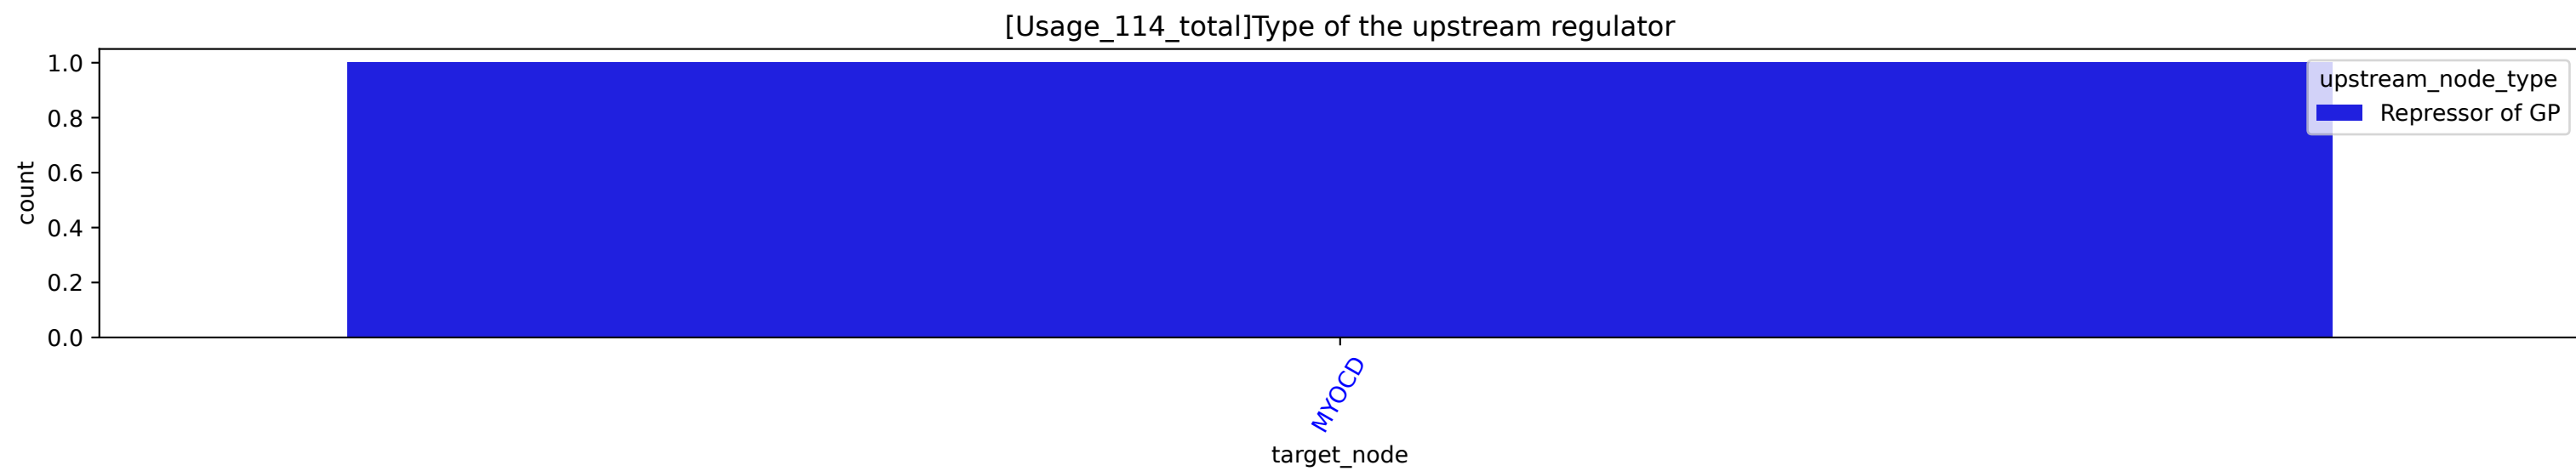

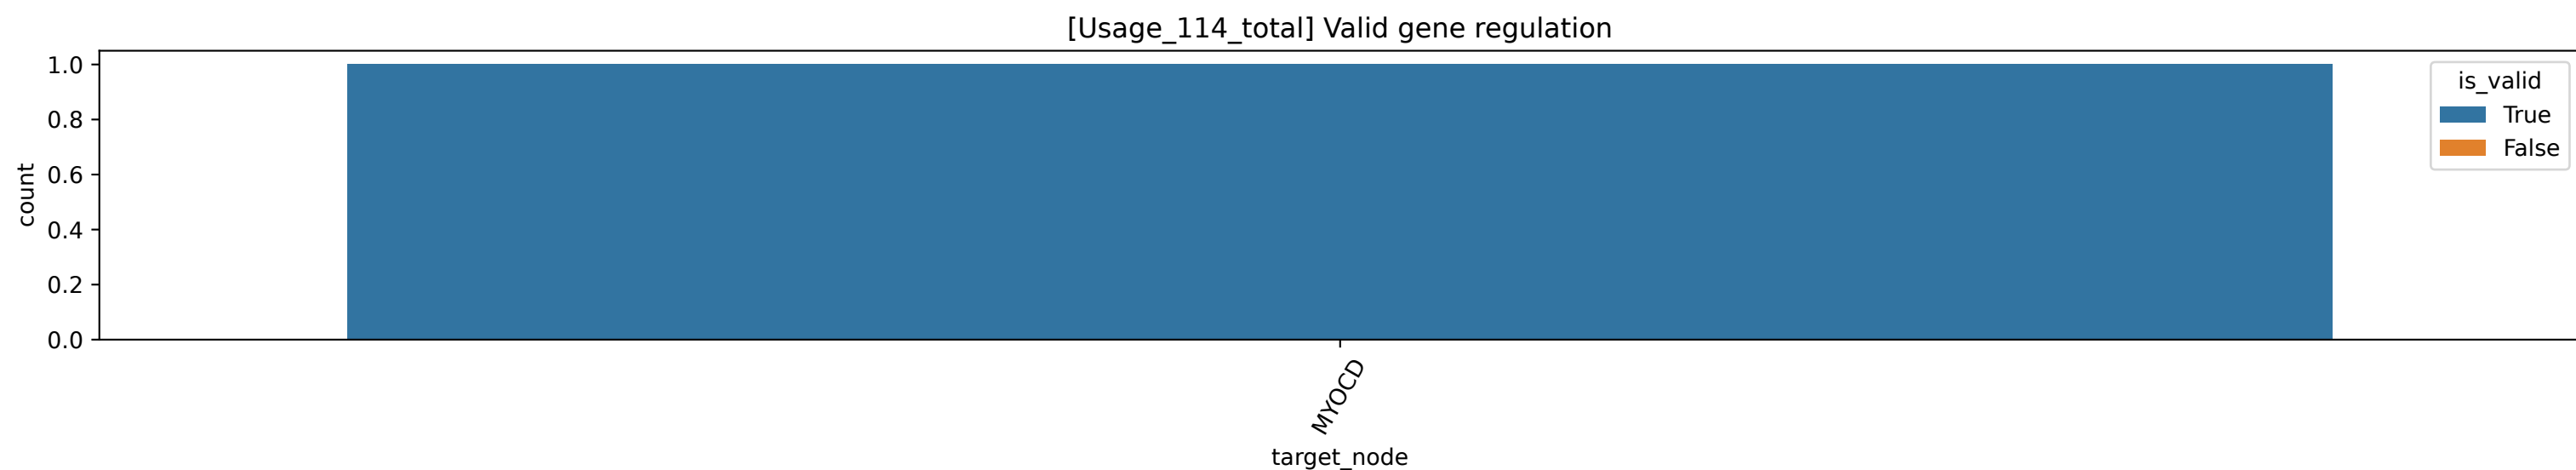

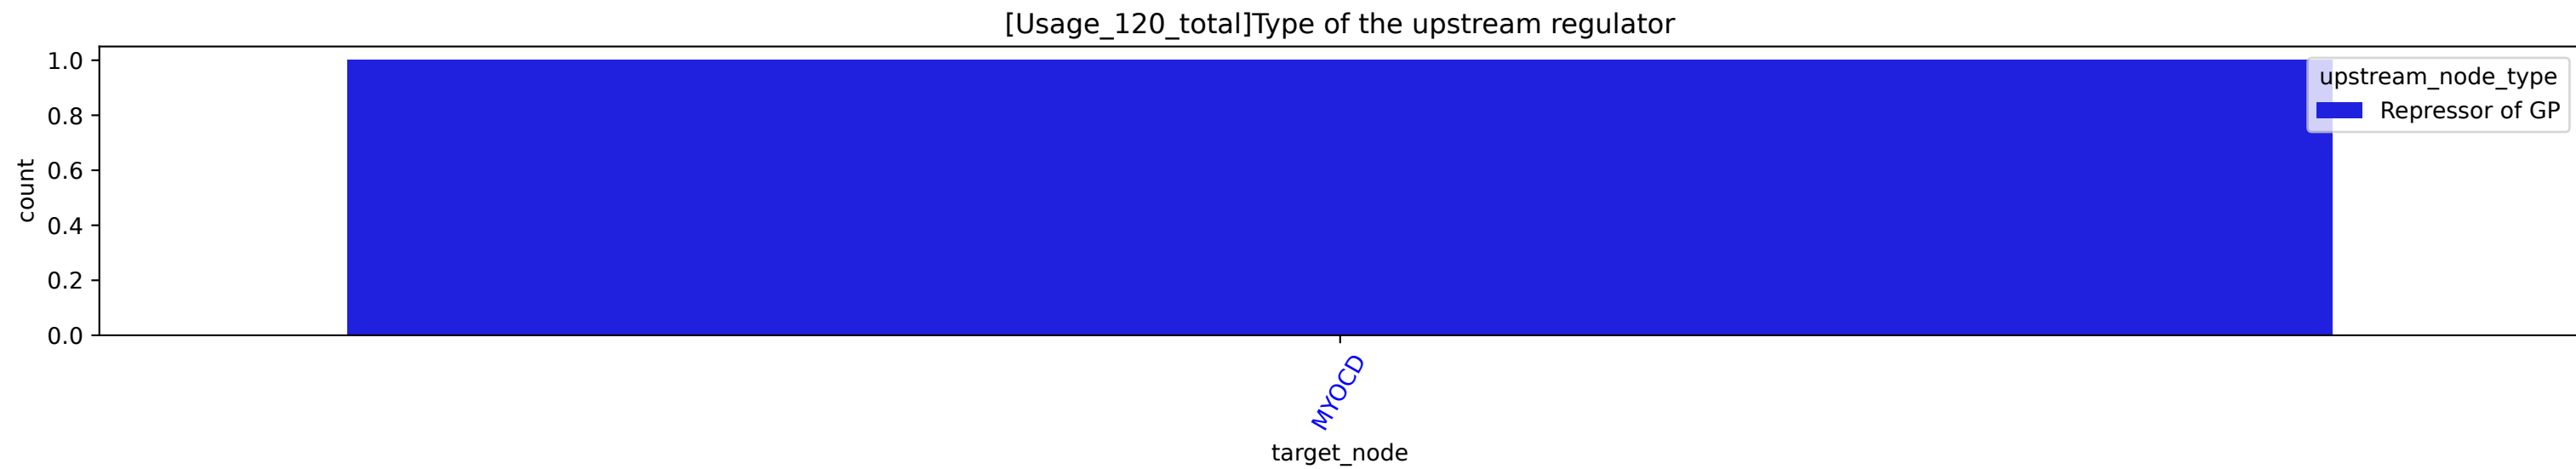

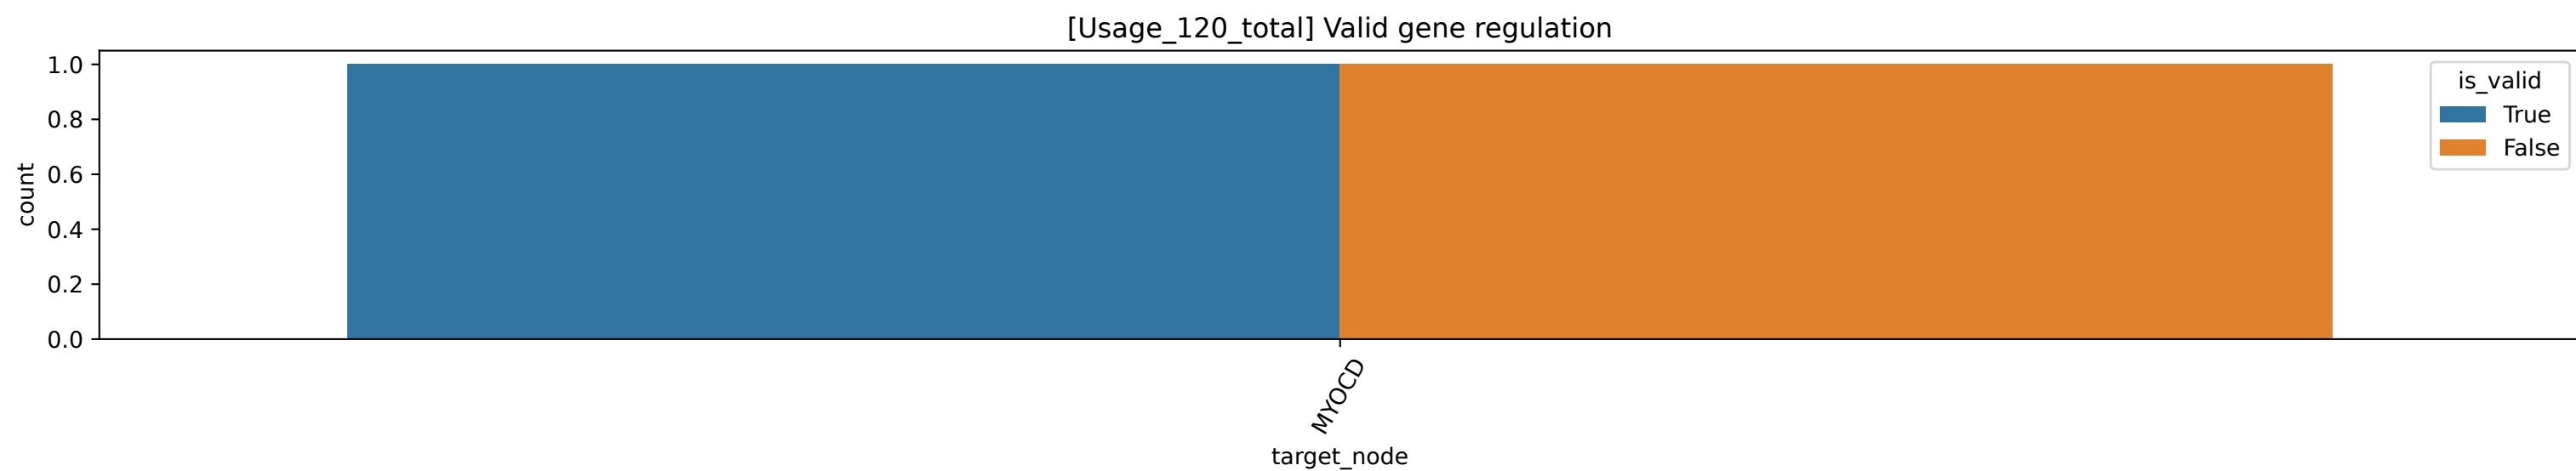

[Usage_113_total] Valid gene regulation

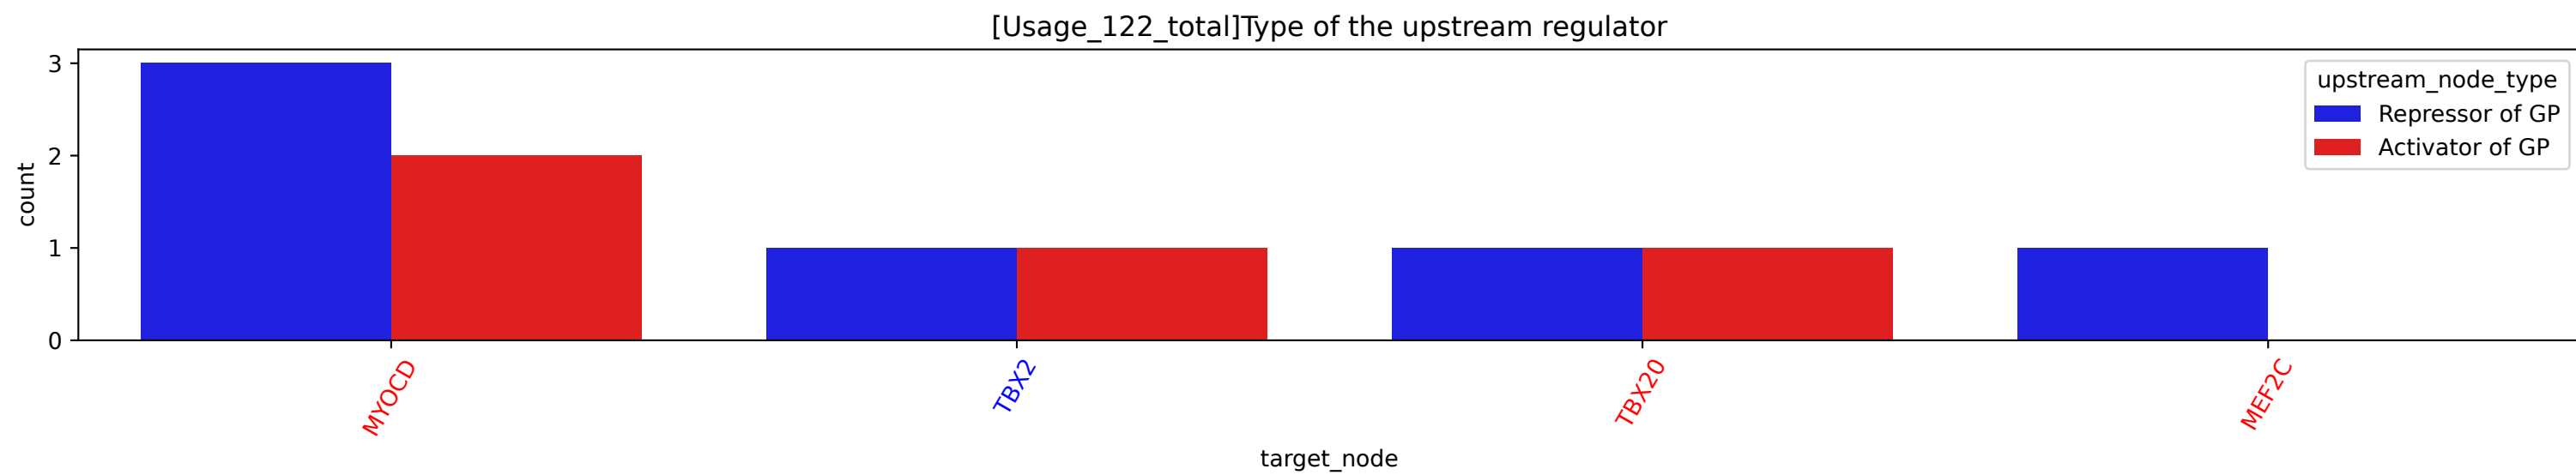

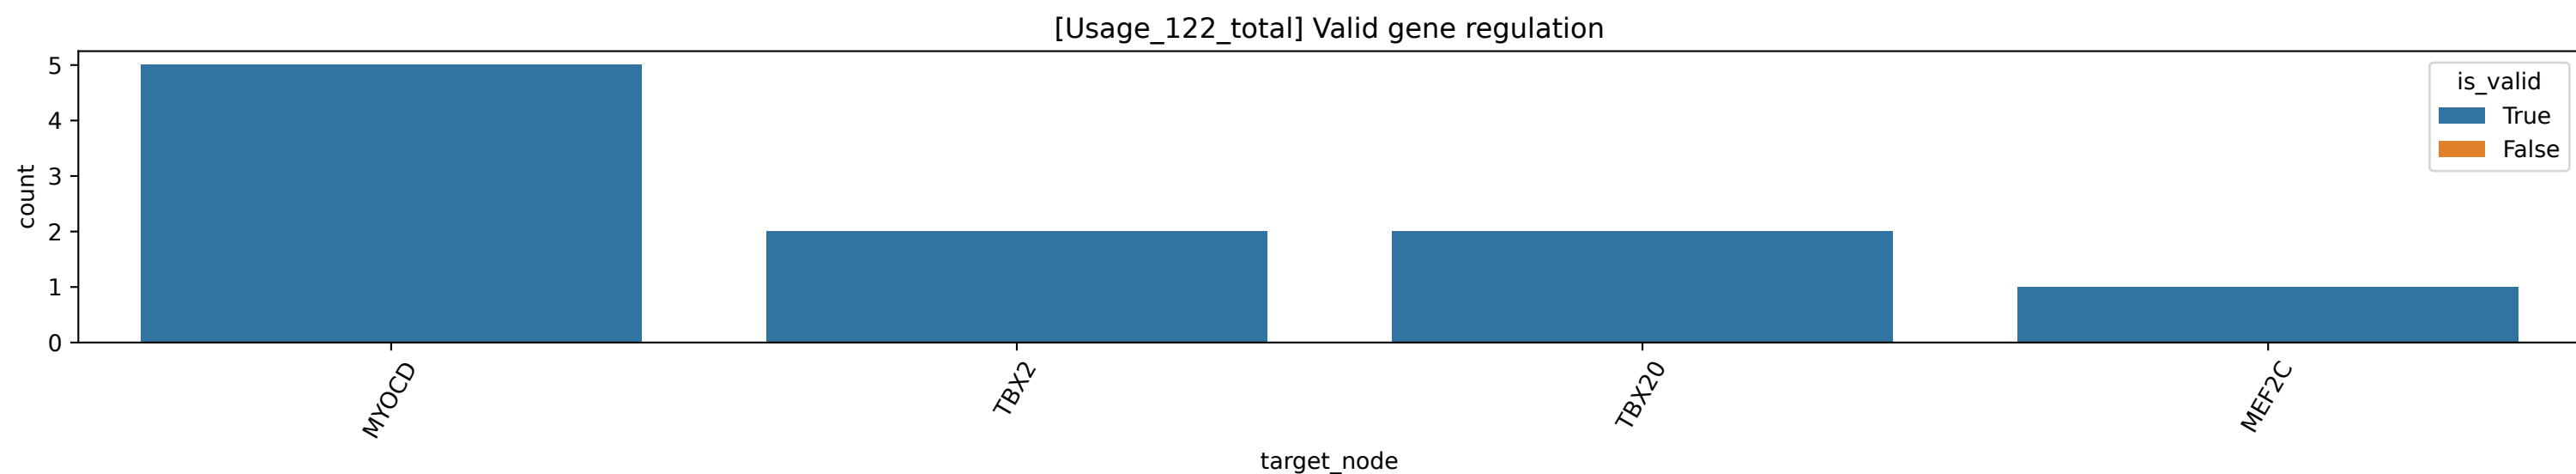

[Usage_113_total]Type of the upstream regulator

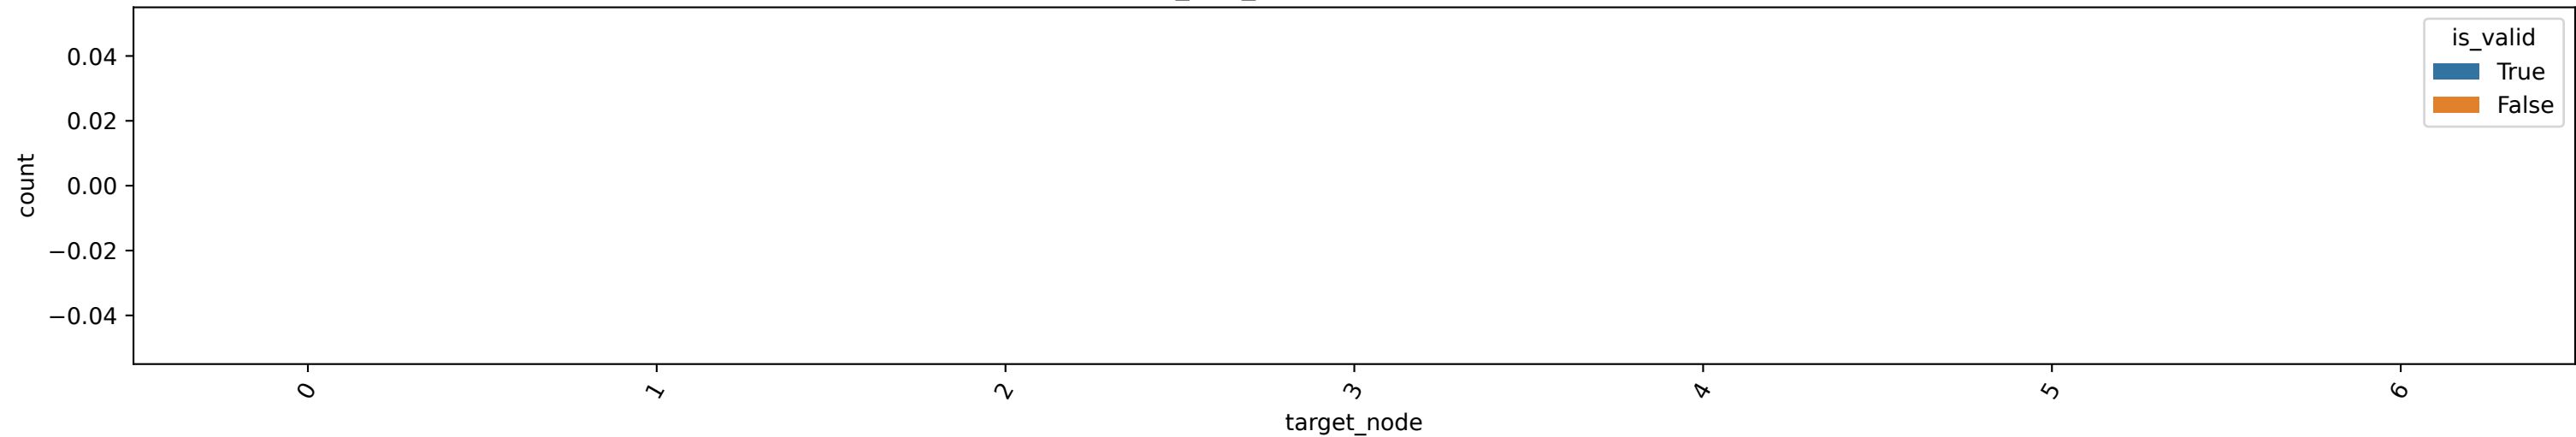

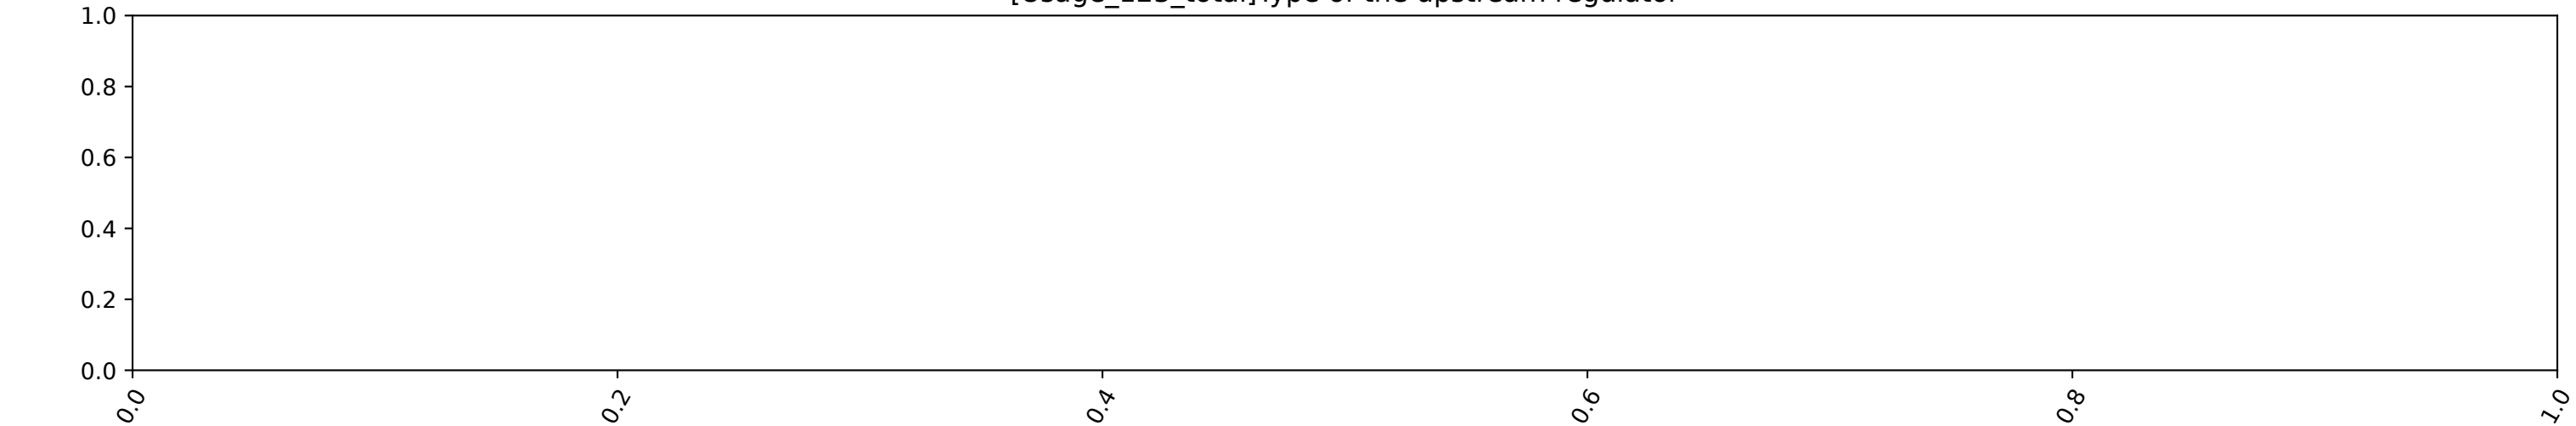

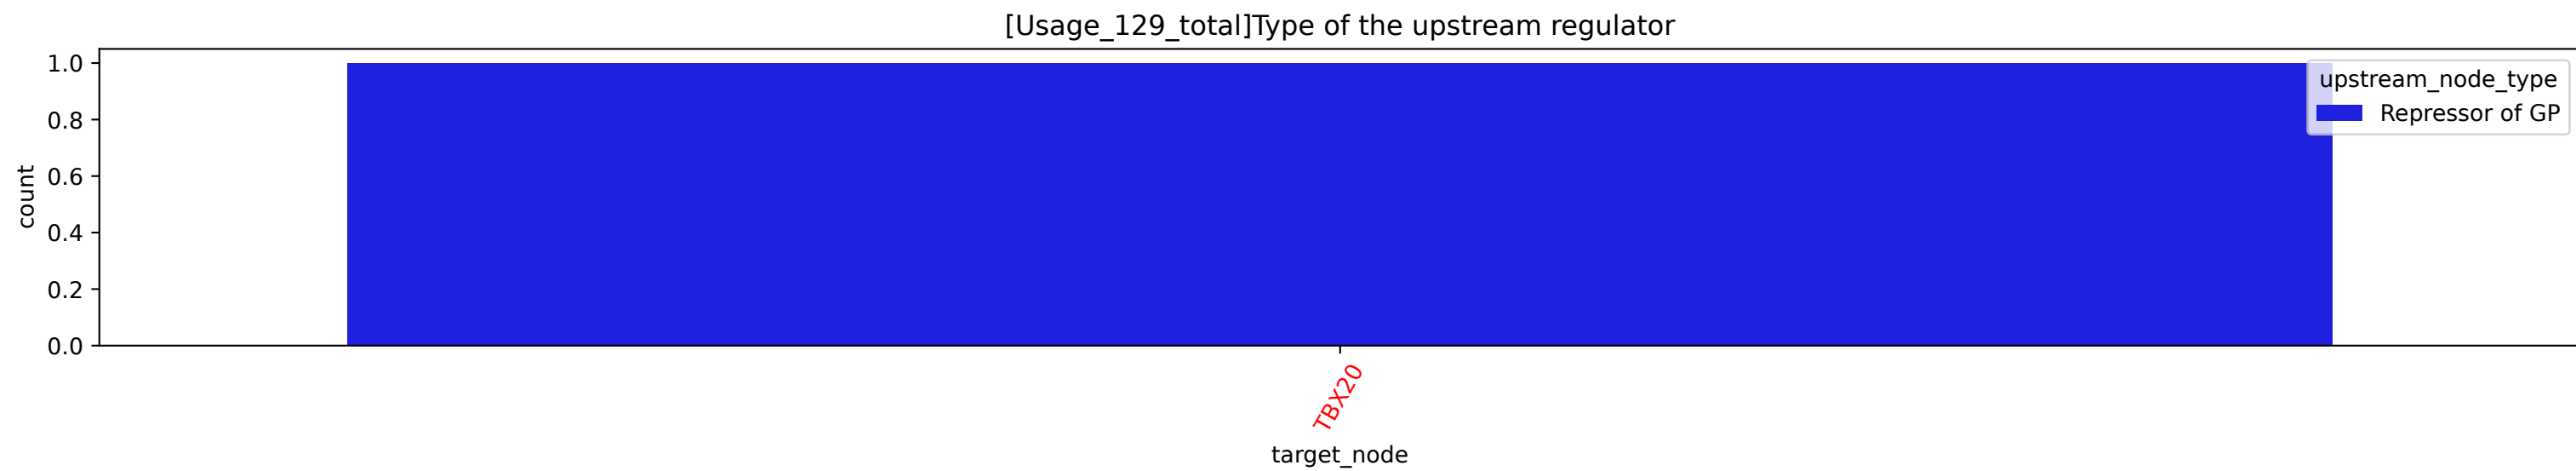

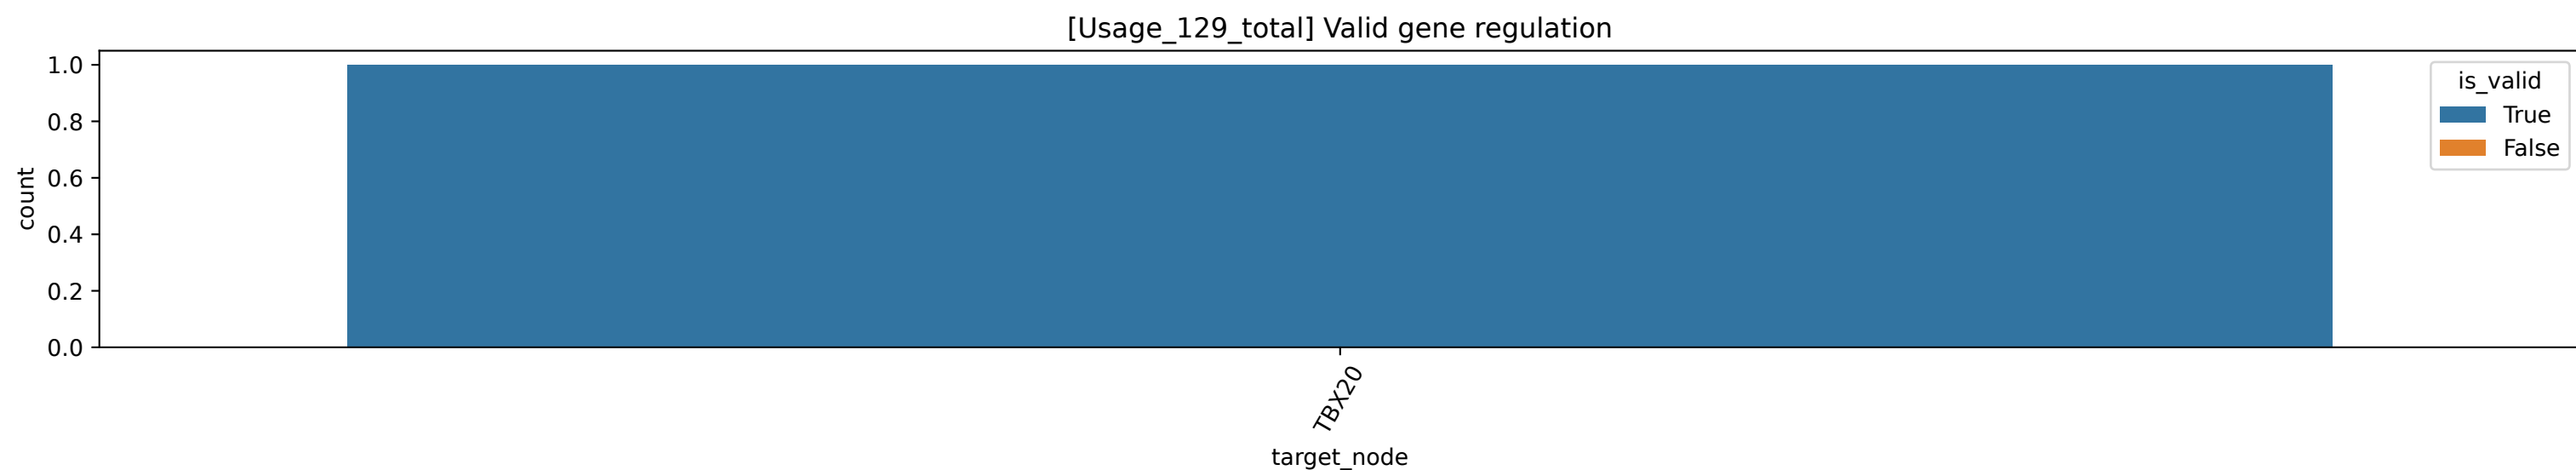

[Usage_123_total] Valid gene regulation

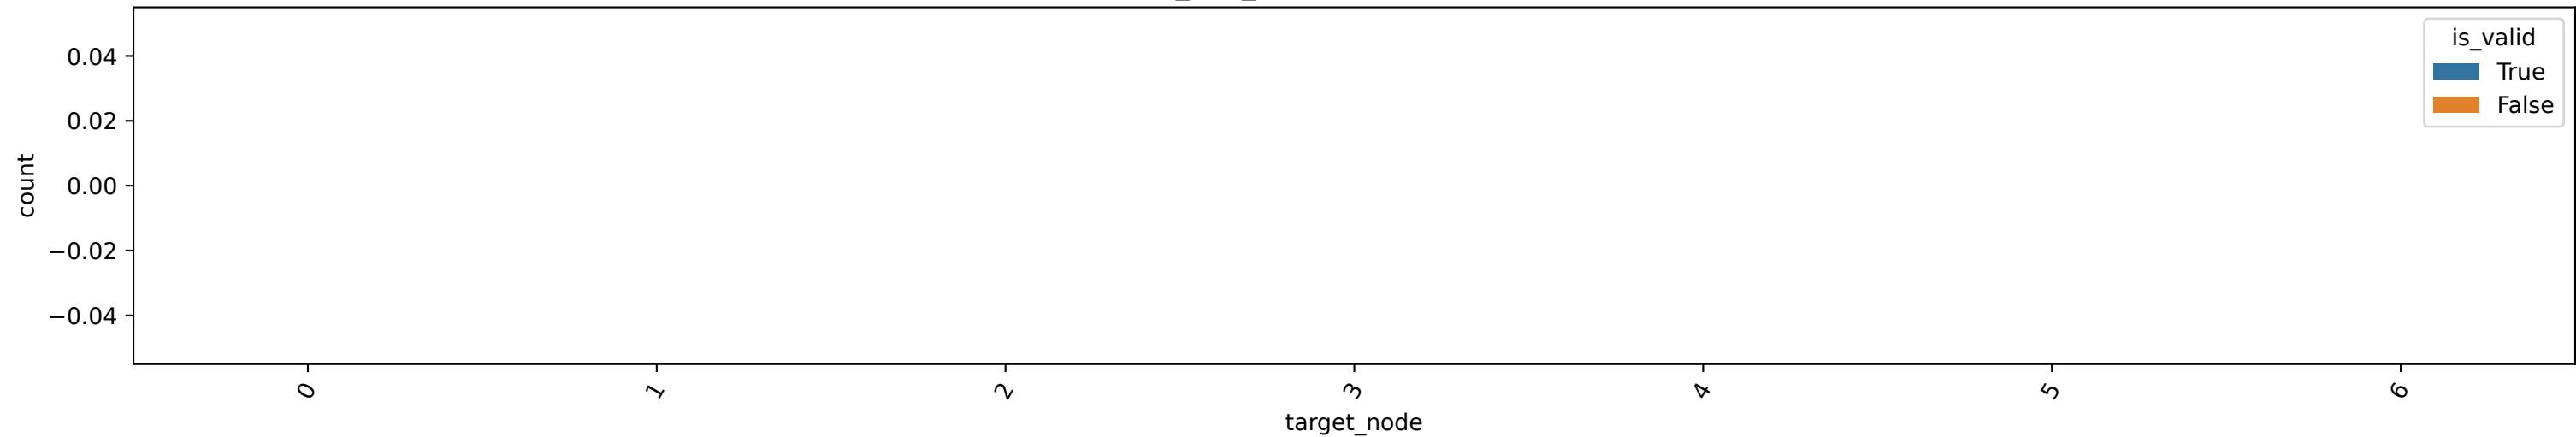

[Usage_123_total] Type of the upstream regulator

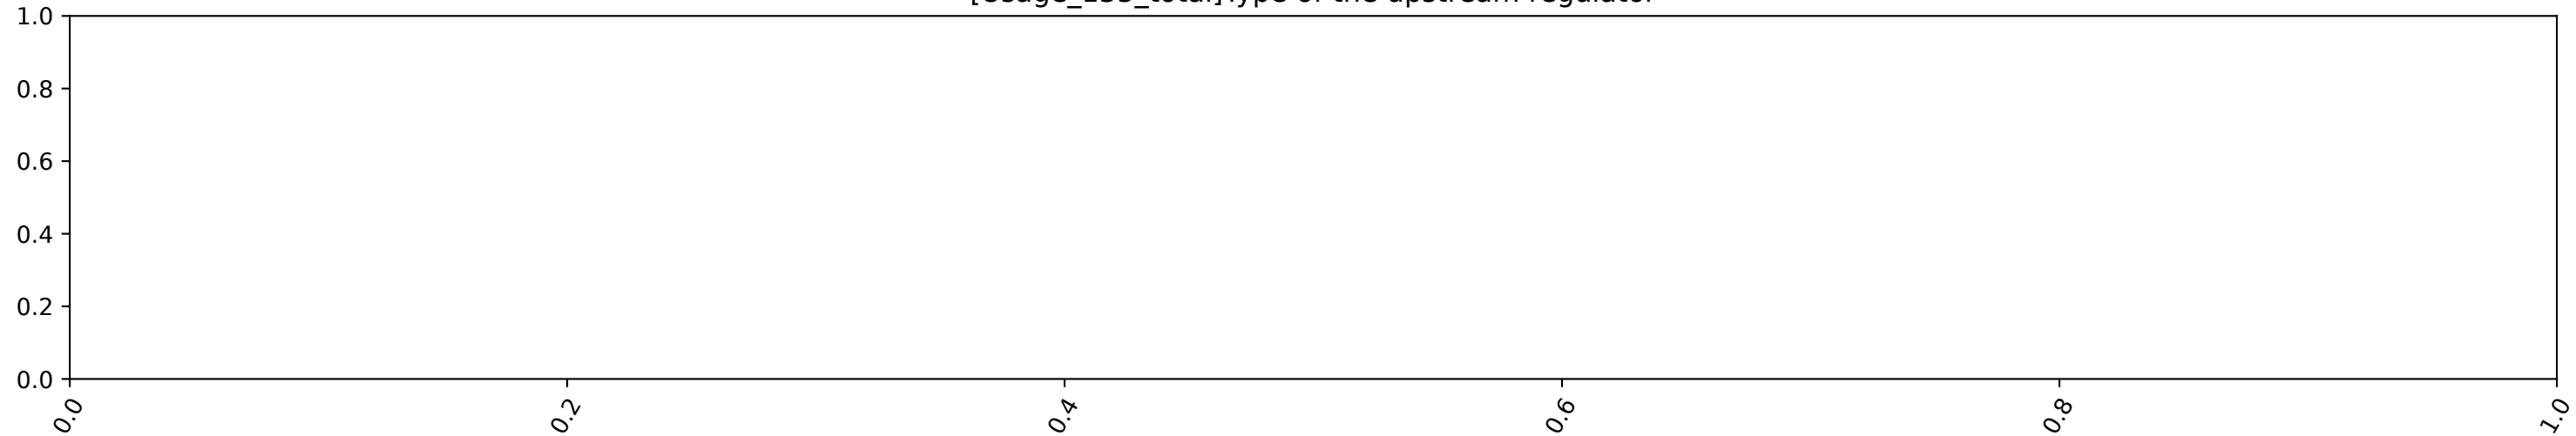

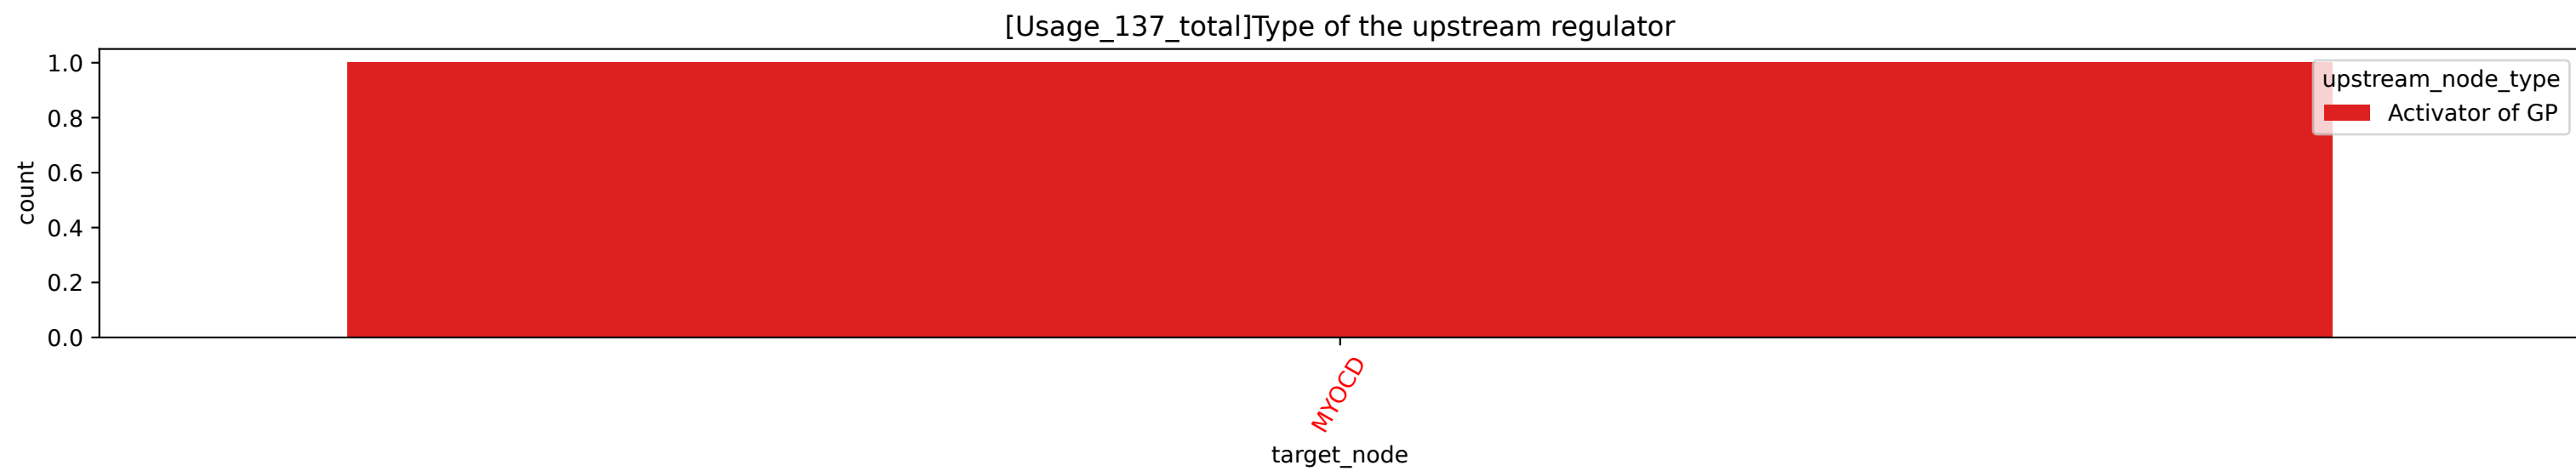

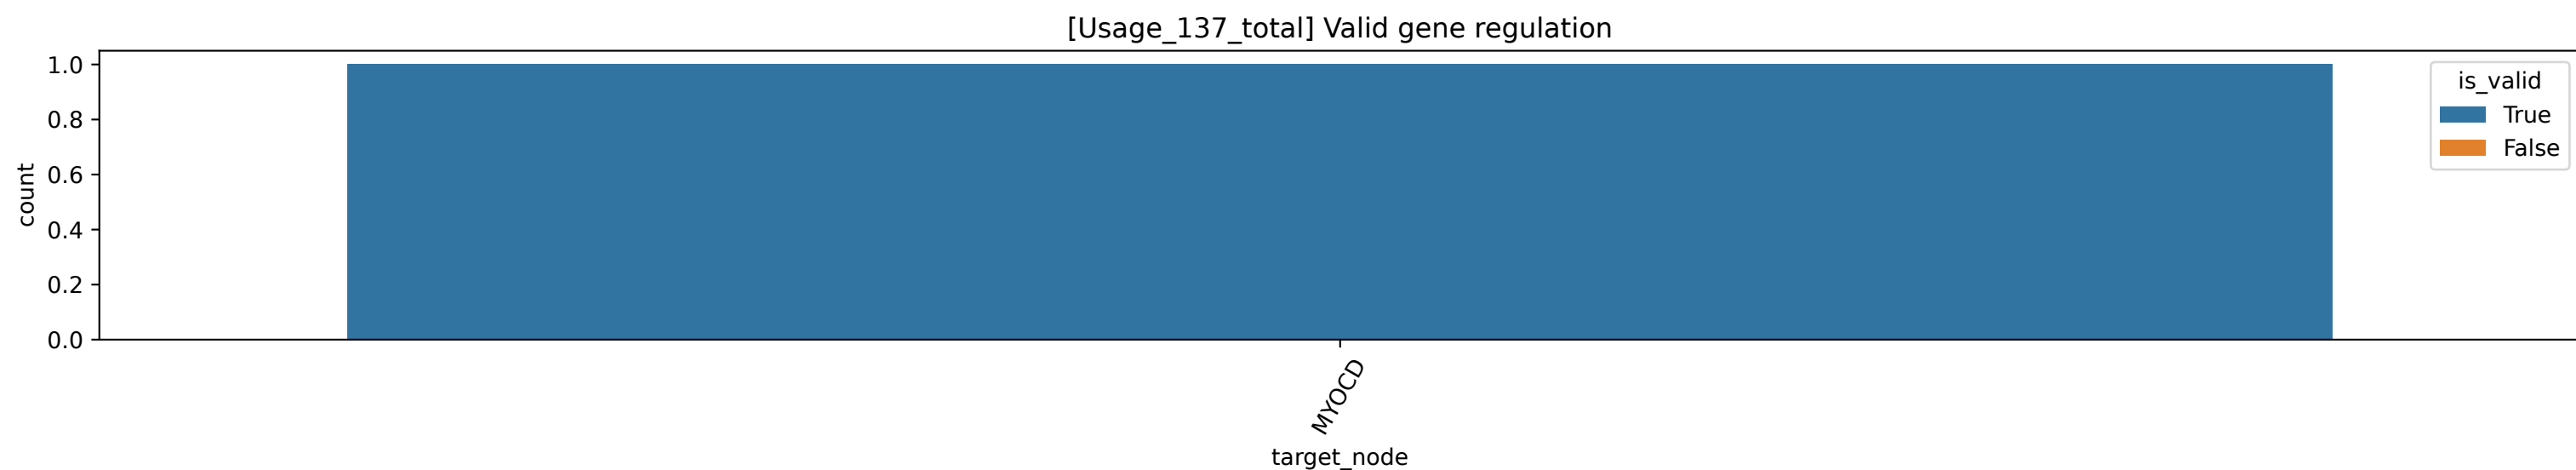

[Usage_135_total] Valid gene regulation

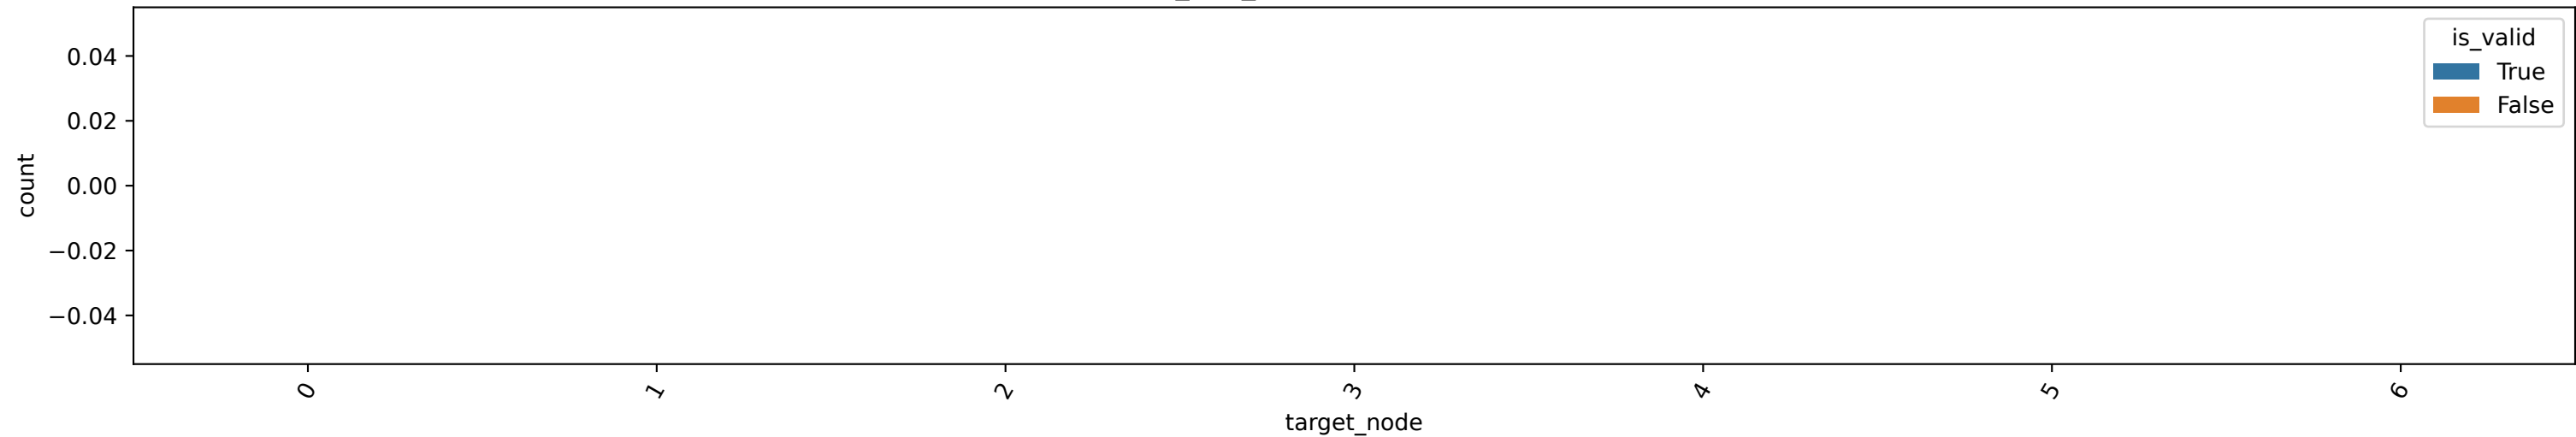

[Usage_135_total] Type of the upstream regulator

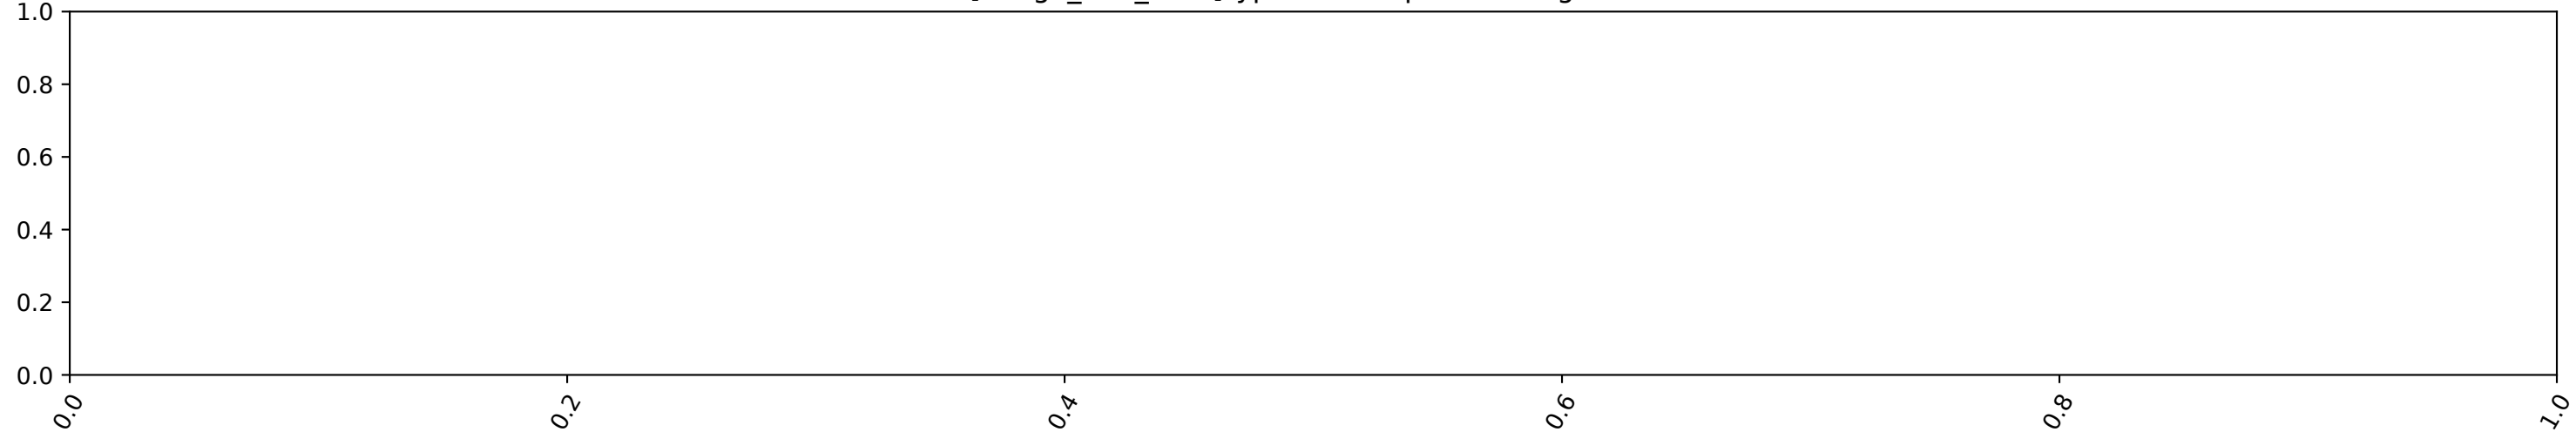

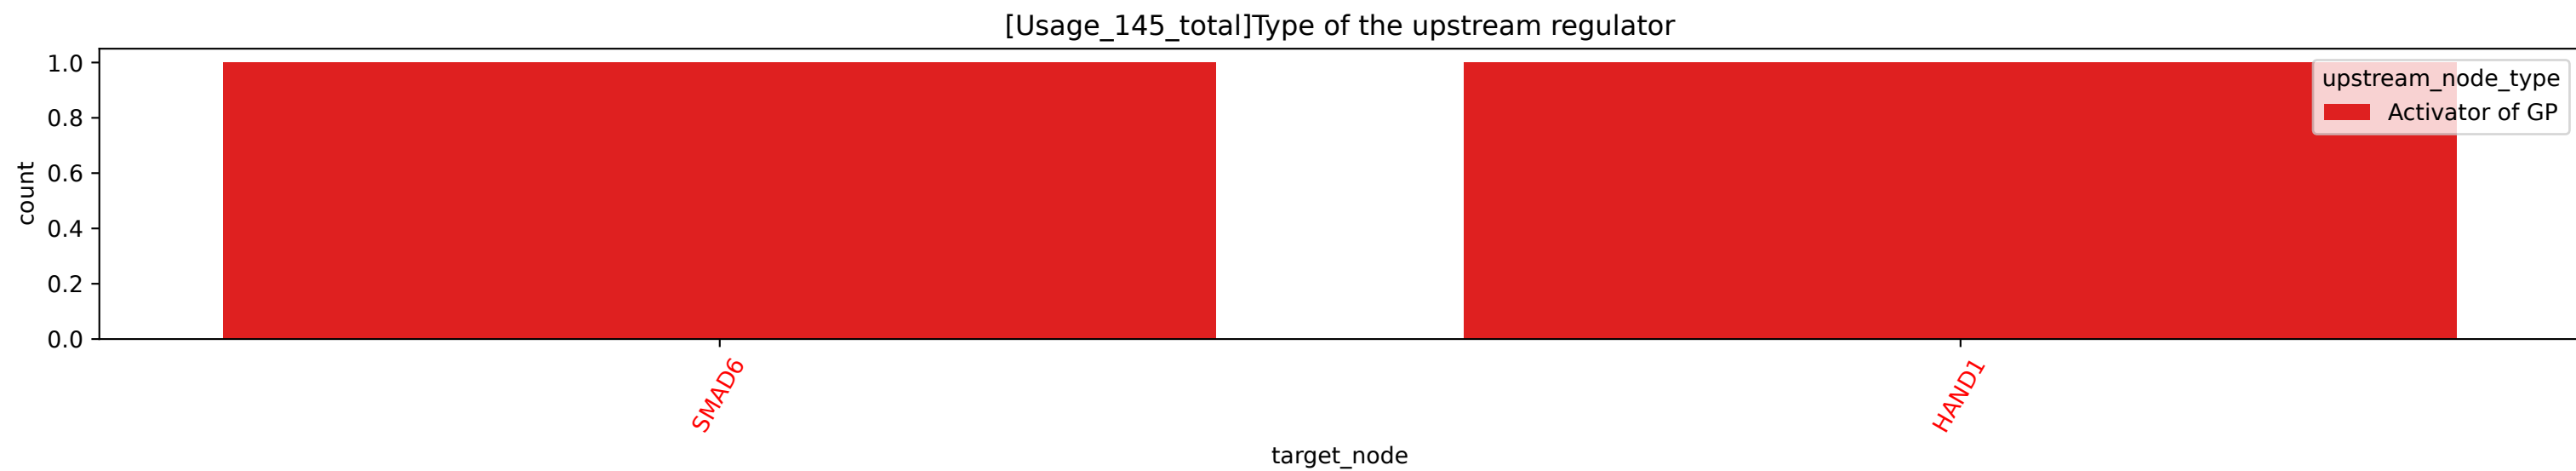

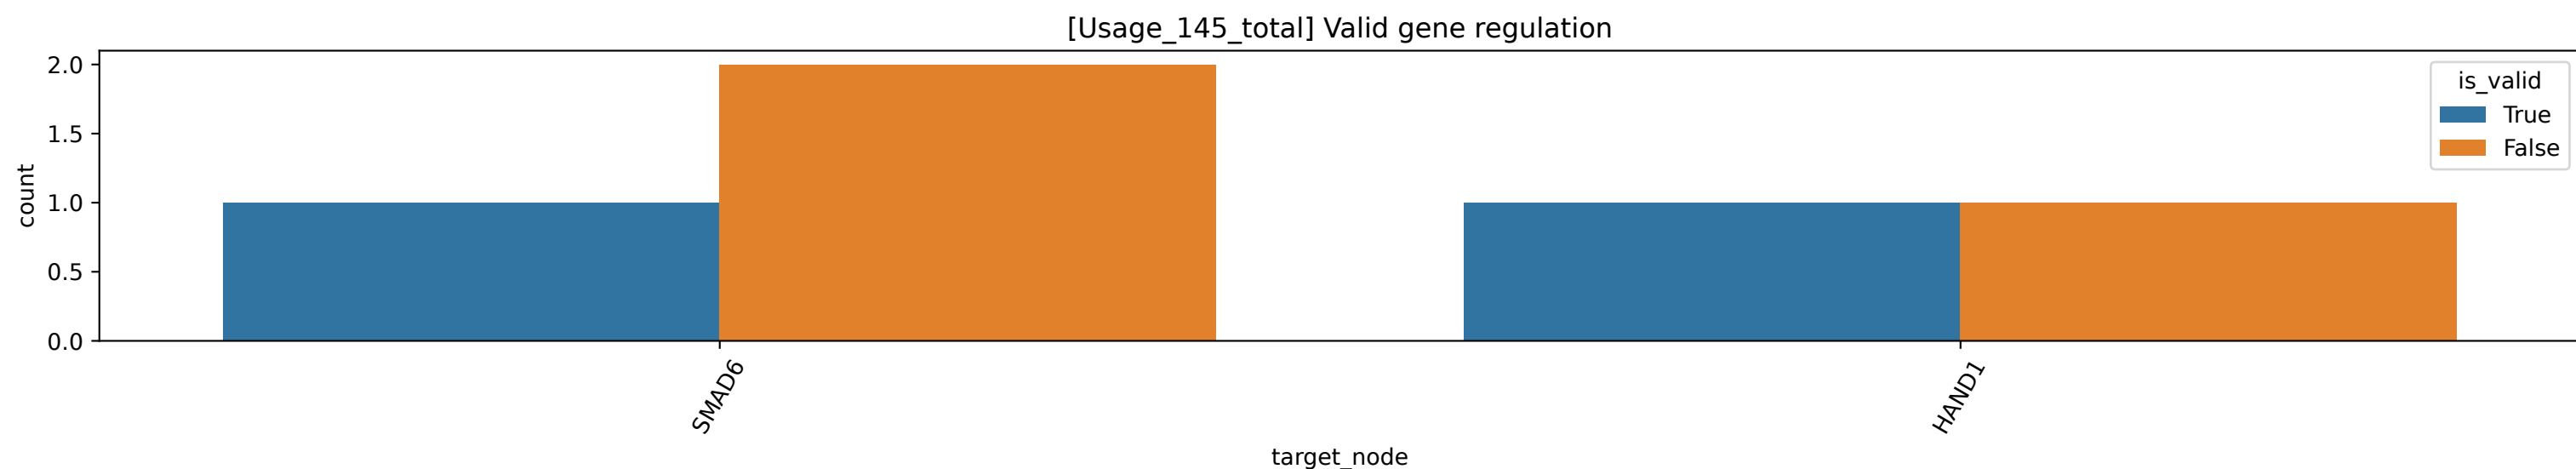

[Usage_144_total] Valid gene regulation

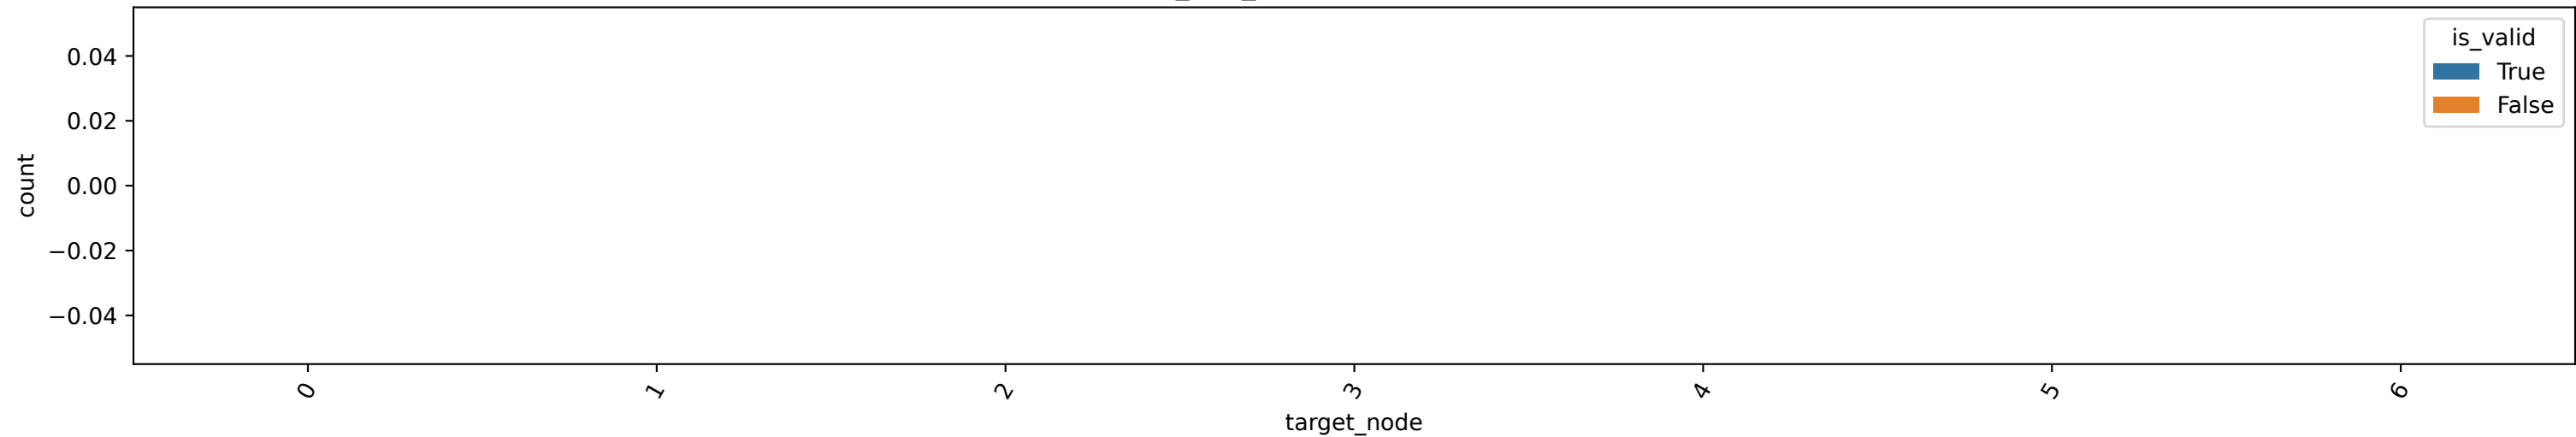

[Usage_144_total] Type of the upstream regulator

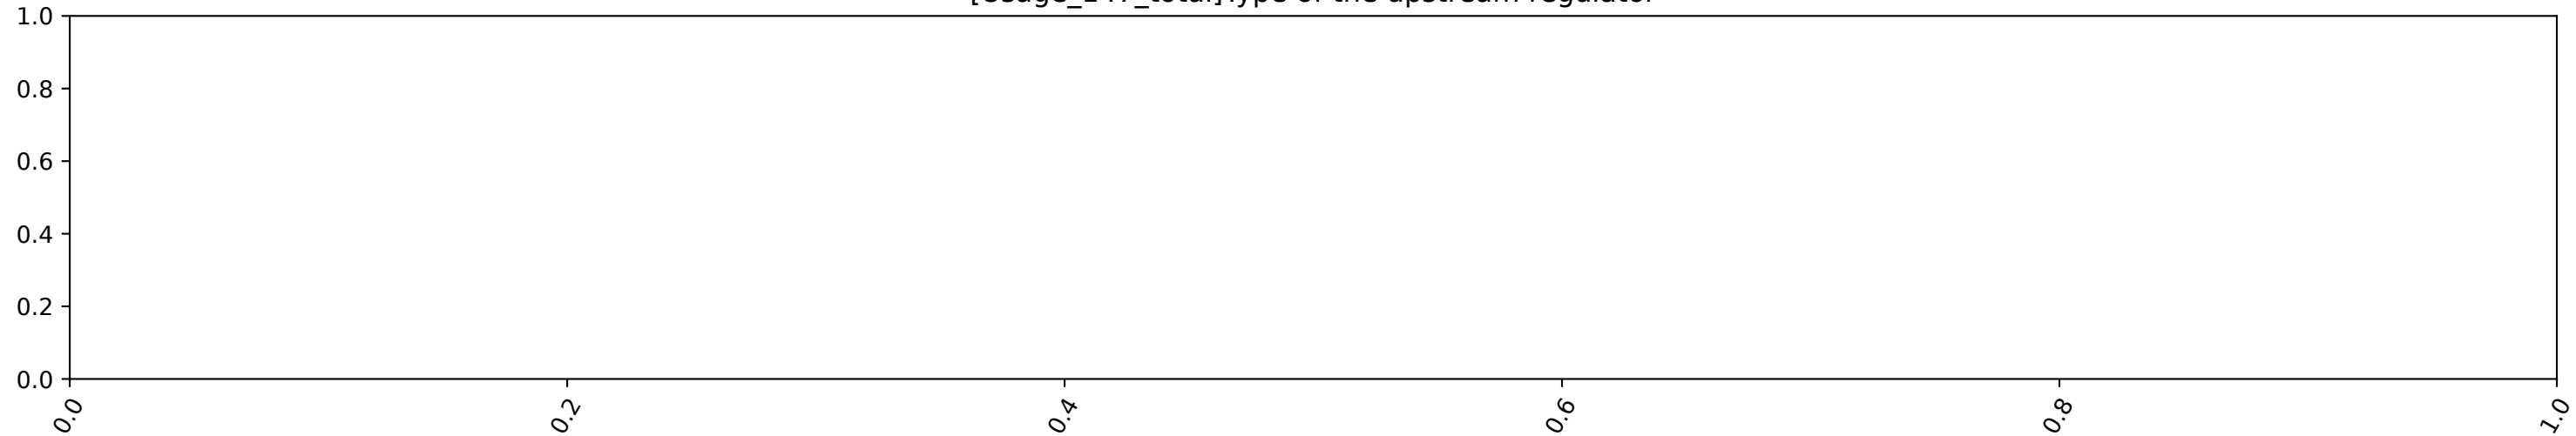

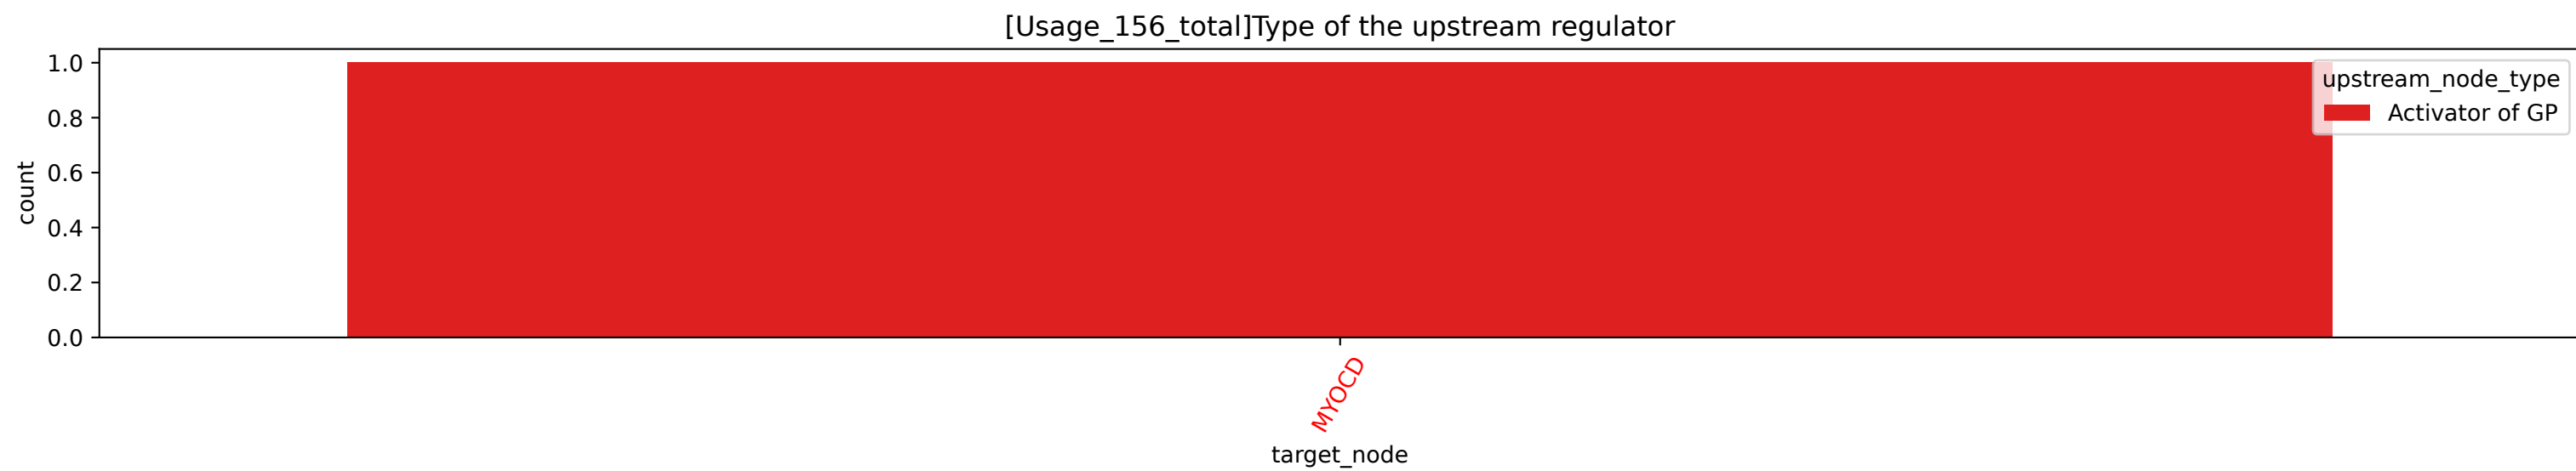

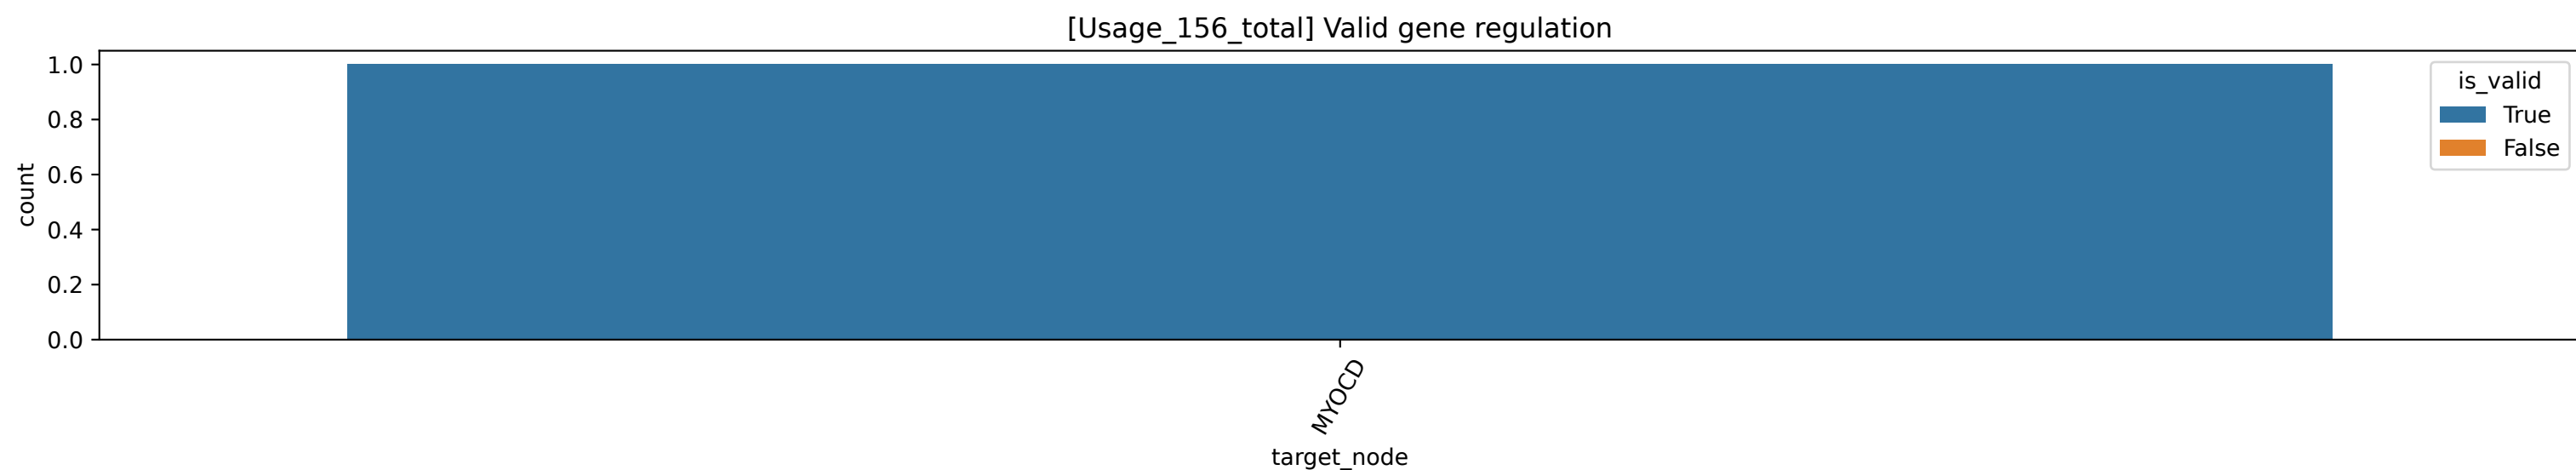

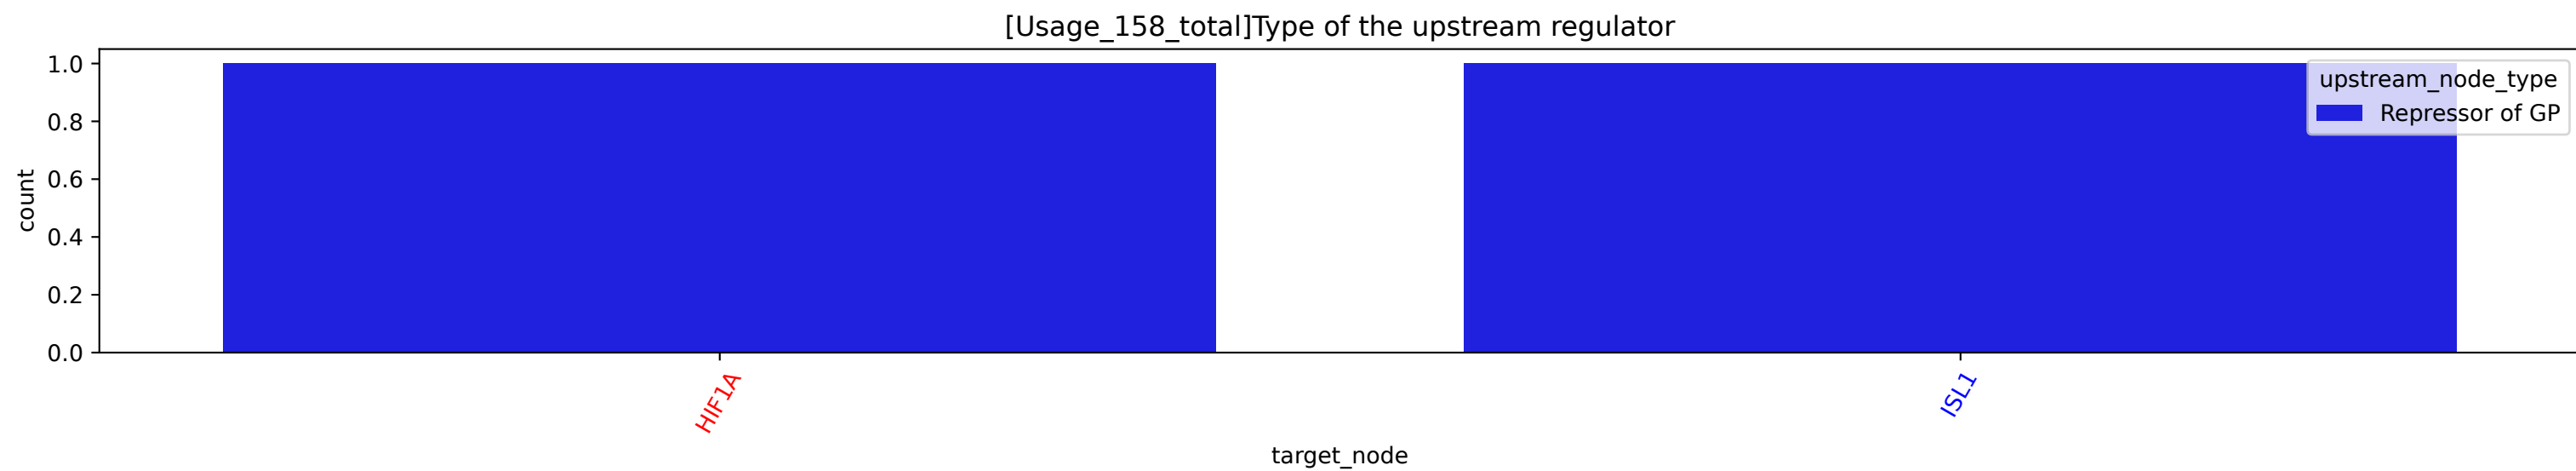

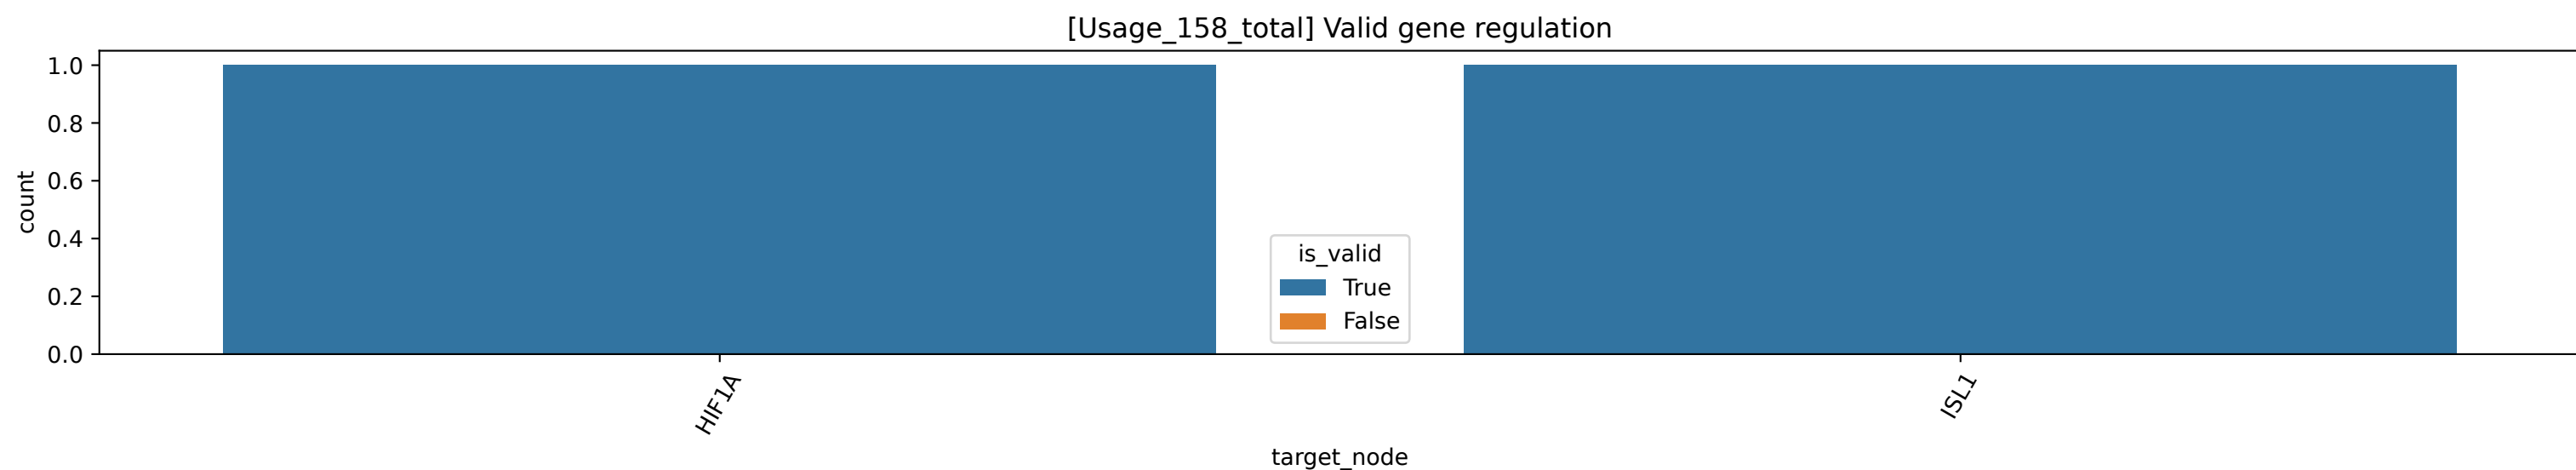

[Usage_147_total] Valid gene regulation

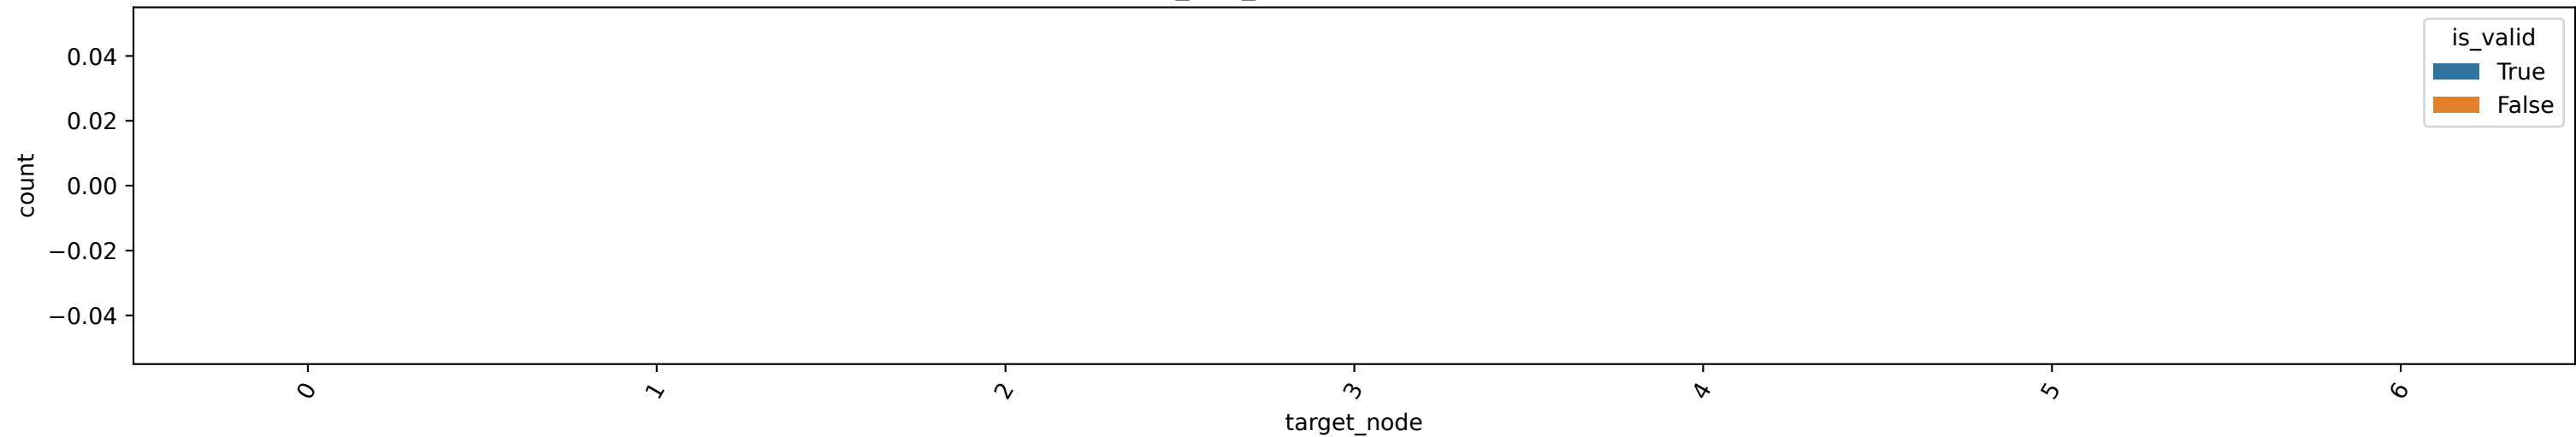

[Usage_147_total] Type of the upstream regulator

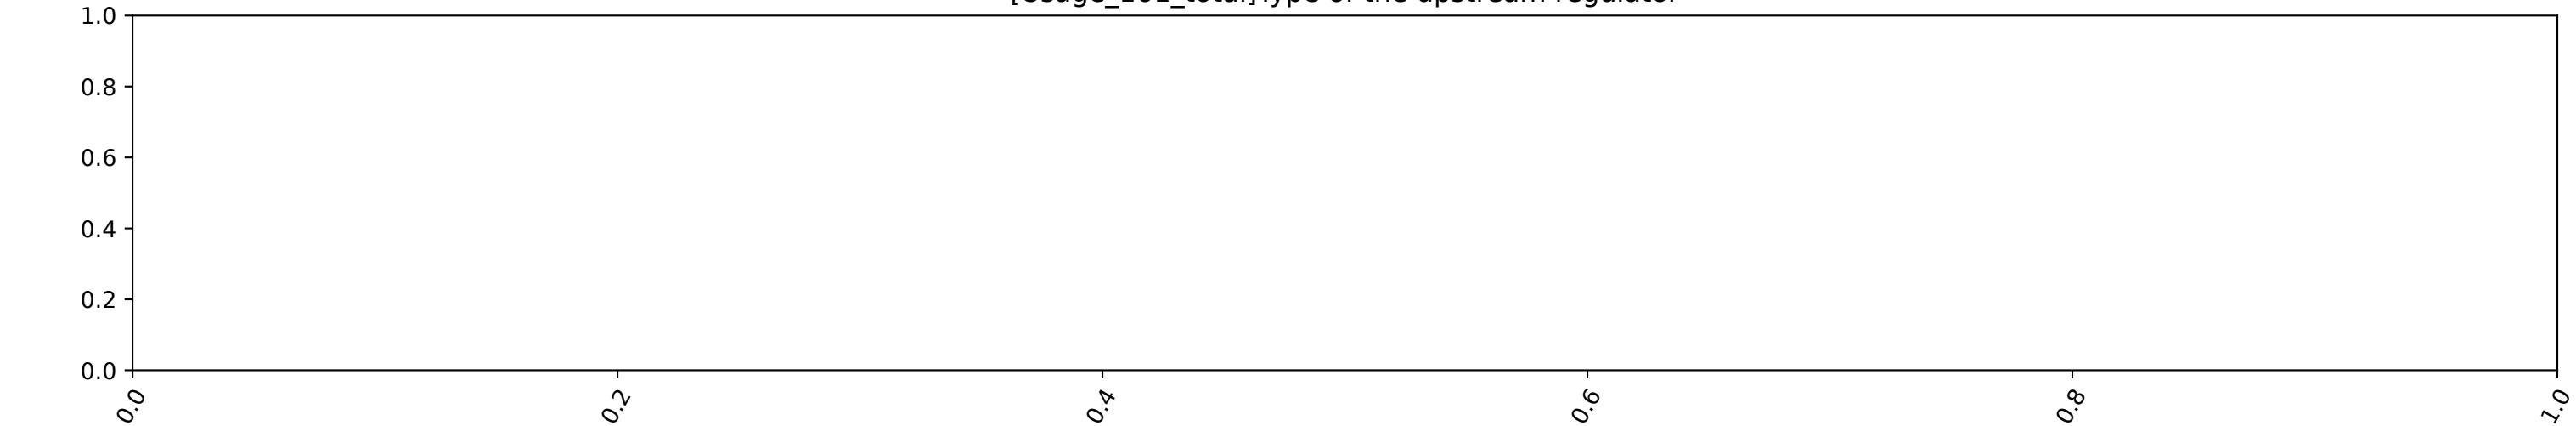

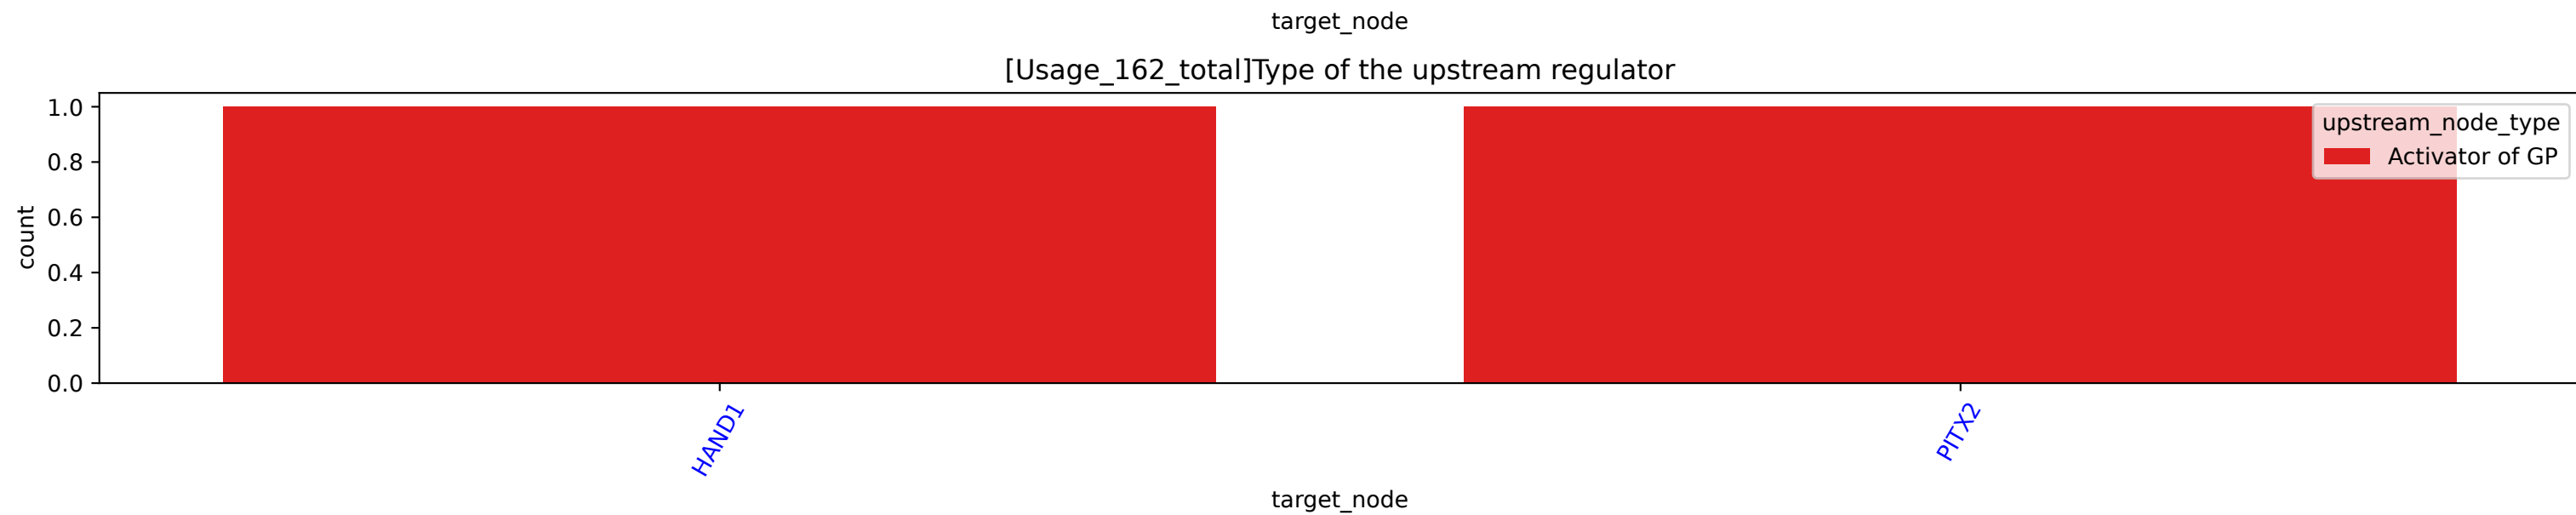

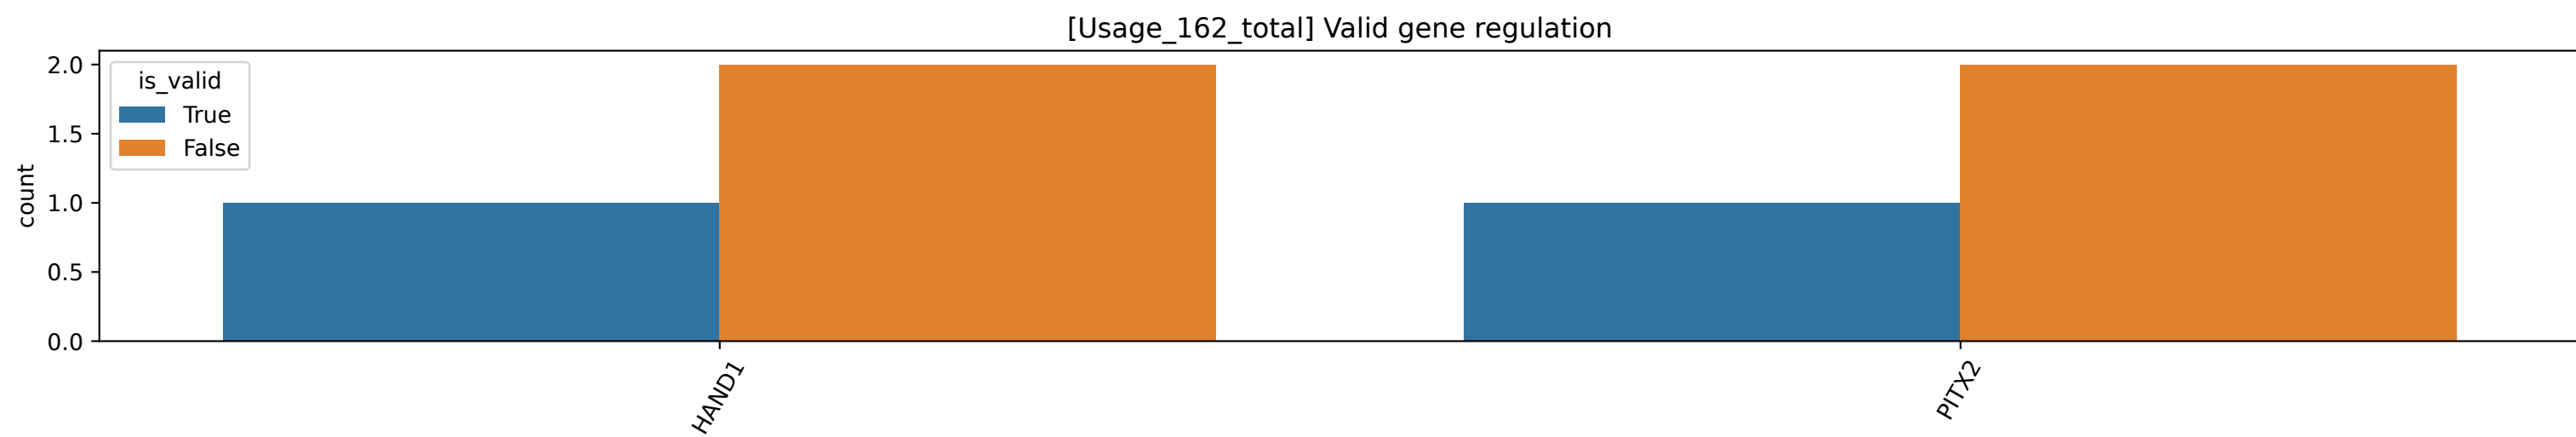

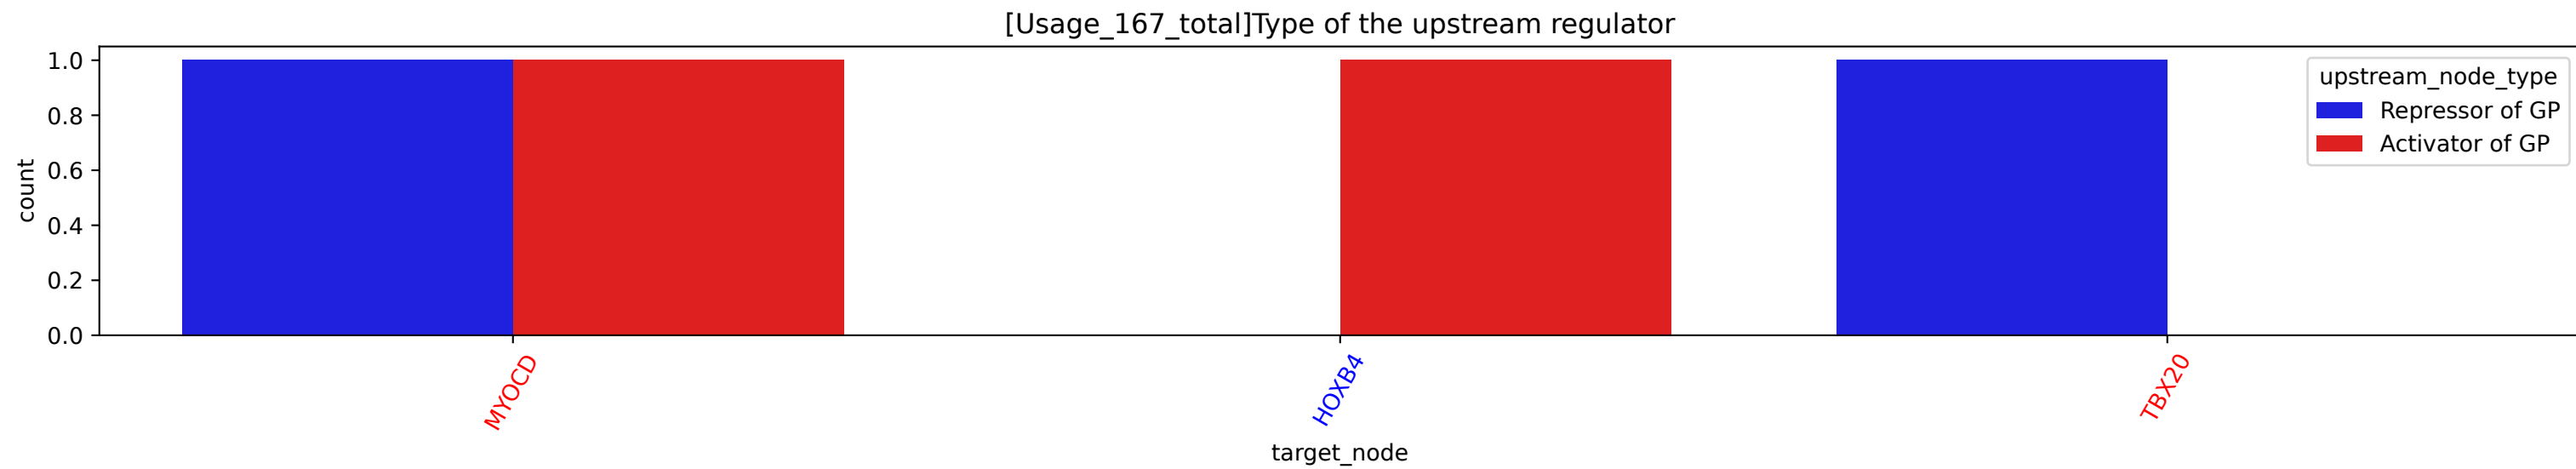

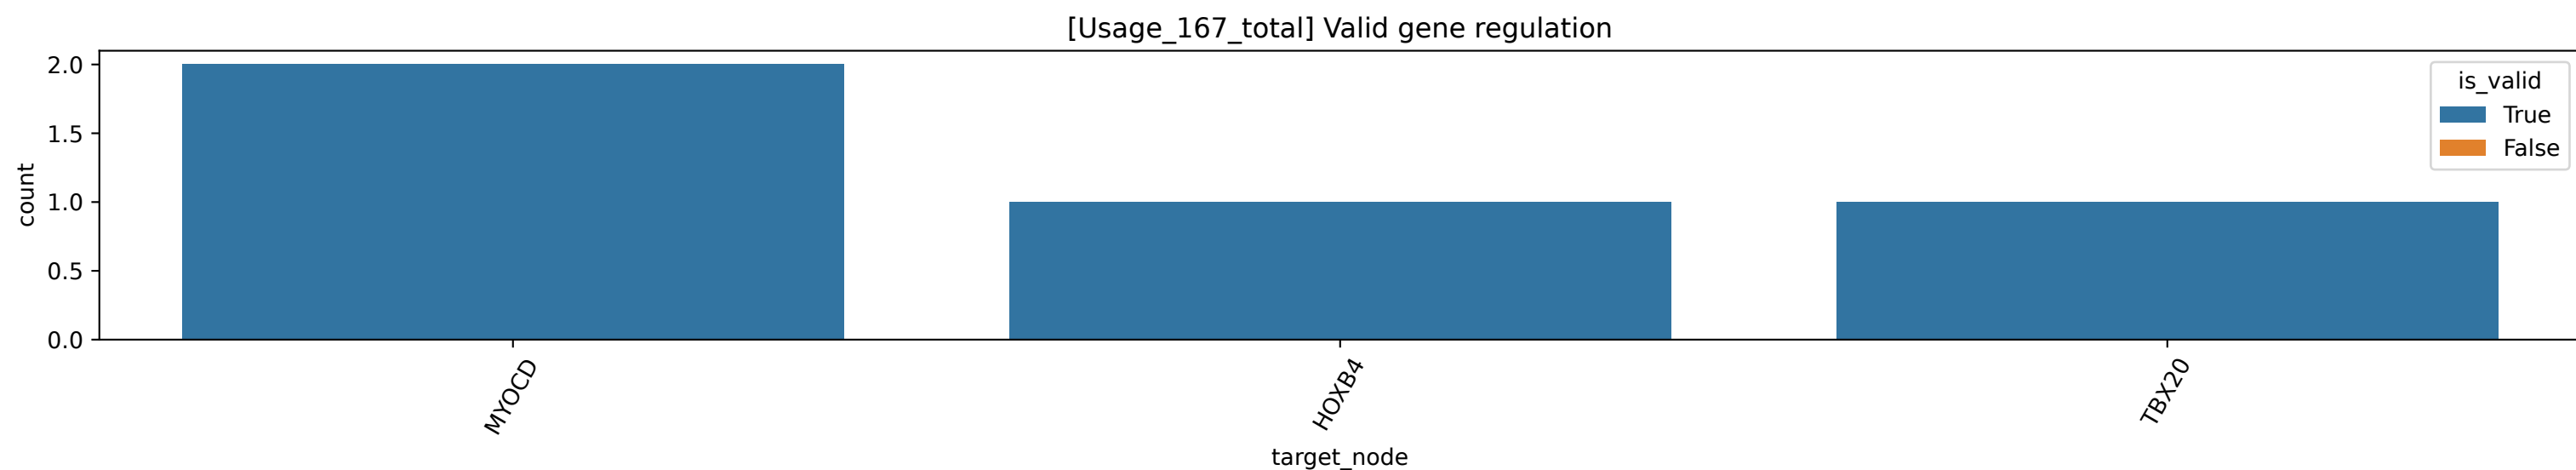

[Usage_161_total] Valid gene regulation

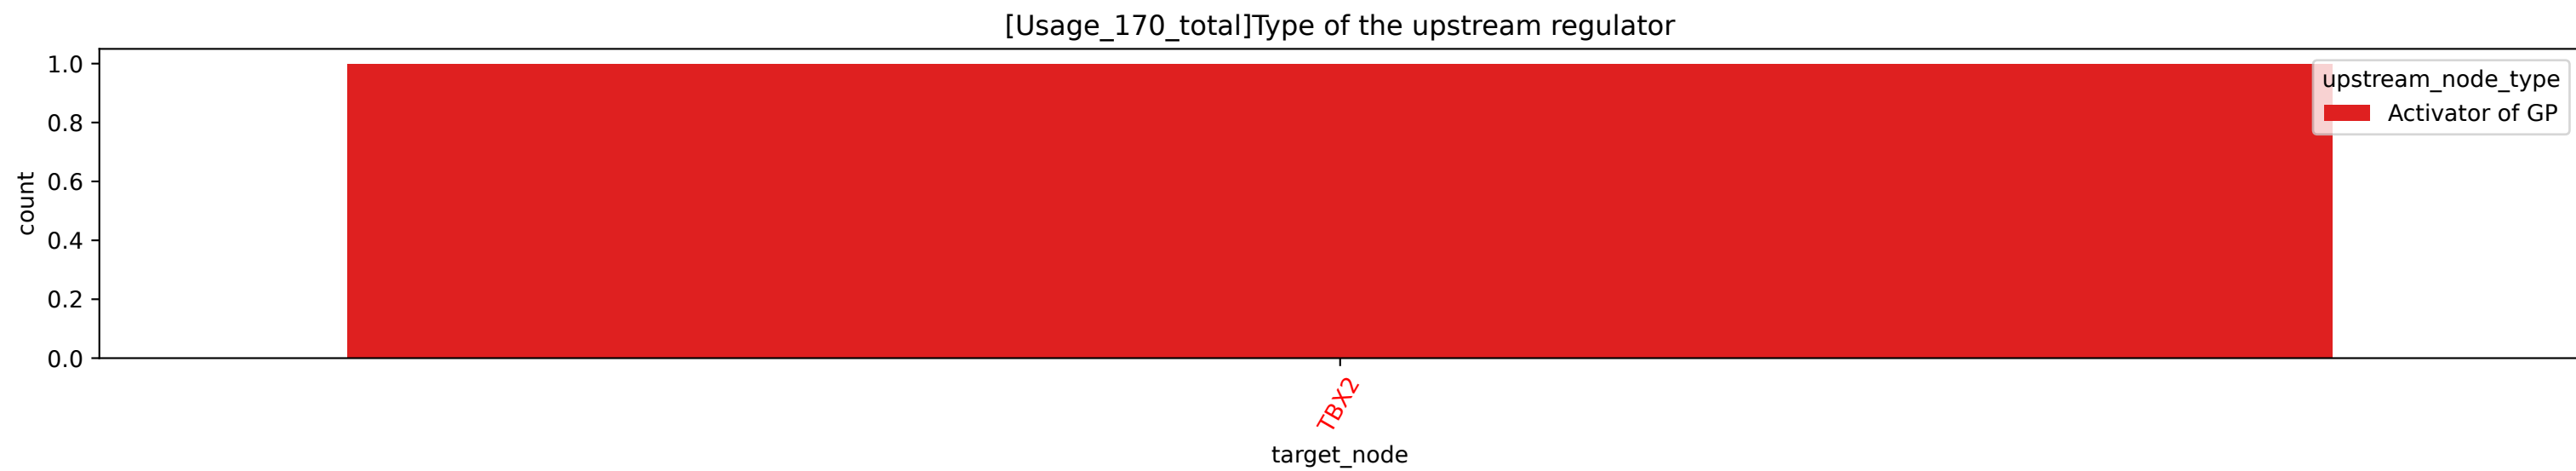

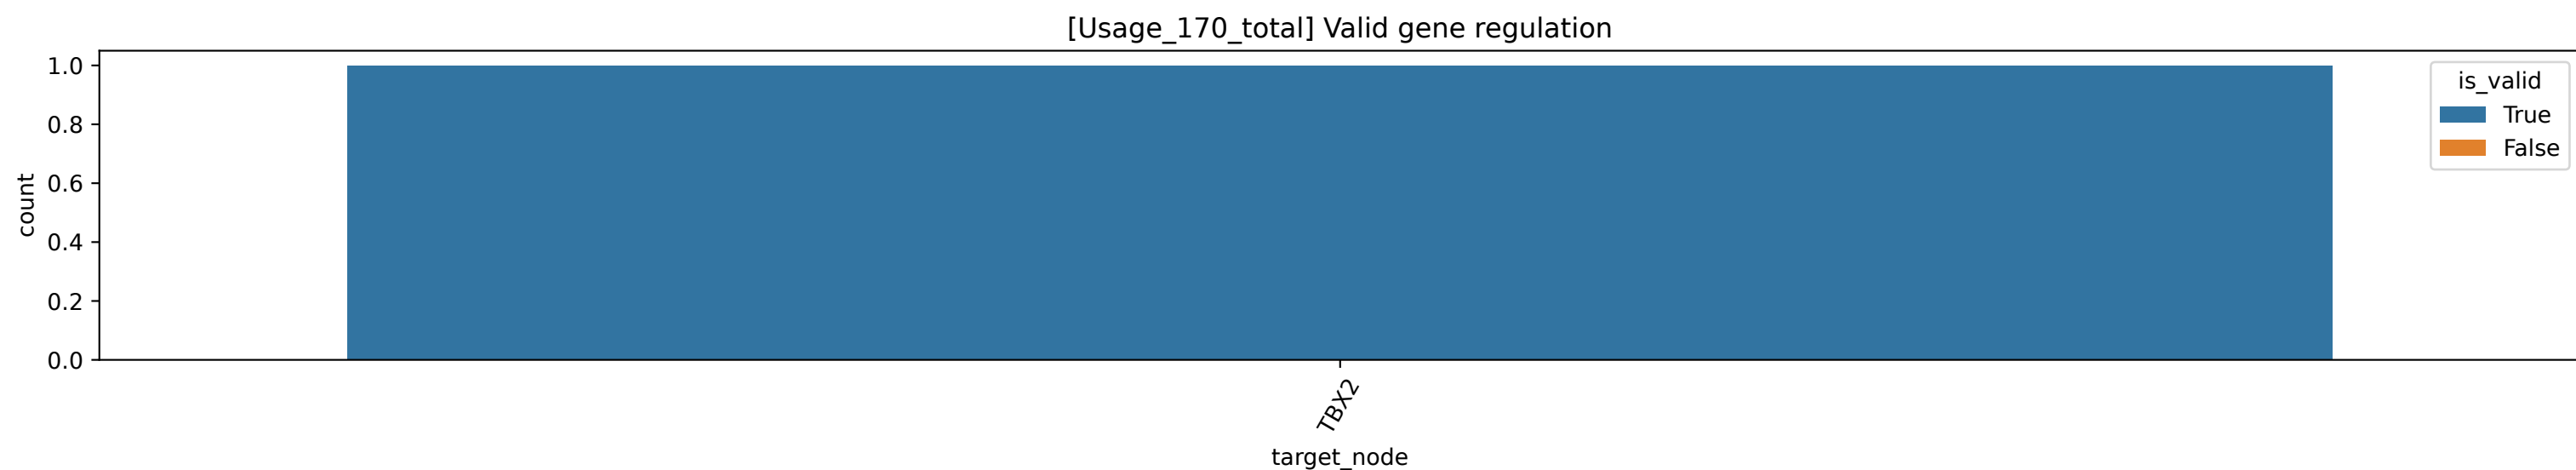

[Usage_161_total] Type of the upstream regulator

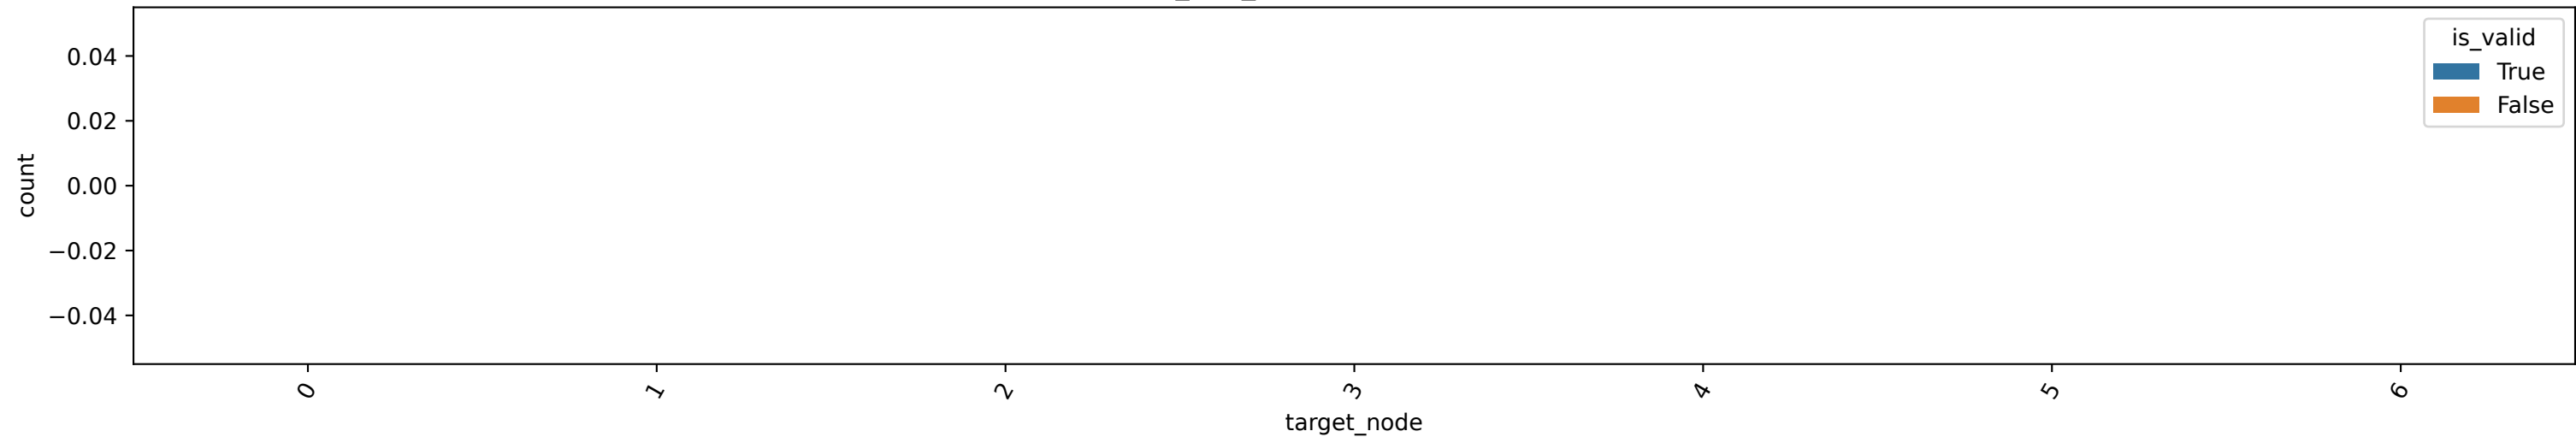

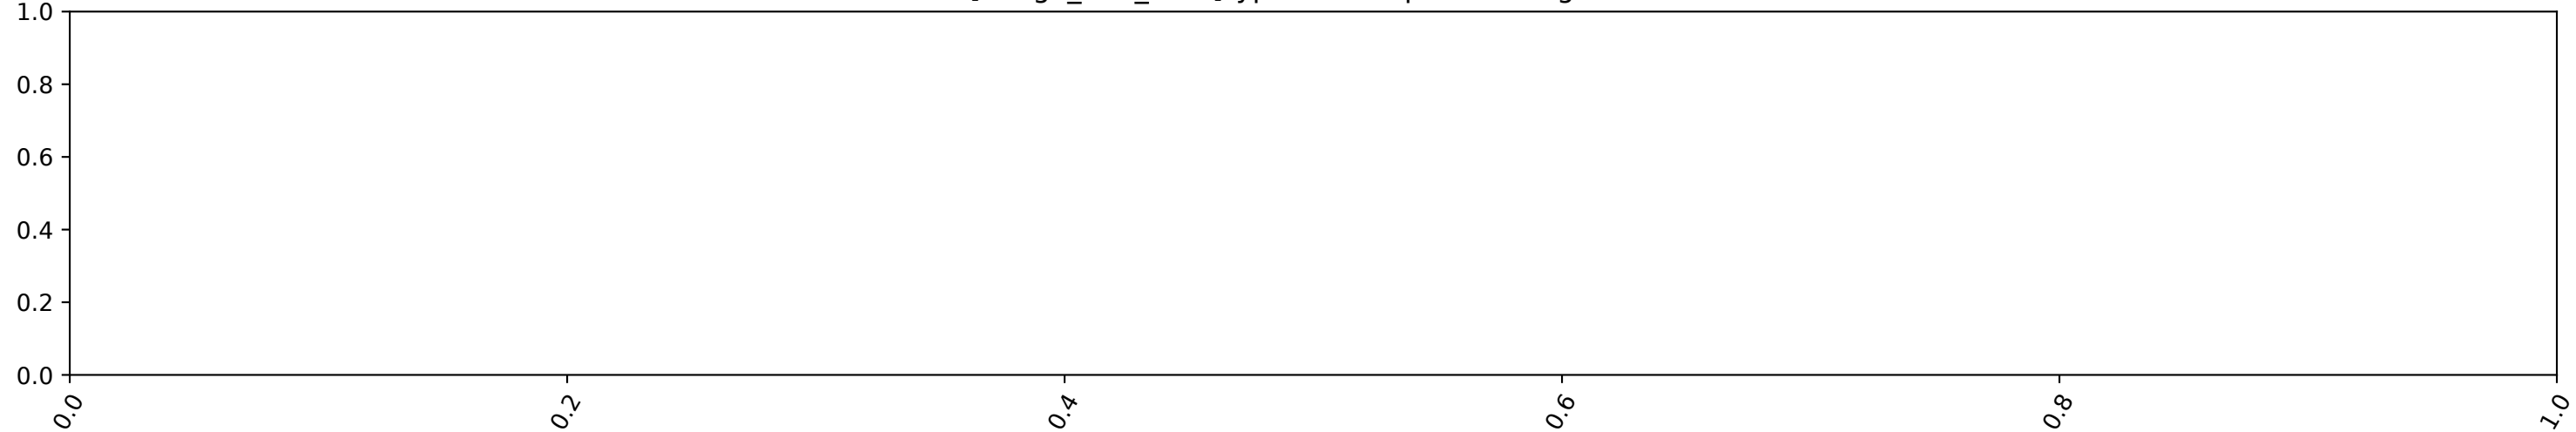

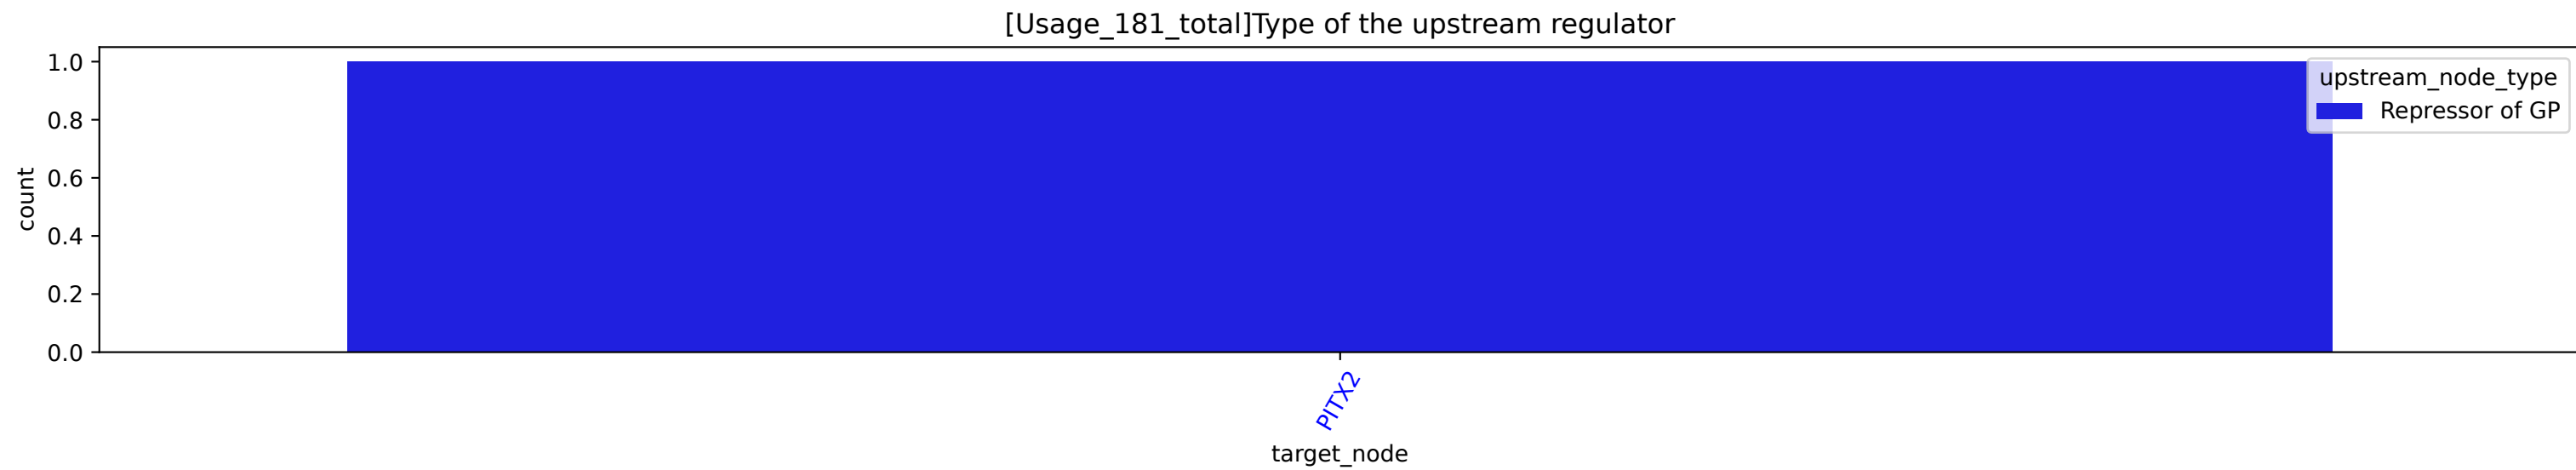

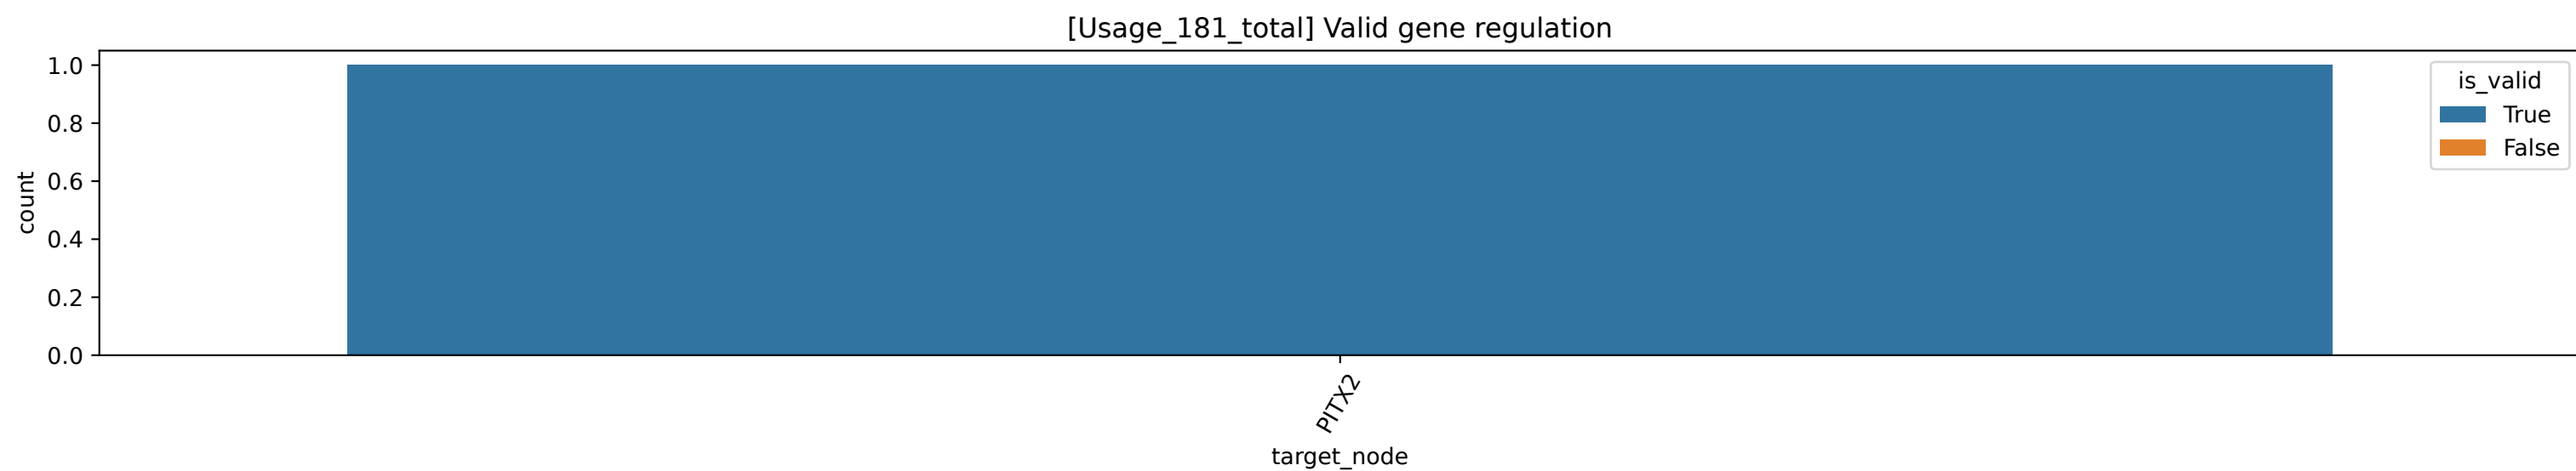

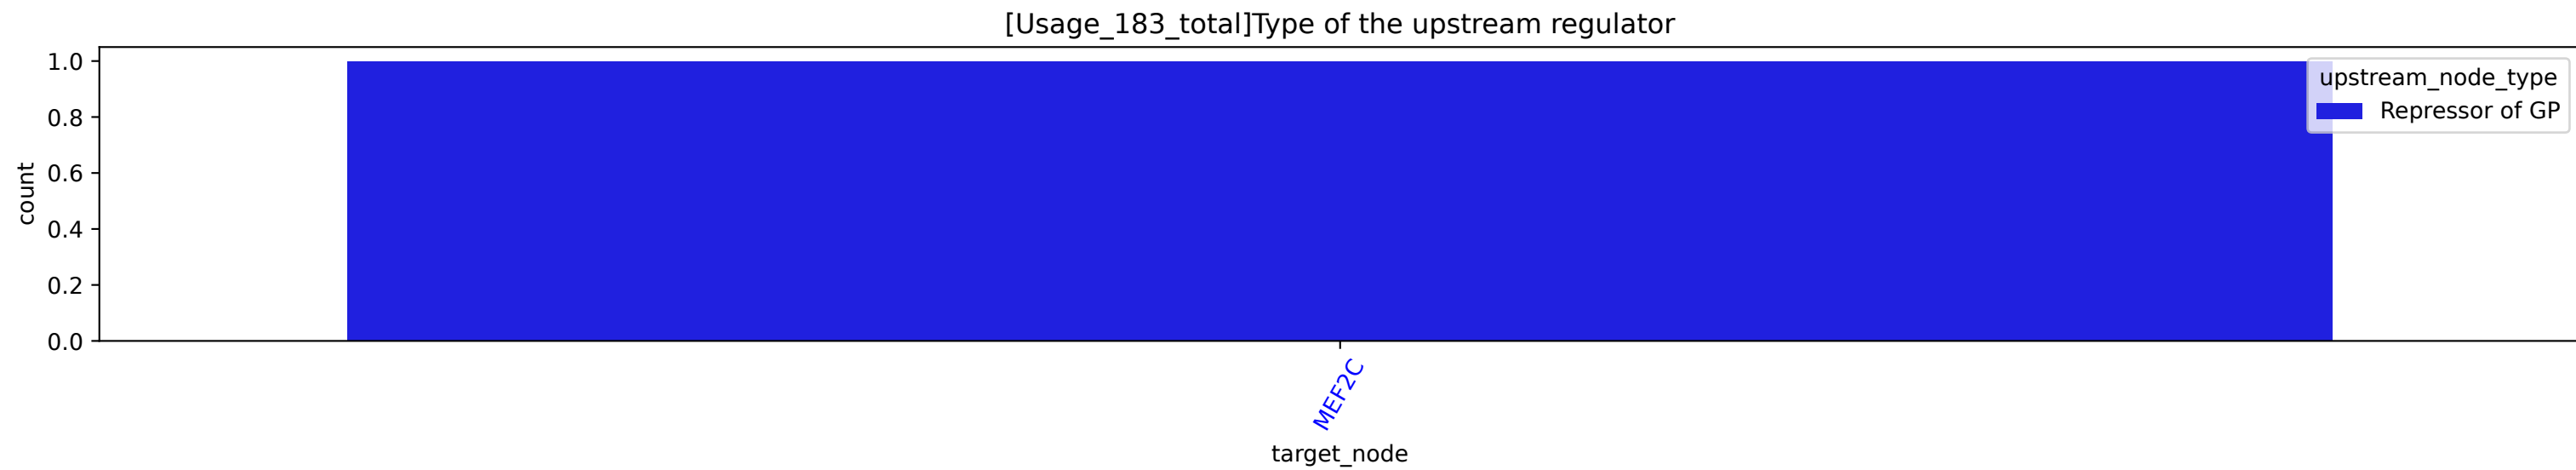

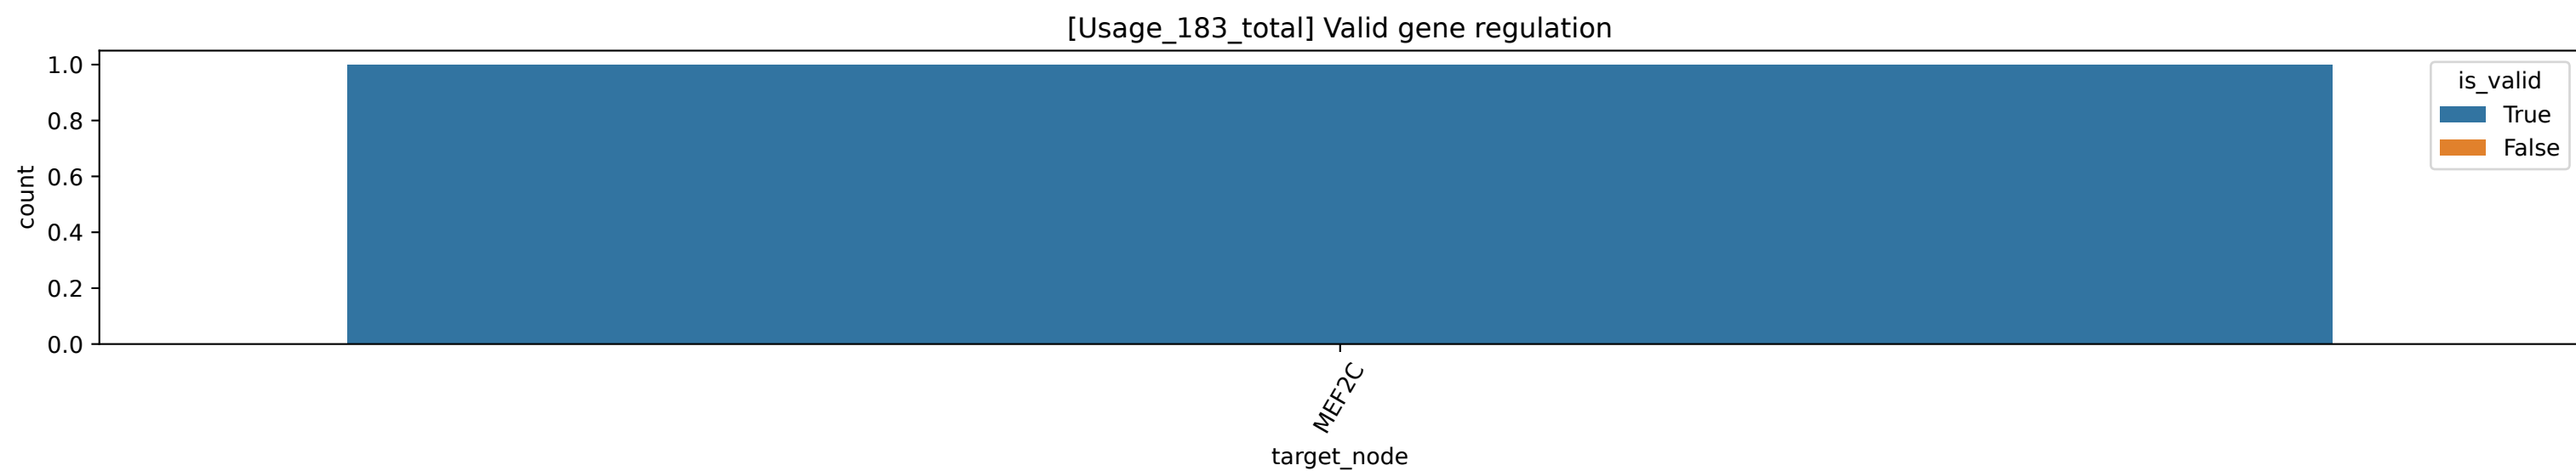

[Usage_178_total] Valid gene regulation

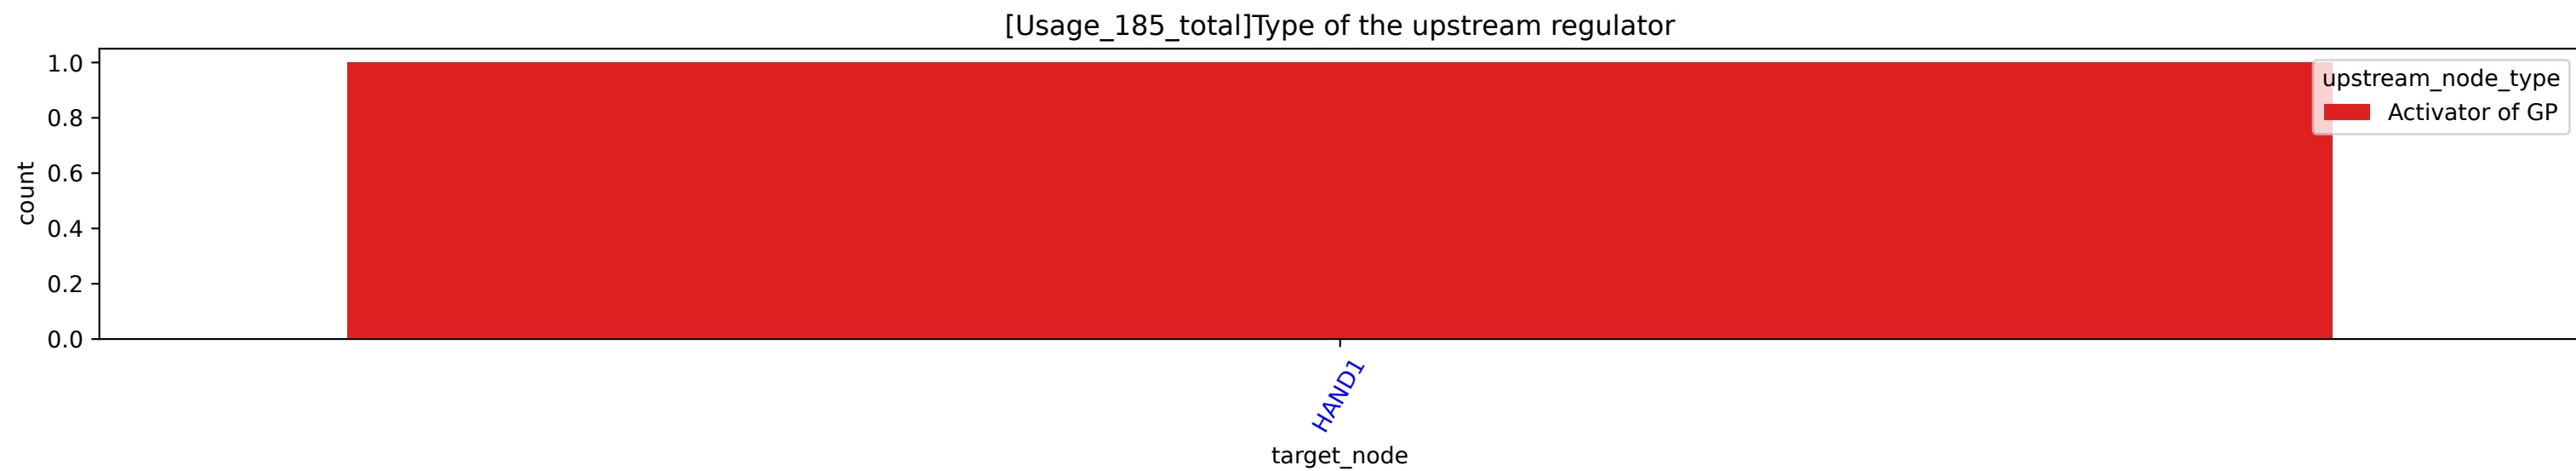

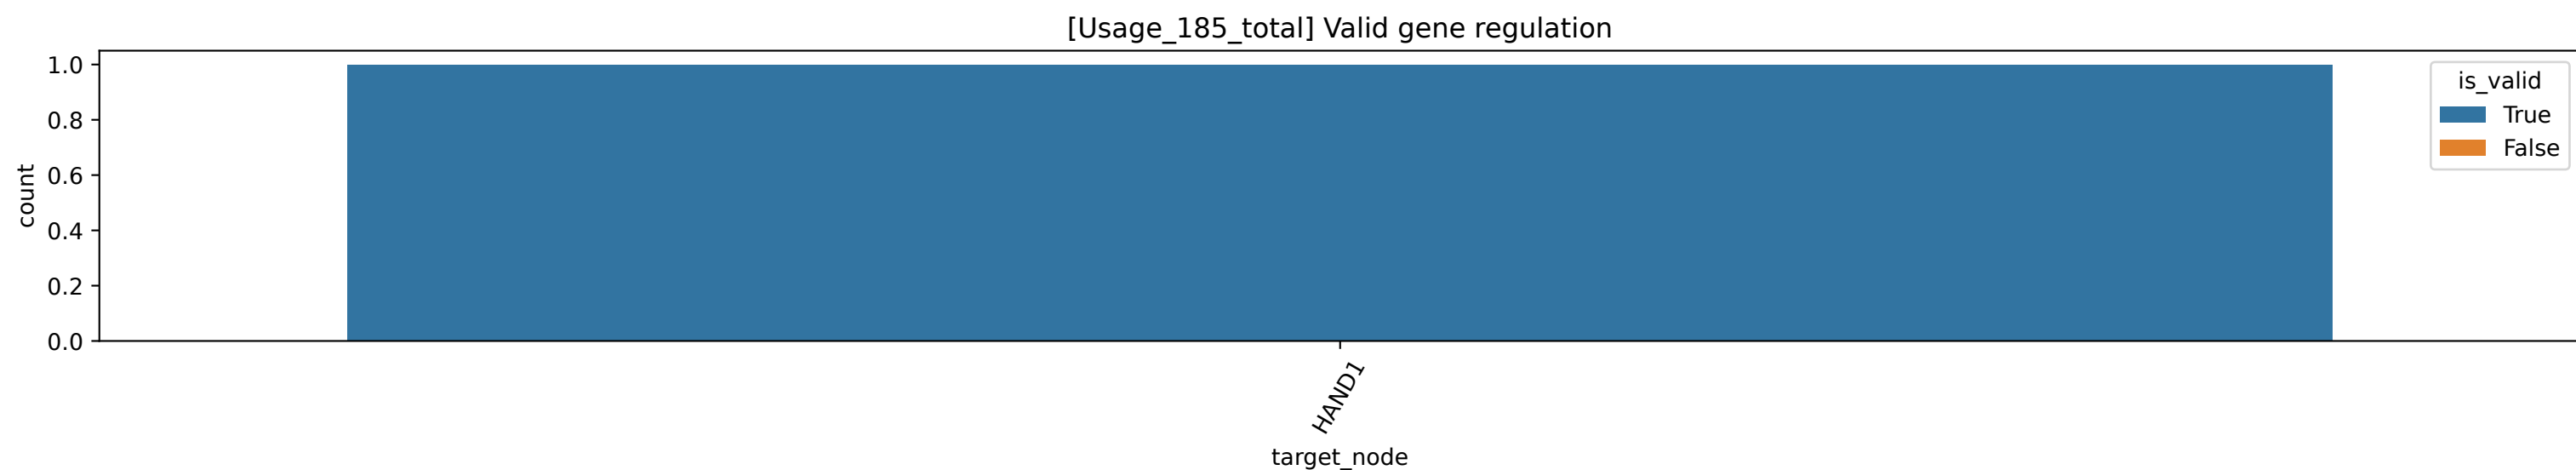

[Usage_178_total] Type of the upstream regulator

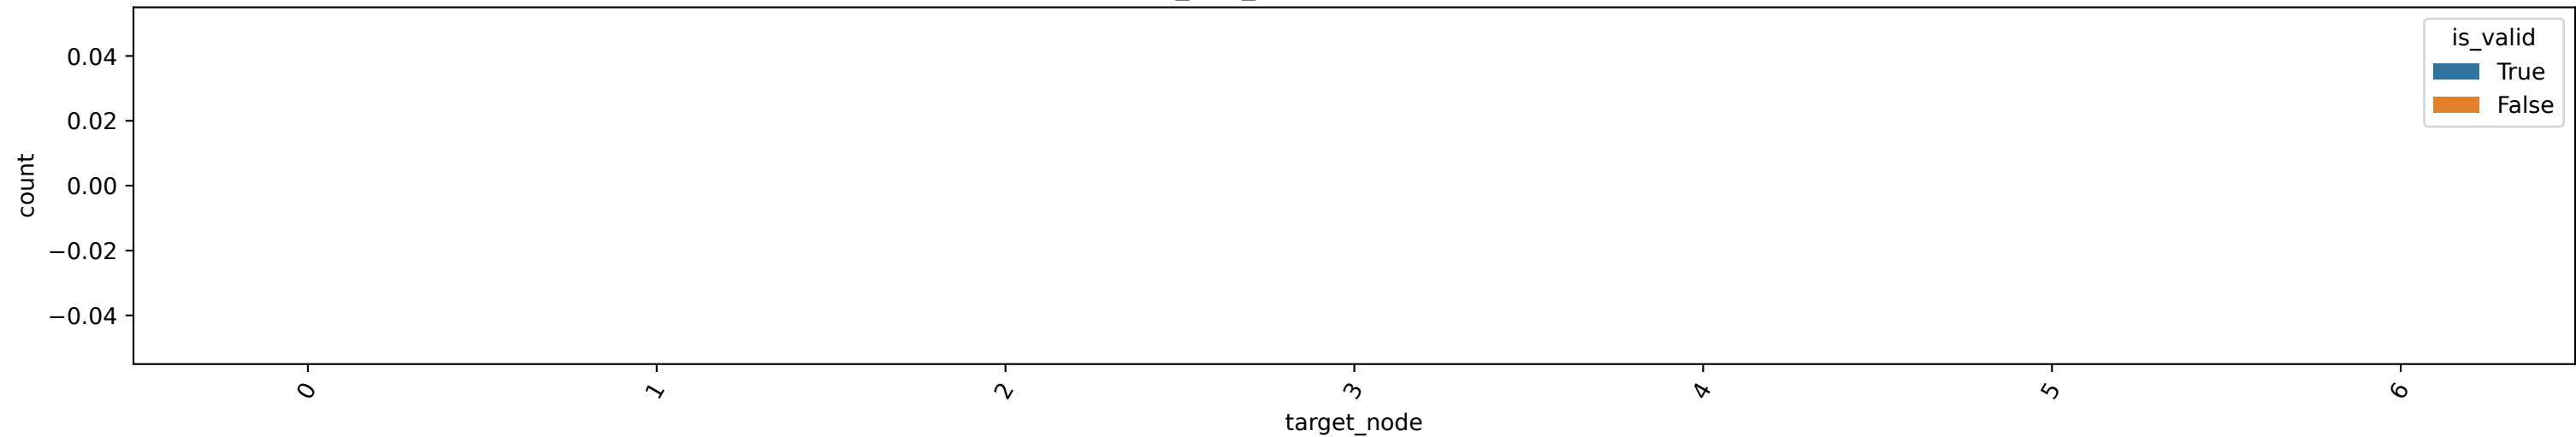

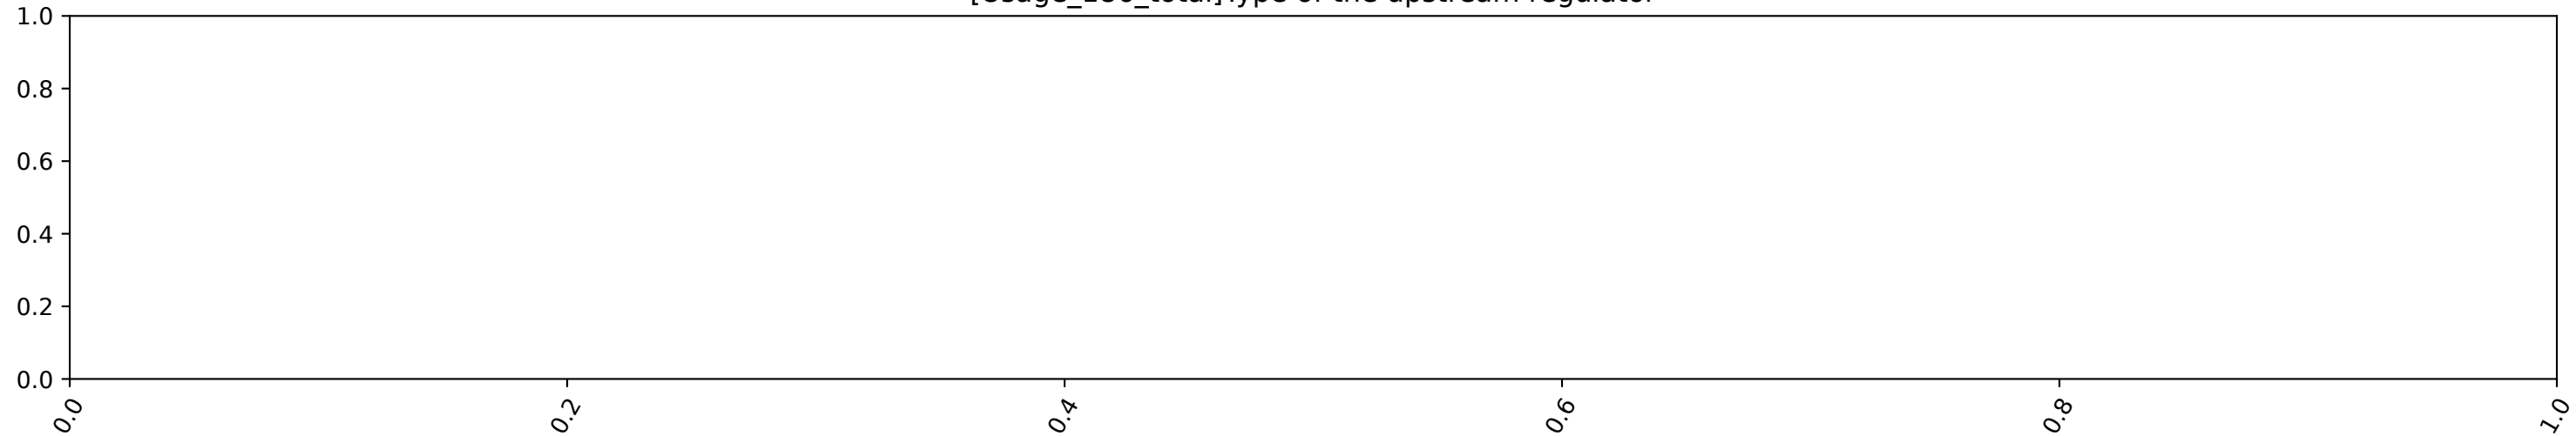

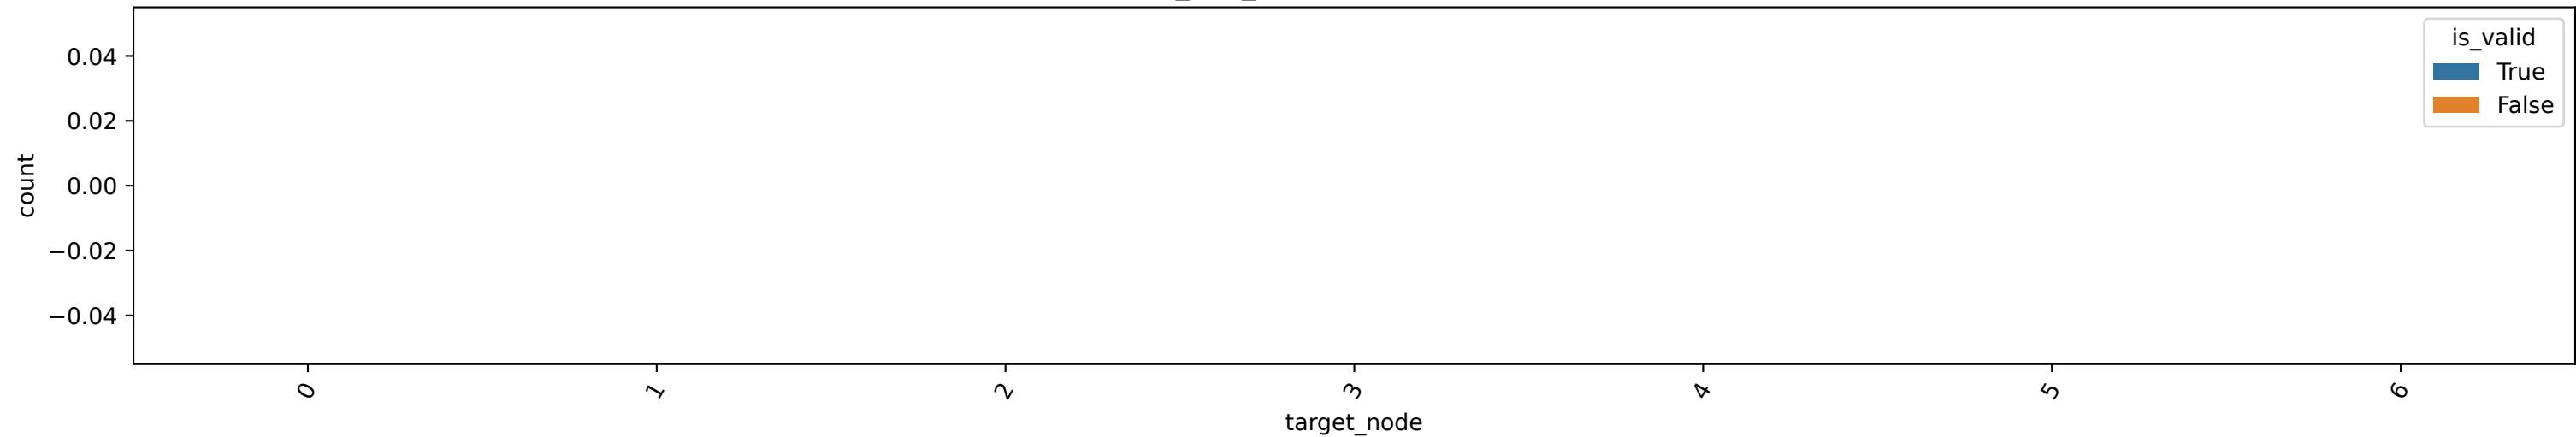

[Usage_186_total] Valid gene regulation

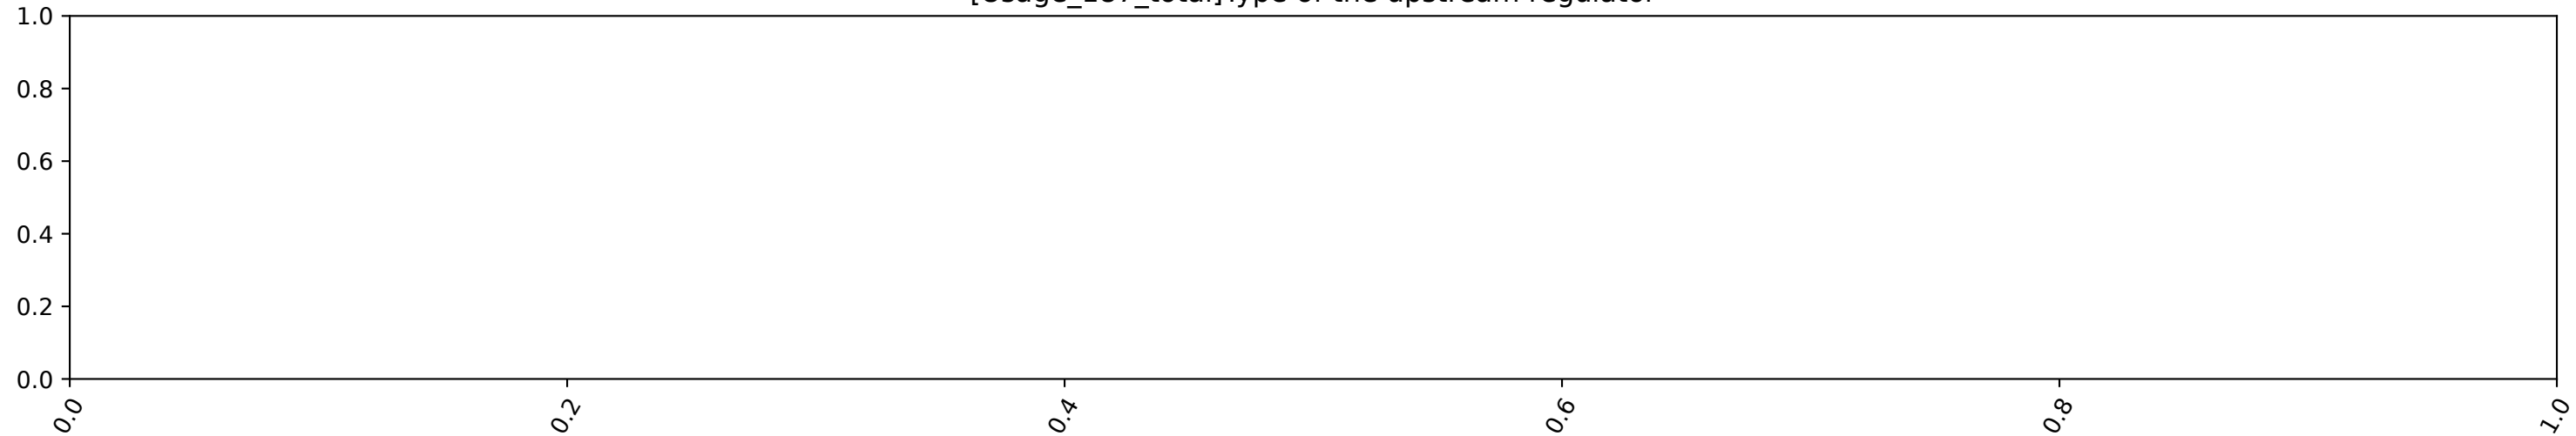

[Usage_186_total] Type of the upstream regulator

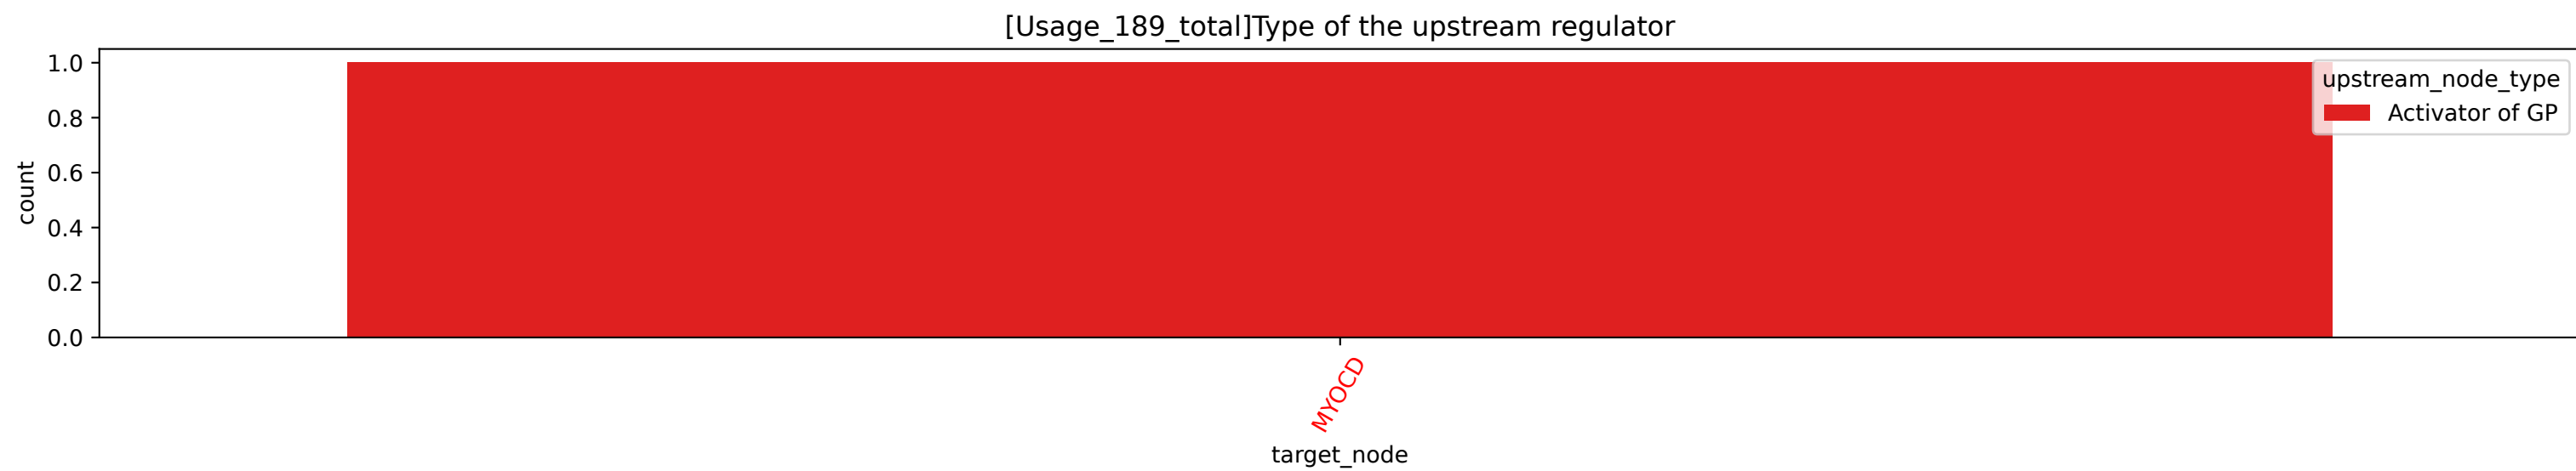

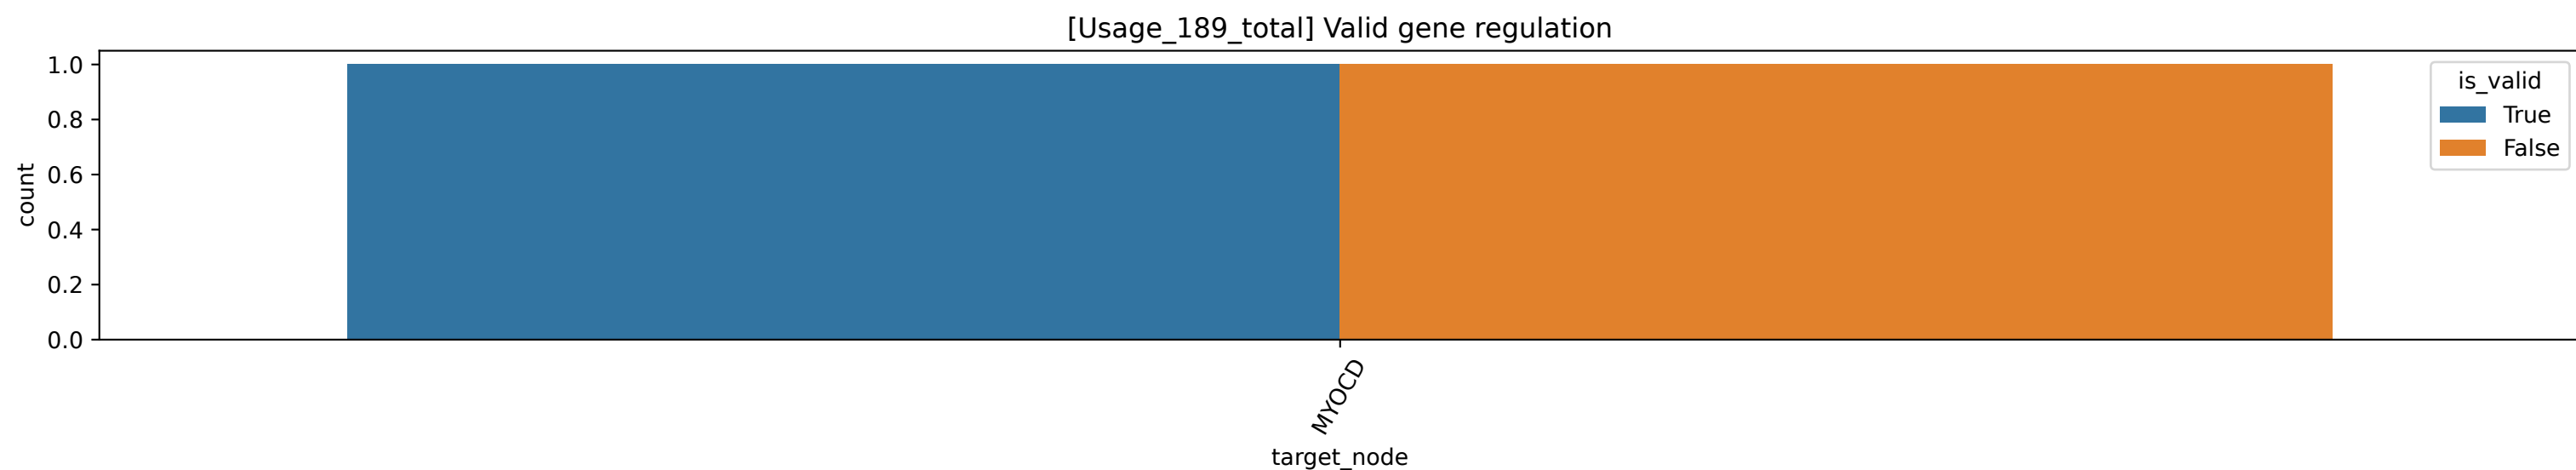

[Usage_187_total] Valid gene regulation

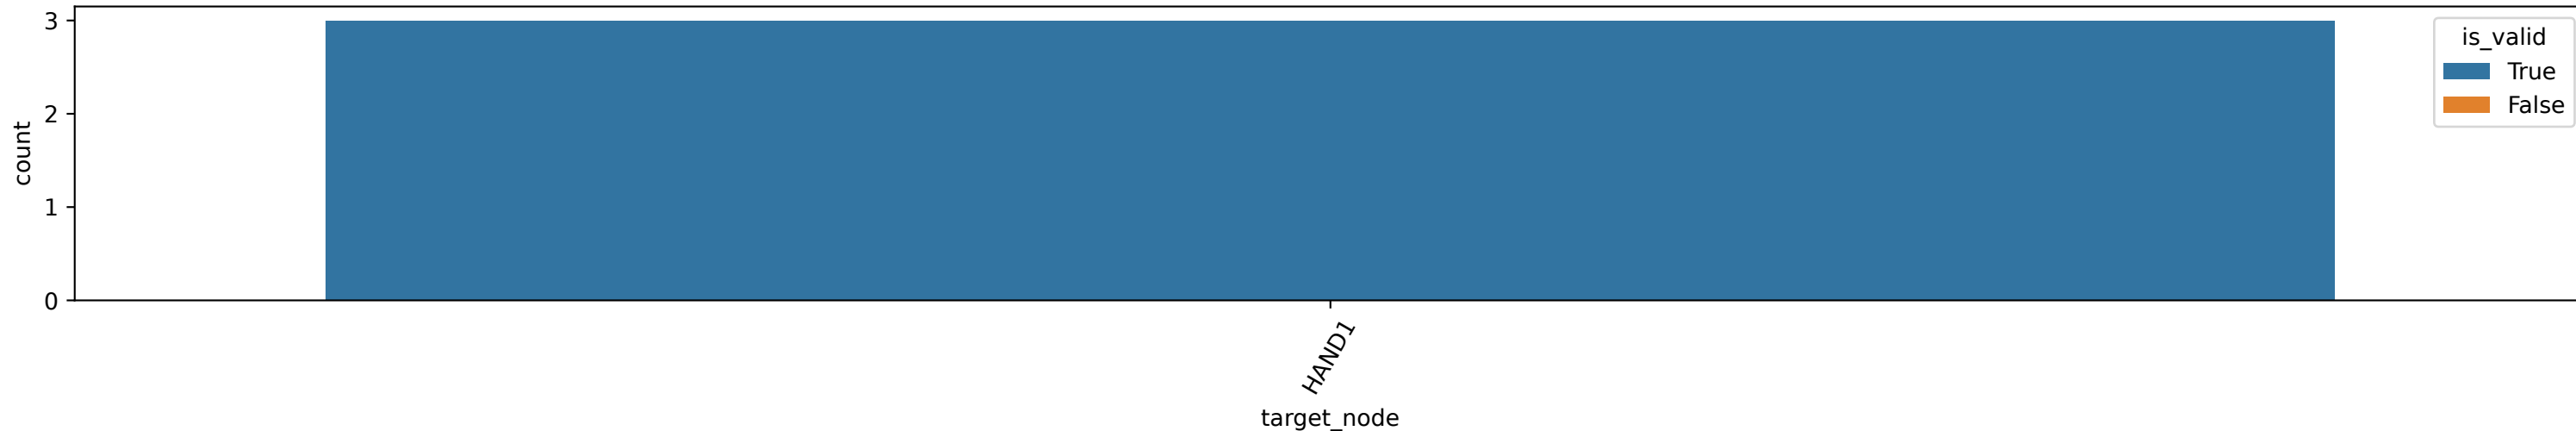

[Usage_187_total]Type of the upstream regulator

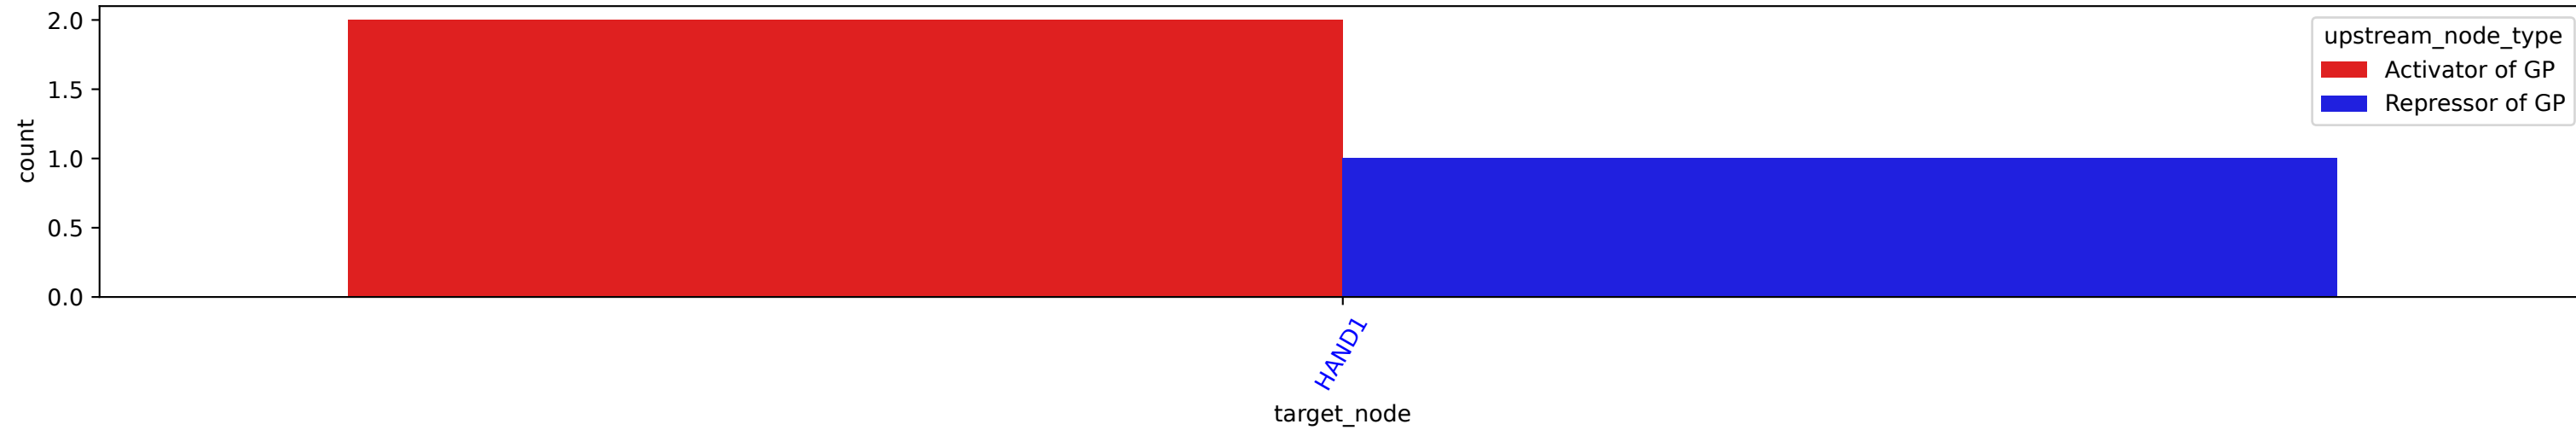

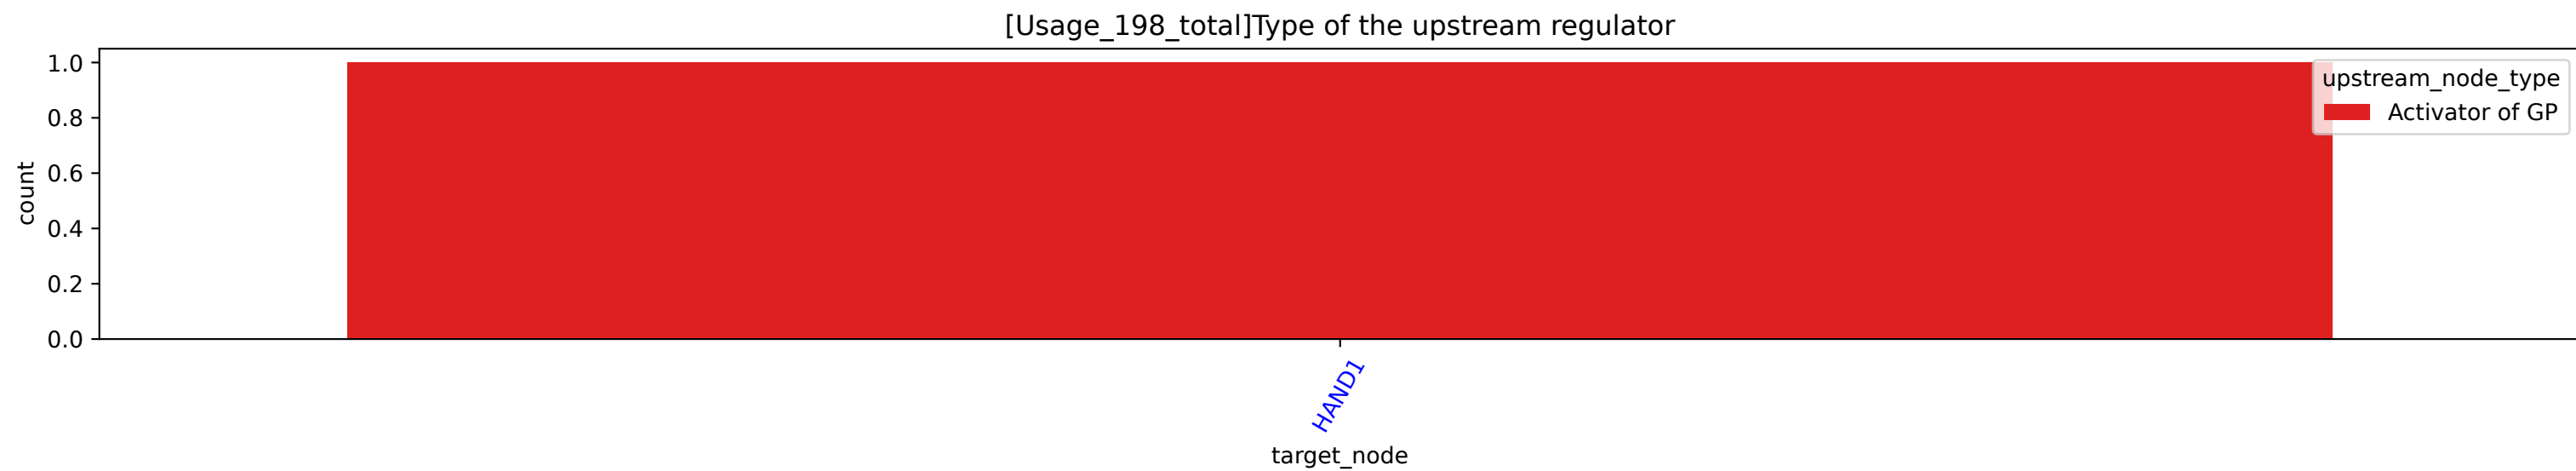

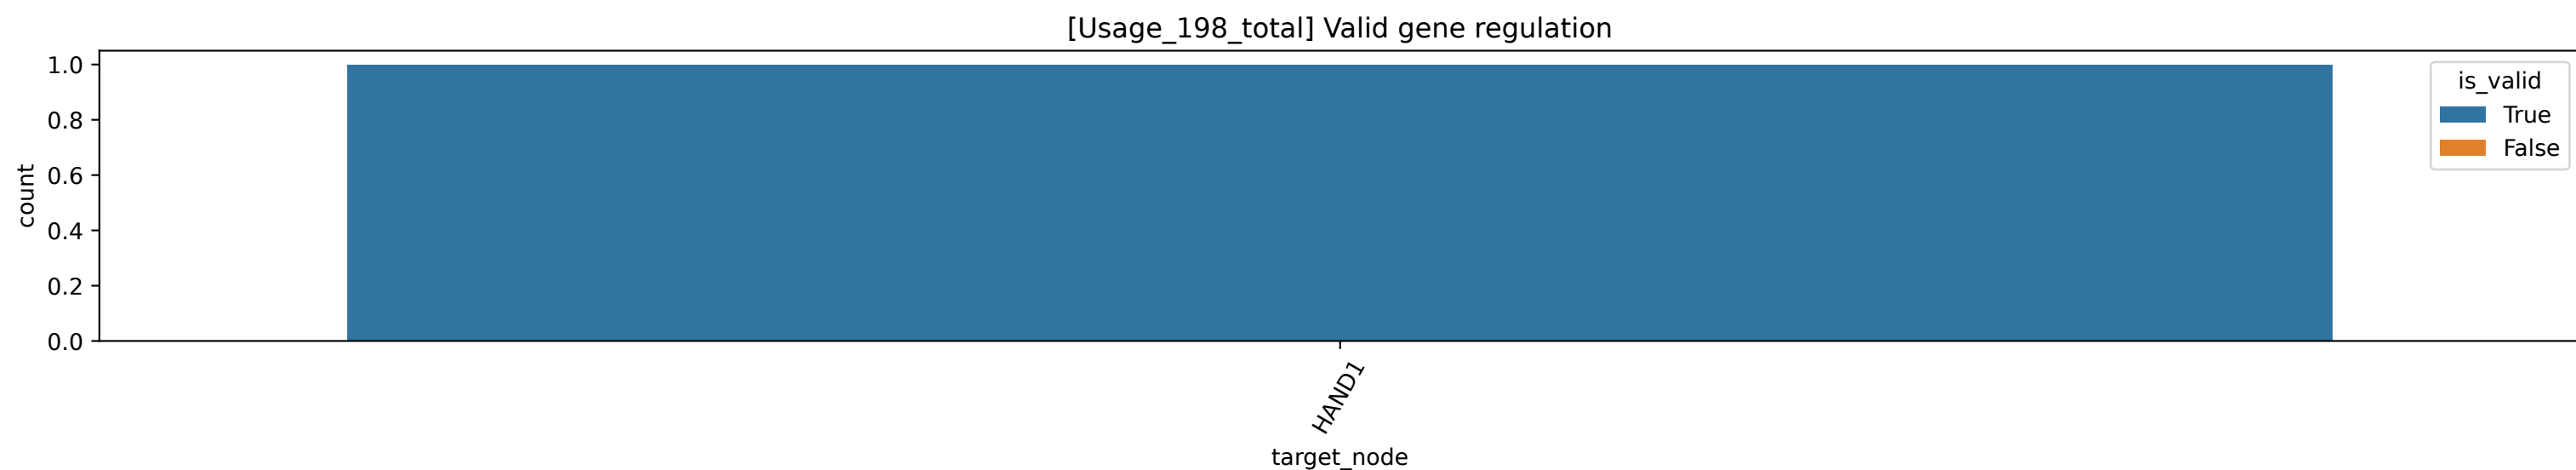

[Usage_192_total] Valid gene regulation

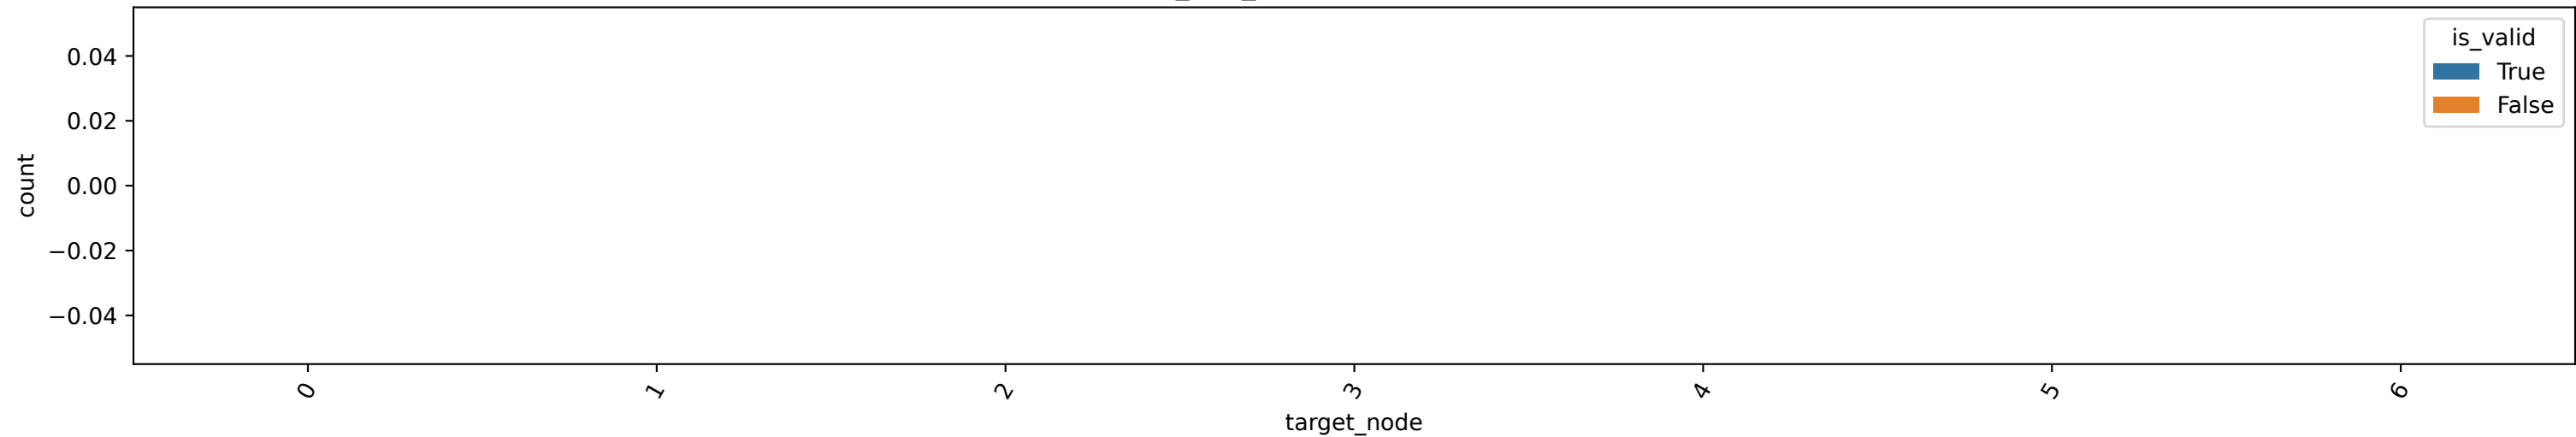

[Usage_192_total]Type of the upstream regulator

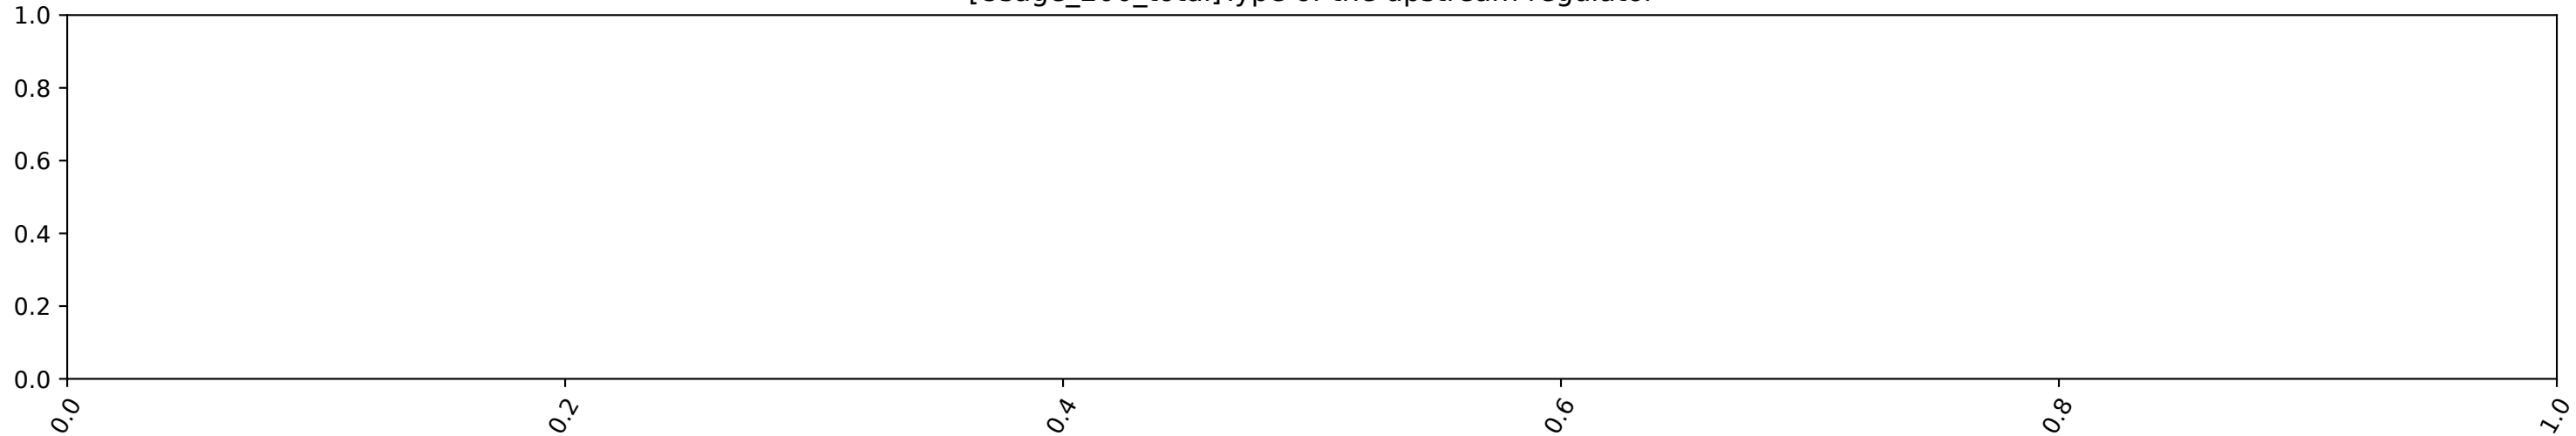

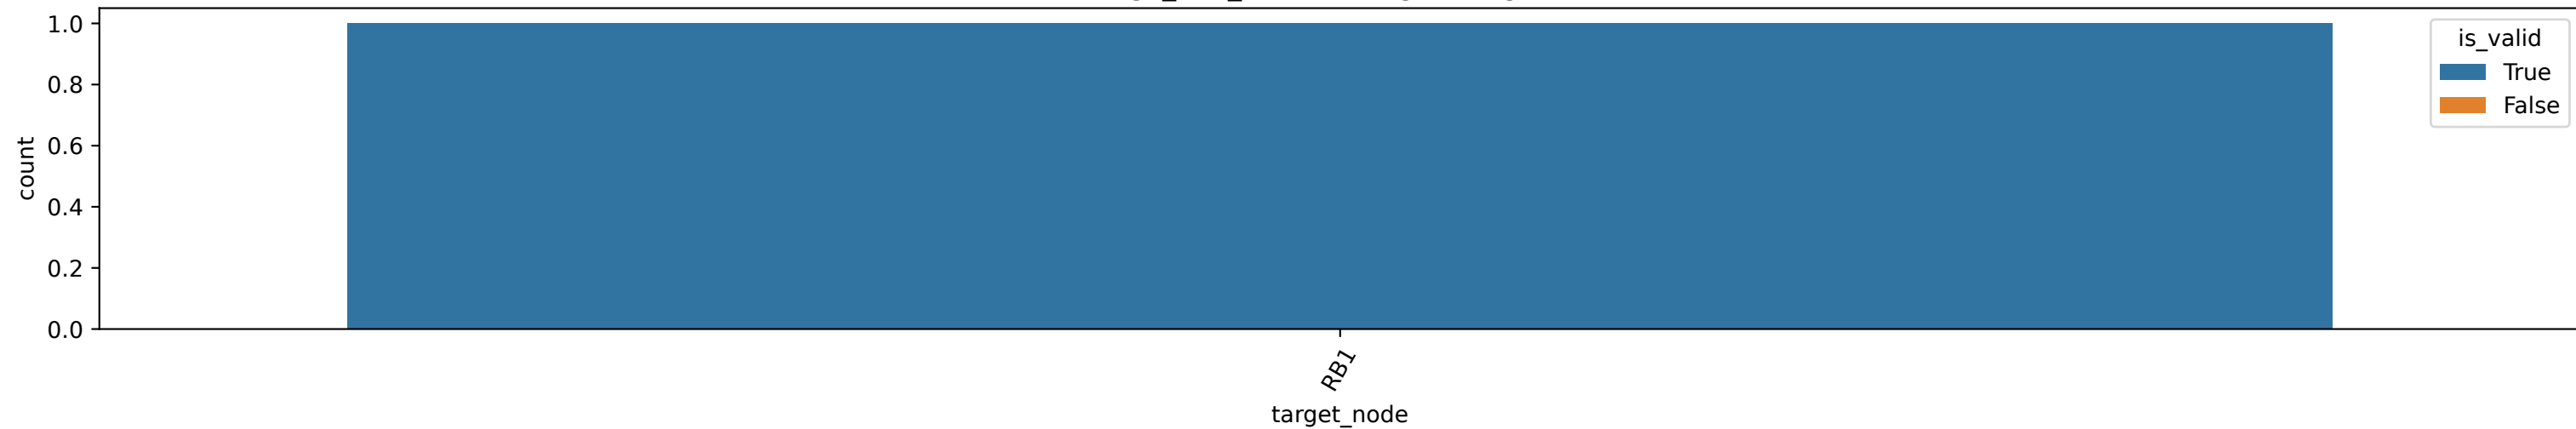

[Usage_200_total] Valid gene regulation

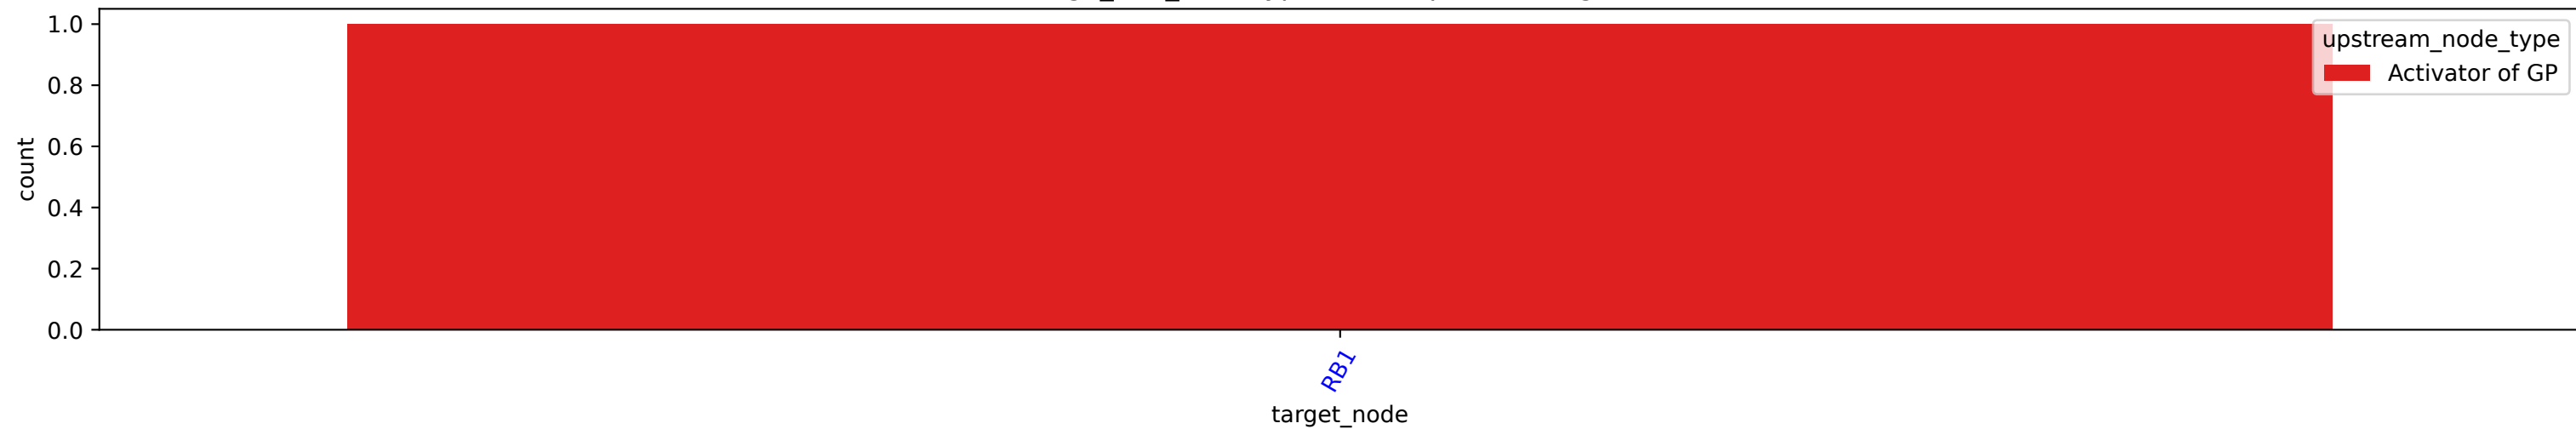

[Usage_200_total] Type of the upstream regulator

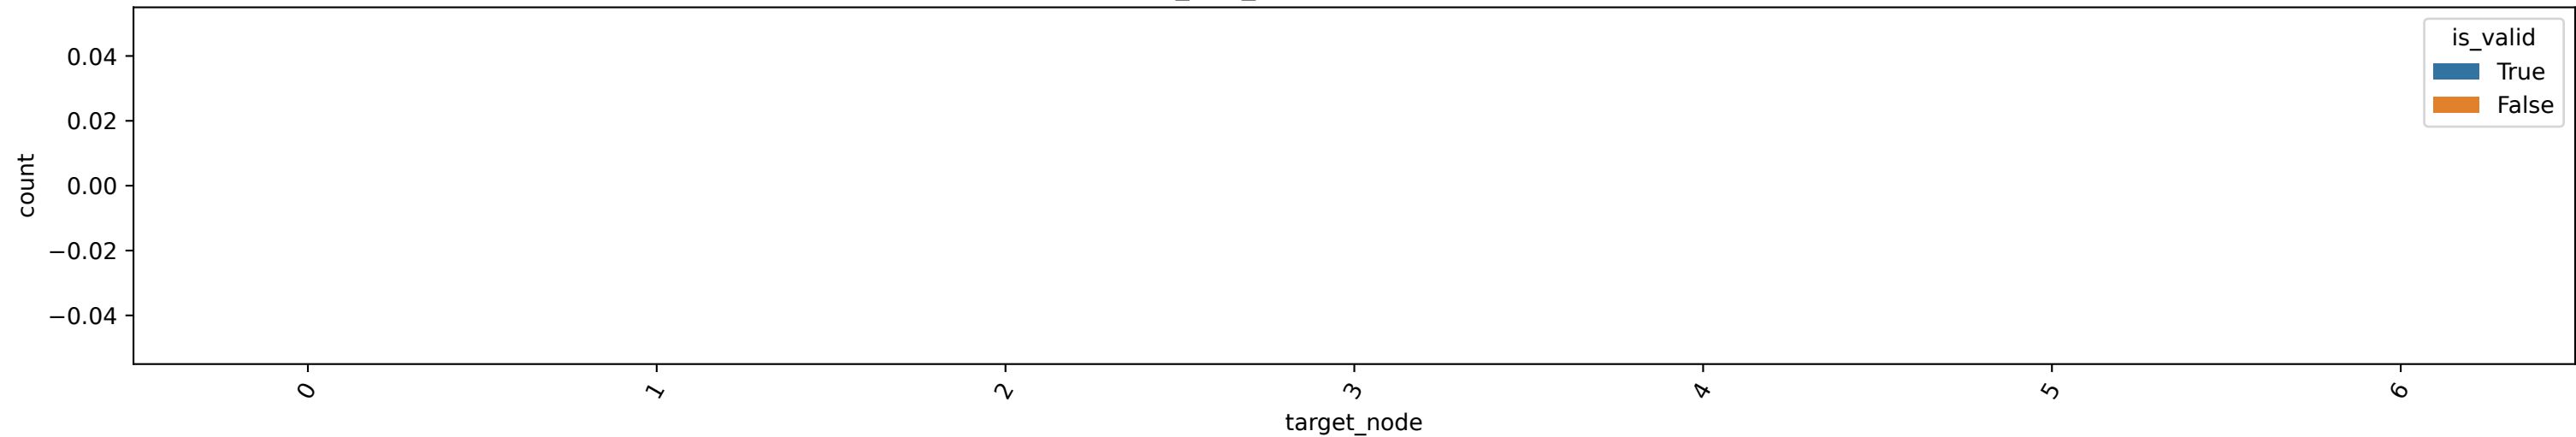

[Usage_201_total] Valid gene regulation

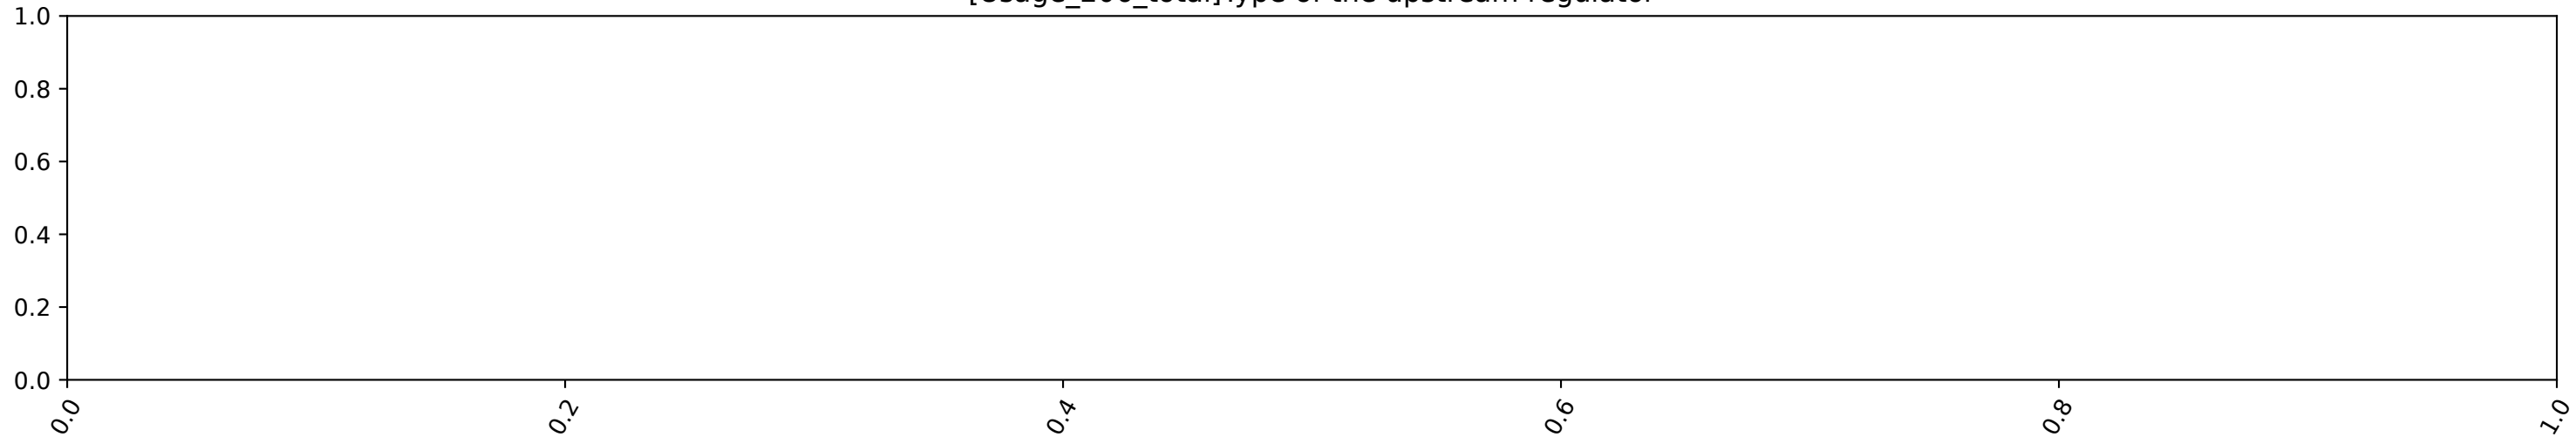

[Usage_201_total]Type of the upstream regulator

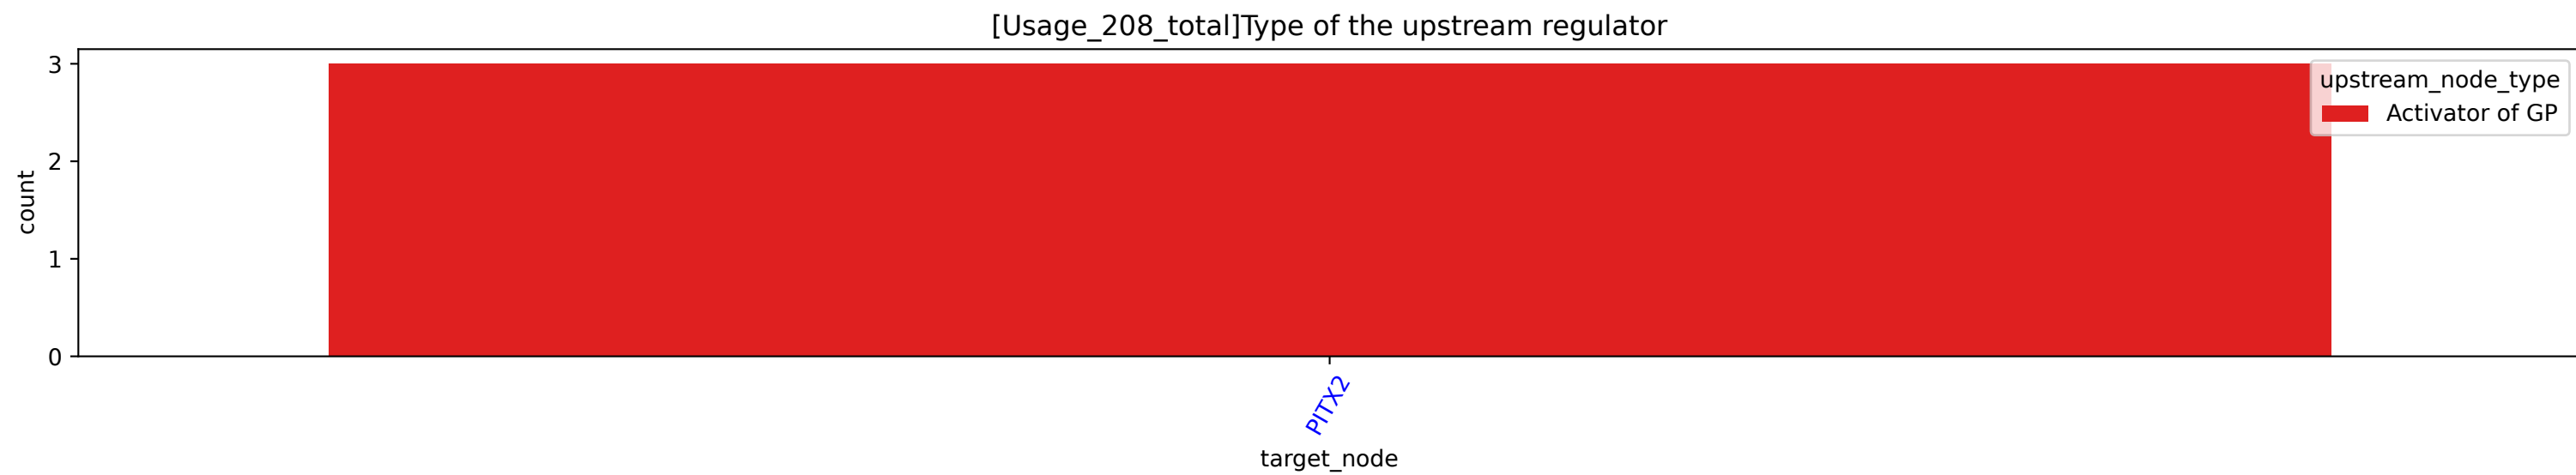

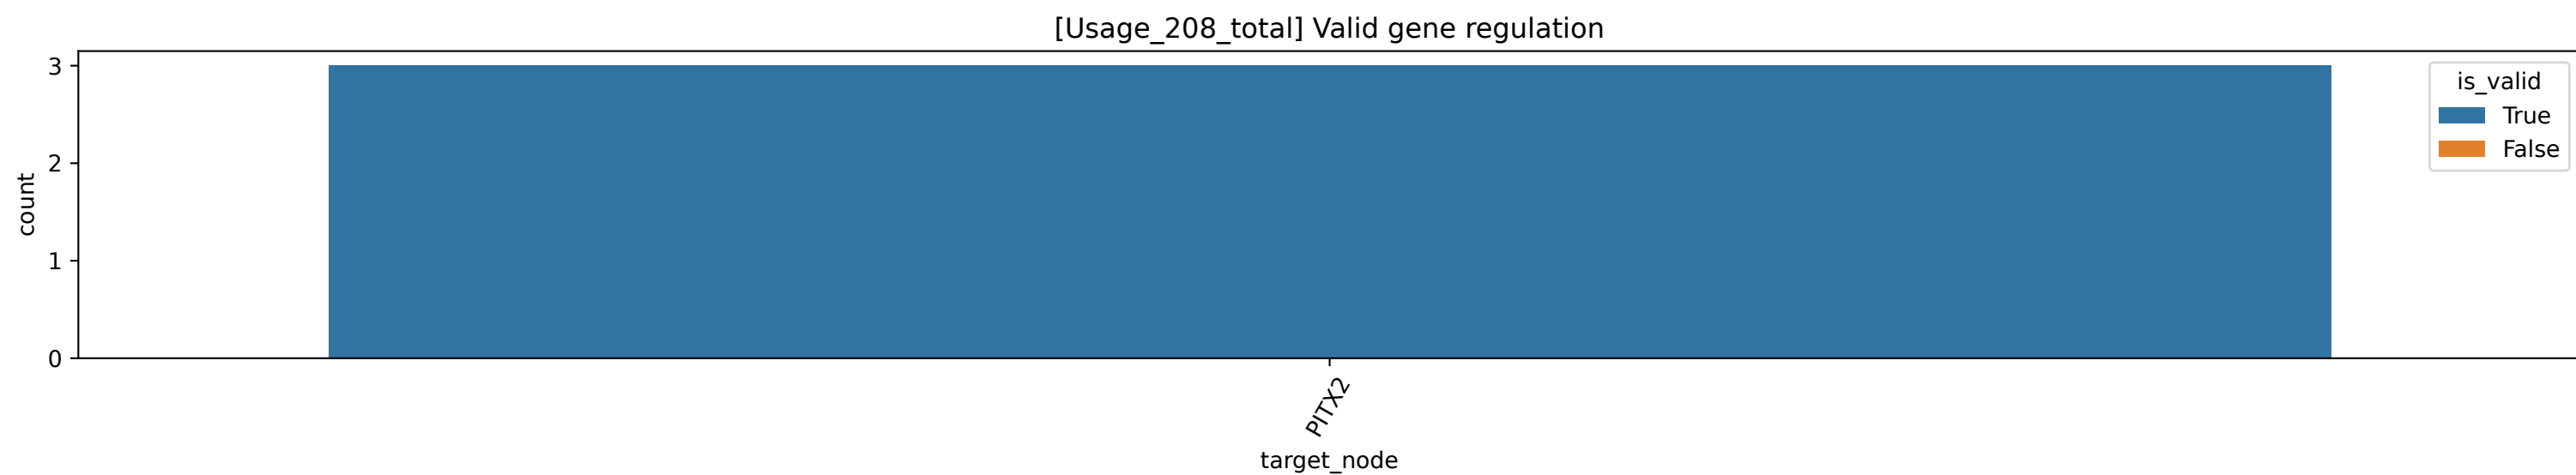

[Usage_206_total] Valid gene regulation

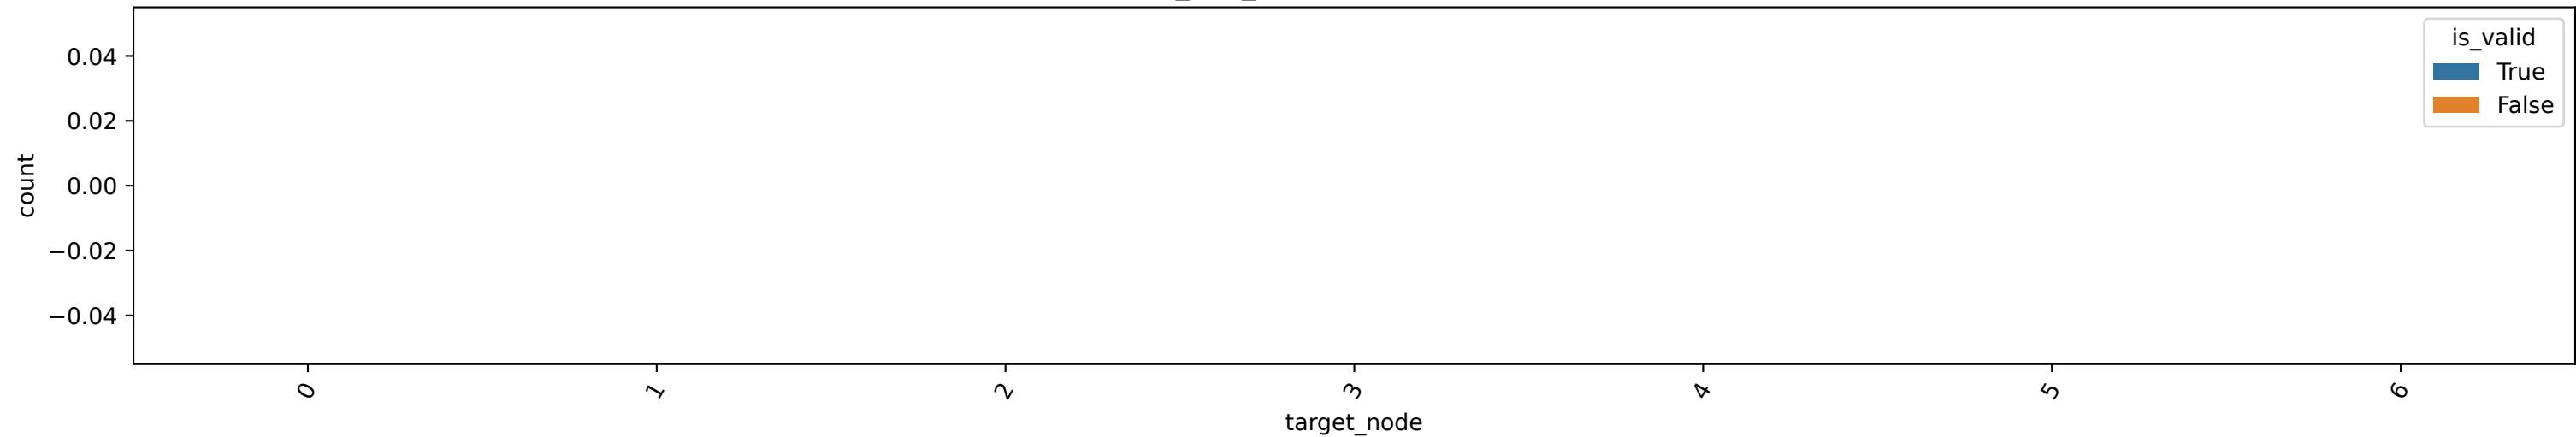

[Usage_206_total] Type of the upstream regulator

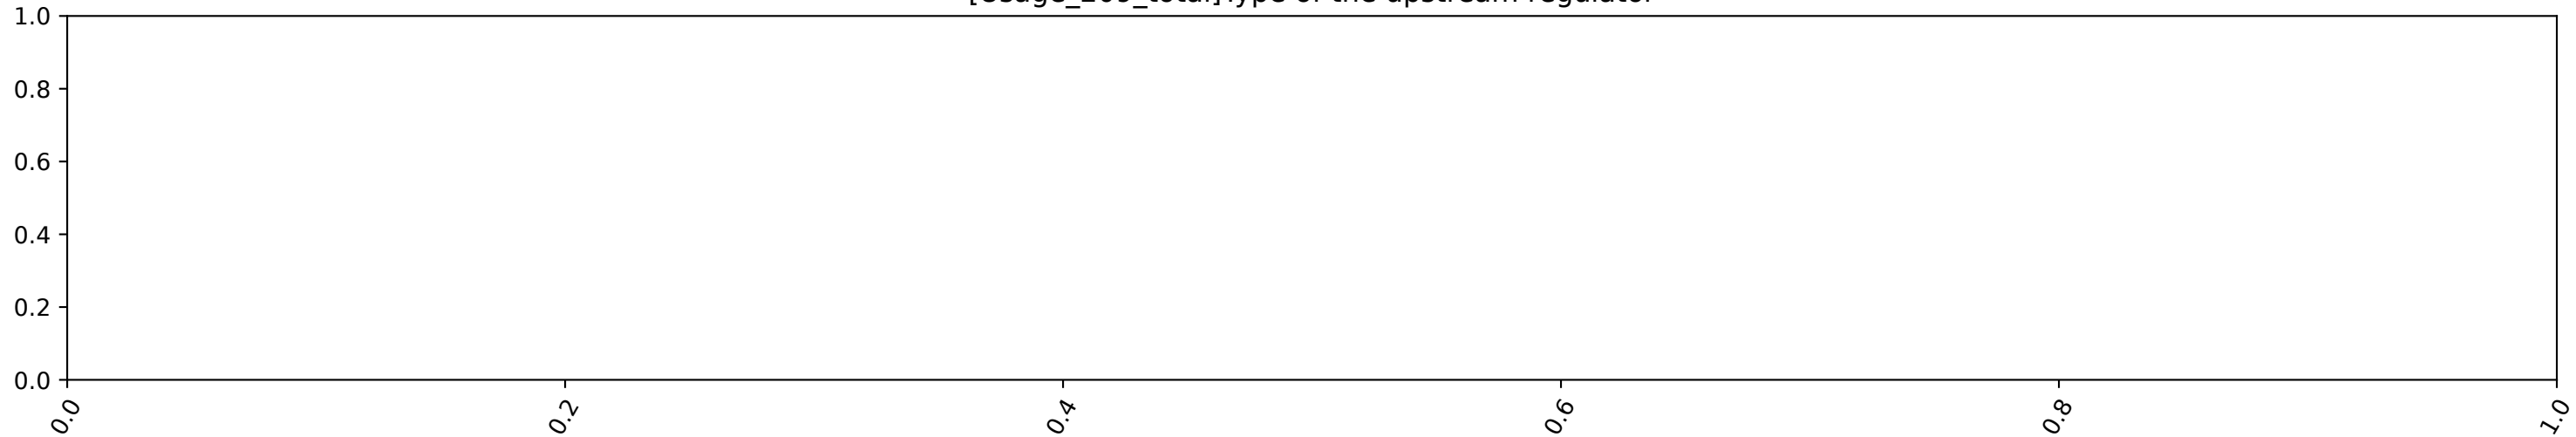

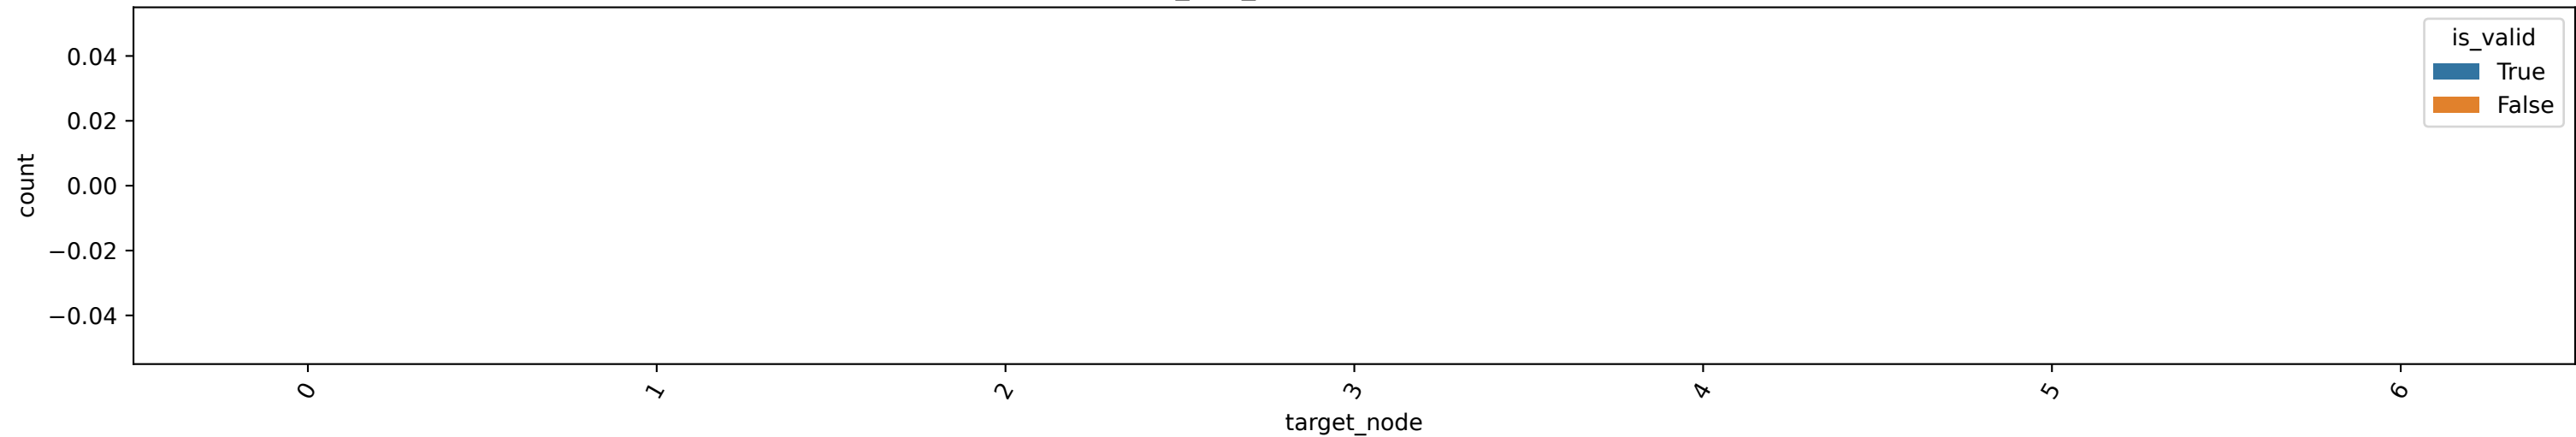

[Usage_209_total] Valid gene regulation

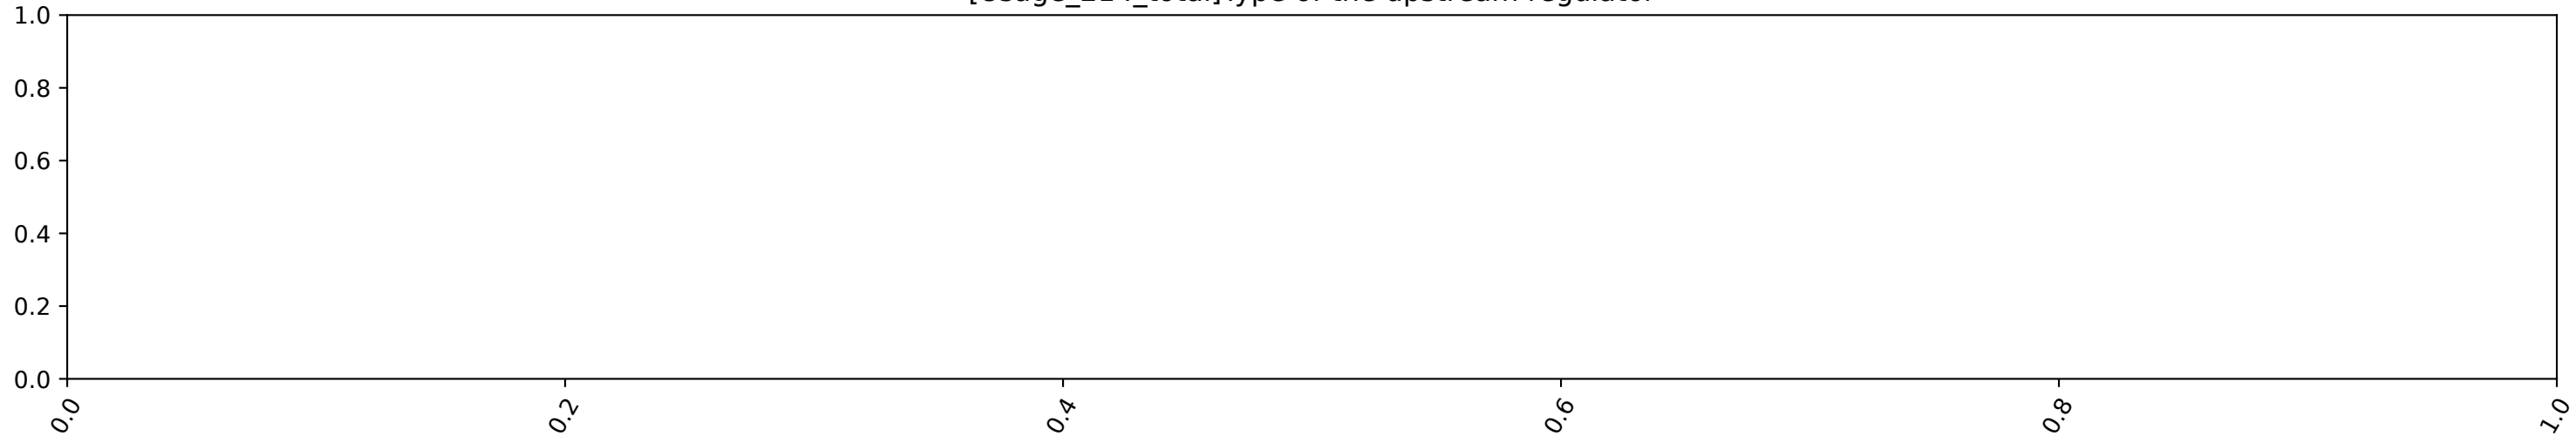

[Usage_209_total]Type of the upstream regulator

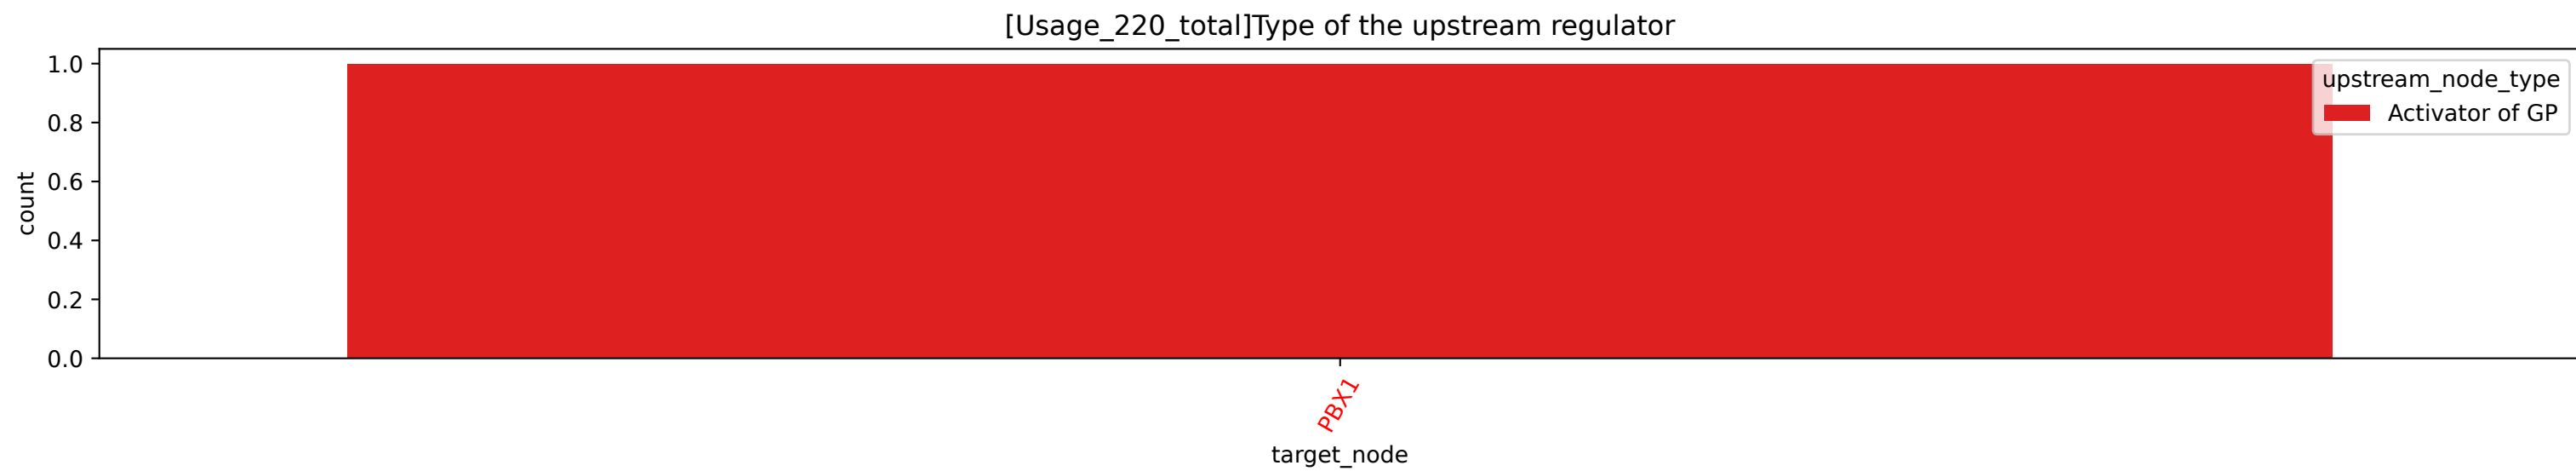

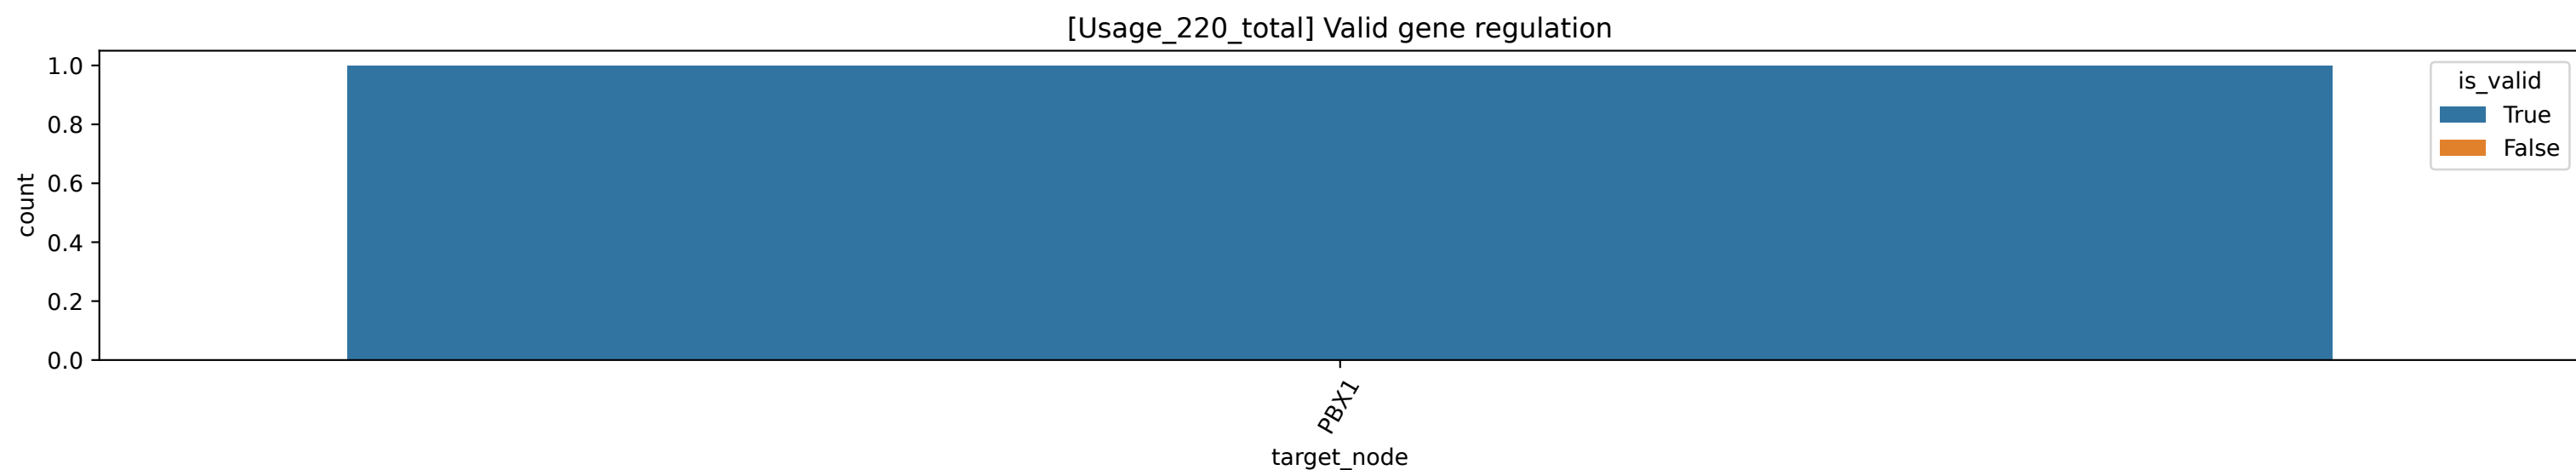

[Usage_214_total] Valid gene regulation

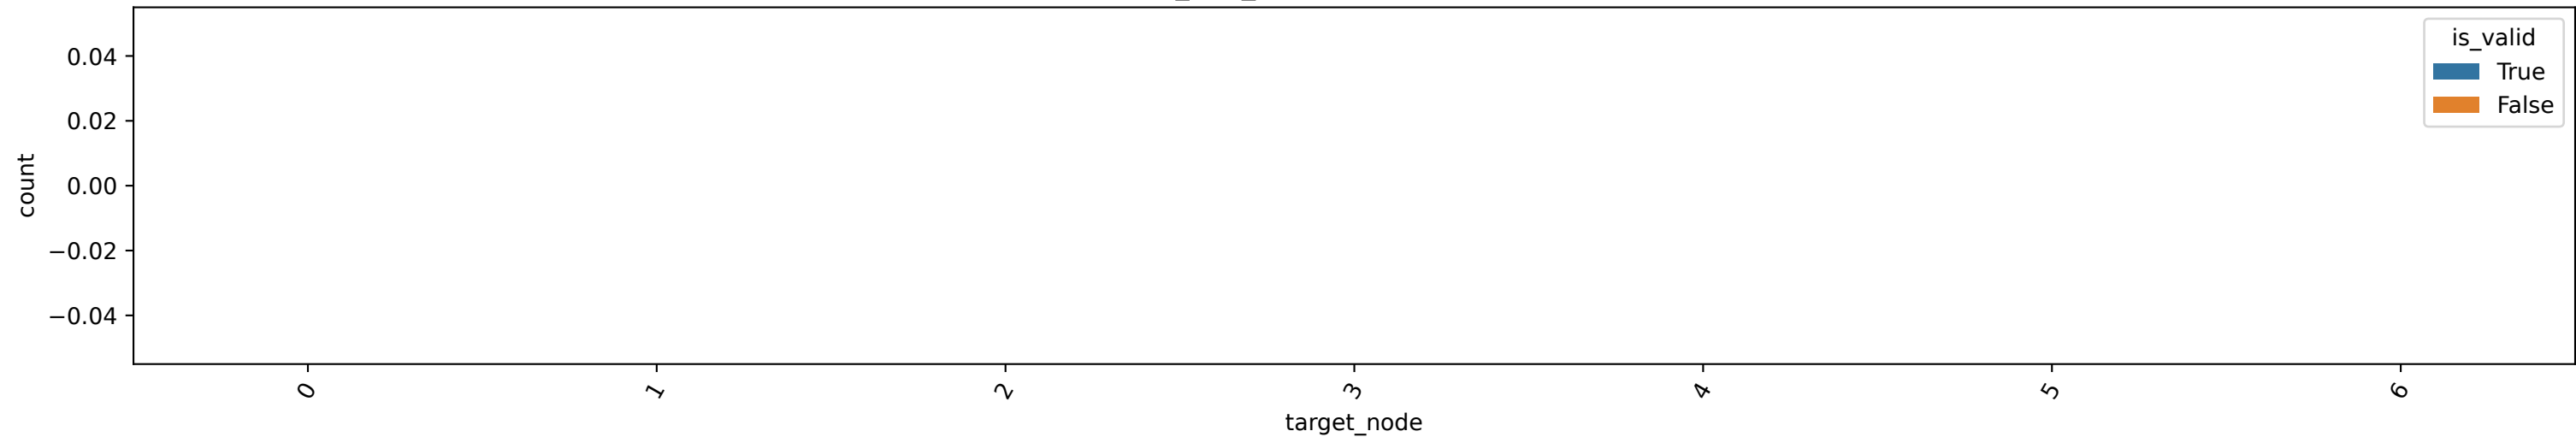

[Usage_214_total] Type of the upstream regulator

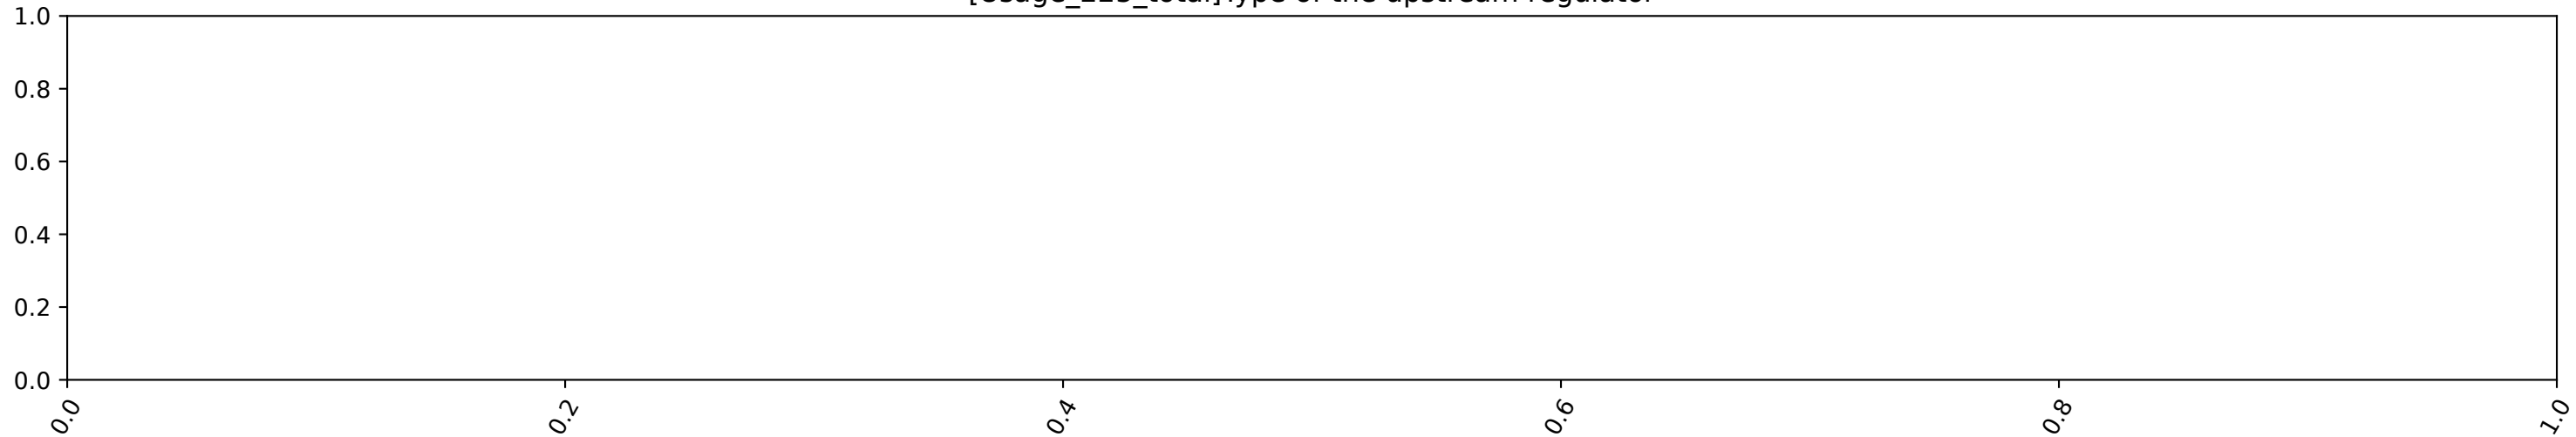

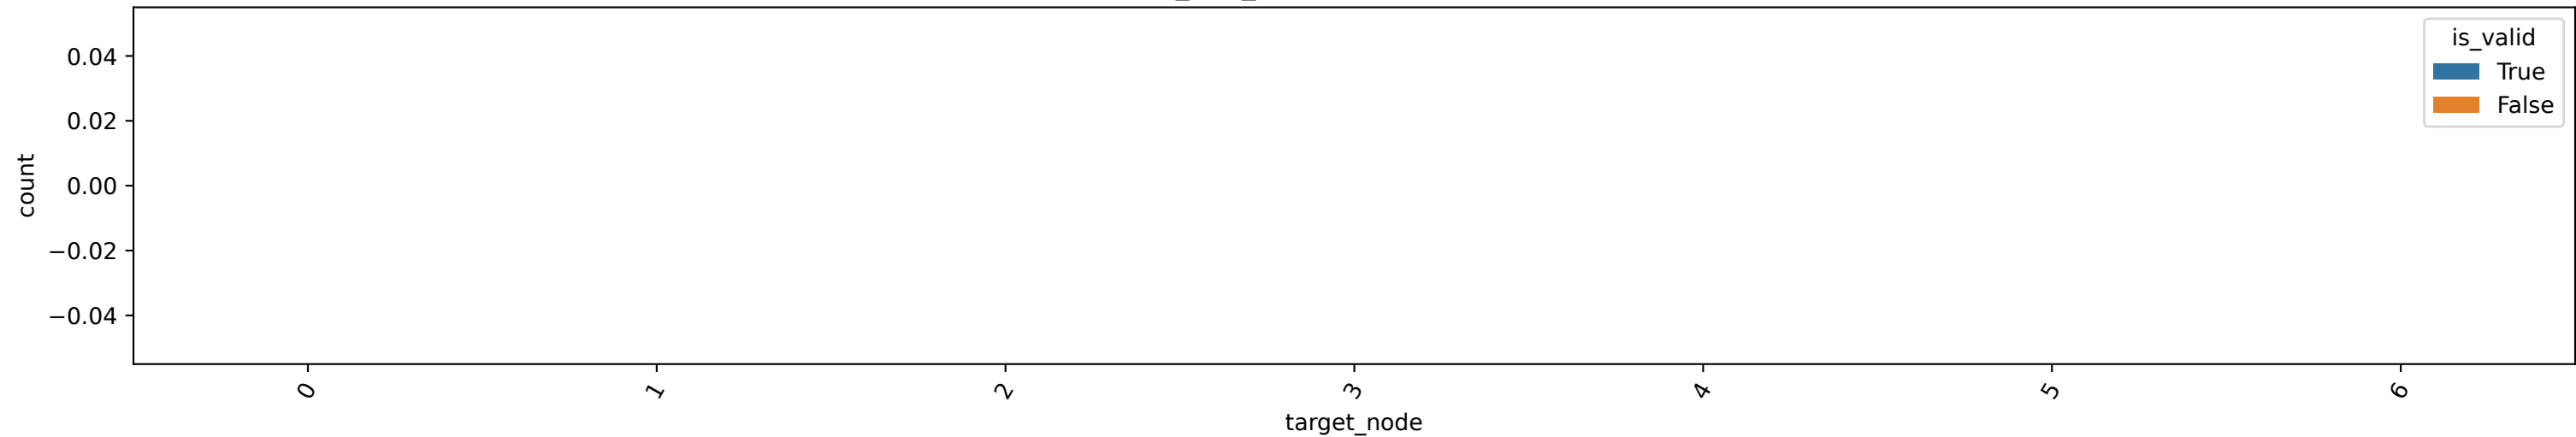

[Usage_225_total] Valid gene regulation

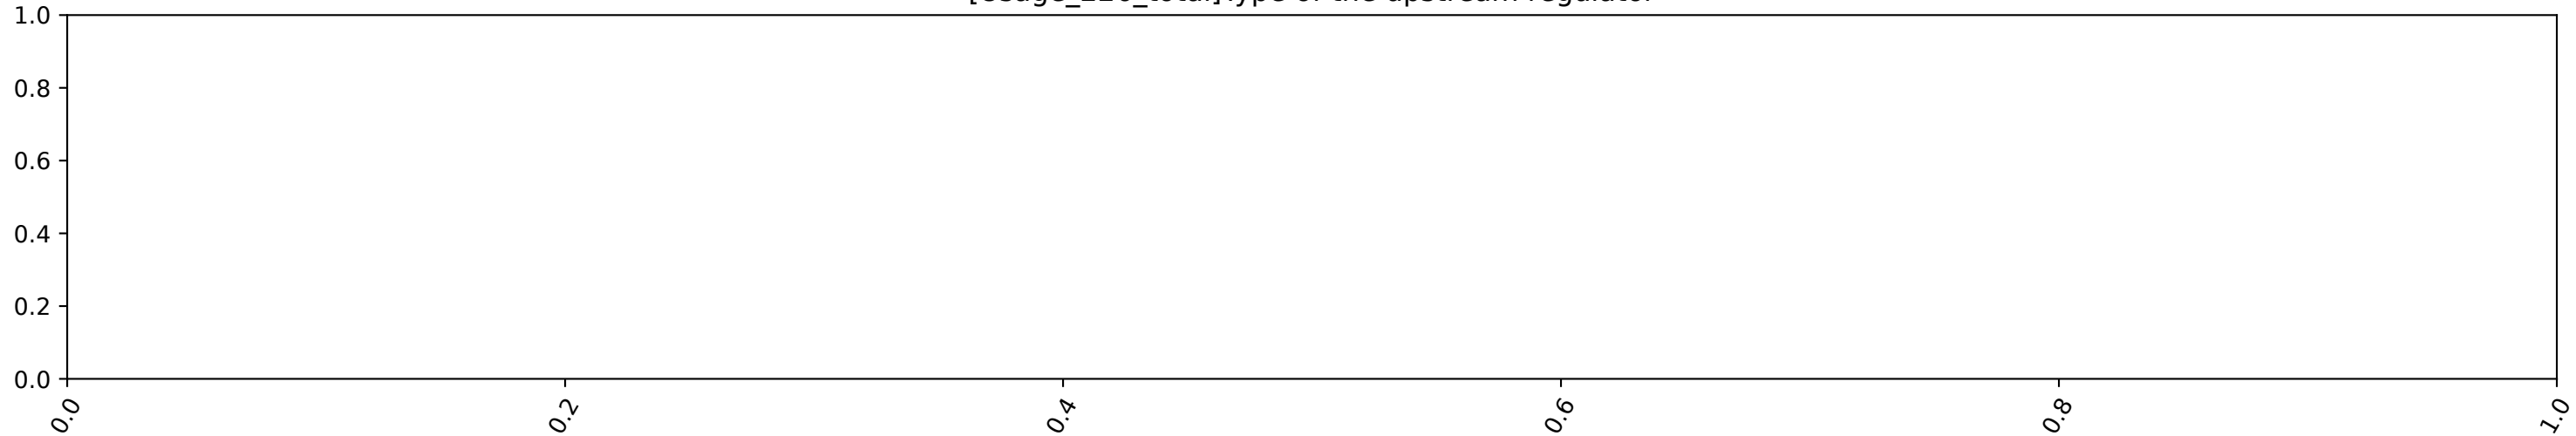

[Usage_225_total]Type of the upstream regulator

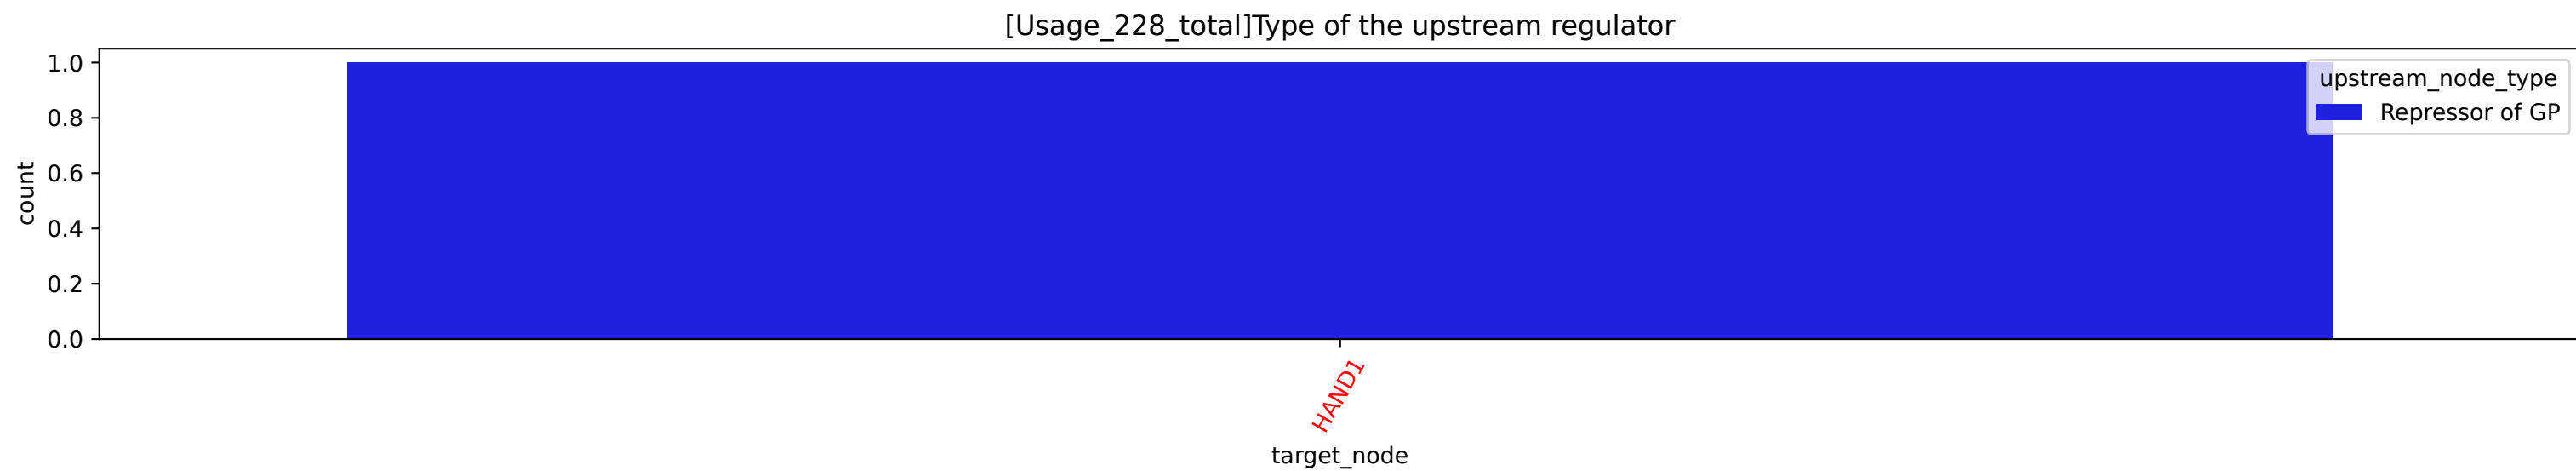

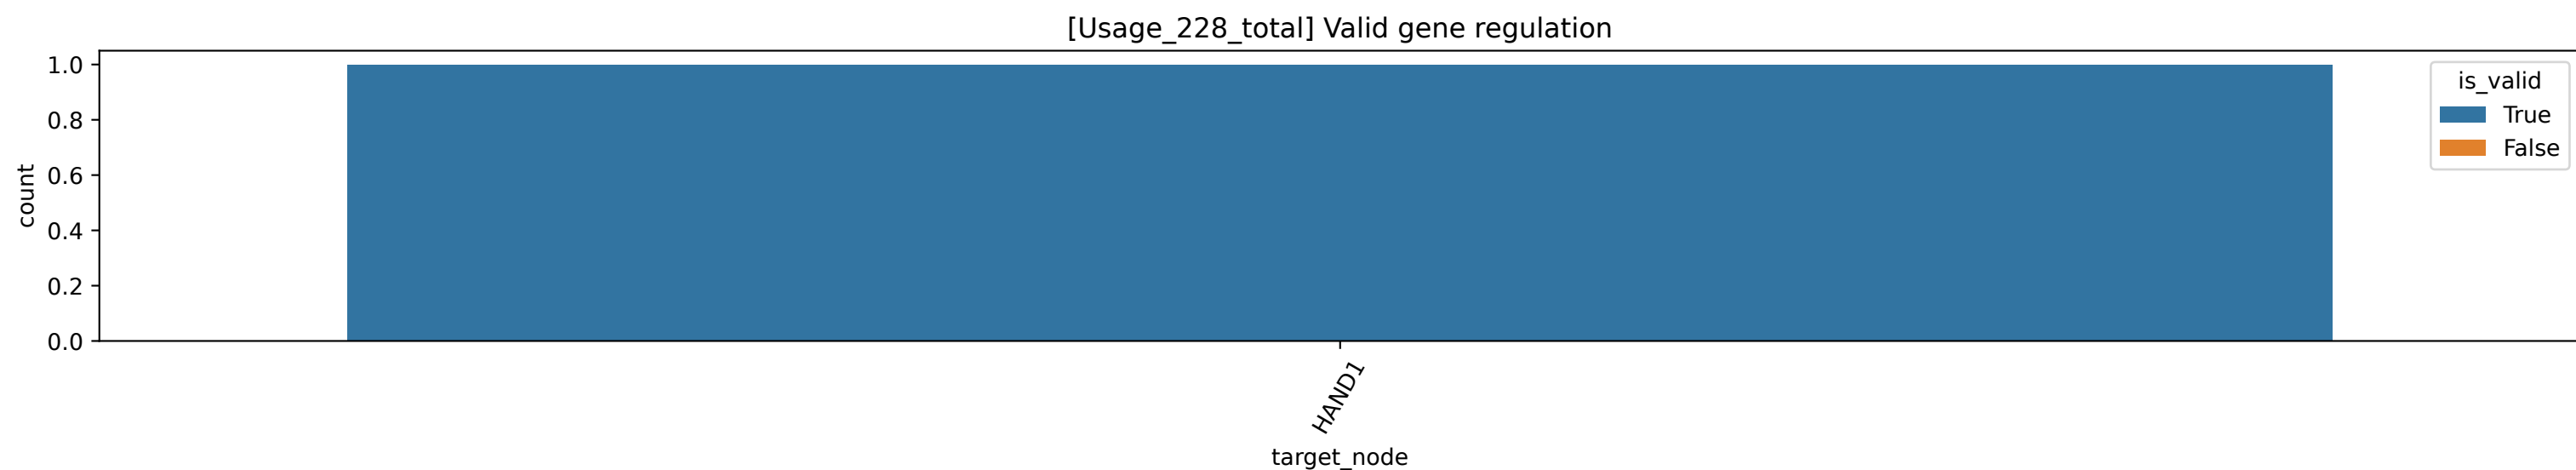

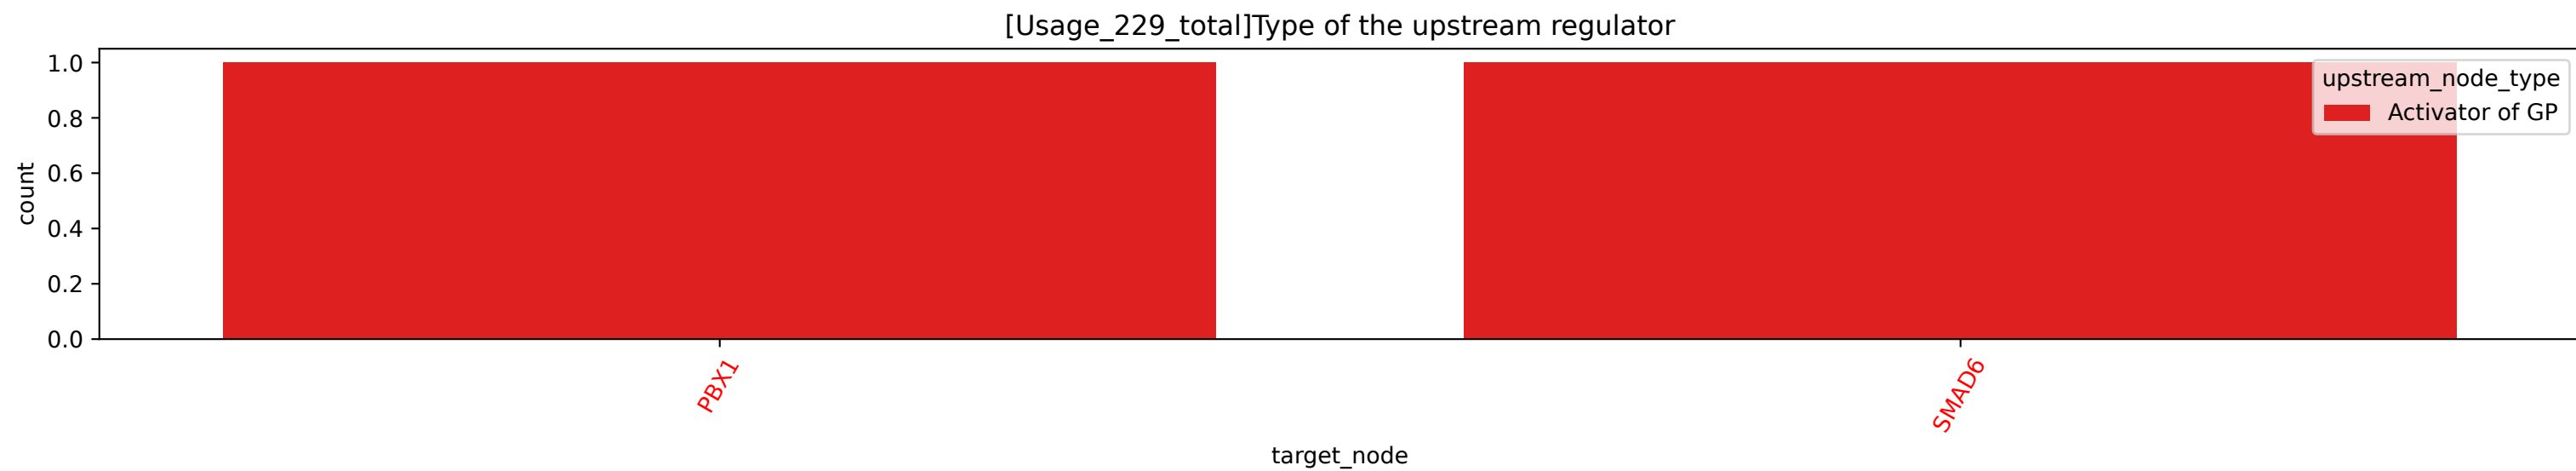

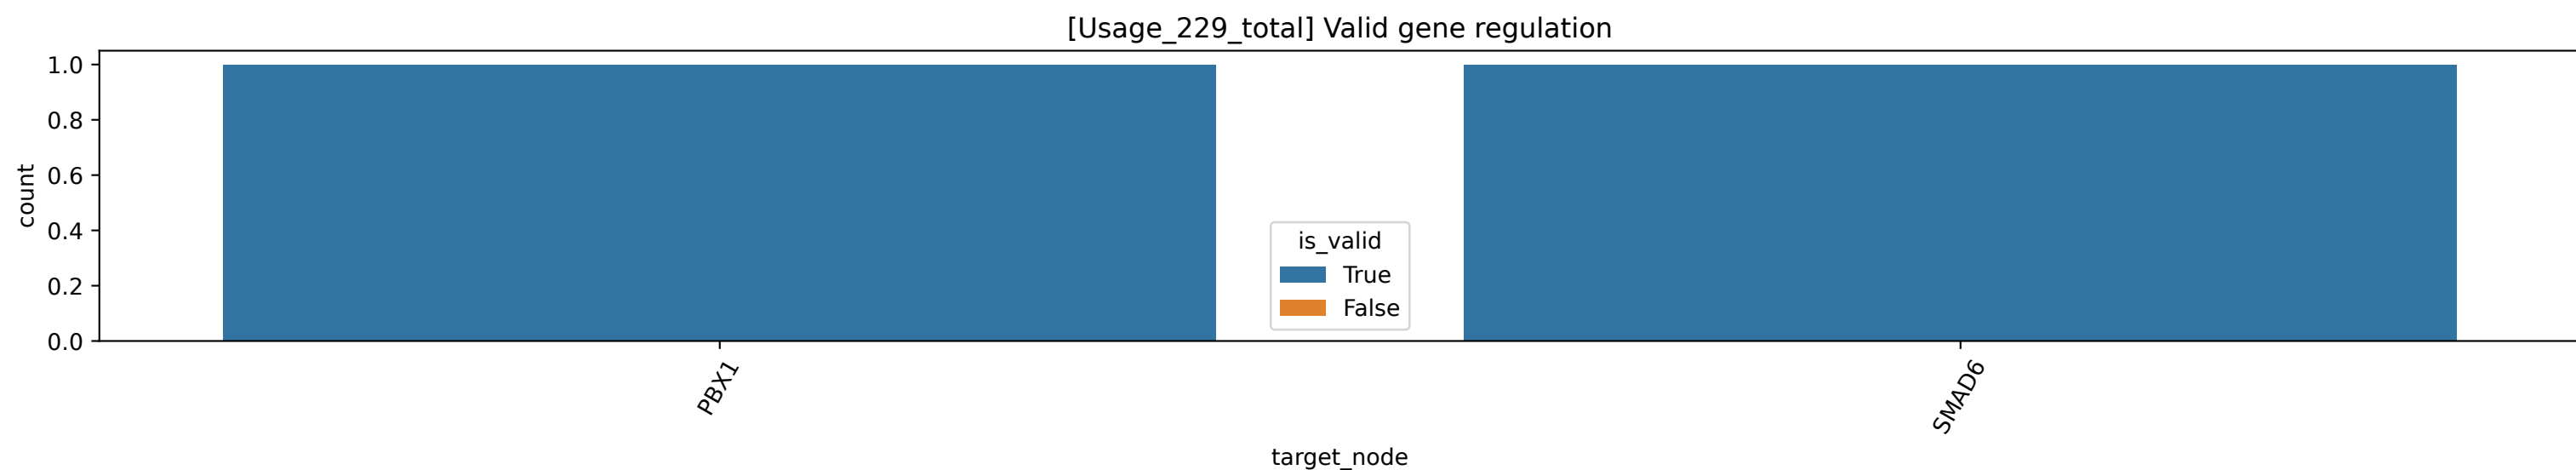

[Usage_226_total] Valid gene regulation

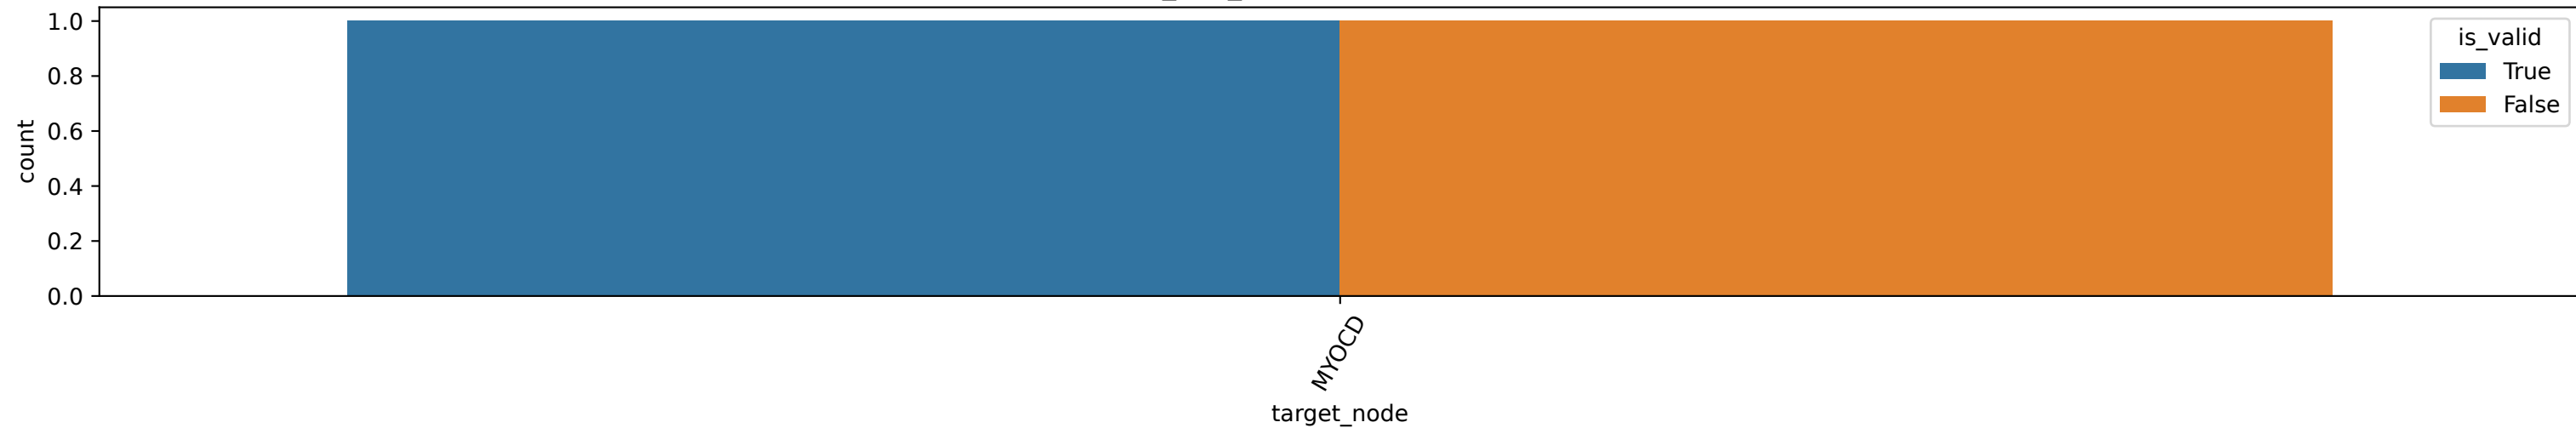

[Usage_226_total] Type of the upstream regulator

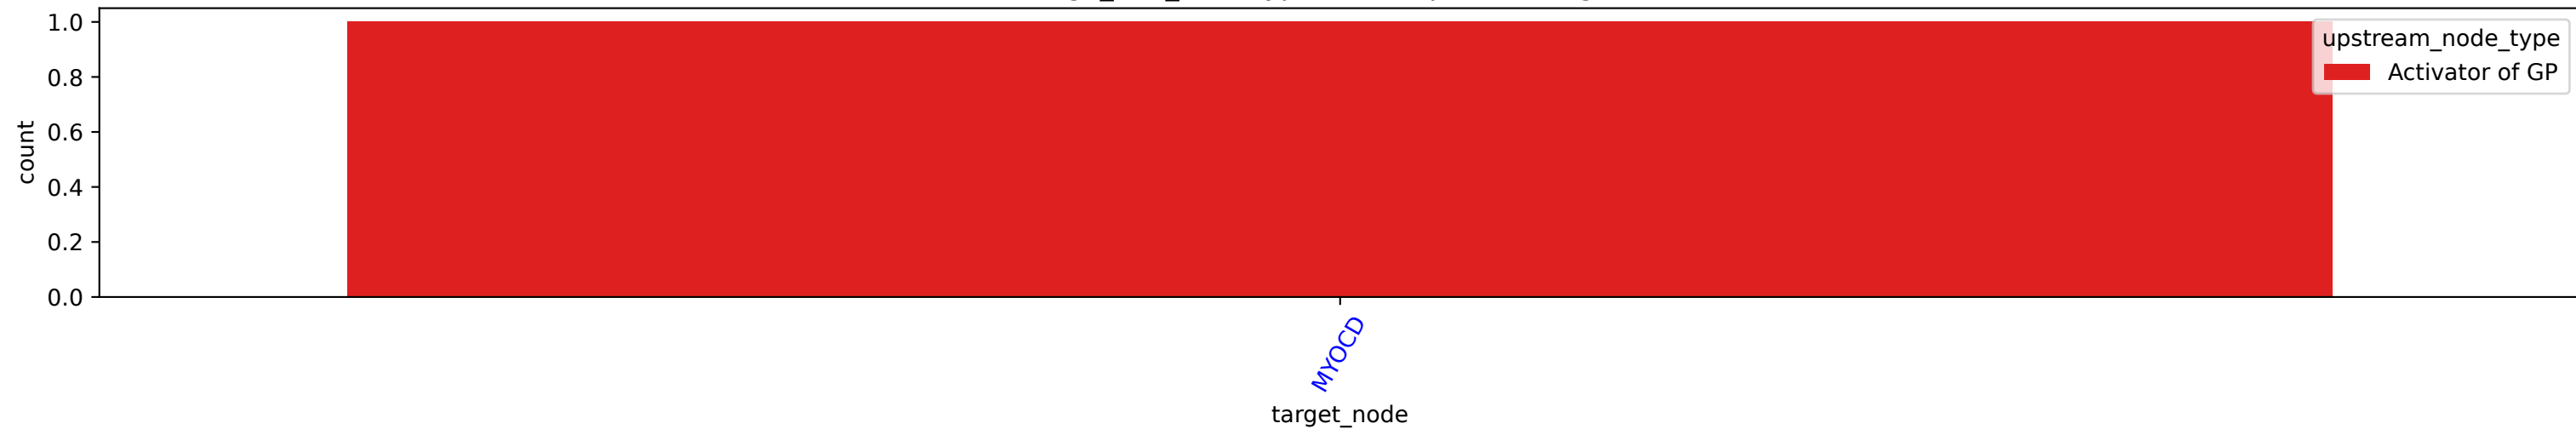

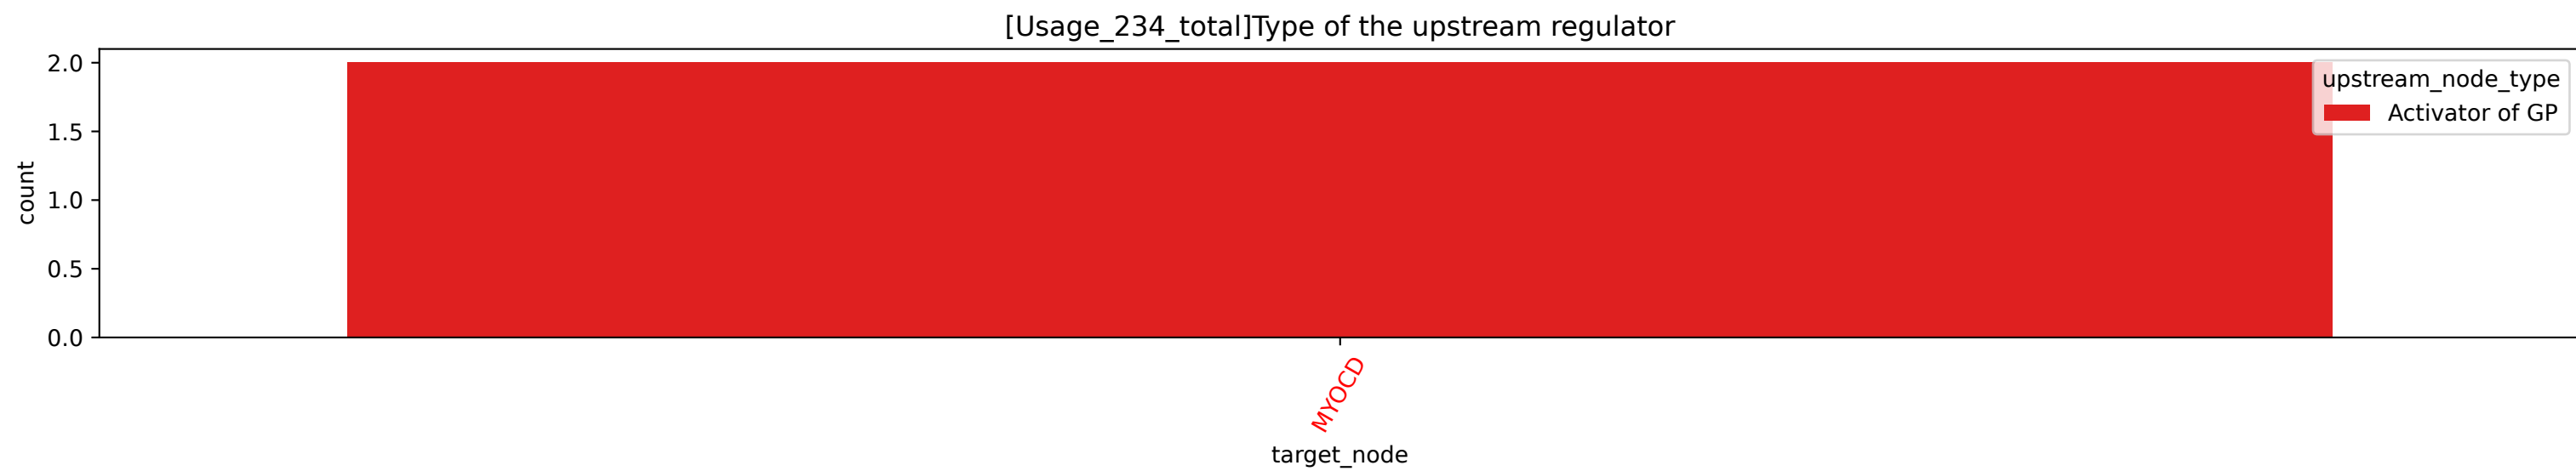

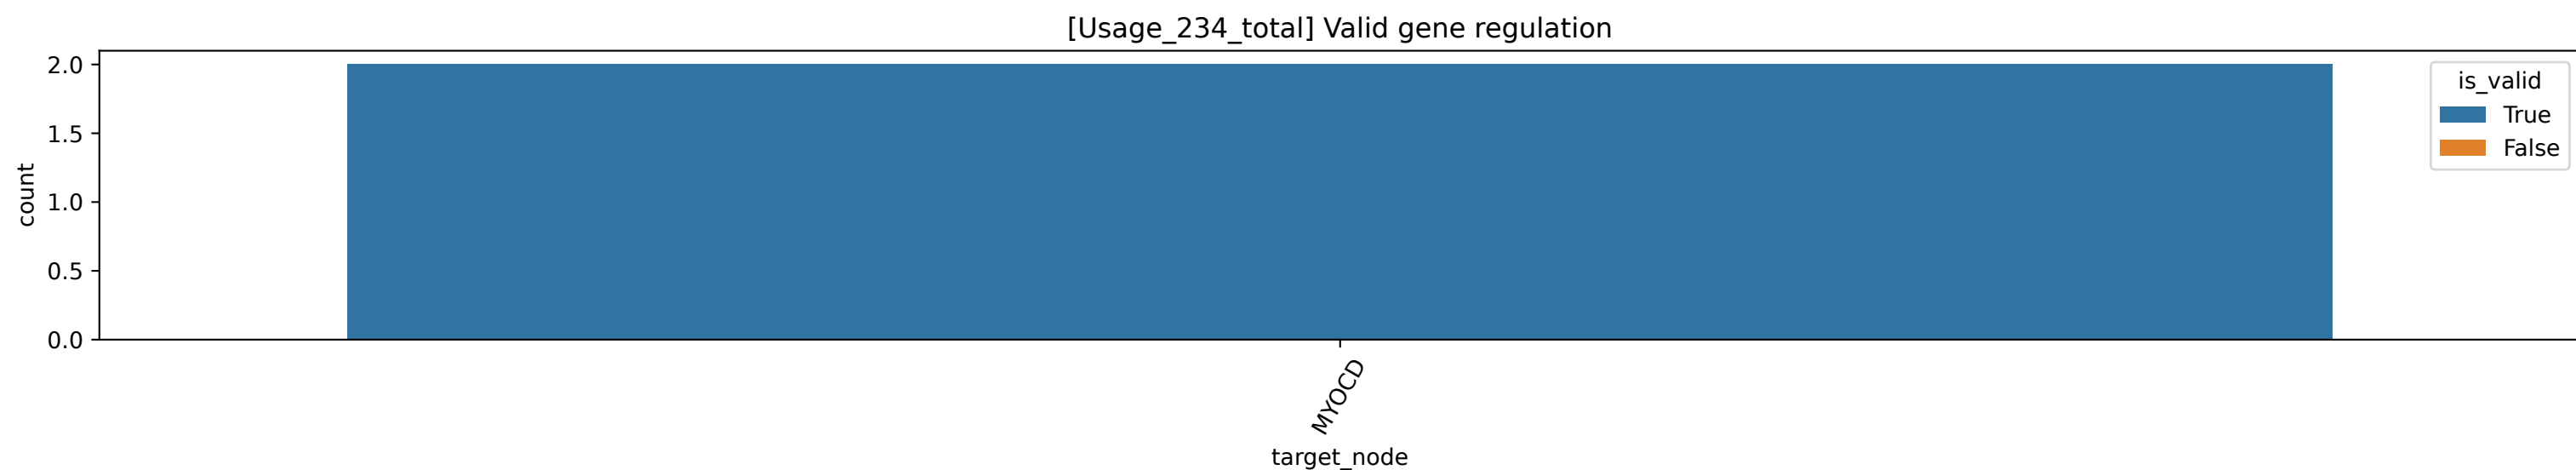

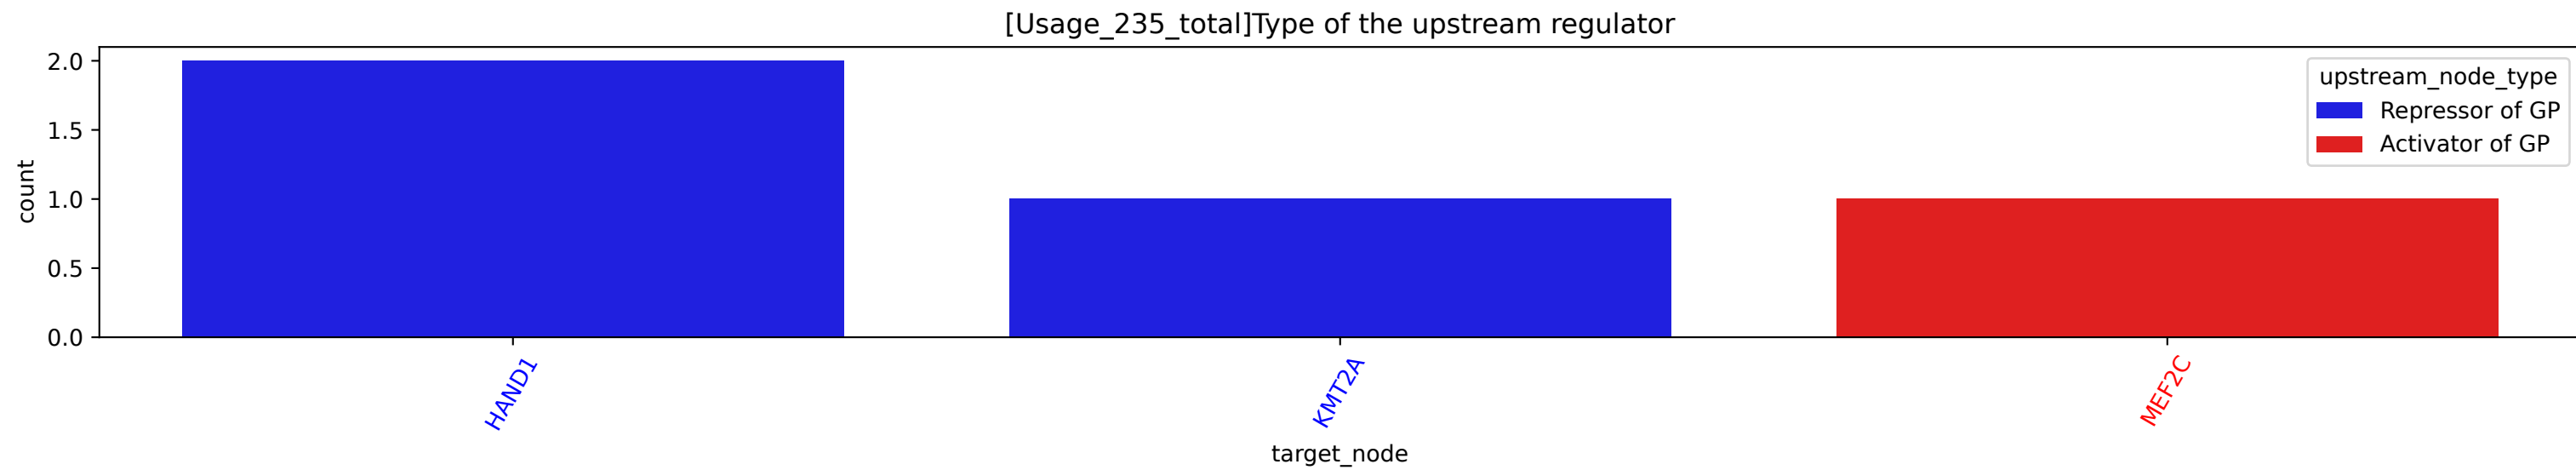

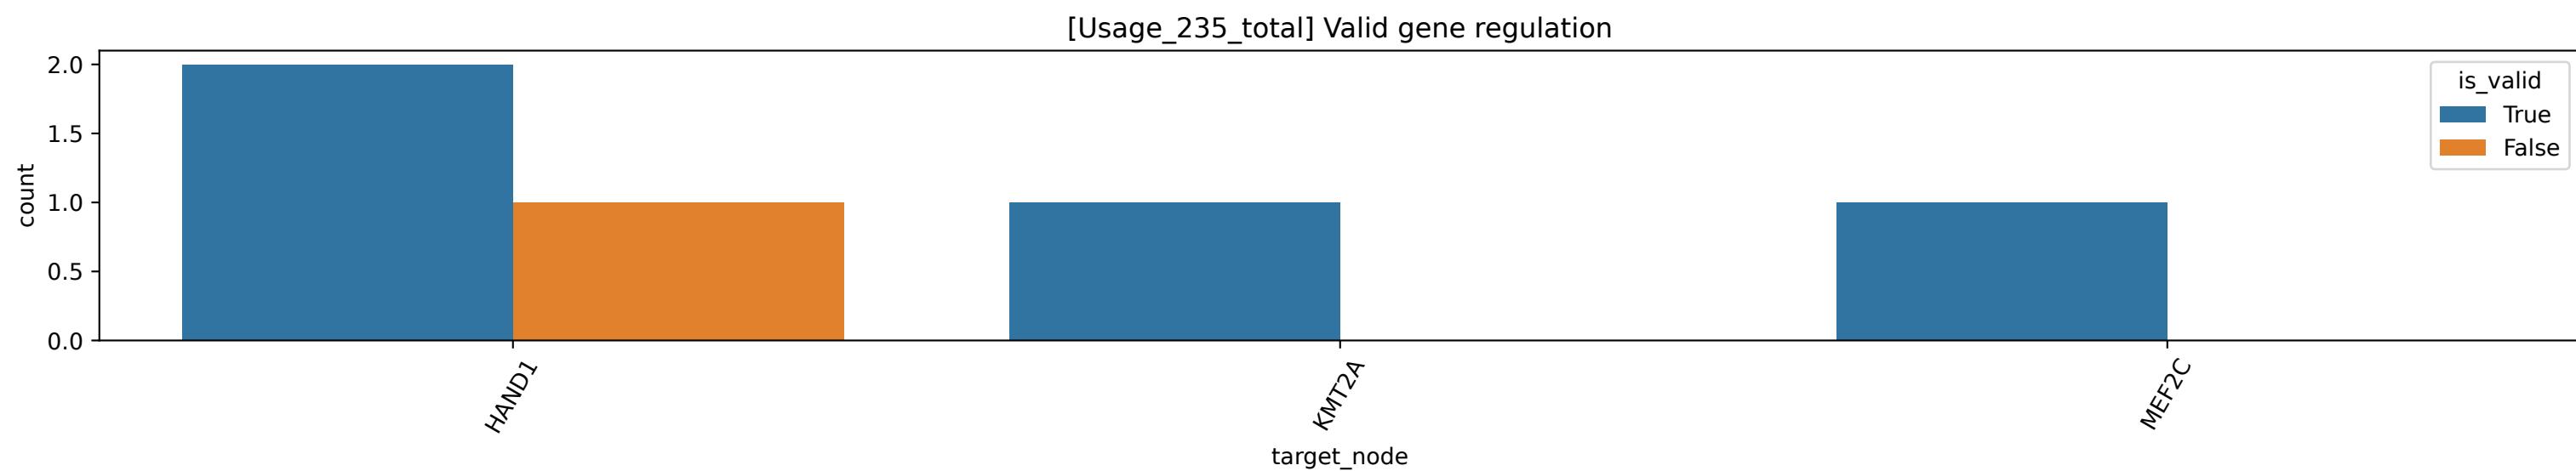

[Usage_233_total] Valid gene regulation

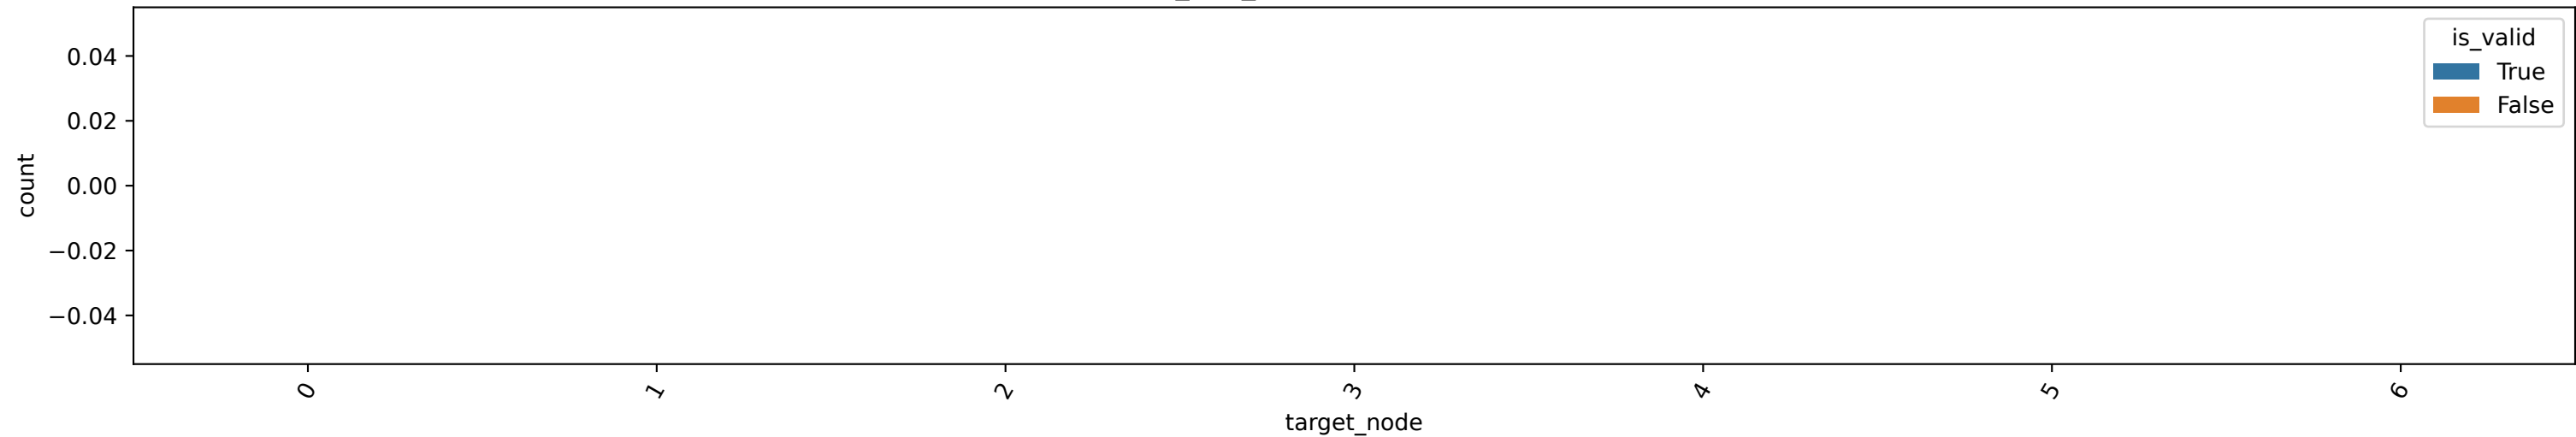

[Usage_233_total]Type of the upstream regulator

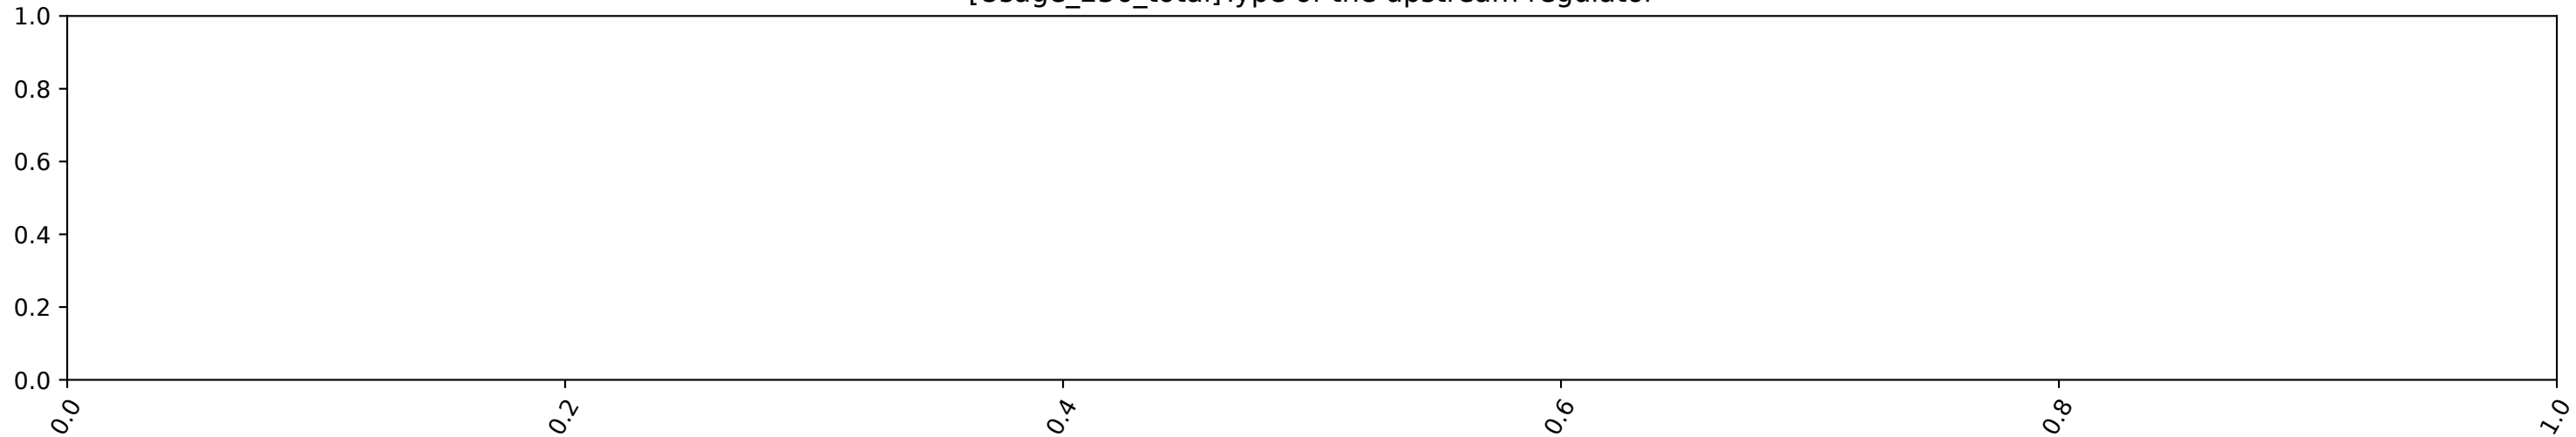

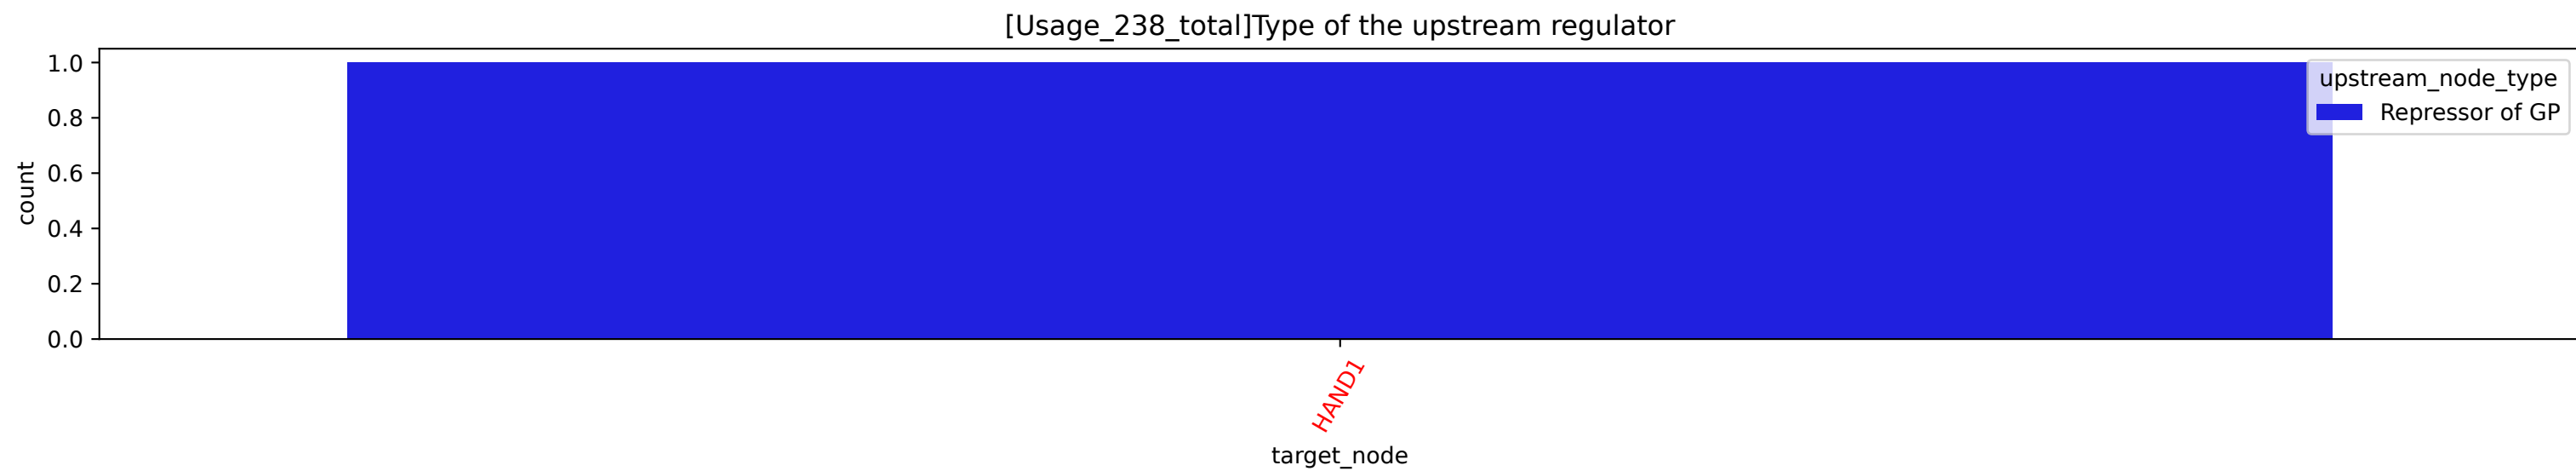

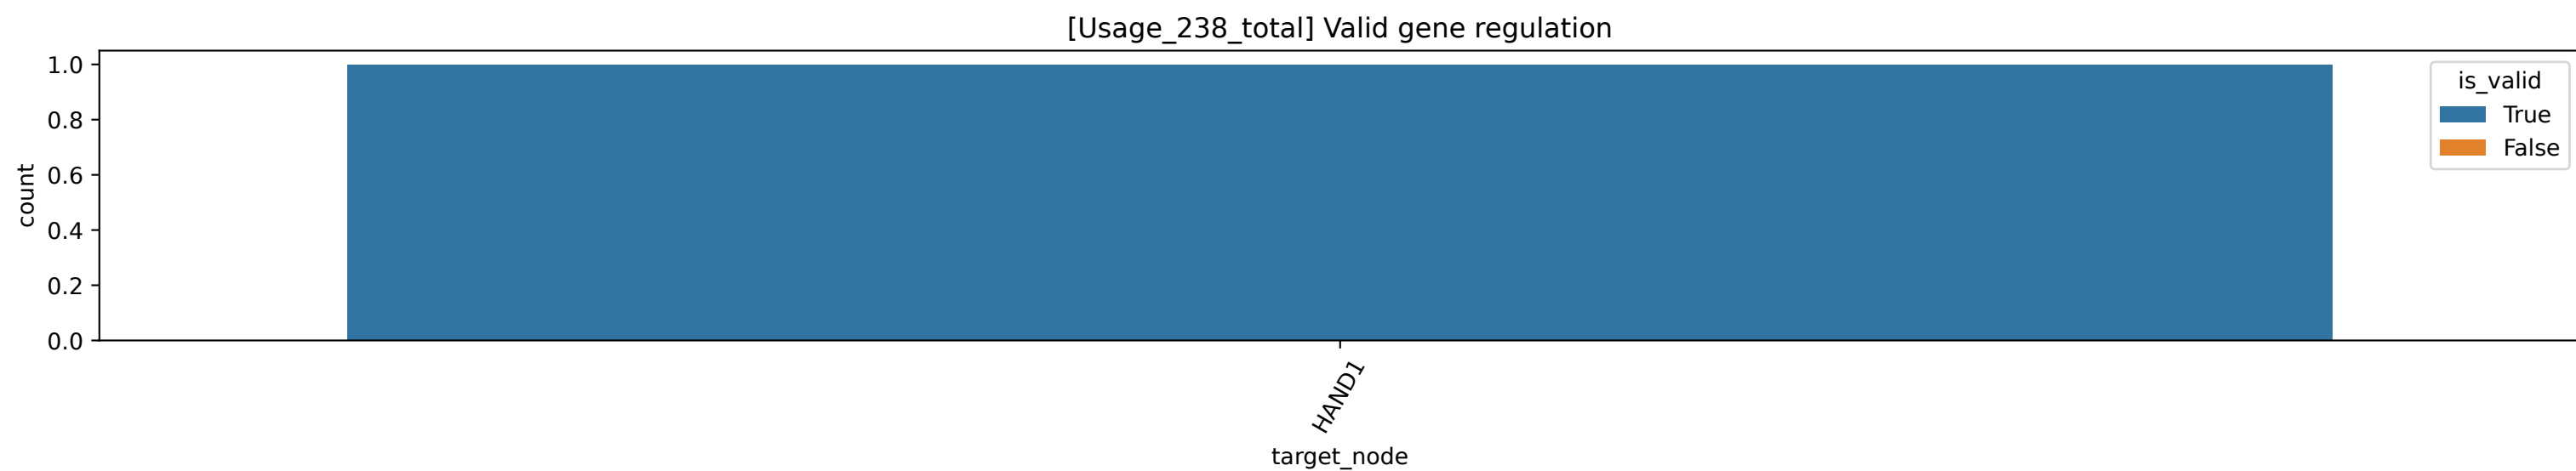

[Usage_236_total] Valid gene regulation

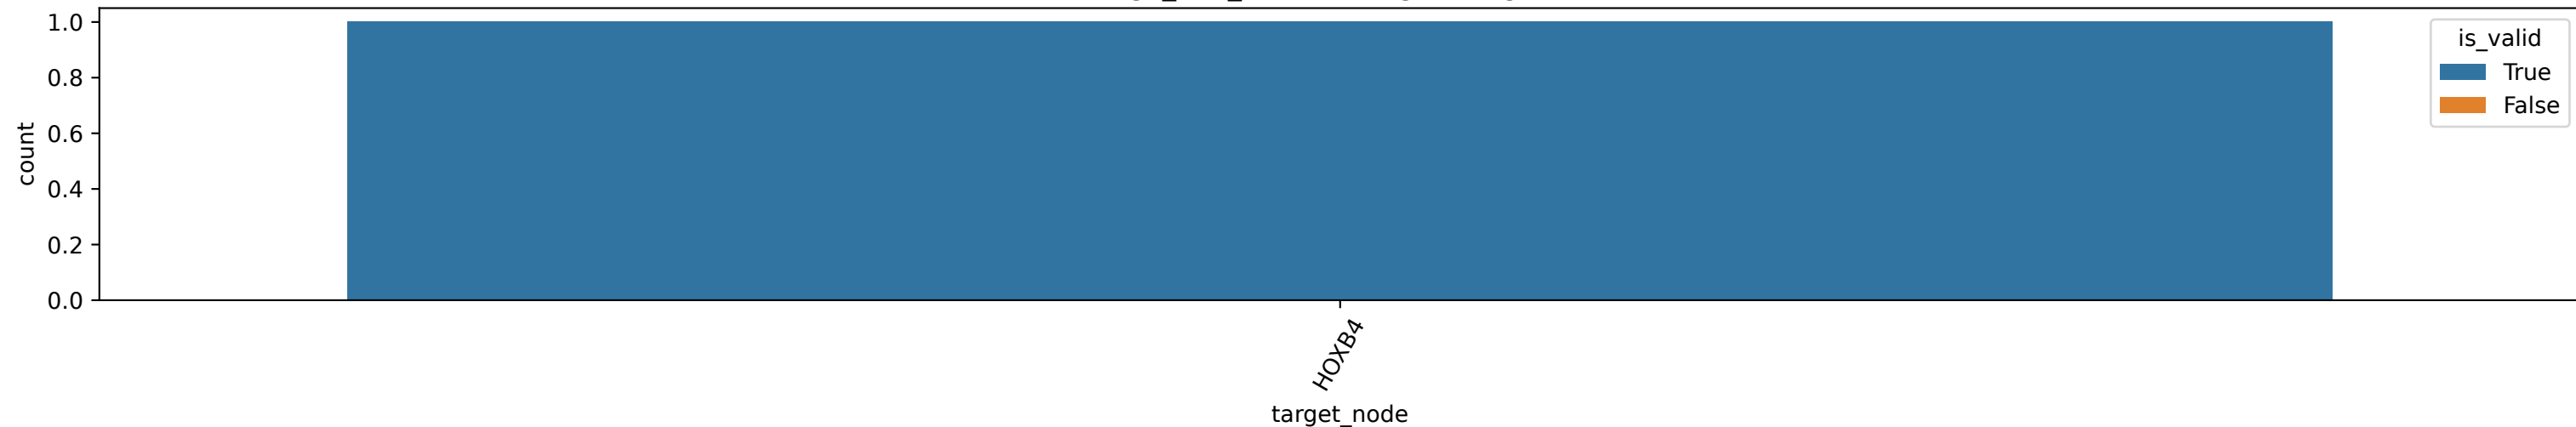

[Usage_236_total]Type of the upstream regulator

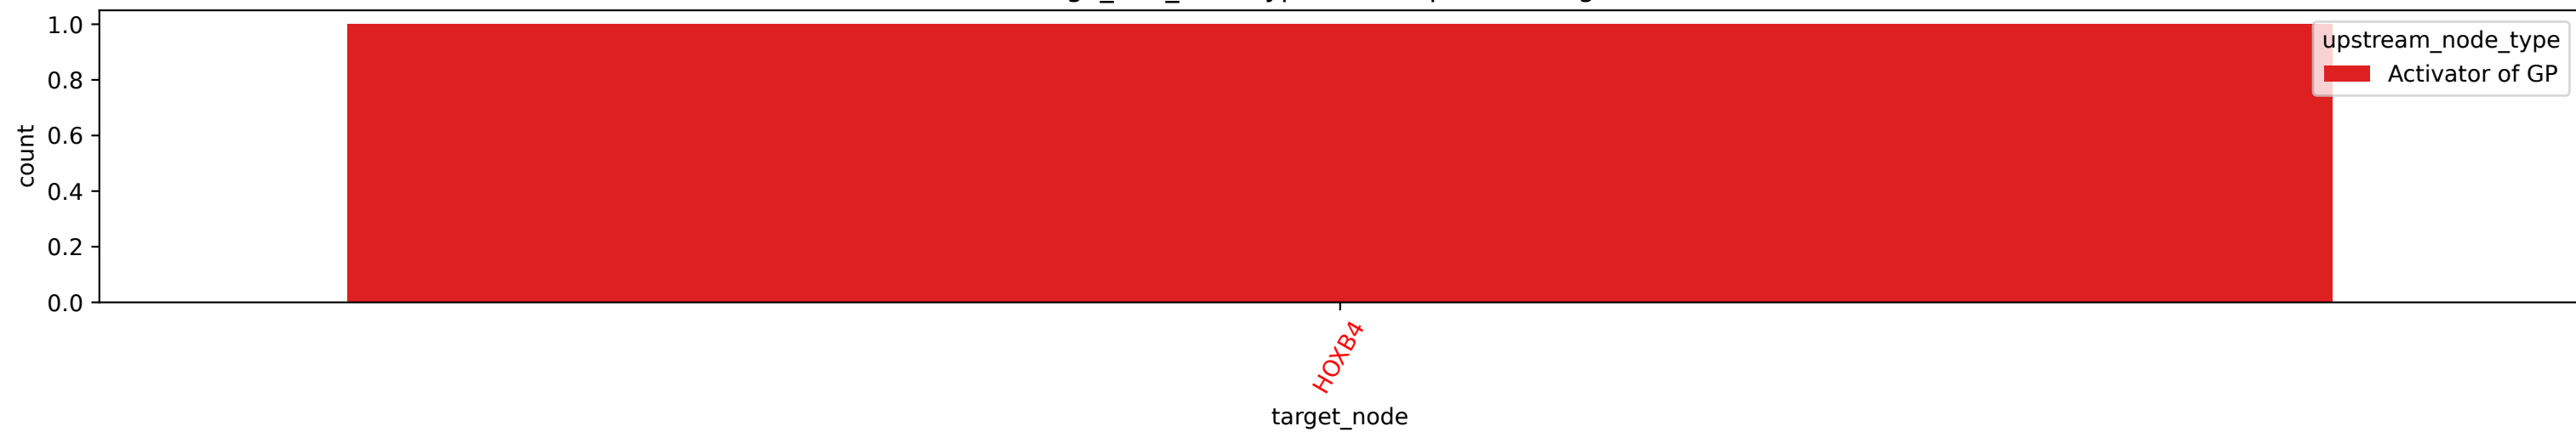

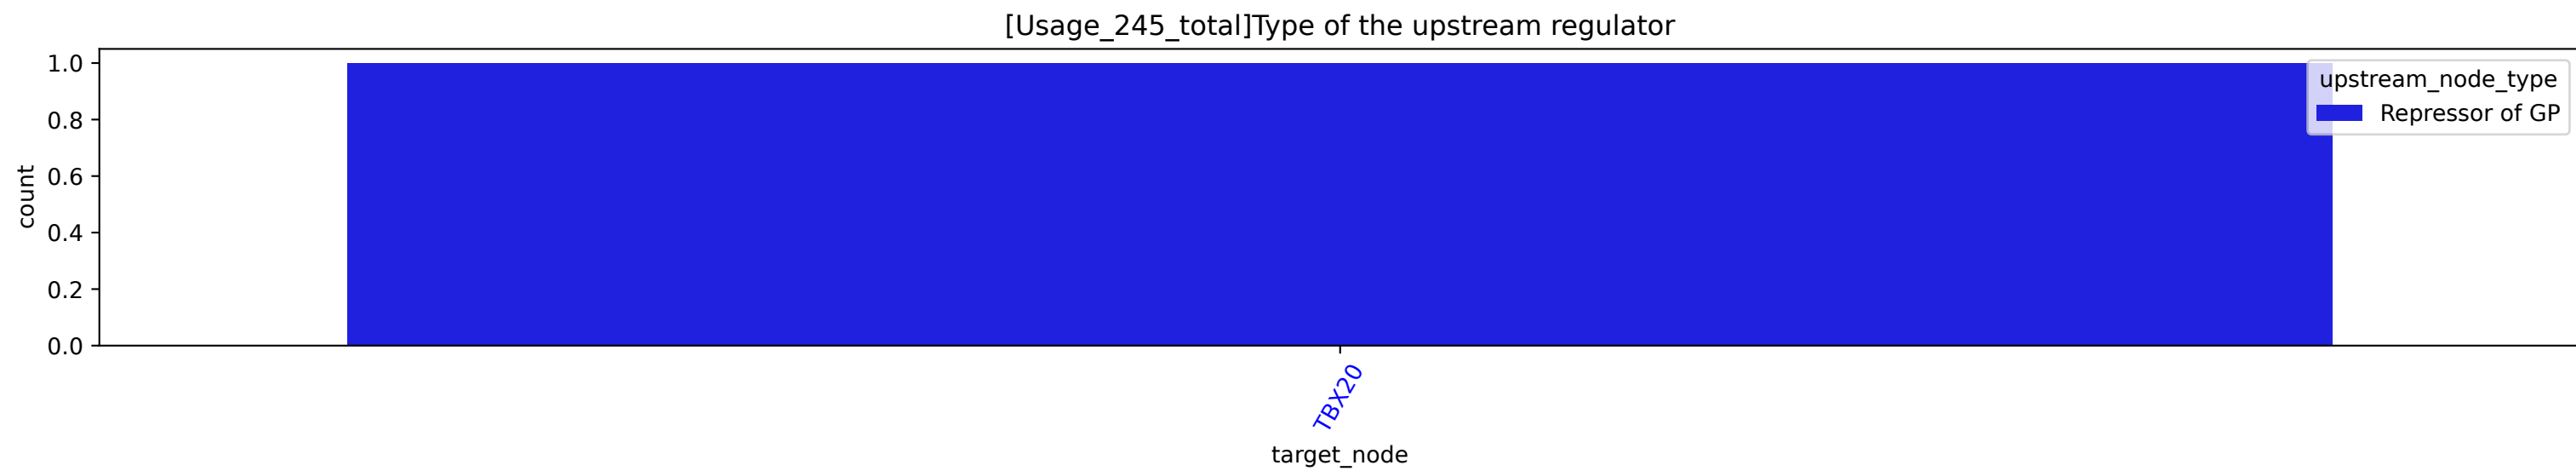

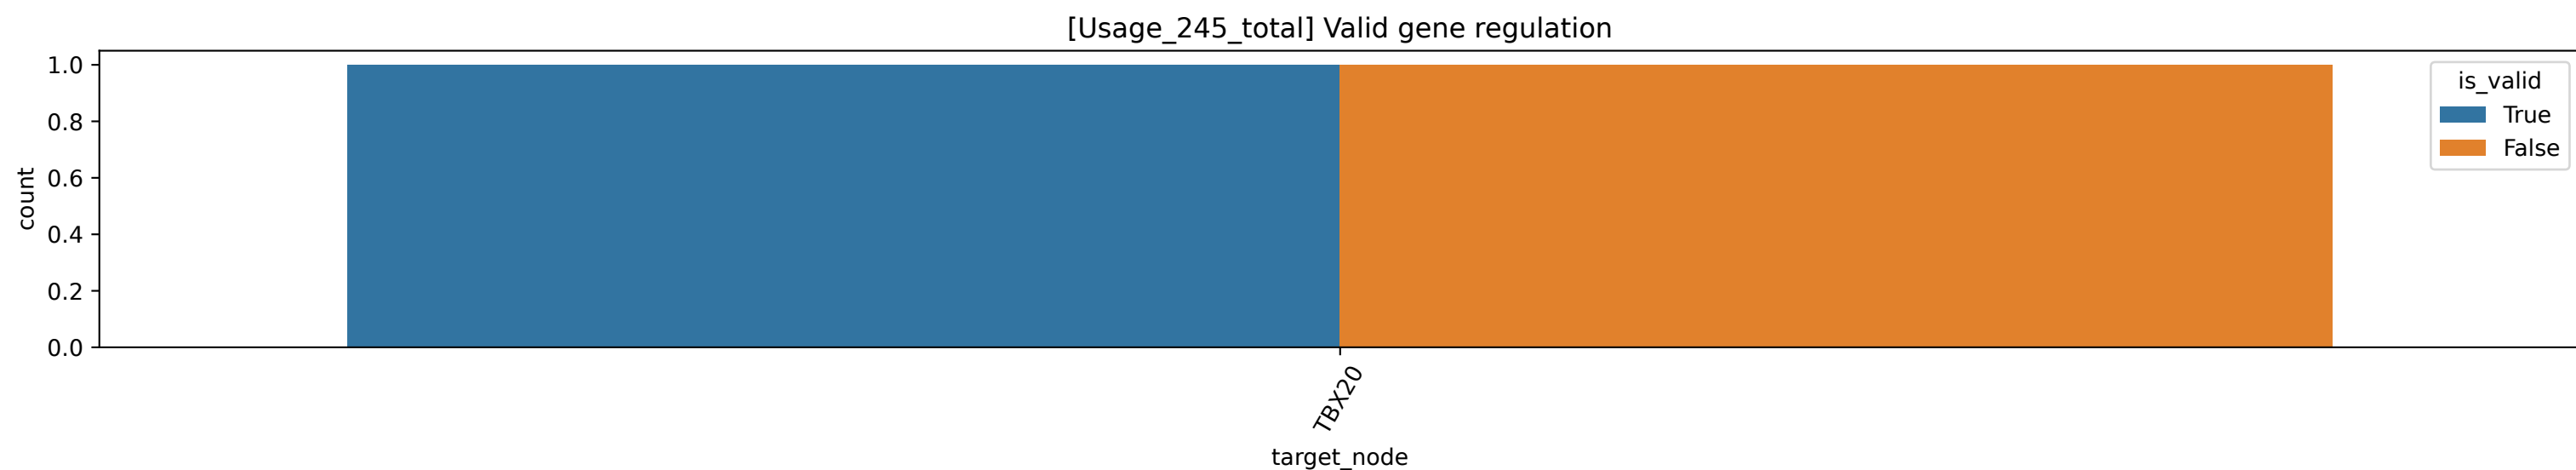

[Usage_244_total] Valid gene regulation

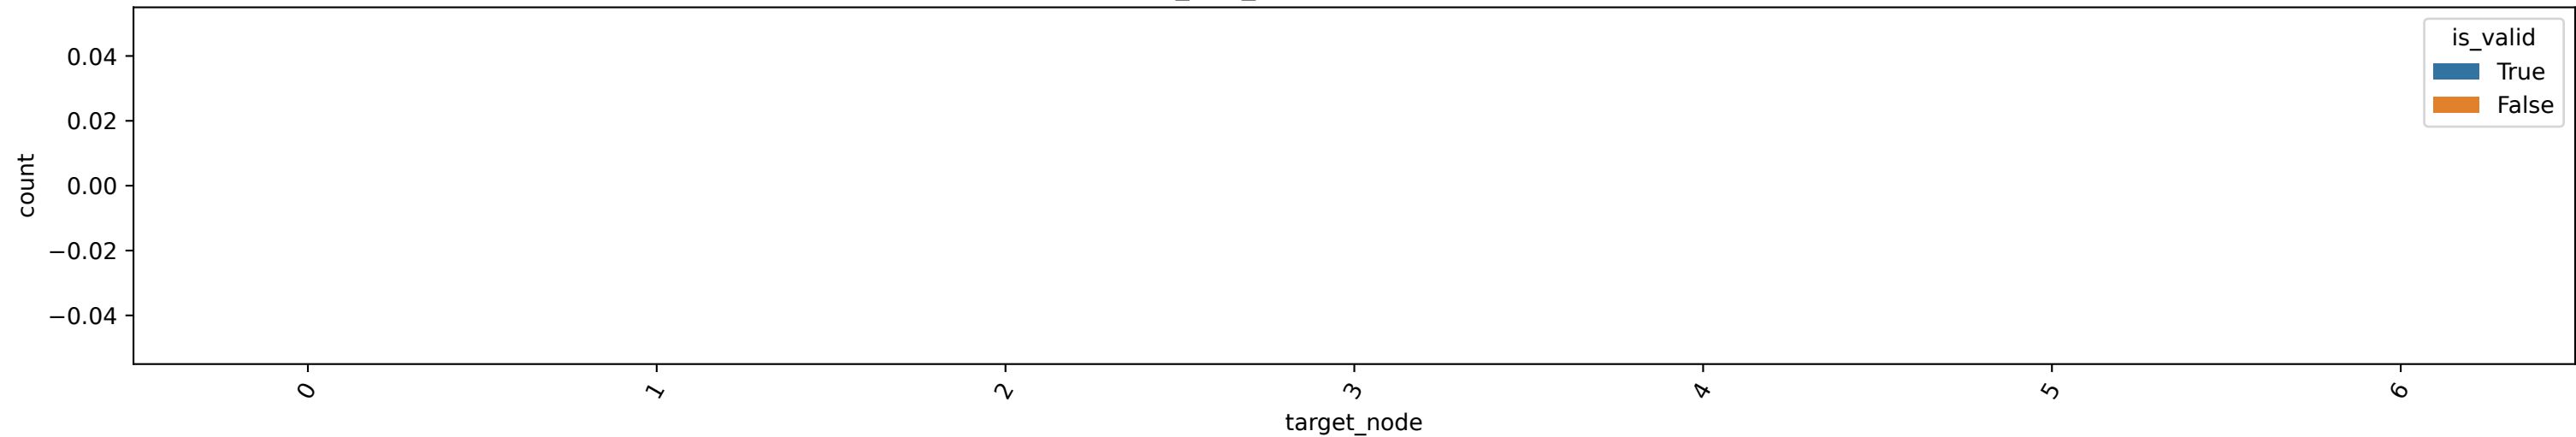

[Usage_244_total]Type of the upstream regulator

[Usage_247_total] Valid gene regulation

[Usage_247_total]Type of the upstream regulator
